## Restrictions and Limitations.

8. If, during the term of the Special Lease, the settler fails to continue in ownership of his freehold or conditional purchase lands, then the Minister may, at his discretion, cancel the Special Lease.

9. Special Lease so granted will be subject to the restrictions and limitations in regard to transfers, mortgages and subleases, as prescribed by the provisions of the Land Act, 1933-1950, and as are applicable to conditional purchase leases. Timber Reservations and Rights to the Crown.

10. No timber or scrub on the land in any such Special Lease shall be ringbarked, cut, destroyed or removed, without the approval in writing of the Conservator of Forests who may direct and prescribe that such timber or scrub as he deems necessary shall be preserved to prevent soil erosion and/or provide shade and shelter for stock.

11. All marketable timber on the land in any Special Lease will be reserved to the Crown, save that the lessee may fell such timber and use it for his own reasonable requirements for domestic purposes, or in the construction and maintenance of fences, stockyards, buildings, or other erections in connection with farming operations on the lands leased.

12. The ordinary rights of resumption and reservations usually inserted in leases from the Crown will apply.

## Improvement Conditions.

13. The settler will be required to improve for farming purposes the lands in his Special Lease to an amount of 1s. per acre per annum for the first seven years of the term: Provided that the value of existing improvements shall be taken into account in reckoning the value of the required improvements, but for the purposes of this provision existing improvements will not be valued at a higher figure than the amount which they add to the value of the land at the date of valuation.

14. The settler will be required to maintain improvements on his Special Lease in good order and shall keep cleared land from becoming overgrown with scrub or trees.

15. The settler will have the right to claim compensation upon expiration of his Special Lease, if it be not renewed for a further term, equal to the added value which the improvements effected by him in their then condition give to the land at that date, provided that there shall be deducted from the added value which all the improvements on the leased land give to it at the date of valuation for compensation purposes, the added value so given by the improvements that existed on the land at the date of commencement of the lease, regardless of their cost or value at that date in order to ascertain the added value given to the land by the improvements effected by the settler. Provided that such right to claim compensation shall not arise if the settler himself shall choose not to seek a renewal of his Special Lease.

16. If the settler be not prepared to accept the Department's offer of compensation in such cases, he will be given the right of appeal to the Board of Arbitration as established for reappraisal purposes.

17. The settler will be required to agree to a description of the existing improvements at the date of commencement of the special lease.

## Residence.

18. The settler will be required to reside on his Special Lease (or his adjacent freehold or conditional purchase land) for not less than six months in each of the first seven years of the term

of his special lease: Provided that the Minister may at his discretion waive this condition in special cases: Provided also that residence of the wife or a parent of the settler, or a child of the settler of the age of over 16 years, or other near relative approved by the Minister, may be accepted in lieu.

## Use of the Land.

19. The settler will be required to cultivate in each year after the first, not less than one-sixth of the cleared area of his Special Lease during the period of his lease: Provided that such cultivation shall be carried out in such manner as to ensure that every part of the cleared land within the area leased shall be cultivated at least once in every six years. For the purposes of this clause, the land which had been cleared prior to the date of the commencement of the lease and on which there existed at that date a re-growth which would cost more than 8s. per acre to remove by efficient methods shall be deemed to be uncleared land.

20. The settler will be required to stock and keep stocked during the full term of his Special Lease the cleared land within such lease, with not less than one sheep to every 10 acres, or the equivalent thereof in large stock, and similarly uncleared land with not less than one sheep to every 30 acres, or the equivalent thereof in large stock: Provided that at his discretion the Minister may grant permission to the settler to carry for any specific period a less number of stock than otherwise required. For the purpose of this clause, six sheep shall be deemed to be equal to one head of large stock.

21. Power will be reserved to the Minister to direct that the number of stock depasturing on any Special Lease be reduced if the Minister is of the opinion that any such lease is overstocked to an extent sufficient or likely to cause permanent damage to the land. Right of appeal to the Board of Arbitration already referred to in clause 7 shall rest with the lessee in such case and the Board's determination shall be final.

Municipality of Geraldton—Town Planning Scheme.  
Work No. 2.

