HEALTH ACT, 1911-1950.

Canning Health District.

P.H.D. 657/50, Ex. Co. No. 1945.

THE Canning Road Board, being the local health authority for the Health District of Canning under and by virtue of the powers conferred on it in that behalf by the Health Act, 1911-1950, and all other powers enabling it doth hereby make and publish the following by-law:—

Interpretation.

1. In this by-law the term "offensive trade" means the trades specified in the Second Schedule of the Health Act, 1911-1950, with the exception of fish shops, dry cleaning works or laundries.

2. No person shall hereafter establish or carry on (save as hereinafter provided) any offensive trade within the area or locality bounded on the South by the Canning River and on the East, North and West by the boundaries of the Canning Road District.

3. Notwithstanding the foregoing, a person may continue to carry on within the said area or locality an offensive trade in premises licensed for the conduct of such trade at the date hereof, so long as such trade is conducted in strict compliance with the provisions of the Health Act and the by-laws thereunder, and so long as the license for such premises is maintained. The right to carry on such

offensive trade shall forthwith determine if the person carrying on such trade shall be convicted of an offence under the said Act or by-laws, or if the license for the said premises shall at any time lapse or not be renewed as required under the said Act and by-laws.

4. Except as provided in by-law 3 above no person shall have or keep any swine or pigsty within the area defined in by-law 2 above.

5. As from the date of publication of these by-laws in the *Government Gazette* the by-laws adopted by the Board and published in the *Government Gazette* of the 4th day of March, 1938, shall no longer apply.

Dated at Cannington this 30th day of July, 1951.

C. J. KIELMAN,
Chairman.

J. E. ELLIS,
Secretary.

Approved by His Excellency the Administrator in Executive Council 10th October, 1951.

HEALTH ACT, 1911-1950.

Municipality of Cottesloe.
Resolution.

P.H.D. 506/48, Ex. Co. 1941.

WHEREAS under the provisions of the Health Act, 1911-1950, a local health authority may make or adopt by-laws, and may amend, repeal or alter any by-laws. Now, therefore, the Cottesloe Council, being a local health authority and having adopted Model By-laws Series "A" as published in the *Government Gazette* on the 8th day of April, 1927, and subsequent dates, as its by-laws for the Cottesloe Health District, doth hereby amend its by-laws as follows:—

1. Paragraph (2) of by-law 1A, Part I of Model By-laws shall be deleted and a new paragraph (2) substituted therefore as follows:—

(2) In the case of any house or public or private place in respect of which the requirements of more than two families, or more than 10 persons have to be provided for, at least two separate sanitary conveniences, shall be provided. There shall be additional sanitary conveniences in the proportion of one for every 10 persons or portion of 10.

Provided that this requirement shall not apply to public buildings under Part VI of this Act, nor to licensed premises under the provisions of the Licensing Act, 1911-1939, nor to factories under the provisions of the Factories and Shops Act, 1920-1937.

2. By adding to by-law No. 3 of Part I of Model By-laws a new paragraph as follows:—

(C) The owner of any premises whereon there is a sanitary convenience shall maintain such sanitary convenience and the pedestal pan, cisterns and other parts thereof and the water service in good condition and properly repaired and fit for use.

3. By adding a new by-law after by-law No. 4B of Part I of Model By-laws as follows:—

4C. In relation to cooking facilities to be provided in houses or public places in accordance with the provisions of section 99 of the Health Act, the following provisions shall apply:—

1. Every house used for human habitation shall be provided with:—

(a) A wood or solid fuel stove, which shall have hot plate surface area of at least one and one-half square feet and oven space of at least one cubic foot, which shall be properly installed to provide for the escape of smoke through a properly constructed brick or iron chimney; or

(b) An electric cooker which shall have hot plate surface area of at least 100 square inches, and oven space of at least one cubic foot; or

- (c) A gas or oil fuel stove, which shall have at least two main cooking burners and oven space of at least one cubic foot.

