Department of Lands and Surveys,
Perth, 16th December, 1949.

L. & S. 2580/22.

HIS Excellency the Governor in Executive Council, acting under the provisions of the Cemeteries Act, 1897-1946, has been pleased to approve of the by-laws made by the Trustees of the Mount Marshall Public Cemetery as set out in the Schedule hereunder.

(Sgd.) H. E. SMITH,
Under Secretary for Lands.

Schedule.

Mount Marshall Public Cemetery—By-laws.

By virtue of all powers in that behalf vested in the trustees of the Mount Marshall Public Cemetery, the said trustees make the following by-laws:—

1. All fees and charges payable to the trustees, as set forth in Schedule A hereto shall be paid at the times and manner therein mentioned, unless otherwise ordered.

2. The "secretary," as referred to in these by-laws, means the person for the time being employed by the trustees as the secretary of the Cemetery, and such person shall, subject to the trustee, exercise a general supervision and control over all matters pertaining to the Cemetery, and to the carrying out and enforcement of these by-laws, and the direction of such person shall in all cases and for all purposes be presumed to be and to have been the direction of the trustees.

3. The "superintendent," as referred to in these by-laws means the person for the time being employed by the trustees as the superintendent of the Cemetery, and such person shall, subject to the trustees, have charge of the general care of the Cemetery, and supervision of the erection or placing of monumental work

and fixtures, also the supervision of interments, the opening, closing, and dressing of graves, and such other duties as are mentioned in these by-laws or ordered by the trustees.

4. Any person desiring to inter any dead body in the Cemetery shall make an application in the form contained in Schedule B hereto.

5. All applications for interment shall be made at the offices of the trustees in such time as to allow at least five working hours' notice being given to the superintendent at the Cemetery prior to the time fixed for burial, otherwise an extra charge shall be made.

6. The trustees shall cause all graves to be dug and vaults, brick graves, or graves to be re-opened as and when required.

7. Every coffin shall have upon the lid an approved metal plate bearing the name of the deceased stamped or otherwise indelibly inscribed in legible characters thereon. Any coffin not complying with this by-law will not be admitted to or be interred in the cemetery.

8. Every grave shall be at least 7 ft. deep at the first interment, and no interment shall be allowed in any grave with a less depth than 3 ft. from the top of the coffin to the original surface of the surrounding ground.

9. In the case of an application for interment in any private grave or vault to which the deceased had no claim during life, the written and verified consent of the grantee shall be handed in with the application.

10. If application be made for an "interment" in any grave or vault of the remains of any person other than the person to whom the grant was issued, or his registered assign, the written and verified consent of such grantee or assignee shall be produced, together with the "Grant of Right of Burial."

11. Should the grantee be unable to produce the "Grant of Right of Burial" on making application for a grave to be re-opened, for the purpose of interment, through having lost same the said grantee shall make a sworn declaration to this effect, and shall pay the fee for a copy of such "Grant of Right of Burial," as prescribed in Schedule A hereto, before the interment takes place.

12. No burial shall be allowed to take place in the Cemetery, nor shall any coffin be allowed to enter the Cemetery, unless a certificate from the District Registrar of Deaths that the death has been registered or a Coroner's order for burial is handed to the secretary, at the latest, upon the funeral entering the Cemetery. Should the undertaker or his representative be unable to produce the said certificate from the Registrar, he shall give a written guarantee to produce same within three days, and satisfactory reasons must be given for the non-production of such certificate in the first instance. In default of the production of the said certificate within three days, the undertaker's license may be suspended until such a certificate is produced. The certificate will be retained, but the Coroner's order shall be returned to the person delivering the same.

13. No interment shall be allowed on Sunday except by written permission of the trustees or when it is certified in writing by a Medical Officer of Health, or by a Police Magistrate, or by two Justices of the Peace, that for sanitary or special religious reasons it is necessary or advisable that the burial take place on that day.

14. Unless otherwise ordered the principal entrance to the Cemetery shall be open daily between the hours of 9 a.m. and 5 p.m.