NOTICE is hereby given that the Geraldton Municipal Council on the 28th day of February, 1951, passed the following resolution:—"Resolved that the Municipality of Geraldton in pursuance of section 7 of the Town Planning and Development Act, 1928-1947, prepare the above Town Planning Scheme with reference to that piece of land being Geraldton Town Lots 1220 to 1237 inclusive and the Western moieties of Geraldton Town Lots 606, 609, 610, and the Western moieties of parts 1 and 2 of Geraldton Town Lots 613 and 614 and inclusive of the whole of Askew Road, and that portion of Keane Street between Shenton Street and Carson Terrace, an area of approximately 7.2 acres, and situate wholly within the Municipal District of Geraldton and enclosed within the inner edge of the blue border on a plan now produced to the Council by the Town Clerk of the said Municipality under his hand dated the 5th day of January, 1940, as plan No. 1.

## Work No. 2.

The proposals shown on Plan No. 2 relate to the abovementioned land and have for their object the following:—

(a) The complete re-levelling of the whole area to a contour plan which provides for the reducing of sandhills and utilising the sand to fill low-lying land within the area and to provide more satisfactory residential sites, and to eliminate the existing irregularities in the street levels which make good road construction impracticable.

(b) To bring all lots within the area of the plan, under the control or ownership of the Municipality, for the purpose of carrying out the scheme.

(c) to eliminate the present unsatisfactory subdivision by a re-subdivision on modern lines, providing more desirable building sites.

It is therefore proposed that the Municipality of Geraldton shall acquire the whole of the land for the purpose, either by purchase or compulsory taking, and then re-subdivide it in the manner shown in Plan No. 2. The land coloured brown in Plan No. 2 will then be set aside as streets and the various allotments will be offered for sale.

And notice is hereby given that Plan No. 1 and Plan No. 2 referred to in the above resolution have been deposited at the Council Chambers, Geraldton, and will be open for inspection by all persons interested without payment of any fee, between the hours of 10.0 a.m. and 4.0 p.m., Mondays to Fridays (closed Saturdays).

Any objections to the above proposed scheme should be sent in writing to the Town Clerk, Geraldton, on or before 25th day of July, 1951.

THIS Agreement made in pursuance of the Industrial Arbitration Act, 1912-1950, this 31st day of May, 1951, between the West Australian Branch of the Australasian Meat Industry Employees' Union Industrial Union of Workers' Perth (hereinafter called "the Union") of the one part, and the Air Beef Pty., Ltd. (hereinafter called "the Management") of the other part, witnesseth that, for the considerations hereinafter appearing, the parties hereto mutually covenant and agree the one with the other as follows:—

1. This Agreement shall apply in respect of the rates of wages and conditions at the Glenroy Abattoirs, for the 1951 season, and shall operate for a period of twelve (12) months from the date hereof.

#### 2.—Definitions.

In this agreement, unless the context otherwise indicates, the following terms have the meanings respectively set out against them, that is to say:—

- (a) "Week-days"—Mondays, Tuesdays, Wednesdays, Thursdays and Fridays.
- (b) "A week"—shall mean Monday to Friday inclusive.
- (c) "A day's work" shall mean eight hours on week days Monday to Friday.
- (d) "Mutually agreed" or "Mutual arrangement" implies agreed between the Management of the works and the Union or its representatives, in writing.

#### 3.—General Conditions.

(a) Clauses under this heading are to be operative except where otherwise provided herein.

(b) Any worker carrying out work classified at a higher rate than the rate pertaining to his recognised task shall be paid for that day at the highest rate of such tasks.

(c) Wages shall be paid in accordance with arrangement arrived at between the management and the workers in accordance with sub-clause (d) of Clause 2.

(d) The management shall give the delegate reasonable notice of workers required to work overtime. The delegate shall be then responsible on behalf of the Union for supplying such workers. Overtime shall be distributed on a roster system, but any employee shall have the right to forego his place on the roster except for work in his own department, if required by the Management for work in that department. In all cases of overtime sufficient men for the job required must be supplied.

(e) Employees shall be provided without charge with accommodation in the quarters erected for that purpose, including stretcher, mattress and pillow.

