INDUSTRIAL AGREEMENT.

No. 5 of 1951.

Between the West Australian Branch of the Australasian Meat Industry Employees' Union Industrial Union of Workers, Perth, and Broome Freezing and Chilling Works.

THIS Agreement made in pursuance of the Industrial Arbitration Act, 1912-1950, this 2nd day of April, 1951, between the West Australian Branch of the Australasian Meat Industry Employees' Union Industrial Union of Workers, Perth (hereinafter called the "Union") of the one part, and Broome Freezing and Chilling Works (hereinafter called the "Management") of the other part, witnesseth that, for the considerations hereinafter appearing, the parties hereto mutually covenant and agree the one with the other as follows:—

1. This Agreement shall apply in respect of the rates of wages and conditions of labour in connection with the tasks hereinafter mentioned at the Broome Meatworks for the 1951 season and shall operate for 12 months from the abovementioned date.

Definitions.

2. In this Agreement, unless the context otherwise indicates, the following terms have the meanings respectively set out against them, that is to say:—

- (a) "Week-days" Mondays, Tuesdays, Wednesdays, Thursdays and Fridays.
- (b) "A week" shall mean Monday to Friday inclusive.
- (c) "A day's work" shall mean eight hours on weekdays, Monday to Friday.
- (d) "Shift work" shall mean work done in time preceding, during and following ordinary working hours by separate relays of employees.
- (e) "Mutually agreed" or "mutual arrangement" implies agreed between the Management of the works and the Union or its representatives, in writing.

General Conditions.

3. Clauses under this heading are to be operative except where otherwise provided herein.

4. Any worker carrying out work classified at a higher rate than the rate pertaining to his recognised task shall be paid for that day at the highest rate of such tasks.

5. Wages shall be paid weekly in cash on Wednesday afternoon at "smoko."

6. The Management shall give the delegate reasonable notice of workers required to work overtime. The delegate shall be then responsible, on behalf of the Union, for supplying such workers. Overtime shall be distributed on a roster system, but any employee shall have the right to forego his place on the roster except for work in his own department, if required by the Management for work in that department. In all cases of overtime, sufficient men for the job required must be supplied.

7. The employment and rates of pay of boys shall be a matter of mutual arrangement.

8. Employees shall be provided without charge with accommodation in the quarters erected for that purpose, including stretcher, mattress and pillow.

9. Each employee who boards at the works can-teen shall have an amount equal to twenty-seven per cent. (27%) of the district basic wage per week deducted from his wages weekly.

10. All delegates shall be officially recognised by the Management.

11. Shifts of eight hours may be worked in departments where operations are continuous or where they require attention for more than 12 hours in the 24.

for any time worked in excess of eight hours per shift, but in any case where such excess is caused through sickness, non-arrival, or late arrival of relieving shiftmen or in connection with the change over or rotation of shifts, ordinary rate shall apply.

13. Notwithstanding that the rates of pay are set forth on a weekly basis, there shall be no obligation on the part of the Management or the employees to give a week's notice or any other notice to determine the employment, the position being in this respect the same as if the employee was employed at a daily wage.

Preference.

14. Preference of employment in respect of tasks for which rates of wages are specified in this Agreement shall be given to members of the Union who are parties to this Agreement provided they are competent workmen for the task for which they are selected and do their work to the satisfaction of the Management.

15. Subject to preference to members of the Union who are parties to this Agreement, the Management shall have the right:—

- (a) To select employees with due regard to their qualifications for their respective tasks.

- (c) In the event of the work of an employee being unsatisfactory at the task to which he has been transferred the Management shall have the right to place such employee on waiting time in accordance with clause 34.

Employees engaged in Perth shall be selected from the lists supplied by the Union.

Transfer.

16. The Management may transfer employees from one department to another. In this case the rates payable shall be those specified for the task performed, subject to clause 4 of General Conditions. In the case of alleged unreasonableness, the local joint delegates can discuss with the Management.

Work performed on these days and on Sundays shall be paid for at double ordinary rates.

(c) In the case of workers working a five-day week, no payment or a day in lieu shall be granted for any public holiday falling on a Saturday.

(d) Payment for holidays shall be at the rate pertaining to each employee's task.

(e) When a worker is off duty owing to leave without pay or sickness, including accidents on or off duty, except time for which he is entitled to claim sick pay, any holiday falling during such absence shall not be treated as a paid holiday. Where the worker is on duty or available on the working day immediately preceding a holiday, or resumes duty, or is available on the working day immediately following a holiday, as prescribed in this clause, the worker shall be entitled to a paid holiday on all such holidays.

(f) A casual worker shall not be entitled to payment for any holiday referred to in this clause.

(ii) Approved periods of absence from work caused through accidents sustained in the course of employment shall not be considered breaks in continuity of service, but the first six months only of any such period shall count as service for the purpose of computing annual leave.

(d) In the event of a worker being employed by an employer for portion only of a year he shall only be entitled to such holidays on full pay as are proportionate to his length of service during that period with such employer.

(e) Any worker who may resign or be dismissed from the service for any cause, other than for peculation or theft shall be entitled to receive payment for any annual leave which may have been due up to the time of leaving the service: Provided always that if the worker has been dismissed for peculation or theft no claim for annual leave shall be recognised. Misconduct herein referred to shall not affect accumulated annual leave or payment therefor.