15. The hours for burial shall be as follows: Week days, from 9 a.m. to 5 p.m.; Sundays, from 10 a.m. to 4 p.m.; and no burial shall be allowed to take place nor any coffin allowed to enter the cemetery, at any other hour except by written permission of the trustees.

16. The time fixed for any burial shall be the time at which the funeral is to arrive at the cemetery gates, and, if not punctually observed, the undertaker responsible shall be liable to a fine of 10s. 6d.

17. If for any reason the funeral shall, on arrival at the entrance gates of the Cemetery, remain there for more than 15 minutes prior to proceeding to the graveside, the undertaker responsible shall be liable to a fine of ten shillings and sixpence.

18. Every funeral shall enter by the principal entrance, and no vehicle, except the hearse and mourning coaches, shall be permitted to enter the Cemetery, or stand opposite the entrance gates. Vehicles shall not be allowed to proceed faster than five miles per

Any driver or other person failing or neglecting to observe such directions may be forthwith expelled from the Cemetery. No bicycle shall be ridden within the Cemetery.

19. If application be made to the trustees to ex-hume any corpse for the purpose of examination or identification, or for the purpose of its being buried elsewhere in accordance with the wishes of the deceased or of his family, an order from the Governor or the warrant of a Coroner or of a Justice of the Peace issued in accordance with the law authorising the Board to permit of the exhumation must be attached to the application form.

20. Children under the age of ten years entering the Cemetery must be in charge of some responsible person.

21. Smoking shall not be allowed within the Cemetery, nor any fireworks discharged therein.

22. No dogs shall be admitted into the Cemetery, and any found there shall be liable to be destroyed.

(2) In respect of selections under Part V. :—

(a) Where the cost of survey is charged in accordance with the First Schedule hereto and is included in the price of the land or, in the case of a free homestead farm otherwise required to be paid, then such cost of survey, with interest, shall be payable in regard to the individual type of holding by the particular method set out in the respective schedule to this regulation applicable thereto as referred to in the following table :—

Selection under Section 47 or 49, after survey	Second Schedule
Selection under Section 47 or 49, before survey	Third Schedule
Selection under Section 53	Fourth Schedule
Selection under Section 54	Fifth Schedule
Selection under Section 65	Sixth Schedule.

(4) Notwithstanding anything in these Regulations to the contrary, the Minister may in his discretion in any particular case refuse to effect the survey of any land for an applicant or lessee unless the applicant or lessee shall pay, or agree to pay, as the case may require, the full cost of the survey in such amounts, in such manner, and at such times as the Minister shall in writing direct.

THE SALE AND LEASING OF TOWN AND SUBURBAN LANDS (Part IV. and Section 117).

10. Town and Suburban Lands shall be sold and leased subject to the conditions set forth in the Schedule hereto, and the purchase money or premium shall be payable in the instalments therein stated.

Schedule referred to.

Conditions of Sale of Town and Suburban Lands advertised to be sold by auction at..... on the.....day of....., 19 , at.....

(1) The land offered for sale is particularised in the notice headed "Land Sales," published in the *Government Gazette* of the.....day of....., 19 , and mentioned in the list of lots to be submitted to auction as appended hereto, and will be sold subject to the terms and conditions of "The Land Act, 1933-1948," and the Regulations hereunder and to a depth of.....feet below the natural surface.

(2) The lots will be offered separately and in such order as the auctioneer shall at the time determine.

(3) The highest bidder shall be the purchaser and, if any dispute arise, the lot in dispute shall be put up again and resold.

(4) Each lot shall be offered at the upset price and, if no advance be made, the applicant for the same shall be declared the purchaser at that price; but, if any advance be made, the highest bidder shall be the purchaser as aforesaid. Bidding shall advance at the rate of not less than—

10s. when the upset price is £10 per lot or under.

£1 when the upset price is above £10 per lot.

1s. per acre when the upset price is under £2 per acre.

2s. per acre when the upset price is £2 per acre or over.

Should the applicant not be the purchaser, his deposit will be refunded in due course.

