NOTICE TO MARINERS.

No. 4 of 1949.

Australia—West Coast.

Fremantle Outer Harbour.

Abolition of Compulsory Sea Pilotage at the Port of Fremantle between the Pilot Boarding Ground (as at present charted) and Gage Roads.

THE Fremantle Harbour Trust Commissioners give notice that:—

1. As from 1st November, 1949, the sea pilotage service from the Pilot Boarding Ground to Gage Roads will no longer be compulsory, and all vessels will come to an anchorage in Gage Roads, except as otherwise provided hereunder, South of latitude 32° 01' S., taking care to avoid an area bounded by lines drawn from the light-tower on the North Mole on a bearing of 284° for a distance of 1.63 miles, thence on a bearing of 180° for a distance of 7.7 cables, and thence on a bearing of 83° for a distance of 2 miles to the light-tower on the South Mole, this area being reserved for the manoeuvring of vessels into and out of the Inner Harbour.

2. Vessels arriving at the port with explosives on board, or desiring to load explosives whilst in port, shall anchor in Gage Roads not less than half a mile from any other vessel, and to the Westward of longitude 115° 41' 24" E. unless otherwise directed by the Harbour Master, the appropriate signals denoting explosives on board to be exhibited.

(N.B.—Masters are informed that smoother water for the handling of explosives into and out of lighters may be obtained by approaching as closely as possible

—consistent with safety—to the light buoy positioned at latitude 32° 04' 12" S., longitude 115° 41' 03" E., and marking the Northern end of Success Bank Channel.)

3. In those cases where arrangements have been made for vessels to proceed straight to their wharf berth instead of anchoring in Gage Roads they will, for the purpose of the compulsory pilotage service into the Inner Harbour, be boarded by pilots after they have passed the Fairway Buoy and before they have reached the locality of the Hall Bank Buoy. Masters of vessels shall, in such circumstances, have the pilot ladder ready at the time of passing the Fairway Buoy.

4. (a) Sea to Gage Roads pilotage will still be available to any Masters requiring such services, and the said Masters shall cause their vessels to wait on the charted position of the Pilot Boarding Ground until the arrival of the sea pilot from the shore-based pilot station.

(b) Where pilots may have proceeded to the Pilot Boarding Ground to undertake such service and vessels fail to reach the position at the time stated in accordance with the further notice given hereunder, detention of pilots and pilot vessel shall be charged for in excess of the first hour while awaiting the arrival of vessels at the Pilot Boarding Ground.

In view of the intended abolition of Rottneest Signal Station concurrently with the abolition of sea pilotage as referred to above, it will be necessary for all vessels to give 24 hours notice by wireless telegraphy of the expected time of arrival in the vicinity of the Fairway Buoy marking the approach to Gage Roads, followed by a second notice confirming or amending the previous notice two hours ahead of expected arrival time in that locality.

2. All vessels with explosives, inflammable liquid, and other dangerous cargoes on board shall communicate this fact by wireless telegraphy with the notice of expected time of arrival to be given 24 hours ahead.

This Agreement shall have effect throughout the State of Western Australia.

4.—Definitions.

(a) "Dental Sister": A "dental sister" is a dental nurse who has completed a course of training as a dental nurse at the Perth Dental Hospital, and who holds a Certificate issued by that Hospital.

(b) "Trainee": A "trainee" is a student nurse undergoing training as a dental nurse at the Perth Dental Hospital.

5.—Hours.

(a) The ordinary working hours of dental sisters and trainees shall not exceed forty (40) hours per week exclusive of meal times, to be worked in five and a half (5½) days per week; provided that the hours shall not exceed eight (8) per day from Monday to Friday inclusive, and four (4) on Saturdays.

(b) Morning and afternoon tea shall be provided by the employer to be taken as convenient without deduction of time involved.

6.—Overtime.

(a) All time worked in excess of the weekly working hours shall be paid at the rate of—

- (i) ordinary time for the first four (4) hours,
- (ii) time and a half for the second four (4) hours,
- (iii) double time thereafter.

(b) Less than thirty (30) minutes overtime per week or one (1) hour's overtime per fortnight, as the case may be, shall not be paid for.

7.—Holidays.

(a) A holiday of two (2) weeks on full pay shall be granted to each employee on the completion of each year of service.

(b) Any employee with more than one month's service, and in the case of a trainee, three months' service, who may resign or be dismissed, except the dismissal is due to misconduct, shall be entitled to pay for holidays pro rata up to the time of her leaving the service in such proportion as her period of employment bears to the number of days in the year.

(c) Every employee shall receive at least fourteen (14) days previous notice of the commencement of her leave.

(d) Leave shall be paid for in advance at the rate of salary the employee is receiving at the time of taking such leave; provided that any leave accrued for the final year of training shall be paid for at the rate payable for such year of service.

