Payment hereunder may be adjusted at the end of each calendar year or at the time the worker leaves the service of the employer in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred.

(b) A worker shall not be entitled to receive any wages from his employer for any time lost through the result of an accident not arising out of or in the course of his employment, or for any accident wherever sustained arising out of his own wilful default, or for sickness arising out of his own wilful default.

16.—Mixed Functions.

A worker relieving another worker who is engaged on a higher class of work carrying a higher minimum rate of pay for a period of not less than one (1) week continuously shall be paid the higher minimum rate appropriate to the position whilst so employed.

17.—Aged and Infirm Workers.

(a) Any worker who, by reason of old age or infirmity, is unable to earn the minimum wage may be paid such lesser wage as may from time to time be agreed upon in writing between the Union and the employer.

(b) In the event of no agreement being arrived at the matter may be referred to the Board of Reference for determination.

(c) After application has been made to the Board of Reference, and pending the decision of the Board, the worker shall be entitled to work for and be employed at the proposed lesser rate.

18.—Proportion of Male Juniors.

The proportion of male juniors that may be employed shall be as follows:—

(a) The number of junior male workers shall not exceed the proportion of one (1) to one (1) for the first five (5) adult male workers and thereafter one (1) junior to every two (2) adult male workers or fraction thereof.

(b) In computing the number of male junior workers to be allowed under this clause all male clerical workers in the establishment shall be taken into consideration.

- (a) Name in full.
- (b) Date of birth.
- (c) Name of each previous employer.
- (d) Class of work performed for each previous employer.

No worker shall have any claim upon an employer for additional wages in the event of any of the above particulars being wrongly stated on the certificate. If any worker shall wilfully misstate his age in the certificate then he alone shall be guilty of a breach of this Award.

20.—General.

(a) In the event of the death of a worker the cash equivalent of all annual leave due at the time of death shall be paid to the worker's dependents or personal representative.

(c) Should the overtime actually worked be sufficient to make a part-time worker a full-time worker within the meaning of Clause 6 (d) hereof, then no overtime rate shall apply unless the hours worked exceed forty (40) per week, in which case the overtime rate prescribed for a full-time worker shall apply.

(d) Notwithstanding anything contained in this Award—

Prices Control Order No. 157.

IN pursuance of the powers conferred upon me by the Prices Control Regulations, 1949, I, George Robert Marshall Garratt, Acting Prices Control Commissioner under the said Act, hereby make the following Order:—

Citation.

1. This Order may be cited as Prices Control Order No. 157.

Revocation.

2. Prices Control Order No. 6 as amended by Prices Control Orders Nos. 59 and 99 is hereby revoked.

Definitions and Interpretations.

3. In this Order, unless the contrary intention appears—

"cost into store of the seller by retail" means the sum of the following:—

- (a) The price paid or payable by the retail seller for the potatoes computed on the basis of the full weight of the potatoes, bag and any earth contained therein and without any allowance for waste;

- (b) cost of transport actually incurred and properly attributable to conveying the potatoes from the point of delivery to the retail seller to that retail seller's store.

"cost of transport" means any cost of transport which is recorded on an invoice for the potatoes delivered to the retail seller;

"potatoes" means potatoes other than seed potatoes sold under permit from the Western Australian Potato Board;

"Perth metropolitan area" means all that part of Western Australia comprised within a radius of 12 miles from the General Post Office at Perth.

Sales by Growers.

4. I fix and declare the maximum price at which potatoes may be sold in Western Australia by growers to be £17 5s. per ton delivered into railway trucks at the grower's siding.

Sales by Wholesale—Deliveries within Perth Metropolitan Area.

5. I fix and declare the maximum price at which potatoes may be sold by wholesale by any person other than a grower for delivery in the Perth Metropolitan Area to be the sum of—

(a) £17 5s. per ton or the purchase price paid or payable by the wholesale seller;

(b) margin at the rate of 25s. per ton;

whichever is the lesser of such prices:

Provided that, if the seller at the request of the purchaser delivers the potatoes from his store—

(a) to a railway station or siding—the price fixed by the foregoing provisions may be increased by 5s. per ton; or

(b) to the premises of the purchaser—the price fixed by the foregoing provisions may be increased by 10s. per ton.

Sales by Wholesale—Deliveries outside Perth Metropolitan Area.

6. I fix and declare the maximum price at which potatoes may be sold for delivery in Western Australia other than in the Perth Metropolitan Area by wholesale by any person other than the grower to be the sum of—

(a) £17 5s. per ton or the purchase price paid or payable by the wholesale seller plus a margin as follows:—

(i) for sales of truck lots, 10s. per ton; or

(ii) for sales of less than truck lots, 25s. per ton,

whichever is the lesser of such prices; and

(b) cost of transport actually incurred by such wholesale seller and properly attributable to conveying the potatoes by rail from the loading station to the railway station or siding nearest the purchaser's premises:

Provided that if the seller at the request of the purchaser delivers the potatoes from his store to the premises of the purchaser, the prices fixed by the foregoing provisions may be increased by 10s. per ton.

Sales by Retail—Specified Quantities.

7. I fix and declare the maximum price at which potatoes may be sold by retail in Western Australia to be:—

8. Notwithstanding the foregoing provisions of this Order, I fix and declare the maximum price at which potatoes may be sold by retail in Western Australia in any quantity other than the quantities specified in the First and Second Schedules to this Order, to be a price which bears the same proportion to the maximum price fixed for 28 lb. of potatoes by the provisions of subparagraphs (a) or (b) of paragraph 7 of this Order, as the quantity bears to 28 lb.

Notwithstanding the foregoing provisions of this Order I fix and declare the maximum price at which potatoes may be sold by wholesale by the bag in Western Australia to be the maximum price fixed by the foregoing provisions of this Order for the sale of 149 lb. of potatoes or the maximum price so fixed for the sale of the potatoes actually contained in the bag, whichever is the lesser.

Exhibition of Price Tickets.

10. Every person who sells or has for sale potatoes by retail shall exhibit in a prominent position in his place of business, or if he has more than one place of business in each of his places of business, a notice or notices setting forth his selling price in relation to each lot of potatoes displayed by that person anywhere upon such place or places of business, in the following manner, that is to say by exhibiting a prices card specifying the selling price applicable to each lot of such potatoes, displayed so as to properly associate such price with the lot of potatoes to which that price applies.