(5) The purchaser shall, immediately upon the fall of the hammer, pay to the Minister for Lands or his agent a deposit at the rate of 10 per cent. upon the total amount of the purchase money, unless he has already paid a sufficient deposit on application, and any such deposit shall be considered as payment of the purchase money so far as the same will extend. Should the purchaser fail to pay the deposit as required, the purchase shall be void and the lot shall be offered again immediately for sale.

(6) The balance of purchase money shall be paid to the Minister for Lands or his agent within 12 months from the day of sale by four (4) equal quarterly instalments, on the 1st days of January, April, July, and October in the case of Town and Suburban land other than for cultivation, and, in the case of Suburban land for cultivation, within (5) years of the day of sale by equal half-yearly instalments on the 1st March and 1st September in each year. The first instalment of purchase money shall be payable on the first of the said dates next following the date of sale, the Crown Grant fees being payable with the last instalment of purchase money: Provided that nothing shall prevent the balance of purchase money and fees being paid on an earlier date shall the purchaser so desire, but no Crown Grant shall issue until the Minister is satisfied that the improvements prescribed below have been effected.

(7) (a) Each suburban lot shall be fenced on the surveyed boundaries, within two (2) years from the date of sale, with a fence of the description prescribed by the said Act: Provided that the Minister for Lands may, if he think fit, dispense with the division fences between two or more adjoining lots, purchased by one person; or may, if he think fit, accept other substantial improvements in lieu of fencing.

(b) In addition to the above, each suburban lot, set apart for cultivation, shall have planted within three (3) years at least one-tenth of its area with vines or fruit trees, or cultivated *bona fide* as a vegetable garden; or otherwise one-quarter of the said area shall be cleared and cultivated.

(8) In default of payment of any one of the several instalments of purchase money within thirty days after the dates mentioned or if the conditions as to fencing and cultivation have not been complied with within the times prescribed, the land shall be absolutely forfeited, together with all purchase money and fees that may have been paid.

(9) On payment of the final instalment of the purchase money, provided that all the conditions of fencing and cultivation have been complied with, and the said fencing and cultivation maintained, a Crown Grant shall be issued on application and payment of the prescribed fee of two pounds.

(10) Immediately after the sale, the purchaser shall declare to whom or in whose name he requires the Crown Grant (or Lease, as hereinafter provided) to issue, and the name, address, and occupation of such person shall thereupon be inserted in the form of application to purchase or lease.

(11) If any lot is improved, the value of the improvements (unless the purchaser is the owner of the improvements) will be payable by the purchaser to the Minister for Lands or his agent, in addition to the purchase money or premium, forthwith after the sale, or at such time and by such instalments (if any) as the Minister may determine, and the Minister's valuation of the improvements shall be final and binding on the purchaser.

(12) Except as provided by Subclause (13), no lot shall be applied for or acquired by any Asiatic or African alien; and if, contrary to this regulation, any such alien shall acquire an interest in any lot, such interest shall thereupon become forfeited.

(13) Land situated Northward of the 25th degree of South Latitude and declared open for selection by Asiatic or African aliens may be applied for, granted to, and held by Asiatic or African aliens under, and subject to, these Regulations.

(14) (a) The purchaser (unless it is otherwise stated in the *Gazette* notice advertising the sale) will, provided that he lodges an application in the form of the First Schedule hereto, have the option of taking, in lieu of a grant in fee simple, a lease for a term of 99 years.

(b) The purchaser of a lease shall pay a premium equal to the amount of his bid in excess of the upset price.

(c) Such lease shall issue in the form of the Second Schedule hereto in the case of a town or suburban lot and in the form of the Third Schedule hereto in the case of a suburban lot for cultivation.

(d) The lessee shall pay to the Minister a ground rental calculated at the rate of four per centum per annum of the capital value nearest the upset price as set out in the Fourth Schedule hereto in the case of a town or suburban lot or at the rate of three per centum per annum of the capital value nearest the upset price as set out in the Fifth Schedule hereto in the case of a suburban lot for cultivation.

(e) The next following paragraph shall apply in respect of any lease so purchased in lieu of the foregoing paragraphs (5) and (6).

