2. The "Secretary," as referred to in these by-laws means the person for the time being employed by the Trustees as the secretary of the cemeteries and such person shall, subject to the Trustees, exercise a general supervision and control over all matters pertaining to the cemeteries and to the carrying out and enforcement of these by-laws, and the direction of such person shall in all cases and for all purposes be presumed to be and to have been the direction of the Trustees.

5. All applications for interment shall be made at least five working hours prior to the time fixed for burial. An extra charge shall be made for application within such time. No free interment shall be allowed, unless the application, together with the Justice's order therefore be handed in in such time as to allow of at least five working hours as above.

7. Before any interment is allowed the "Order for Burial" shall be handed to and retained by the secretary.

19. No person employed by or under the Trustees shall accept any gratuity whatever, nor shall he be pecuniarily interested in any work in the cemeteries other than the remuneration he receives from the Trustees and any such person proved guilty of accepting any gratuity or being pecuniarily interested in any such work, shall be liable to summary dismissal.

20. Any person requiring an "Exclusive Right of Burial" in any part of the cemeteries shall apply to the Trustees in writing, specifying the locations of the grave, and whether it is proposed to erect a brick grave or vault, and in such case submitting plans and specifications of the proposed work. Such application shall also state the name of any already deceased persons whose remains it is proposed to inter therein.

21. Subject to the by-laws the secretary shall exercise a general supervision and control over all matters pertaining to the cemeteries including the conduct of all funerals and interments within the cemeteries.

22. Upon being satisfied of the matters aforesaid, and of the suitability of the said work, plans and specifications, the Trustees may authorise the construction and erection thereof; or if no work is to be done, may issue a "grant" in the prescribed "form" in the Schedule.

23. Upon the completion of the work aforesaid, the Trustees may, if and when such work is done to their complete satisfaction, issue a "grant" in the prescribed "form" in the Schedule.

24. Every "grant" shall be subject to the by-laws for the time being, and no interment in any grave or vault shall be allowed unless upon production of the "Order of Right of Burial" aforesaid, nor shall any such grave or vault be opened, unless with the written consent of the Trustees.

25. Every coffin placed in any such bricked grave or vault shall be bricked in, cemented, and covered with a slab of stone, slate, or iron, unless special written exemption be obtained from the Trustees.

26. If application be made for an "Order for Right of Burial" in any grave or vault of the remains of any person other than to whom the grant was issued, or his registered assign, the written and verified consent of such grantee or assignee shall be produced.

27. Should the grantee be unable to produce the "Grant of Right of Burial," on making application for a grave to be re-opened for the purpose of interment, through having lost the same, the said grantee shall make a sworn declaration to this effect, and shall pay the fee for a copy of such "Grant of Right of Burial" as prescribed in Schedule A, before an "Order for Burial" will be issued by the Trustees.

28. Any person desiring to place or erect any monument, tombstone, or enclosure in any part of the cemeteries must first obtain the written consent and approval of the Trustees, and otherwise comply with section 23 of the Cemeteries Act, 1897.

29. Every tombstone, monument, or enclosure shall be placed on proper and substantial foundations, which, if required by the Trustees, shall extend to the bottom of the grave.

41. The Trustees may decorate graves from time to time, when desired by the grantees so to do. If the grantees do not desire the Trustees to carry out this work, the grantees may either do it themselves or employ any person licensed by the Trustees for that purpose.

42. No person, except the relatives of the deceased, the Trustees or those licensed by the Trustees, shall be permitted to decorate any grave.

43. Any person committing any breach of these by-laws and regulations, or of any other rules, regulations or by-laws, lawfully made under authority of any Act relating to cemeteries, shall for every such offence be liable to a penalty not exceeding £5, and, in case of a continuing breach, a further sum not exceeding £1 for

WHEREAS an industrial dispute existed between the abovenamed parties, and whereas the said dispute was referred into Court for the purpose of hearing and determination, and whereas the parties subsequently met and conferred and have arrived at agreement on all matters in difference, and whereas the parties have this day appeared before the Court by their respective representatives and requested the Court to make the said Agreement an Award of the Court: Now, therefore, the Court, pursuant to section 65 of the Industrial Arbitration Act, 1912-1941, and all other powers therein enabling it, hereby declares the memorandum hereunder written to have the same effect as and be deemed an Award of the Court.

Memorandum of Agreement.

(Note: Wherever the word "Award" occurs herein, it shall be taken to mean and include "Agreement.")

1.—Term.

This Agreement shall come into operation from its date and shall continue in force for a period of one (1) year.

2.—Area.

The Agreement shall have effect over the area comprised within a radius of fifteen (15) miles from the General Post Office, Perth.

