(c) In the case of workers working a five-day week, no payment or a day in lieu shall be granted for any public holiday falling on a Saturday.

(d) Payment for holidays shall be in accordance with the usual hours of work.

- (2) deciding any other matter that the Court may refer to such Board from time to time;
- (3) classifying and fixing wage rates not specifically mentioned in the Agreement.

20.—Long Service Leave.

The conditions governing the granting of long service leave to full-time Government wages employees generally shall apply to workers covered by this Agreement.

21.—Preference to Unionists.

Preference of employment shall be given to members of the Metropolitan Superphosphate and Chemical Works Industrial Union of Workers, provided that any worker or applicant for employment who is a member of another recognised industrial union and who produces proof of such membership shall be entitled to equal preference. Provided also, that any worker or applicant for employment who is not a member of any registered industrial union shall within fourteen days of commencing employment under this Agreement make and complete an application for membership of the said union, and provided that any worker who is a financial member of another registered industrial union shall, upon the expiration of his current membership with such other union, within fourteen days of such expiry, make and complete an application for membership with the Metropolitan Superphosphate and Chemical Works Industrial Union of Workers.

22.—Right of Entry.

On notifying the officer in charge, any officer of the union authorised in writing by the president and secretary of such union, shall have the right to enter any place or premises during ordinary working hours wherein members of such union covered by this Agreement are engaged, for the purpose of conversing with or interviewing the employees in such place or premises: providing that such officer shall not hamper or otherwise hinder employees in the carrying out of their work. The officer in charge shall determine whether employees are being hampered or hindered in their work.
