(13) All taps, stop-cocks, ball-cocks, valves, other fittings or apparatus used in connection with the supply of water shall be of approved types and capable of withstanding a pressure of 300 lb. per square inch, and shall be tested and stamped by the duly authorised officer of the Board before being fixed.

This by-law shall not apply to water for railway purposes or other large supplies.

Fees for Additional Services.

59. In any case where the owner or occupier of any separately rated piece of land requires more than one service to be installed for supplying water to such land, such additional service or services shall, at the discretion of the Board, be installed on such occupier or owner paying in advance the cost of installation and a fee of not less than one pound per annum in addition to meter rent, for each additional service. In return for such fee an equivalent quantity of water will be given in each year, in the same way as water is given in return for water rates.

Bassendean Road Board.

By-laws Governing Long Service Leave to be Granted to Employees of the Bassendean Road Board.

P.W. 1467/49.

THE Bassendean Road Board, under and by virtue of the powers conferred on it in that behalf by the Road Districts Act, 1919-1948, and all other powers enabling it, doth hereby make and publish the following by-laws:—

1. In the interpretation of these by-laws the following words shall have the meanings assigned to them hereunder:—

“Board” means the Bassendean Road Board.

“Continuous service” means service in the employment of this Board during which an employee has not been absent from the service of the Board for a continuous period of more than two days or an aggregate period of more than 10 days without leave of absence being granted by the Board, provided that an employee who was employed by the Board on a permanent basis immediately prior to entering continuous full-time service with the Armed Forces of the Commonwealth of Australia, or who was directed by the Manpower Directorate to serve elsewhere, between the 3rd day of September, 1939, and the 3rd day of March, 1947, shall have such service counted as continuous service with this Board, provided the requisite proof is produced.

2. (a) All present and future employees of the Board shall, after each period of 10 years' continuous service as permanent full-time employees thereof, commencing from the first day of October, 1939, be entitled to three months' long service leave. Long service leave to be taken at the convenience of the Board, who will, as far as possible, meet with the wishes of the employee, but the Board may require the employee to take leave by giving not less than three months' notice.

(b) Absence on account of sickness shall not be deemed to be a break in continuity of service, provided the period of absence shall not exceed three months in any year, unless otherwise decided by the Board.

3. (a) The Board may grant long service to an employee of the Board who has been granted long service leave for 10 years' continuous service if, before a further period of 10 years' continuous service is reached, such employee retires from the Board's service owing to having reached the retiring age, or of permanent inability to carry on his employment, in which case the long service leave may be adjusted *pro rata*.

(b) The long service leave which may be granted under this by-law shall be for a period not exceeding one and three-tenths weeks for every completed year of service since the conclusion of the period of service which qualified the employee for his previous long service leave, and shall be on full pay.

4. In the event of the resignation, retirement, or death of an employee, the Board may pay to such employee (or in the case of death, to his personal representatives, or if there be none to his dependants), a sum of money equal to his wages or salary for the period of long service leave which the Board was empowered under these by-laws to grant to such employee at the date of his resignation, retirement, or death, or if the Board, after consideration of all the circumstances, direct that the death of an employee be presumed, the Board may authorise the payment to the dependants of the employee a sum equivalent to the amount of wages or salary which would under this by-law have been granted the employee immediately prior to the date of his death, such date to be determined by the Board.

5. An employee dismissed by the Board, except in the matter of retrenchment shall not be paid any sum in pursuance of the preceding by-law.

6. Employees due to take long service leave shall be paid (a) their salary or wage for the period thereof at the rate equivalent to the salary paid in the week immediately preceding the taking of long service leave; (b) the Board may, at its discretion, either (1) pay to an employee his wages or salary periodically during long service leave, or (2) pay to the employee in advance a sum representing the amount of his wages or salary for the period of his long service leave.

7. All annual leave to which an employee is entitled or will become entitled before the expiration of his long service leave shall be taken by the employee in conjunction with his long service leave, but any public holidays which may occur during the taking of his long service leave are not to be paid for over and above the long service leave, but are to form part of such long service leave.

8. Long service leave shall be considered as a special period of recuperation after a lengthy term of service with a view to fitting the employee for a further term, and during such leave no employee shall undertake any form of employment for hire or reward, unless by special permission of the Board. Any contravention of this subclause shall entitle the Board to dismiss the employee from its service, and to cease paying or to recover any amounts paid in advance on account of long service leave.