3.—Definitions.

"Casual Worker" means a worker employed for less than one (1) week, with a minimum of two hours in any day. He shall be paid at the rate of ten (10) per cent. in addition to the rate prescribed in this Agreement on an hourly basis.

This shall not apply to a casual worker on raw sugar.

4.—Hours.

(a) Subject as hereinafter provided in subclause (c) hereof, the hours of workers shall be forty (40) per week.

(b) The day's work for workers employed on single shift (i.e., day work only) shall consist of eight (8) hours each Monday to Friday inclusive.

(c) Workers on shift work may be employed five (5) shifts of eight (8) hours each, inclusive of crib time. Such workers shall be employed on day, afternoon and night shifts on successive weeks.

Provided that these shift hours may be altered at any time by agreement in writing between the Union and the employer, subject always to the provision that the average weekly hours shall not exceed forty (40). Until any such agreement has been arrived at it shall be permissible for the company to continue the system of operation at the date hereof.

(d) Shift workers referred to in subclause (c) of this clause may commence the work of a night shift at 11 p.m., in which case the time worked between 11 p.m. and midnight on any Sunday or public holidays hereinafter specified shall carry ordinary rate and be included as part of their ordinary shift-work hours.

5.—Overtime.

Except as otherwise provided:—

(a) For all work done outside the hours of duty on any day as hereinbefore prescribed or determined by agreement, payment shall be made at the rate of time and a half for the first four (4) hours, and at double time rate thereafter.

(b) When any worker is required to work overtime by reason of a relieving man not coming on duty at the proper time and failing to give at least three (3) hours' notice of his inability to attend, he shall be paid at ordinary rates for the first two (2) hours, after which his overtime rate shall begin to accrue. The employer shall be entitled to make a pro rata deduction for the time not worked, in the case of the worker so failing to attend, and to give notice as aforesaid from any moneys due or becoming due to him.

(c) Subject to the provision in clause 4 (d) hereof, all time worked on Sundays and on the holidays prescribed in clause 7 of this Agreement shall be paid for at double time rate.

(d) When a worker, without being notified on the previous day, is required to continue working after the usual knock-off time for more than one hour, he shall be provided with any meal required or shall be paid one shilling and sixpence (1s. 6d.) in lieu thereof: Provided that such payment need not be made to a worker living in the same locality as his place of employment who can reasonably return home for a meal.

(e) Where a worker is called on to work a quick shift, he shall be paid at the rate of time and a quarter for that shift.

A "quick shift" shall mean a shift where a worker is brought on to work a full shift before having had at least eight (8) hours off duty.

(f) Notwithstanding anything contained in this Award—

- i. An employer may require any worker to work reasonable overtime at overtime rates and such worker shall work overtime in accordance with such requirement.
- ii. No organisation, party to this Award or worker or workers covered by this Award shall in any way, whether directly or indirectly, be a party to or concerned in any ban, limitation, or restriction upon the working of overtime in accordance with requirements of this subclause.
- iii. This subclause shall remain in operation only until otherwise determined by the Court.

6.—Contract of Service.

(a) Except in the case of a casual worker, whose engagement shall be by the hour for not less than two (2) hours, the contract of hiring of every worker shall be for a weekly engagement, terminable on either side by one week's notice given on any day.

(b) Any worker not attending for duty shall lose his pay for the actual time of such non-attendance, subject to the provisions of clause 14 hereof as to payment for absence on account of illness. Where any absence extends for more than one (1) week, the employment shall be deemed to have terminated upon the expiration of the said week.

(c) This clause does not affect the right to dismiss for misconduct, in which case wages shall be paid up to the time of dismissal only.

(d) The employer shall be entitled to deduct payment for any day or portion of a day upon which the worker cannot be usefully employed because of any strike by the union or unions affiliated with it or by any other association or union, or through the breakdown of the employer's machinery, or any stoppage of work by any cause which the employer cannot reasonably prevent.

7.—Holidays.

(a) The following days, or the days observed in lieu, shall, subject to clause 5 (c) hereof, be allowed as holidays without deduction of pay, namely: New Year's Day, Australia Day, Good Friday, Easter Saturday, Easter Monday, Anzac Day, Labour Day, State Foundation Day, Christmas Day and Boxing Day.

(b) On any public holiday not prescribed as a holiday under this Agreement, the employer's establishment or place of business may be closed, in which case a worker need not present himself for duty and payment may be deducted, but if work be done, ordinary rate of pay shall apply.

(c) Except as hereinafter provided, a period of two (2) consecutive weeks' leave with payment of ordinary wages as prescribed shall be allowed annually to a worker by his employer after a period of twelve (12) months' continuous service with such employer.