Where a stove operated by gas or any type of oil fuel is installed, it shall be provided with a properly constructed hood attached to a flue of at least 24 square inches in sectional area, which shall conduct the waste products of combustion to the outside air without creating a nuisance.

And where in any house common cooking facilities are used by more than two separate family units, a separate stove shall be provided for each two family units. Where the family units do not exceed three persons in each unit, this section shall be deemed to be complied with if one cooking stove is provided for each three such separate family units.

2. The stove or stoves provided in accordance with paragraph (1) hereof and all brickwork, chimneys or flues, recesses and other parts thereof shall at all times whilst such house is occupied or used, or available for occupation or use, be kept and maintained in good order and condition and properly repaired and fit for use.

P.H.D. 1436/20.

I, ANNIE FLORENCE GILLIES CARDELL-OLIVER, Minister for Public Health, being the Minister administering the provisions of the Health Act, 1911-1950, hereby, under the provisions of section 251 of the said Act, authorise the Commissioner of Public Health, and his deputy, for a period of six months from the fourth day of November, 1951, to exercise within each of the health districts of the State of Western Australia as constituted under the Act aforesaid, and to delegate to any public health official, the special powers specified in section 251 of the Act aforesaid, that is to say:—

(a) All the powers specified in subsections one to sixteen, inclusive.

(b) With the approval of the Minister, the power specified in subsections seventeen and seventeen (a).

(c) Any other power conferred upon him by the Governor under subsection eighteen.

Dated this 17th day of October, 1951.

F. CARDELL-OLIVER,
Minister for Health.

HEALTH ACT, 1911-1950.

Municipality of Subiaco.

Health By-law 5—Eating Houses.

P.H.D. 2015/49, Ex. Co. No. 1942.

WHEREAS under the provisions of the Health Act, 1911-1950, a local authority may make by-laws and may amend, repeal or alter any by-laws so made: Now, therefore, the Municipality of Subiaco being a local authority doth hereby make the following by-law:—

Part 1.

Commencement.

1. This by-law shall come into operation on the 1st January, 1952.

Interpretation.

2. In the construction of this by-law, unless the context otherwise requires—

“Act” means the Health Act, 1911-1950, and any amendment thereof;

“chief inspector” means the chief health inspector of the local authority and includes any person acting in that capacity.

“dining room” mean any eating house other than a tea room;

“eating house” as defined in Division 3, section 160 of the Health Act, 1911-1950;

“inspector” means any person appointed by the local authority to be a health inspector pursuant to the provisions of the Act;

“license” means a license to conduct an eating-house granted pursuant to the provisions of this by-law;

“local authority” means the Council of the Municipality of Subiaco;

“medical officer” means the medical officer of the local authority and includes any person acting in that capacity;

“proprietor” means the person having the management or control of premises;

“registered premises” means any premises which are registered as an eating house under this by-law;

“tea room” means any eating house where the only foods served for consumption on the premises are tea, coffee and similar beverages, sandwiches, pies, pasties and such prepared foods as are usually supplied by wholesale pastrycooks, toast, cakes, biscuits, pastries, cold salads, cold meats, and prepared beef tea and other extracts or soups which are supplied by the manufacturer in tins or bottles ready for consumption, but where no food is cooked on the premises;

“town clerk” means the town clerk or the acting town clerk for the time being of the Municipality of Subiaco.

3. Eating houses are classified as:—(a) Dining-rooms; (b) tea rooms.

Part 2.

Licenses and Registration.

4. No person shall occupy or use any premises as a dining-room or tea room unless—

(a) the premises are registered under this by-law as a dining-room or tea room as the case may be; and

(b) the proprietor of the said premises is the holder of a license issued by the local authority authorising him to conduct on the premises the business of a dining-room or tea room as the case may be.

5. Before any premises are registered under this by-law as a dining-room or tea room the proprietor thereof shall make application in the appropriate form prescribed in the First Schedule hereto and shall forward his application together with a plan of the premises in respect of which such application is made and the prescribed fee to the town clerk and if the application is approved the local authority shall issue to the proprietor a Certificate of Registration in the appropriate form prescribed in the Second Schedule hereto.