(a) "Board" means the Dalwallinn Road Board.

(b) "Continuous service" means service in the employment of this Board during which an employee has not been absent from the service of the Board for a continuous period of more than 10 days without leave of absence being granted by the Board, provided that an employee who was employed by the Board on a permanent basis immediately prior to entering continuous full-time service with the Armed Forces of the Commonwealth of Australia, or who was directed by the Manpower Directorate to serve elsewhere, between the 3rd day of September, 1939, and the 3rd day of March, 1947, shall have such service counted as continuous service with this Board, provided the requisite proof is produced.

(2) All employees of the Board shall, after each period of 10 years' continuous service as permanent full-time employees thereof, commencing from the 1st day of January, 1943, be entitled to three months' long service leave, but the Board reserves the right, if it thinks fit, to deduct from such long service leave any portion of sick leave taken during the period to which the long service applies. Long service leave to be taken at the convenience of the Board, which will, as far as possible, meet with the wishes of the employee, but the Board may require the employee to take leave by giving not less than three months' notice.

Any contravention of this subclause shall entitle the Board to dismiss the employee from its service, and to cease paying or to recover any amounts paid in advance on account of long service leave.

IN THE COURT OF ARBITRATION OF WESTERN AUSTRALIA.

File No. 48/1934.

In the matter of Award numbered 58 of 1948 (Country Bread Baking) and in the matter of a Board of Reference to fix the hours for the baking of bread in the Municipality of Northam.

Before: Messrs. J. H. Bogue, Chairman; G. Speedie Workers' Representative.

(An apology was received on behalf of Mr. R. V. James, Employers' Representative.)

Decision of the Board.

1. The abovementioned Award, which was delivered to-day, contains in clause 4 (x) provision for the Board to vary the hours of work in any municipality where the parties are unable to agree upon the hours to be worked therein. The hours of work prescribed by the Award are unsuitable to the conditions obtaining in the Municipality of Northam and the Board has been asked to adjudicate upon the matter.

2. Two propositions have been considered and discussed and the Board has determined that in respect of the Municipality of Northam clause 4 (Hours) of Award No. 58 of 1948 shall be varied in the manner following:—

Clause 4.—Hours.

Delete subclause (iii) and insert in lieu thereof the following:—

(iii) (a) For all workers except doughmakers the starting time shall be not earlier than 5 a.m. on Monday, Tuesday, Wednesday and Thursday, with a finishing time of not later than 6 p.m. On Friday the starting time shall not be earlier than 5 a.m., with a finishing time not later than 12 noon, and a further starting time of not earlier than 8 p.m. nor later than midnight, with a finishing time not later than 8 a.m. on Saturday.

(b) When a double or treble delivery day falls on a Friday, the starting time shall be not earlier than 8 p.m. on the day preceding such double or treble delivery day.

(c) When a baker's holiday falls on a Friday, the starting time shall be not earlier than 8 p.m. on that day.

Provided that this variation shall operate as from the beginning of the first pay period commencing after the 1st day of January, 1949.

Dated this 23rd day of December, 1948.

(Sgd.) J. H. BOGUE,
Chairman.

14.—Payment for Sickness.

(a) A worker shall be entitled to payment for non-attendance on the ground of personal ill-health for one-twelfth (1/12th) of a week for each completed month of service: Provided that payment for absence through such ill-health shall be limited to forty (40) hours in each calendar year. This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

(b) A worker shall not be entitled to receive any wages from his employer for any time lost through the result of an accident not arising out of or in the course of his employment, or for any accident, wherever sustained, arising out of his own wilful default, or for sickness arising out of his own wilful default.

(c) No worker shall be entitled to the benefits of this clause unless he produces proof satisfactory to his employer of sickness, but the employer shall not be entitled to a medical certificate unless the absence is for three (3) days or more.

(b) Seven-day shift workers, that is shift workers who are rostered to work regularly on Sundays and holidays, shall be allowed one week's leave in addition to the leave prescribed in subclause (a) hereof. Where a worker with 12 months' continuous service is engaged for part of a qualifying twelve-monthly period as a seven-day shift worker, he shall be entitled to have the period of two consecutive weeks' annual leave prescribed in subclause (a) hereof increased by one-twelfth of a week for each month he is continuously engaged as aforesaid.