(d) If any prescribed holiday falls within a worker's period of annual leave and is observed on a day which in the case of that worker would have been an ordinary working day, there shall be added to that period one day being an ordinary working day for each such holiday observed as aforesaid.

(e) If after one month's continuous service in any qualifying twelve-monthly period a worker lawfully leaves his employment, or his employment is terminated by the employer through no fault of the worker, the worker shall be paid one-sixth of a week's pay at his ordinary rate of wage in respect of each completed month of continuous service.

(f) Any time in respect of which a worker is absent from work, except time for which he is entitled to claim sick pay, or time spent on holidays or annual leave as prescribed by this Agreement, shall not count for the purpose of determining his right to annual leave.

(g) In the event of a worker being employed by an employer for portion only of a year, he shall only be entitled, subject to subclause (e) of this clause, to such leave on full pay as is proportionate to his length of service during that period with such employer and if such leave is not equal to the leave given to the other workers, he shall not be entitled to work or pay whilst the other workers of such employer are on leave on full pay.

(h) A worker who is dismissed for misconduct or who illegally severs his contract of service shall not be entitled to the benefit of the provisions of this clause.

(i) The provisions of this clause shall not apply to casual workers.

8.—Time and Wages Record.

The employer shall keep and enter up, or cause to be kept and entered up, a record containing the names of each of his workers to whom this Agreement applies, the class of work performed by and the wages paid to each such worker, and the time during which each such worker has been employed. Such record shall be open for inspection by a representative of the Union of workers during the usual office hours.

9.—Board of Reference.

(a) The Court hereby appoints for the purpose of the Agreement a Board of Reference.

(b) The Board shall consist of a chairman and two other representatives, one to be nominated by each of the parties.

(c) In the event of a disagreement between the parties bound by this Agreement, in any of the matters hereinafter mentioned, the Board is hereby assigned the following functions:—

- i. Classifying and fixing wages, rates and conditions for any machine, occupation, or calling not specifically mentioned in the Agreement, but so as not to contravene any of the provisions herein.
- ii. Adjusting any matters of difference which may arise between the parties from time to time, except such as involve interpretations of the provisions of the Agreement, or any of them.
- iii. Deciding any other matter that the Court may refer to the Board from time to time.

(d) The provisions of regulation 92 of the Industrial Arbitration Act shall be deemed to apply to any Board of Reference appointed hereunder.

10.—Representative Interviewing Workers.

In the case of disagreement existing or anticipated concerning any of the provisions of this Agreement, an accredited representative of the Union shall be permitted to interview the workers during the recognised meal hour on the business premises of the employer, and accompanied by a representative of the employer, if so desired, to inspect during the progress of the work the operations affected; but this permission shall not be exercised without the consent of the employer more than once in any one week.

11.—Recognition of Union—Notices.

(a) Should any matters relative to terms and conditions of employment arise during the currency of this Agreement affecting the workers generally, the Union shall have the right by appointment to interview and to be heard by the employer's representatives thereon, with a view to arriving at some understanding.

(b) A copy of this Agreement shall be posted in a suitable place agreed upon between the employer and the Union.

(c) The accredited Union representative shall not be prevented from posting any lawful notice of the Union in a suitable place agreed upon between the employer and the Union.

12.—Mixed Functions.

Where a worker is employed for four (4) hours or less during any day on work in a higher grade than his ordinary occupation, he shall be paid for the time so occupied at the higher rate. If so employed for more than four (4) hours he shall be paid at the higher rate for the whole of the shift.

13.—Aged and Infirm Workers.

(a) Any worker who by reason of old age or infirmity is unable to earn the minimum wage may be paid such lesser wage as may from time to time be agreed upon in writing between the Union and the employer.

(b) In the event of no agreement being arrived at, the matter may be referred to the Board of Reference for determination.

(c) After application has been made to the Board, and pending the Board's decision, the worker shall be entitled to work for the employer at the proposed lesser rate.

14.—Payment for Sickness.

(a) A worker shall be entitled to payment for non-attendance, on the ground of personal ill-health, for one-twelfth (1/12th) of a week for each completed month of service; provided that payment for absence through such ill-health shall be limited to one week in each calendar year. Payment hereunder may be adjusted at the end of each calendar year or at the time the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred. This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

(b) A worker shall not be entitled to receive any wages from his employer for any time lost through the result of an accident not arising out of or in the course of his employment, or for any accident, wherever sustained, arising out of his own wilful default or for sickness arising out of his own wilful default.

(c) No worker shall be entitled to the benefits of this clause unless he produces proof satisfactory to his employer of sickness, but the employer shall not be entitled to a medical certificate unless the absence is for three (3) days or more.