6. Before any license to any proprietor to conduct a dining-room or tea room is granted by the local authority under this by-law the proprietor shall sign an application for the same in the appropriate form prescribed in the Third Schedule hereto and shall forward same together with the prescribed fee to the town clerk and if the application is approved the local authority shall issue to the proprietor a license in the appropriate form prescribed in the Fourth Schedule hereto.

7. Any person who makes a false statement in connection with any application under clauses 5, 6 or 10 hereof shall be guilty of an offence.

8. Every Certificate of Registration of premises registered as a dining-room or tea room and every license issued to a proprietor shall be signed by the town clerk and shall be duly entered in a book to be provided by the local authority for that purpose. Every proprietor of registered premises shall keep the Certificate of Registration and the

license on the registered premises in a position visible to the general public and shall, when requested so to do by an inspector, produce to him the Certificate of Registration and also the license issued to the proprietor in respect of such premises.

9. Every Certificate of Registration and every license shall be in force from the day of the date of the issue thereof until and inclusive of the 31st day of December then next ensuing, unless the same be cancelled in the meantime in accordance with the provisions of the Act.

10. Applications for the renewal of Certificates of Registration and licenses shall be made annually during the month of December. Such applications shall be in the appropriate form prescribed in the Fifth and Sixth Schedules hereto respectively and shall be accompanied by the prescribed fee.

11. The fees to be paid to the local authority on the registration of premises on the issuing of a license and on the renewal of any registration or license shall be as set out in the Seventh Schedule hereto.

12. So often as any person holding a license issued pursuant to this by-law changes his place of abode he shall, within seven days next, after such a change give notice thereof in writing to the town clerk specifying in such notice his new place of abode and he shall, at the same time, produce such license to the town clerk, who shall endorse thereon and sign a memorandum specifying the particulars of such change.

13. If the owner of any registered premises sells or transfers or agrees to sell or transfer the said premises to another person, he shall, within 14 days from the date of such sale or transfer or agreement, notify the town clerk thereof in writing, stating the full name, address and occupation of such other person.

Structure.

14. In all premises occupied or used or intended to be occupied or used as a dining-room or tea room the following provisions shall apply:—

(a) The walls of all rooms shall be constructed of brick, stone or concrete suitably rendered and plastered and shall be tiled or oil-painted to a height of at least seven feet from the floor level so as to maintain a smooth, hard, durable and washable surface devoid of holes, cracks and crevices.

Partitions shall not exceed seven feet in height and they shall be flush-panelled on both sides and shall be oil-painted so as to maintain a smooth, hard, durable and washable surface devoid of holes, cracks and crevices.

(b) Every room therein shall be properly ceiled with stamped metal, lath and plaster, fibrous plaster or asbestos sheets or other similar material and shall be constructed and maintained throughout its area and at the wall junctions free from holes, cracks and crevices.

(c) There shall be provided adequate food storage facilities and cupboards to prevent the contamination of food, crockery and utensils by dirt, dust, flies or vermin of any kind.

(d) There shall be provided for the use of employees and when required by the local authority there shall also be provided for customers sufficient and suitable lavatories with wash hand basins and all necessary appurtenances or such other lavatory system as may be approved by the local authority, and there shall also be provided for use there with an adequate supply of water, soap, nailbrushes and clean towels, but no towel or towels shall be provided for use in common.

(e) There shall be provided sanitary conveniences for the use of employees, and where required by the local authority there shall also be provided sanitary conveniences for the use of customers and in either case when considered necessary by the local authority separate sanitary conveniences shall be provided for each sex.

(f) All water closets or urinals situate on any registered premises shall be separated from the yard or building of such premises by a properly constructed antechambers or airlock as directed by the local health authority.

(g) Every room shall be properly lighted with a surface of clear glass exposed to the open air equivalent to not less than one-tenth of the floor area of the room. Where such natural lighting cannot be reasonably secured artificial lighting to the approval of the local authority shall be installed.

