Between The West Australian Railway Officers' Union (Applicant) and the Commissioner of Railways (Respondent).

THE Railways Classification Board doth hereby make the following Award in connection with the application of the abovenamed parties:—

AWARD.

Conditions of Service.

1.—Term of Award.

This Award shall operate from the 30th March, 1949, and shall remain in force for three years from that date; provided that either party shall have the right to apply for a variation of the same after the expiration of six months, as provided for under section 21 of the Act.

2.—Area and Scope of Award.

This Award shall apply to all managers, assistant managers, relief managers, manageresses, and supervising officer, dining and buffet cars, etc., Perth, employed in the Refreshment Service Section of Western Australian Government Railways.

3.—Interpretations.

Same as in Award No. 2 of 1948 (see clause 24).

4.—Hours of Duty.

There shall be no fixed hours of duty for officers under this Award whose attendance (or that of the wife) will be regulated by the reasonable requirements of the public according to train services or other exigencies.

5.—Saturday Duty.

All time worked on Saturdays by "shift workers" shall be paid at time and a half. For the purpose of this subclause "shift workers" means workers other

than workers who always commence and complete the ordinary hours of work during the period 7 a.m. to 5.30 p.m.

6.—Sunday Time.

(a) Officers when called upon for Sunday duty shall, if the work is of such a nature that it cannot be carried out within the usual working hours of duty, be paid for all time worked on Sunday at the rate of double time, Christmas Day and Good Friday to be considered as Sundays insofar as this subclause operates.

(b) The following shall be the scale for calculating Sunday time—

(i) Less than a quarter ($\frac{1}{4}$) of an hour worked in continuance of a shift beginning on a Saturday or in commencement of a shift terminating on Monday—Nil.

(ii) Any officer brought on duty on Sunday shall be paid a minimum of a quarter ($\frac{1}{4}$) day's pay at the rate applicable to the day; provided that this shall not apply in the case of a shift starting on Sunday and continuing into Monday.

(iii) If an officer works a broken shift on Sunday a minimum of a quarter ($\frac{1}{4}$) day's pay at the rate applicable to the day shall be paid for each section. A shift shall be deemed broken when more than two (2) hours elapse from first signing off to again signing on.

7.—Travelling Time.

(a) An officer will be credited with ordinary time when travelling on duty for the first eight (8) hours, and at half time thereafter up to a maximum of eight (8) hours in any one day.

(b) Any officer stationed in a suburban area who has to take up duty temporarily in such area shall be credited with any time occupied in travelling to and from his place of temporary employment in excess of that usually occupied in travelling from his home to his regular place of employment.

(c) If travelling time is not adjusted during the week in which it is incurred, such time will be paid for at ordinary rates.

(d) When a sleeping berth is occupied, travelling time between 10 p.m. and 7 a.m. shall not be counted.

(e) When travelling by sea or air, time beyond ordinary day's hours shall not be counted.

(f) This clause shall not apply to relief managers or to officers on transfer.

8.—Leave of Absence—Annual.

(a) (i) After twelve (12) months' continuous service officers shall be entitled to annual paid leave of three (3) weeks and public holidays or days in lieu thereof.

(ii) Days in lieu of Christmas Day and Good Friday will not be granted where double time has been paid in respect of work performed on those days pursuant to the provisions of clause 6 (a) of this Award.

(b) Leave of absence shall be calculated to the close of each financial year, and shall be paid for at the salary the officer is in receipt of at the time such annual leave is taken.

(c) The leave shall be applied for and taken out at a time convenient to the Department before the 30th June following the year for which it fell due. At the expiration of that time the leave shall lapse, unless such leave shall have been deferred by the Department or the permission of the Commissioner obtained for its accumulation.

(d) In urgent cases leave in addition to the foregoing may be granted, without pay, for a period not exceeding six months; any public holidays falling due during the period in which an officer is on leave without pay shall not be paid for.

(e) Subject to proviso hereto, any officer with more than six (6) months' service who may resign or be dismissed from the service, shall be entitled to receive payment for any holidays pro rata up to the time of leaving the service; provided that, if an officer be dismissed for being under the influence of liquor, or for drunkenness, he shall be entitled to be paid for such leave (if any), as was due up to the 30th June previous and, if dismissed for peculation or theft, tamper-

ing with ticket issues, or manipulation of the books of the Department, he shall not be entitled to payment for any holidays.

(f) The next of kin of a deceased officer shall be granted payment of pro rata annual leave to the date of the decease of the officer.

(g) The Commissioner shall prepare a roster not later than the 31st October in each year showing the date it is intended to clear the leave due to each officer.

(h) An officer shall be given at least two (2) weeks' notice before he is booked off on annual leave.

9.—Absence Without Pay—(See Clause 24).

10.—Long Service Leave.

(a) The Commissioner shall grant to any officer who has continued on the salaried staff for ten (10) years, long service leave for three (3) calendar months on full pay, or six (6) calendar months on half ($\frac{1}{2}$) pay. For the subsequent period of ten (10) years the same conditions shall apply and thereafter for every seven (7) years similar leave shall be granted.

(b) Service prior to attaining the age of eighteen (18) years shall not count in computing long service leave.

(c) Any public holidays occurring during the period in which an officer is on long service leave will be calculated as portion of the long service leave, and extra days in lieu thereof shall not be granted.

(d) If a deceased officer leaves a widow, dependant children, mother and/or invalid sister, payment pro rata of long service leave up to the date of such officer's death shall be granted to such dependant or dependants.

(e) (i) Officers regressed to the wages staff and re-appointed to the salaried staff, or appointees from wages to salaried staff shall, for the purpose of this Clause, be treated as if the whole of their service had been served on the salaried staff; subject to the proviso that officers who had less than ten (10) years' salaried service, but more than ten (10) years' wages service and salaried service combined as at the 1st January, 1927, shall be entitled to the first period of leave on that date.

(ii) For the next period of leave the qualifying service will be ten (10) years from the 1st January, 1927, and for subsequent leave the qualifying service will be seven (7) years from the 1st January, 1937.

(f) Any officer who resigns or is retired from the service, except as provided for in subclause (g) shall be paid for long service leave due at the time of resignation or retirement.

(g) Any officer who retires or is retired upon reaching the retiring age, or through ill-health, shall be paid for long service leave pro rata to date of retirement.