(c) If any prescribed holiday falls within a worker's period of annual leave and is observed on a day which in the case of that worker would have been an ordinary working day, there shall be added to that period one day being an ordinary working day for each such holiday observed as aforesaid.

(d) If after one month's continuous service in any qualifying twelve-monthly period a worker lawfully leaves his employment, or his employment is terminated by the employer through no fault of the worker, the worker shall be paid one-sixth of a week's pay at his ordinary rate of wage in respect of each completed month of continuous service, or in the case of a worker referred to in subclause (b) hereof, such payment shall be one-quarter of a week's pay at his ordinary rate of wage in respect of each such month he is so engaged.

(e) Any time in respect of which a worker is absent from work, except time for which he is entitled to claim sick pay or time spent on holidays or annual leave as prescribed by this Award, shall not count for the purpose of determining his right to annual leave.

(f) On any public holiday not prescribed as a holiday under this Award, the employer's establishment or place of business may be closed, in which case a worker need not present himself for duty and payment may be deducted, but if work be done, ordinary rates of pay shall apply.

(g) In the event of a worker being employed by an employer for portion only of a year, he shall only be entitled, subject to subclause (d) of this clause, to such leave on full pay as is proportionate to his length of

service during that period with such employer, and if such leave is not equal to the leave given to the other workers, he shall not be entitled to work or pay whilst the other workers of such employer are on leave on full pay.

(h) A worker who is dismissed for misconduct, or who illegally severs his contract of service, shall not be entitled to the benefits of the provisions of this clause.

(i) The provisions of this clause shall not apply to casual workers.

I certify, pursuant to section 65 of the Industrial Arbitration Act, 1912-1948, that the foregoing is a copy of the Agreement arrived at between the parties mentioned above.

Payment hereunder may be adjusted at the end of each calendar year, or at the time the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred. This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

(b) A worker shall not be entitled to receive any wages from his employer for any time lost through the result of an accident not arising out of or in the course of his employment or for any accident, wherever sustained, arising out of his own wilful default, or for sickness arising out of his own wilful default.

Payment for the said holidays shall be at the rate of pay the worker is receiving immediately before the holiday is taken or employment terminated. Provided further that where the worker is dismissed for wilful misconduct he shall not be entitled to the benefits of the provisions of this clause. (a) After beginning a shift workers shall not be paid less than a full shift, unless they leave of their own accord or are dismissed for misconduct. Provided that this shall not apply to overtime and provided further that this shall not apply in matters beyond the control of the management.

(b) If, before a worker leaves the works at the end of the shift, and because he is not so informed, he attends at the next shift willing to work it, and there is no suitable work which he is allowed to perform, he shall be paid the wages he would have been entitled to if he had worked the shift he was ready and willing to work. (b) Where a worker, not having been a member of the relevant union at the time of his engagement, applies for membership of the union within one month of his engagement it shall be deemed that no question of preference has arisen.

(c) If during the continuance of this Award, anything in the nature of a strike occurs in the industry hereby regulated, or if there is any restriction in output by the workers of any section thereof acting in concert, the benefit of this clause shall thereupon cease and determine in so far as the particular union or unions involved is, or are, concerned.

For further assurance, and without modification or prejudice to the foregoing provisions of this subclause, the employer may at any time apply to the Court, upon giving seven (7) days' notice to the union for a declaration hereunder and the consequential cancellation of this clause, and the Court upon cause being shown shall make a declaration and order accordingly appropriate to the particular case.

3.—Hours of Duty.

(a) Forty hours shall constitute a week's work.

(b) The hours of labour shall be eight (8) consecutive hours exclusive of meal hours between 7 a.m. and 5 p.m. on any day of the week.

(c) The employer may require any worker to work reasonable overtime at overtime rates and such worker shall work overtime in accordance with such requirement.

4.—Overtime.

(a) Notwithstanding the provisions of clause 3, time and a half rates in the aggregate shall apply to all time worked between the hours of 5 p.m. and 11 p.m. on Saturdays and 7 a.m. and 5 p.m. on Sundays; and, double rates shall apply to all time worked between 5 p.m. and 11 p.m. on Sundays and Holidays (as provided for in Clause 6 (a)).