(h) Every room shall be provided with outlet ventilators corresponding with an allowance of not less than one square inch of airway for every 40 cubic feet of gross air space of every such compartment or alternatively some mechanical system of ventilation shall be installed to the satisfaction of the local authority.

(i) The air space between the ground surface and the floor (except in the case of concrete or other solid floors) shall be efficiently ventilated to the satisfaction of the local authority.

(j) In premises where wood, coal or coke is used as fuel, such wood, coal or coke shall be stored or kept in a properly constructed store with brick walls and concrete floor separating such store from the remainder of the premises.

15. In all premises occupied or used or intended to be occupied or used as a dining-room the following further provisions shall apply:—

(a) The floors of all kitchens, sculleries and food stores shall be constructed or adapted with concrete rendered with cement or provided with a surface applied directly to the concrete of a kind and in a manner approved in writing by the chief health inspector.

Provided that the local authority may in its discretion register premises as a dining-room, although the provisions of this paragraph are not complied with if such premises were being used as a dining-room on the 31st day of December, 1951.

(b) There shall be provided a kitchen, scullery and food stores to the satisfaction of the chief health inspector.

The kitchen shall have a floor area to be approved of by the chief inspector and shall under no circumstances be less than 12ft. by 12ft. in measurement.

When any scullery, food store, or cupboard is incorporated in the kitchen then the floor space occupied by such scullery, food store or cupboard shall not be included in the floor area of the kitchen for the purpose of this clause.

Management.

16. The proprietor of every dining-room and tea room shall:—

(a) Keep or cause to be kept clean and in good condition and repair the floors, walls, ceilings and all portions of the premises and all fittings, stoves, ranges, utensils, implements, shelves, counters, bins, cabinets, fixtures, sinks, drainboards, drains, grease traps, tubs, vessels, and things of the like description used on the premises, or in connection with the preparation or storage of food thereon.

(b) Provide all such furniture, fixtures, counters, bins, sinks, drain boards, grease traps, tubs, vessels, fittings, utensils, implements and things for use on the premises as the chief health inspector may from time to time direct for the proper conduct of the business.

(c) Construct and arrange or cause to be constructed or arranged all furniture, fixtures, counters, bins, sinks, drain boards, tubs, vessels, fittings, utensils and things in every kitchen, serving room, scullery and fish-cleaning room on the premises so that the floor in every such room or place may at all times be kept in a thoroughly clean and sanitary condition.

(d) Not keep or use any floor covering that is absorbent or in such condition as to allow of the lodgment of dirt thereunder.

(e) Keep all tables and benches used for the preparation of food at least three inches from the wall and moveable to facilitate cleansing.

(f) Provide and properly maintain at all times suitable and effective means for keeping and keep every room or compartment on the premises free from dust, rats, mice, cockroaches, flies, spiders, bugs, ants, moths, and all other vermin, and if

in the opinion of an inspector effective means and methods of cleansing and eradication of vermin from the premises cannot be done effectively while the ordinary business of the establishment is carried on, then the local authority may order the temporary closure of the premises to the public until such time as such cleansing and eradication of vermin has been carried out to the satisfaction of the chief inspector, and the proprietor shall comply with such order. The form of order to be served is set out in the Eighth Schedule hereto.

(g) For the purpose of keeping the registered premises free from rats: Provide and maintain at least six spring break-back rat traps, in good working order, properly set and baited at all times. The type and number of traps and kind of baits used and the position and locality of the traps set shall be as directed by a health inspector.

(h) Keep all portions of the premises free from any unwholesome or offensive odour arising from the premises or the operations carried on thereon.

(i) Provide and maintain a hood over every wood, gas or electric cooking fire, stove or boiler. The hood shall be of such a size and so placed as to arrest all steam, effluvia, odours and smoke from the process of cooking or boiling. The underside of the hood shall be not more than six feet six inches above the floor level and shall be of a size at least equal to the upper surface of the cooking stove or boiler. It shall have a flue of not less than seven inches in diameter and such flue shall discharge to the open air above the eaves of the building and at a height of not less than two feet above the eaves of any adjoining building.

