IN THE SUPREME COURT OF WESTERN

Companies No. 4 of 1951.

In the matter of the Companies Act, 1943-1949, and in the matter of Mount Lawley Pty. Limited.

NOTICE is hereby given that a petition was on the 28th day of May, 1951, presented to the Supreme Court of Western Australia for confirming the reduction of the capital of Mount Lawley Pty. Limited (hereinafter referred to as "the Company") proposed to be effected by a Special Resolution in the following terms:—

That the capital of the Company be reduced from £50,000 divided into 50,000 shares of £1 each to £486 4s. 0d., divided into 23,448 shares of 6d. each and that such reduction be effected by—

- (a) the cancellation of the 26,552 unissued shares of £1 each and
- (b) returning to the holders of the 23,448 fully paid issued shares capital to the extent of 19s. 6d. per share

And such Petition is directed to be heard before a Judge of the Supreme Court, Perth, on Monday, the 18th day of June, 1951, at 10.30 o'clock in the forenoon.

The reason for the proposed reduction of capital is that the capital proposed to be returned to shareholders is no longer required by the Company.

By an affidavit of George Matthew Craggs the Secretary of the Company sworn on the 30th day of May, 1951, it appears that to the best of his knowledge information and belief there was not on the 30th day of May, 1951 (the day fixed by the Court as the day for settling the list of creditors of the Company entitled to object to the proposed reduction) any debt claim or liability which if that date were the commencement of the winding up of the Company would be admissible in proof against the Company.

Any person who claims as a creditor, shareholder or otherwise to object to the said proposed reduction of capital shall be entitled to attend and be heard on the said day of hearing.

Dated this 30th day of May, 1951.