(b) All time worked between the hours of 11 p.m. and 7 a.m. on any day shall be paid at the rate of double time.

(c) Broken time will be counted to the next quarter hour.

(d) If an employee is recalled to work after leaving his job, he shall be paid a minimum of two (2) hours.

5.—Annual Leave.

(a) Except as hereinafter provided, a period of two (2) consecutive weeks' leave with payment of ordinary wages as prescribed shall be allowed annually to a worker by the employer after a period of twelve (12) months' continuous service with such employer.

(b) If any award holiday falls within a worker's period of annual leave and is observed on a day which in the case of that worker would have been an ordinary working day, there shall be added to that period one day being an ordinary working day for each such holiday observed as aforesaid.

(c) A worker may be rostered off and granted annual leave with payment of ordinary wages as prescribed prior to his having completed a period of twelve (12) months' continuous service, in which case, should the services of such worker terminate or be terminated prior to the completion of twelve (12) months' continuous service, the said worker shall refund to the employer the difference between the amount received by him for wages in respect of the period of his annual leave and the amount which would have accrued to him by reason of the termination of his services.

(d) (i) Subject to paragraph (ii), when computing the annual leave due under this clause, no deduction shall be made from such leave in respect of the period that a worker is on annual leave and/or holidays: Provided that no deduction shall be made for any approved period a worker is absent from duty through sickness, with or without pay, unless the absence exceeds three (3) calendar months, in which case deduction may be made for such excess only.

(ii) Approved periods of absence from work caused through accident sustained in the course of employment shall not be considered breaks in continuity of service, but the first six (6) months only of any such period shall count as service for the purpose of computing annual leave.

(e) In the event of a worker being employed by an employer for portion only of a year, he shall only be entitled to such holidays on full pay as are proportionate to his length of service during that period with such employer.

(f) Any worker who may resign or be dismissed from the service for any cause, other than for peculation or theft, shall be entitled to receive payment for any annual leave which may have been due up to the time of leaving the service: Provided always that if the worker has been dismissed for peculation or theft no claim for annual leave shall be recognised. Misconduct herein referred to shall not affect accumulated annual leave or payment therefor.

(g) When work is closed down for the purpose of allowing annual leave to be taken, workers with less than a full year's service shall only be entitled to payment during such period for the number of days' leave due to them: Provided that nothing herein contained shall deprive the employer of his right to retain such workers at work during the close down period as may be required.

(h) "Ordinary wages" for the purpose of subclause (a) hereof shall mean the rate of wage the worker has received for the greatest proportion of the calendar month prior to his taking the leave.

(i) The provisions of this clause shall not apply to casual workers.

6.—Public Holidays.

(a) Except as hereinafter provided, each of the following days, or the day observed in lieu thereof, shall be allowed as a holiday to all workers and be paid for, namely—New Year's Day, Australia Day (26th January), Good Friday, Easter Saturday, Easter Monday, Anzac Day, Labour Day, Foundation Day, King's Birthday, Christmas Day and Boxing Day, provided that in lieu of King's Birthday Union Picnic Day may be allowed and paid for as a holiday under this Award.

(b) Whenever any holiday falls on an employee's ordinary working day and the employee is not required to work on such day, he shall be paid for the ordinary hours he would have worked on such day if it had not been a holiday. If he is required to work on a holiday, he shall be paid for the time worked as if it was an ordinary working day and shall, in addition, be

allowed a day's leave with pay to be added to the annual leave or to be taken at some subsequent date if the worker so agrees.

(c) In the case of workers working a five-day week, no payment or a day in lieu shall be granted for any public holiday falling on a Saturday.

(d) Payment for holidays shall be in accordance with the usual hours of work.

(e) Payment shall not be made for any holiday which occurs whilst a worker is off duty owing to leave without pay, or sickness, including accidents, off duty, excepting time for which he is entitled to sick pay.

(f) When a worker is on duty or available for duty on the whole of the working day immediately preceding a holiday, or resumes duty or is available for duty on the whole of the working day immediately following a holiday, as prescribed in subclause (a), he shall be paid for such holiday.

(g) Subject to subclause (i) of this clause, a casual worker shall not be entitled to payment for any holiday referred to in this clause.