(f) All delegates shall be officially recognised by the Management.

(g) Notwithstanding that the rates of pay are set forth on a weekly basis, there shall be no obligation on the part of the Management or the employees to give a week's or any other notice to determine the employment, the position being in this respect the same as if the employee was employed at a daily wage.

(h) The duties of the slaughter floor team shall include all operations, i.e., killing and dressing, (in the event of knocking operations having to be done by the slaughter floor team they shall be paid an extra amount of 1.5d. per beast in excess of the amounts showing in clauses 17 and 19 of this agreement).

5. A laundry equipped with washing machine shall be provided by the Management.

#### 5.—Preference.

Preference of employment in respect of tasks for which rates of wages are specified in this Agreement shall be given to members of the Union who are parties to this agreement provided they are competent workmen for the task for which they are selected and do their work to the satisfaction of the Management.

Subject to preference to members of the Unions who are parties to this Agreement, the Management shall have the right—

- (a) To select employees with due regard to their qualifications for their respective tasks;
- (b) To allot to employees their respective tasks; to dispense with the services of any employee for incompetence, drunkenness, misconduct.
- (c) In the event of the work of an employee being unsatisfactory at a task to which he has been transferred the Management shall have the right to place such employee on waiting time in accordance with Clause 33.
- (d) Employees engaged in Perth shall be selected from the lists supplied by the Unions who are parties to this Agreement.

#### 6.—Transfer.

The Management may transfer employees from one department to another. In this case the rates payable shall be those specified for the task performed, subject to clause 4 of general conditions. In the case of alleged unreasonableness, the local delegates can discuss with the Management.

#### 7.—Hours of Labour.

Unless otherwise specifically mentioned, forty (40) hours shall constitute a week's work, divided into five (5) working days as follows:—

40 hours.

Starting and ceasing times shall be as mutually arranged, taking into consideration arrival and departure times of aircraft.

Except where otherwise provided herein "ordinary working hours" shall comprise the hours between the ordinary starting time on any day and the ordinary ceasing time, excepting meal times and smokos except in any case of alteration, by mutual agreement.

Except as provided in clause 18 or otherwise mutually agreed, smokos of 15 minutes each shall be allowed and paid for as working time, as follows:—

9 a.m. to 9.15 a.m.  
2 p.m. to 2.15 p.m.

and one smoko after every two hours' continuous work done outside ordinary working hours.

When reasonably required by the management, owing to exigencies of work, employees shall forego their smoko until a convenient time.

#### 10.—Overtime Rates.

Overtime rates shall be paid in respect of all work done:—

- (a) After ordinary ceasing time (clause 7) to midnight, time and a half ordinary rates, thereafter double ordinary rates.
- (b) During meal hours and smokos, except as provided in clause 9, double ordinary rates.

- (c) The hide man shall assist in loading operations off the plane and shall be paid at overtime rates for such work.
- (d) The hide man's rate is calculated on the basis of 40 hides per day and all hides treated in excess of 40 per day shall be paid for at this rate, i.e., 16.54d. per hide.
- (e) The boner's rate is calculated on a tally of 24 quarters per day at 2s. 2.94d. per quarter, all boning done in excess of tally on an ordinary working day, or before the agreed starting time, or after the agreed ceasing time shall be paid for at double ordinary rates, i.e., at 4s. 5.88d. per quarter.

#### 11.—Minimum of Overtime.

Subject to any mutual arrangement, employees called back to work after the meal time following ordinary ceasing time shall be provided with a minimum period of two hours' work, or shall be entitled to payment for such. Employees called out on Sundays or holidays shall be provided with a minimum period of two hours' work or shall be entitled to payment for such minimum periods to be at overtime rates as appearing in clauses 10 and 12.

#### 12.—Holidays and Holiday Rates.

(a) Except as hereinafter provided, each of the following days or the days observed in lieu thereof shall be allowed as a holiday to all workers and be paid for, namely:—New Year's Day, Australia Day (26th January), Good Friday, Easter Saturday, Easter Monday, Anzac Day, Labour Day, Wyndham Cup Day, King's Birthday, Christmas Day and Boxing Day.

