(c) When considered necessary, a person from outside the service may be appointed to any position in the service: Provided that there is not an officer in the service capable of filling the position.

(d) No officer shall refuse compliance with any order directing his transfer from one position to another, but if on appeal the Commission is satisfied the objection is sound, then such officer shall not be penalised.

(e) An officer desiring to be passed over in the event of promotion being offered shall, if his request be acceded to, forfeit all claim to promotion for two (2) years, but if good and sufficient reason be given the Commission, it may restore such claim.

(f) All officers promoted to a higher position shall be subject to a probationary period of six (6) months and be paid the minimum rate of salary assigned to the class to which they are promoted. At the end of such period the head of the branch shall report to the Commission as to the fitness of the officer for the higher position; if the report is satisfactory, the appointment will be confirmed as from the date of taking up duty. If unsatisfactory, the officer will be provided for at the same salary as he was in receipt of prior to the period of probation in the higher position, and shall revert to his previous position on the seniority list.

(g) All vacancies occurring in the service shall be advertised in the *Weekly Notice* and in the case of the workshops posted on the notice board. In addition at least seven (7) days' notice shall be given of the closing of applications.

Any officer who considers that he has been unjustly passed over and has no right of appeal under the Government Employees (Promotions Appeal Board) Act, 1945, may appeal, in the first place to the head of his branch, and if not satisfied with the latter's reply, may then appeal to the Commission, whose decision shall be final. The head of the branch or the Commission shall reply to the appeal within twenty-one (21) days, but no appeal will be considered unless forwarded so as to reach the head of the branch within fourteen (14) days after the receipt of the *Weekly Notice*, and the Commission within fourteen (14) days after date of receipt of the reply from the head of the branch.

21.—Acting in Higher Capacity.

(a) When an officer, other than a relief officer in Class 5 or higher class, performs the duties of a position higher than that in which he is classified for a term exceeding seven (7) days continuous or fourteen (14) days broken within any one (1) financial year, he shall be paid from the end of the period while performing any such duties the minimum salary attached to such higher position. In the case of a relief officer in Class 5 or higher class this subclause shall apply when he has served in the higher position for a qualifying period of seventeen (17) weeks continuous or broken, not necessarily in any one financial year. Payment of the higher rate shall commence as from the expiration of the qualifying period aforesaid.

(b) An officer called upon to occupy a higher position temporarily, shall be entitled to increments as though he had been permanently promoted to such position: Provided that in the case of the first increment the officer shall have performed the higher duties for twelve (12) months continuous or broken period: Provided further, that the officer shall be entitled to receive a second increment if he shall have performed the higher duties for two (2) years continuous or broken period. Absence on annual leave, long service leave, or sick leave on pay shall be counted as service, provided the officer resumes in the same or another higher position.

22.—Temporary Clerks.