(h) The Union shall give the employer not less than fourteen (14) days' notice, in writing, of the date on which it is intended to hold the Union picnic.

(i) For all work done by a casual worker on any holiday referred to in this clause, double ordinary basic time rates shall be paid.

7.—Wet Work.

(a) Any worker working in water or "wet places" shall be paid an extra allowance of one shilling (1s.) per day or part of a day.

(b) "Wet places" shall mean places where, in the performance of the work the splashing of water and mud saturates the worker's clothing, or where protection is not provided to prevent splashings or drippings sufficient to saturate his clothing, and shall include wet material or wet ground in which it is impracticable for the worker wearing ordinary working boots to work without getting wet feet. Provided this clause shall not apply to men working on natural surfaces made wet by rain.

8.—Payment of Wages.

(a) Workers shall be paid weekly when practicable.

(b) All men whose employment is terminated shall be paid within four (4) office hours from the time of the termination of employment. If this period is exceeded, they shall be paid at ordinary rates from the time of the termination of employment until they are paid.

(c) When a worker leaves his employment before the usual pay day, he shall, on giving notice of his intention to leave, be paid his full wages on the day he leaves.

9.—Meal Hours.

(a) The meal times allowed shall be: Breakfast—any consecutive sixty (60) minutes between 7 a.m. and 9 a.m. Dinner—any consecutive sixty (60) minutes between 12 noon and 2.15 p.m. Tea—any consecutive sixty (60) minutes between 5 p.m. and 7 p.m.

(b) For all work performed during the above meal hours, double rates shall be paid and continue to be paid until the employee has been knocked off for a meal.

(c) Where it is necessary in the opinion of the Master or officer in charge of the ship, a member of the crew may be called upon to curtail his meal hour subject to the following provisions.

(i) If the time curtailed exceeds half an hour no meal break will be recognised and the provisions of subclause (b) of this clause shall apply.

(ii) If the time curtailed is less than half an hour, payment shall be made as for half an hour at double rates of pay.

(d) The crew to be worked at the Master's discretion.

(e) For the purpose of this agreement the time when a ship is under way shall be counted as time actually worked.

10.—Casual Workers.

(a) Subject to subclause (b) of this clause, a casual worker is one for whom work over a period of six (6) consecutive days (not including holidays) is not provided by the employer. Such worker shall be entitled to ten per cent. (10%) over the ordinary wage for the work performed by him.

11.—Rest Periods.

A rest period of seven (7) minutes from the time of ceasing to the time of resumption of work shall be allowed each morning. This interval shall be counted as time off duty without deduction of pay and shall be arranged at a time and in a manner to suit the convenience of the employer. Morning tea may be taken by employees during this interval.

12.—Contract of Service.

(a) Except in the case of a casual worker whose engagement shall be by the hour, the contract of service of every worker shall be a weekly contract terminable on either side by one (1) week's notice given on any day or by payment on any day of one (1) week's wages in lieu of such notice.

(b) Any worker not attending for duty shall lose his pay for the actual time of such non-attendance subject to the provisions of clause 13 (sick leave) or such absence is on account of holidays to which the worker is entitled under the provisions of this Award.

(c) This clause does not affect the right to dismiss for misconduct in which case wages shall be paid up to the time of dismissal only.

13.—Sick Leave.

(a) (i) A worker shall be entitled to payment for non-attendance on the ground of personal ill-health for one-twelfth (1/12th) of a week's pay for each completed month of service.

(ii) The liability of the employer shall in no case exceed one (1) week's wages during each calendar year in respect of each worker but the sick leave herein provided shall be allowed to accumulate and any portion unused in any year may be availed of in the next or any succeeding year.

(iii) Payment hereunder may be adjusted at the end of each calendar year, or at the time the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred.

(b) The clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act, 1912-1944.

(c) No worker shall be entitled to the benefits of this clause unless he produces proof satisfactory to his employer or his representative of sickness but the employer shall not be entitled to a medical certificate unless the absence is for three (3) consecutive working days or more.

(d) No payment shall be made for any absence due to the worker's own fault, neglect or misconduct.

(e) (i) Periods of service of less than one (1) month shall not be included as service for the computation of sick leave.

(ii) Periods of one (1) month and over shall be totalled and payment for sick leave computed on the total of such service during the year.