(b) Whenever any holiday falls on an employee's ordinary working day and the employee is not required to work on such day he shall be paid for the ordinary hours he would have worked on such day if it had not been a holiday. Work performed on these days and on Sundays shall be paid for at double ordinary rates.

(c) In the case of workers working a five-day week, no payment or a day in lieu shall be granted for any public holiday falling on a Saturday.

(d) Payment for holidays shall be at the rate pertaining to each employee's task.

(e) When a worker is off duty owing to leave without pay or sickness, including accidents on or off duty, except time for which he is entitled to claim sick pay, any holiday falling during such absence shall not be treated as a paid holiday. Where the worker is on duty or available on the working day immediately preceding a holiday, or resumes duty, or is available on the working day immediately following a holiday, as prescribed in this clause, the worker shall be entitled to a paid holiday on all such holidays.

(f) A casual worker shall not be entitled to payment for any holiday referred to in this clause.

#### 13.—Annual Leave.

(a) Except as hereinafter provided a period of two consecutive weeks' leave with payment of ordinary wages as prescribed shall be allowed annually to a worker by his employer after a period of 12 months' continuous service with such employer.

(b) If any Award holiday falls within a worker's period of annual leave and is observed on a day which in the case of that worker would have been an ordinary working day there shall be added to that period one day being an ordinary working day for each such day observed as aforesaid.

(c) (i) Subject to paragraph (ii) when computing the annual leave due under this clause no deduction shall be made from such leave in respect of the period that a worker is on annual leave and/or holidays: Provided that no deductions shall be made for any approved period a worker is absent from duty through sickness with or without pay unless the absence exceeds three (3) calendar months, in which case deduction may be made for such excess only.

(ii) Approved periods of absence from work caused through accident sustained in the course of employment shall not be considered breaks in continuity of service, but the first six months only of any such period shall count as service for the purpose of computing annual leave.

(d) In the event of a worker being employed by an employer for portion only of a year, he shall only be entitled to such holidays on full pay as are proportionate to his length of service during that period with such employer.

(e) Annual leave must be granted not later than four (4) weeks after the leave falls due, and at least 14 days' notice shall be given to the worker of the date upon which he is to commence his annual leave.

(f) Any worker who may resign or be dismissed from the service for any cause, other than for peculation or theft, shall be entitled to receive payment for any annual leave which may have been due up to the time of leaving the service: Provided always that if the worker has been dismissed for peculation or theft no claim for annual leave shall be recognised. Misconduct herein referred to shall not affect accumulated leave or payment therefor.

(g) When work is closed down for the purpose of allowing annual leave to be taken, workers with less than a full year's service shall only be entitled to payment during such period for the number of days' leave due to them. Provided that nothing herein contained shall deprive the employer of his right to retain such workers at work during the close-down period as may be essential.

(h) Workers regularly working for the management North of South latitude 26 shall be allowed to accumulate annual leave for two years, subject to the convenience of the management. Such workers who proceed to Fremantle and Perth during the period of such leave shall be allowed once in each two years reasonable travelling time on the forward and return journeys between the place of their employment and either of the said cities.

(i) "Ordinary wages" for the purpose of sub-clause (a) hereof shall mean the average rate of wage the worker has received over the period of his employment in respect of his ordinary hours of work.

(j) The provisions of this clause shall not apply to casual workers.

Each employee shall be entitled to—

- (a) passage from place of engagement to Glenroy and travelling time allowance.
- (b) passage (and travelling time allowance) by first available plane at discretion of Management from Glenroy to place of engagement after termination of work in his department; or when his services are not further required by the Management; provided that his duties have been performed to the satisfaction of the Management.

Travelling time allowance referred to in clause 23, shall be at the task rate applicable.

#### Waiting Time Allowances.

14. When no employment is available for an employee at his usual task such employee shall, if so required by the Management, do any other work available and be paid which ever rate shall be the highest for the task performed or the recognised usual task.

If for any reason no employment is available to an employee, waiting time allowance of half his recognised task rate shall be paid for such waiting time in which case the minimum rate shall not apply to the period of such waiting time.
