3. (a) Except in the case of a casual worker, whose engagement shall be by the hour, the contract of service of every worker shall be on a weekly contract, terminable on either side by giving one week's notice given on any day, or by payment on any day of one week's wages in lieu of such notice.

(b) Any worker not attending for duty shall lose his pay for the actual time of such non-attendance, subject to the provisions of clause 7, or such absence is on account of holidays to which the worker is entitled under the provisions of this Award. This clause does not affect the right of dismissal for misconduct, in which case wages shall be paid up to the time of dismissal only.

(c) The employer shall be entitled to deduct payment for any day or portion of a day on which the worker cannot be usefully employed because of any strike by the Union or Unions affiliated with it, or by any other Association or Union associated with it, or through the breakdown of the employer's machinery or

(b) The clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act, 1912-1944.

(c) No worker shall be entitled to the benefit of this clause unless he produces proof satisfactory to his employer or his representative of sickness, but the employer shall not be entitled to a medical certificate unless the absence is for three (3) consecutive working days or more.

(e) (i) Periods of service of less than one (1) month shall not be included as service for the computation of sick leave.

#### 13.—Time and Wages Record.

The employer shall keep, or cause to be kept, a time and wages record, wherein shall be entered the name of each worker, the nature of his work each day, the hours worked each day, and the wages and other allowances paid each week. The officer in charge, foreman or ganger shall decide whether a place is a "wet place" within the meaning of this clause.

#### 16.—Mixed Functions.

If a worker is employed on work classified at a higher minimum than his ordinary work for more than two (2) hours in any shift, he shall be paid the minimum rate for such work for the whole of that shift. If he is employed for less than two hours, he shall be paid at his ordinary rate for the whole shift.

#### 17.—No Reduction.

Any worker who has been, prior to the date of this Award, in receipt of a higher rate of pay for his particular class of work than that prescribed by the Award heretofore in force shall not by reason of this Award suffer any reduction in the amount by which such higher rate of pay exceeded the amount formerly prescribed. Such excess amount shall not be affected by this Award.

18.—Reduction of Workers.

Should occasion arise to reduce the number of men employed, the Manager, in selecting those to be retained, shall give full weight to the consideration of length of service, and all things being equal shall retain those who have been longest in the employ of the company.

19.—Board of Reference.

A Board of Reference shall be appointed for the purpose of this Award. The Board shall consist of a chairman who shall be a person selected by the representatives of the parties, and two other representatives, one to be appointed by the employer and one by the Union. The officer in charge, foreman or ganger shall decide whether work is dirty work within the meaning of this clause.

22.—Preference to Unionists.

Preference of employment shall be given to members of the Australian Workers' Union, Westralian Branch, Industrial Union of Workers, provided that any worker or applicant for employment who is a member of another recognised industrial union and who produces proof of such membership shall be entitled to equal preference. Notwithstanding the provisions of clause 1 hereof, a person temporarily employed under section 31 of the Public Service Act, 1904, shall be paid at a daily or weekly rate of pay equivalent to the annual rate that would be payable in accordance with this Agreement to a permanent officer of not more than equal efficiency should he or she be engaged on similar duties, provided that—

(i) Under the age of 23 years—The rate prescribed for age in clause 6, subclause (a) of this Agreement.

## 14.—Annual Increments.

(b) In the case of all other officers, progression from year to year shall be subject to the receipt of a similar report from the permanent head.

## 15.—Adjustment of Rates of Pay.

(a) The fundamental basis for the determination of the rates of pay contained in this Agreement is the rate payable to a male clerical officer on attaining the age of 27 years or during the seventh year of adult service. This latter rate of a margin of one hundred and eighty-five pounds (£185) per annum over the basic rate, as prescribed by clause 6, subclause (a) of this Agreement, is arrived at from the average of the respective margins, over the Commonwealth basic wage rates for the capital cities of Queensland, New South Wales, Victoria, South Australia and Tasmania, for male adult clerical officers on the maximum of the automatic ranges in the Public Service of those States.

(b) Where necessary, and in the manner prescribed by subclause (c) hereof, the rates of pay contained in this Agreement shall be subject to adjustment half-yearly as from the commencement of the first fortnightly pay period beginning in the months of July and January in each year according to the average of the margins of the other States, over respective Commonwealth basic wage rates as at the 1st July and 1st January respectively, for male adult clerical officers on attaining the age of 27 years or such earlier age as may be prescribed for the maximum of the male adult automatic range.

(c) The manner of adjustment shall be:—

(i) Margins of £185 per annum and above—The difference between the average (to the nearest £1) of the margins for the other States and the margin, over the Commonwealth basic wage rate for Perth, payable in the metropolitan area to male adult clerical officers on the maximum of the automatic range in accordance with clause 6, subclause (a) of this Agreement: Provided that if the amount determined would result in an adjustment of less than five pounds (£5) per annum from the last current adjustment, if any, then no variation shall be made.

(ii) Margins below £185 per annum—

Males.—Pro rata (to the nearest £1) with the gross rate (margin plus basic rate) payable in the metropolitan area to a male adult clerical officer on the maximum of the automatic range;

Females.—According to the adjustments applicable to males on the basis of the following table:—

Percentage of or margin over female basic rate.	Percentage of or margin over male basic rate.

£105	£65
£120	£80
£135	£100
£150	£120
£160	£120
£165	£120

Provided that—

- (a) No adjustment shall be made for an amount of less than three pounds (£3) per annum.
- (b) Officers whose headquarters are in an area for which an independent basic wage is declared shall, for the purpose of this sub-clause only, be deemed to be employed in the metropolitan area.
- (d) No adjustment shall be made under the provisions of this clause before the commencement of the first fortnightly pay period beginning in the month of July, 1951.

#### 16.—Maintenance of Rights of Appeal.

Notwithstanding anything to the contrary herein contained or implied, the rights of officers in respect of all appeals under the Public Service Appeal Board Act, 1920, shall be preserved and maintained, subject to any legal rights which the Commissioner or any other respondent may have in relation thereto.

#### 17.—Term of Agreement.

This Agreement shall be for a term of five (5) years commencing from the 1st January, 1951.

(b) In the event of the Court of Arbitration of Western Australia varying the basis in operation at the date of commencement of this Agreement for determining the female basic wage for respective areas then the rights of both parties are reserved to negotiate an amendment to this Agreement at any time or to approach the Court of Arbitration for an amendment to this Agreement.