(f) When work is closed down for the purpose of allowing annual leave to be taken, workers with less than a full year's service shall only be entitled to payment during such period for the number of days' leave due to them. Provided that nothing herein contained shall deprive the employer of his right to retain such workers at work during the close-down period as may be essential.

(g) Workers regularly working for the works North of South Latitude 26 shall be allowed to accumulate annual leave for two years, subject to the convenience of the employer. Such workers who proceed to Fremantle and Geraldton during the period of such leave shall be allowed once in each two years reasonable travelling time on the forward and return journeys between the place of their employment and either of the said ports.

9.—Casual Employees.

(a) A casual employee is one for whom work over a continuous period of forty (40) ordinary time hours in five (5) consecutive days is not provided by the employers. Where the period of service is less than twelve (12) months, but is not less than one (1) week, the period of leave shall be reduced *pro rata* to the period of service. Annual leave shall at all times be taken at the convenience of the employers.

11.—Sick Leave.

(a) A regular employee who is incapacitated through sickness or injury, other than that arising out of or in the course of his employment, may, except as provided in subclause (b) of this clause, be granted sick leave with pay for a period of or periods not exceeding in the aggregate, four (4) weeks in any year, upon production, within 48 hours of the commencement of any such period of absence, of a medical certificate showing the nature of the illness and the probable duration.

(b) In the event of the full period of sick leave as provided in subclause (a) hereof not being taken in any year, the balance of such sick leave up to a maximum of one (1) week for each calendar year, shall be allowed to accumulate, and such accumulation may be applied against periods of absence on account of sickness in excess of that provided in subclause (a) hereof, occurring during the next or any succeeding year: Provided that in respect of any worker employed under the terms of this Award at the date of its commencement, the accumulation of such leave specified herein shall be regarded as operating retrospectively from the 1st January, 1945, or at the date the employee entered the service, if employment commenced after that date.

(c) Where such incapacity arises through the wilful act or misconduct of the employee, or a medical certificate is not furnished as required, or where the employee has already had sick leave with pay in accordance with the provisions of subclauses (a) and (b) hereof, the employee shall not be entitled to any pay for the period he is absent from duty.

(d) Upon the period or periods of absence exceeding four (4) weeks in the case of paragraph (a) hereof, or upon the happening or occurrence of any of the events specified in paragraph (c) hereof, immediately such absence commences or such event happens or occurs the contract of service shall be deemed to have been terminated without requiring further notice by the employers, who shall thereby be relieved of any further obligation to the employee: Provided that any such period of incapacity may, at the discretion of the employers, be regarded as leave without pay.

12.—Sickness and Accident arising out of Duty.

(a) A regular employee who, while on duty or acting under the instructions of the employer, receives an injury arising out of, or in the course of his employment, or contracts an illness due to the nature of and attributable to such employment, and is thereby incapacitated from duty in circumstances which entitled him to the benefits prescribed under the Workers' Compensation Act, 1912-1949, shall be entitled to receive in addition to such benefits, a weekly sum equal to the difference between the compensation provided for under that Act and the wages prescribed in this Award, from the date of the commencement of his said incapacity up to and including the date of his recovery as certified by his medical attendant: Provided that the employer's liability hereunder shall in no case exceed thirty (30) days in respect of each separate injury or illness.

(b) All amounts payable under this clause shall be paid in the manner provided for the payment of wages.

13.—Uniforms.

Employees shall be provided with uniforms consisting of a double-breasted coat and two (2) pairs of trousers each eight (8) months. In addition, there shall be provided to each employee, as and when the Trust deems reasonably necessary, one (1) waterproof coat of rubberised material, a sou'-wester hat, a pair of gum boots, a cap and a great-coat. Cap badges will be renewed when necessary.

Uniforms shall be kept neat and tidy by employees and must be worn by them when on duty. All articles supplied under this clause shall be of good quality and shall remain the property of the Trust.

14.—Rest Room.

A rest room, equipped with an electric radiator, shall be provided by the employers for the use of employees. Employees must provide their own rugs, etc., and must keep the room clean and tidy.

Each regular employee shall be provided with a telephone at his place of residence, the rental and a reasonable amount of calls to be paid by the employers.

16.—Use of Bicycles.

Regular employees, who are required by the employers to use their own bicycles during the course of their duties, shall receive a special allowance of two shillings and sixpence (2s. 6d.) per week as compensation for wear and tear. Such allowance, which shall be payable monthly, will not accrue while the employee is absent from duty for any cause whatsoever for a period of a complete week or longer.

17.—Long Service Leave.

Employees shall be granted long service leave after each seven (7) years' service, but periods of absence on long service leave shall not count as service qualifying towards the next grant of such leave.

18.—No Discrimination.

The employers shall not discriminate against members of the Coastal Dock, Rivers and Harbour Works Union when there are members of the union available to the employers, who are capable of carrying out the work to be done and willing to accept the employment offering.

19.—Board of Reference.

Should any dispute arise between the employers and the employees under this Award, the matter shall be referred to a Board of Reference, consisting of a representative of the employers, a representative of the employees, and the Registrar of the Court of Arbitration of Western Australia, who shall act as chairman. The decision of the Board shall be final and binding.

20.—Term.

The term of this Award shall be three (3) years from the 26th April, 1951: Provided that at any time after the expiration of twelve (12) months from its date, the Court may add to, alter, or amend the Award on application of any party.

In witness whereof this Award has been signed by the President of the Court and the Seal of the Court has been hereto affixed this 27th day of April, 1951.
