THIS Agreement made this 18th day of March, One Thousand nine hundred and forty-nine (1949), between the West Australian Branch of the Australian Meat Industry Employees' Union Industrial Union of Workers, Perth (hereinafter called "the Union") of the one part, and Broome Freezing and Chilling Works (hereinafter called the "Management") of the other part, witnesseth that, for the considerations hereinafter appearing, the parties hereto mutually covenant and agree the one with the other as follows :—

1. This Agreement shall apply in respect of the rates of wages and conditions of labour in connection with the tasks hereinafter mentioned at the Broome Meatworks for the 1949 season, for twelve months from the abovementioned date.

Definitions.

2. In this Agreement, unless the context otherwise indicates, the following terms have the meanings respectively set out against them, that is to say—

(a) "Week-days"—Mondays, Tuesdays, Wednesdays, Thursdays, and Fridays.

(b) "A week" shall mean Monday to Friday inclusive.

(c) "A day's work" shall mean eight hours on week days Monday to Friday.

(d) "Shift work" shall mean work done in time preceding, during and following ordinary working hours by separate relays of employees.

5. Wages shall be paid weekly in cash on Friday afternoon at "smoko."

6. The Management shall give the delegate reasonable notice of workers required to work overtime. The delegate shall be then responsible on behalf of the Union for supplying such workers. Overtime shall be distributed on a roster system, but any employee shall have the right to forego his place on the roster except for work in his own department, if required by the Management for work in that department. In all cases of overtime sufficient men for the job required must be supplied.

12. Notwithstanding that the rates of pay are set forth on a weekly basis, there shall be no obligation on the part of the Management or the employees to give a week's or any other notice to determine the employment, the position being in this respect the same as if the employee was employed at a daily wage.

Preference.

13. Preference of employment in respect of tasks for which rates of wages are specified in this Agreement, shall be given to members of the Union who are parties to this Agreement provided they are competent workmen for the task for which they are selected and do their work to the satisfaction of the Management.

Employees engaged in Perth shall be selected from the lists supplied by the Unions that are parties to this Agreement.

Transfer.

15. The Management may transfer employees from one department to another. In this case the rates payable shall be those specified for the task performed, subject to clause 4 of General Conditions. In the case of alleged unreasonableness, the local joint delegates can discuss with the Management.