(j) Provide an efficient chimney or flue to every wood, coal or coke cooking stove so that no smoke nuisance shall arise in or outside the premises.

(k) Provide and keep a sufficient number of suitable vessels or receptacles, with lids, constructed of galvanised iron or other non-absorbent and non-corrosive material to a design approved by a health inspector on the registered premises for the purpose of receiving all garbage, waste matter and other refuse arising from the business, and place and keep such vessels or receptacles in a properly constructed room with concrete floor to be fly and rat proof and efficiently ventilated or in such positions as directed by a health inspector.

(l) Forthwith after such garbage, waste matter and other refuse is produced place the same in such receptacles provided and kept in accordance with paragraph (k) hereof and remove or cause the contents of such receptacles to be removed from the premises at least once in every 24 hours.

(m) Thoroughly cleanse all such receptacles provided and kept in accordance with paragraph (k) hereof once at least in every 24 hours and renew or repair any or all of the aforesaid receptacles as often as is necessary and when required by an inspector so to do.

(n) Provide and maintain a hot water installation of capacity to supply sufficient hot water and adequate sink facilities for the thorough cleansing of all drinking vessels, dishes, plates and other vessels, tableware, spoons, forks, knives and all other utensils used on the premises to the satisfaction of the chief inspector.

(o) Immediately after each occasion of use cause all such vessels and utensils referred to in clause (n) to be thoroughly cleansed by means of washing in water at a temperature of not less than 110 deg. F. and immediately thereafter rinsed in clear hot water at a temperature of not less than 150 deg. F. and for this purpose there shall be provided two sinks.

(p) Not permit or suffer any table napkin which has been used as such or for any other purpose by any person to be placed for use by or to be used by any other person unless such table napkin shall have been thoroughly washed and cleansed since it was previously used by such first mentioned person.

(q) Remove or cause to be removed the whole of the canned or preserved food or any food contained in an hermetically sealed container (such container not being composed wholly of glass or stoneware) intended for use on the premises from such original can or container immediately after the same shall have been opened.

(r) Not permit or suffer any food which is unsound, unwholesome, putrescent or weevilled to be used for food, or for the preparation of food or meals.

(s) Cause any food which is or has become unsound, unwholesome, putrescent or weevilled to be immediately withdrawn from sale, stock or use and placed in the waste food garbage bin.

(t) Provide adequate and efficient means of refrigeration for the preservation of food to the satisfaction of the chief inspector.

(u) Remove or cause to be removed any food which may have been served to any person or placed on any table occupied by any customer on the premises (and not then consumed or removed by him) immediately after such person shall have finished his refreshment nor permit, suffer or allow any such food so removed to be again served to any person on the premises, and such food shall be immediately deposited in the waste food garbage bin. Provided that in this paragraph food shall not mean or include the following substances to wit, sugar, pepper, salt, mustard, vinegar, sauces, spices, or condiments if such substances are contained in receptacles or containers so constructed that the contents of such containers cannot be handled by any person. Provided further that in this paragraph, food shall not include bread which is placed in a glass receptacle or container of a design and so constructed that the contents are only handled as required.

(v) Not allow, permit or suffer any live animal or bird to be kept in or upon any portion of the premises (provided that a cat or cats may be allowed in the premises after all food has been covered and the premises are not open to the public) or allow or permit or suffer any animal or bird to be killed or any poultry, pigeons or game to be plucked in any part of the premises.

(w) Provide and maintain a suitable cupboard for hat, shoes and clothing of employees to the satisfaction of the chief inspector.

(x) Not permit or suffer any hat, shoes or clothing to be placed or kept on the premises otherwise than in the cupboard provided under the last preceding paragraph. Provided that customers may be permitted to hang their hats and coats in any room open to the public.

(y) Not keep or permit or suffer to be kept any hamper basket, box, trunk, case, crate or barrel which has contained wet fish or other perishable food and which has not after the last occasion of such use been cleansed and rendered inoffensive upon any portion of the premises for a period longer than 24 hours or in such a manner as to become or be likely to be or become offensive or a nuisance.