(15) (a) Every purchaser shall, at the fall of the hammer, pay to the Minister for Lands or his agent a lease fee of fifteen shillings, a fee of five shillings for registration under the Transfer of Land Act, 1893, and a sum equal to the instalment of rent of lease purchased, payable in advance, pursuant to Section 139 of the Land Act, 1933-1948, unless the purchaser shall, as an applicant, have previously paid the same as a deposit.

(b) The purchaser shall also pay on the fall of the hammer the sum of ten (10) shillings or ten per centum of the premium, whichever shall be the greater, and shall pay the balance (if any) of the premium within thirty days thereafter. In default of such payment, the purchase shall be void, the deposit (if any) forfeited, and the lease may be put up again and resold.

(c) The improvement conditions shall be the same as set out in Subclauses (7a) and (7b) of this Regulation and, in the event of such conditions not being complied with within the time prescribed, the lease shall be absolutely forfeited.

(16) Fresh valuations may be made by the Minister from time to time during the currency of the lease at intervals of not less than ten years and notified in the *Government Gazette*; provided that the value of all improvements made by the lessee shall be excluded from every such valuation. If any lessee is dissatisfied with any such valuation, he may, within one month of the date of notification in the *Gazette*, or within such further time as the Minister may in special circumstances permit, require the question to be submitted to arbitration under the provisions of the Arbitration Act, 1895.

(17) No person shall (without the approval in writing of the Minister for Lands first obtained) acquire or hold under lease more than two town or suburban lots in any one town, or more than one suburban lot for cultivation in the State.

(18) No person under 16 years of age shall be eligible to acquire a lease under these Regulations.

(19) Every lease shall confer on the lessee, his executors, administrators, or permitted assigns, the right of renewal of the term thereof at its expiration (if in the meantime the lease is not surrendered or forfeited) at the rent and subject to the conditions prescribed by the Regulations in force at the time of such renewal.

(20) The provisions of Subclauses (11), (12), and (13) of this Regulation shall apply also to leasehold lots.

(21) In either of the following cases, that is to say:—

(a) Where a lot is offered for sale for an estate in fee simple, and pursuant to Clause 14 of these conditions of sale, the purchaser takes a leasehold estate in such lot in lieu of the fee simple; or,

(b) where a lot is offered for sale in the first instance for a leasehold estate only, then, notwithstanding anything to the contrary contained in these conditions of sale, or in any other Regulation, but as a supplementary condition thereto, such lot is offered, and the purchaser shall and will take such lot upon and subject to the special condition that the purchaser shall and will erect upon such lot a substantial dwelling-house or other building for use by persons which complied with all relevant and material Local Government Building By-laws or Regulations, within six months after the date of the sale of such lot to the purchaser, and that if the purchaser fails, neglects, or refuses to perform the said special condition, the said lot, and all and singular the estate, right, title, and interest to the purchaser therein and of any person claiming under or through the purchaser, shall forthwith, after the expiration of the said period of six months be liable to be forfeited to the Crown by notice of forfeiture under the hand of the Minister given to the purchaser; and also that unless and until the purchaser shall have performed the said special condition, the purchaser shall be and is hereby restrained and prohibited from selling, transferring, assigning, or otherwise disposing of his estate, right, title, or interest in the said lot to

any other person, and any sale, transfer, assignment, or other disposition of the said lot by the purchaser in contravention of this clause shall, as against the Crown, be absolutely null and void and of no effect.

Provided that—

- (i) in the notice of sale of any lot published in the *Government Gazette* in accordance with Clause 1 of these conditions of sale, the Minister for Lands may, by express notice, exclude the provisions of this present clause from the conditions of sale relating to such lot, and in such case the provisions of this present clause shall not apply to any lease of such lot granted to the purchaser; and,
- (ii) notwithstanding that the provisions of this present clause may apply to a lease of any lot sold to a purchaser for a leasehold estate, the Minister for Lands may by writing under his hand release and discharge the purchaser from the special condition aforesaid imposed by this present clause where, in the special circumstances of the case, the Minister is satisfied that the purchaser should be so released and discharged.