(e) Leave shall be given as soon as practicable after falling due. The leave of a trainee shall be given each year, and shall not accumulate, except with the consent of the trainee, and in no case shall it accumulate for more than two (2) years.

8.—Public Holidays.

The days to be observed as public holidays shall be those set out under Public Service Regulation No. 50; provided that if an employee is required to work on any of the holidays referred to she shall be allowed time off on some other day to be mutually arranged between the Management and the worker.

9.—Long Service Leave.

Long service leave shall be granted in accordance with the conditions applying to sisters and trainees under the Nurses' Award No. 39 of 1945 as amended from time to time.

10.—Sick Leave.

Sick leave with pay will be granted on the following scale on production of an adequate medical certificate, or, in regard to leave not exceeding two (2) days, other evidence of ill-health satisfactory to the employer:—

(a) Under three (3) years' service—one and a quarter (1¼) days for each calendar month of continuous service with hospitals under this award; provided that payment hereunder may be adjusted at the end of each calendar year in the event of the employee being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred.

(b) Over three (3) years' service—Two (2) months on full pay.

Sick leave may be granted in one or more periods, but the aggregate amount of leave on pay shall not in any one (1) triennial period exceed the time provided for in the foregoing scale. A "triennial period" shall be three (3) years preceding the date of the commencement of absence through illness in respect of which leave is claimed.

If sickness is due to the wilful neglect or default of the applicant, the proof whereof lies upon the employer, it shall, if granted, be without pay.

11.—Dismissals.

No employee shall be dismissed (except for misconduct) unless she has received fourteen (14) days' previous notice of her dismissal or pay for such period in lieu thereof.

12.—Trainees.

(a) Every trainee shall be given an opportunity of securing by experience a knowledge of all dental nursing duties essential to her calling.

(b) A trainee shall spend the first two (2) weeks under the supervision of one of the sisters for general orientation and discipline, and, commencing in the third week, each trainee shall spend one week in each department for observation and general instruction.

(c) The period mentioned in paragraph (b) for preliminary training shall be counted as part of the period of training.

(d) The period of training shall be three (3) years.

(e) Lecture times: Any lectures or examinations which occur normally during working hours shall be computed as part of the working time of the trainees whose duty it is to attend such lectures or examinations, and there shall be no reduction in salary in respect thereof.

(f) Trainees who do not pass their final examinations may be retained until such examinations are passed, and during that period they shall be paid at the rate provided for trainees in their final year. But such extended period shall in no case exceed twelve (12) months.

(g) Any employer taking a trainee on probation shall within fourteen (14) days thereafter register such probationer by giving notice thereof to the Registrar in writing.

(h) Within one (1) month from the end of the period of probation an agreement in writing as required by the Act shall be executed and signed by the employer, the trainee, and, where the trainee is under twenty-one (21) years of age, the parent or legal guardian of the probationer. There shall be three (3) executed copies of such agreement, of which one copy shall be held by the employer, one by the trainee or her parent or guardian, and one shall be lodged with the Registrar.

(i) Trainees shall be employed for a period of six (6) months on probation; such period shall count as part of the term of service.

(j) The agreement may be cancelled by mutual consent of the parties, but notification of such cancellation must be forwarded to the Registrar within fourteen (14) days from the date thereof.

(k) The employer, with the consent of the Court, may discharge a trainee from service and cancel the agreement for misconduct or wilful disobedience or any other cause which the Court may deem sufficient; provided, however, the employer shall be entitled to impose any other disciplinary measures as are provided in the indentures.

(l) The employer shall report to the Court in writing the result of all examinations immediately the result is available, showing—

- (i) the names of the candidates sitting;
- (ii) the training school attended;
- (iii) the result of the examinations.

This report shall be available for inspection by the Union secretary or her authorised nominee.

13.—Laundry and Uniforms.

The employer shall arrange for the laundering of employees' uniforms.

14.—Rosters.

The roster shall be posted not less than forty-eight (48) hours preceding the day on which the roster commences. The roster shall be available to the union secretary for inspection at all reasonable times. Rosters may be altered at any time if the hospital exigencies render any alteration necessary.

15.—Time and Wages Book.

(a) A time book shall be open for inspection at all reasonable times by the union secretary, or her nominee, appointed in writing under the seal of the Union. Each employee must record in such book the exact time on which she starts and finishes duty on each day and also time booked off for meals.

(b) The salary sheets shall, upon reasonable notice being given, be open for inspection at the office of the employer concerned by the Union secretary or her nominee appointed as aforesaid.

(c) Any system of automatic recording by means of a machine shall be deemed a compliance with the provisions of subclause (2) so far as the particulars actually recorded are concerned.

16.—Interviews.

The Union secretary shall be entitled to interview members of the Union on the employer's premises at reasonable times.

17.—Notices.

If the Union so requests, a copy of this Award shall be posted on a board of reasonable size in a place where it may be conveniently and readily seen by every employee concerned. The Union secretary may also post thereon such other notices relating to Union matters as are reasonable.