(z) Cleanse daily and at all times keep and maintain all water-closets, urinals, lavatories, catchpits, grease traps, and all other sanitary appliances on the premises in a clean and sanitary condition.

(aa) At all times provide and maintain a notice board on which is legibly inscribed, in letters one inch high, the name of the person licensed to carry on business on the premises, and such notice board shall be fixed and maintained free from obstruction in a prominent position at the entrance of the premises.

17. In addition the proprietor of every dining-room shall:—

(a) Not gut, clean or scale any fish on any portion of the premises unless such portion of the said premises shall have been constructed for such purpose and approved in writing by the chief health inspector and shall not store any fish in any kitchen or food store on the premises unless such fish has already been gutted, cleaned, scaled and washed.

(b) Provide and maintain a suitable change room for employees if all of one sex or suitable separate change rooms for each sex.

(c) Not use, keep or store or permit to be used, kept or stored in any kitchen on the premises any petrol, kerosene, benzine, naphtha, alcohol, mineralised or methylated spirit or any volatile liquid (not being an article of food).

18. No proprietor of any dining-room or tea room shall:—

(a) Permit, suffer or cause to be made or done to or on the registered premises any alteration, addition or other work for any purpose affecting or likely to affect the suitability of the premises for the use specified in respect of such premises without the previous consent in writing of the chief health inspector.

(b) Permit or suffer any drain pipe for carrying off faecal or sewage matter to have an opening or any gully trap to be within any roofed enclosures (not being a water-closet or urinal) on the premises.

(c) Permit, suffer or cause any spittoon or article or think for like use to be placed on the premises.

(d) Permit, suffer or cause any structural alterations to be made to the premises or any portion thereof without first having obtained permission in writing from the local authority.

19. No person employed on the premises shall spit or smoke tobacco in any room wherein food is being prepared for use in any dining-room or tea room and every proprietor of such premises shall exhibit conspicuously and constantly maintain in a clean visible and legible condition in every such room a notice printed in letters of not less than 48 points face measurement to the following effect:—"Spitting or smoking tobacco in this room is an offence against the by-law. Penalty not exceeding £20 (twenty pounds)."

20. Every person engaged in any dining-room or tea room in the preparation of food shall wear a clean outer garment or overall of washable material the sleeves of which shall be comparatively short, and every such person shall immediately before beginning or recommencing the preparation of food and immediately after visiting a sanitary convenience wash his hands and every such person shall maintain his clothing and body clean. The proprietor of such premises shall provide and maintain at all times on such premises adequate and efficient means for maintaining personal cleanliness to the satisfaction of the chief inspector.

21. No person who is suffering from any infectious, contagious or eruptive disease, suppurating wound or sore, discharging abscess or gathering, chest complaint accompanied with expectoration, or malignant growth of any kind, shall enter the kitchen or take part in the preparation or handling of food in any dining-room or tea room.

22. (1) Every proprietor of any dining-room or tea room shall as soon as he becomes aware that any person engaged on the premises is suffering from any of the abovementioned diseases cause him to cease to be engaged on and to leave such premises without unnecessary delay and shall not allow him to be again engaged on such premises until such person shall have obtained a certificate from a qualified medical practitioner that he has recovered from or is not suffering from any such condition as aforesaid and is no longer a source of danger to others.

(2) The proprietor of any dining-room or tea room shall forthwith report in writing to the local health authority the suspension of any person engaged on the premises suffering from any disease mentioned in clause 21 of this by-law and shall send a copy of any medical certificate obtained for the purpose of this clause to the local health authority before such person shall again be engaged on the premises.

23. Any person who shall commit a breach of any of the provisions of this part of this by-law shall be guilty of an offence and upon conviction shall be liable to a penalty not exceeding fifty pounds and where such breach is of a continuing nature to a daily penalty not exceeding two pounds.

THE TRAFFIC ACT, 1919-1950.

Municipality of Geraldton.

P.W. 1365/35.

A By-law of the Municipality of Geraldton, pursuant to an Order in Council made under the authority of Section 49 of the Traffic Act, 1919-1950.

IN pursuance of the powers conferred by the said Order in Council, the Municipality of Geraldton, by this by-law, orders as follows:—

Traffic By-law No. 1.

(1) The Municipality of Geraldton hereby appoints the following places in streets within its municipal district to be used as stands for licensed motor cars plying for hire:—

(a) Marine Terrace—On the Northerly side, commencing at a point 30 feet North-Easterly of the North-Eastern corner of Marine Terrace and Cathedral Avenue, and extending North-Easterly for a distance of 60 feet (four vehicles).

(b) Marine Terrace—On the Southerly side, commencing at a point 30 feet North-Easterly of the South-Eastern corner of Marine Terrace and Cathedral Avenue and extending North-Easterly for a distance of 67 feet (four vehicles).

(c) Durlacher Street—On the Easterly side, commencing at the North-Eastern corner of Durlacher Street and Marine Terrace, and extending North-Westerly for a distance of 36 feet, and having a width at right angles to Durlacher Street of 17 feet (four vehicles).

(d) Marine Terrace—On the Southerly side, commencing at a point 141 feet South-Westerly of the South-Western corner of Marine Terrace and Forrest Street, and extending South-Westerly for a distance of 35 feet (two vehicles).

(e) Marine Terrace—On the Southerly side, commencing at a point 55 feet from the South-Eastern corner of Marine Terrace and Fitzgerald Street and extending North-Easterly for a distance of 35 feet (two vehicles).

(2) The said municipality hereby appoints the following place in a street within the said district to be used as a stand for licensed omnibuses plying for hire:—Cathedral Avenue—On the Easterly side, commencing at a point 30 feet from the South-Eastern corner of Marine Terrace and Cathedral Avenue and extending in a South-Easterly direction for a distance of 60 feet (two vehicles).

(3) The number of vehicles to be allowed at any one time to ply for hire on each respective stand appointed by paragraph (1) and paragraph (2) of this by-law shall be the number set out against the description of each respective stand in those paragraphs.

(4) No person in charge of any vehicle shall, at any time, leave such vehicle or cause or permit such vehicle to be stationary on the Southerly side of Marine Terrace, Geraldton, between Post Office Lane and the South-Westerly boundary of the Geraldton Post Office land unless he does so in the course of a duty or engagement as an employee of or contractor with the Postmaster General's Department.

(5) No person in charge of any vehicle shall, at any time, leave such vehicle or cause or permit such vehicle to be stationary:—

(a) On the Northerly side of Eleanor Street, Geraldton, between Cathedral Avenue and Forrest Street, or

(b) On the Easterly side of Durlacher Street, Geraldton, between Marine Terrace and Eleanor Street.

(c) On the Westerly side of Cathedral Avenue, Geraldton, between Marine Terrace and the laneway leading to the rear of the buildings on the South-Western corner of Marine Terrace and Cathedral Avenue.

(6) No person in charge of any vehicle shall leave such vehicle or cause or permit such vehicle to be stationary on any portion of Marine Terrace, Geraldton, other than on portion of a stand duly appointed for that type of vehicle, for a longer period than 30 minutes between the hours of 9 a.m. and 6 p.m. on any Friday, or for a longer period than 30 minutes between the hours of 9 a.m. and 12 noon on any Saturday.

(7) No person in charge of any vehicle shall, at any time, leave such vehicle, or cause or permit such vehicle to be stationary in any street within the said district, whether on a duly appointed stand or not, in such a position as to obstruct the entrance to any lane or right-of-way, or to obstruct the passage of vehicles to or from any premises by way of an entrance way provided for that purpose.

(8) (a) In this paragraph, "park" means to permit any vehicle to stand, whether occupied or not, upon a street or way otherwise than temporarily for the purpose of and while actually engaged in loading or unloading passengers or goods or in obedience of traffic regulations or traffic signs or signals, and "vehicle" means any motor vehicle the tare of which is three tons or more.

(b) No person shall park any vehicle as defined in this paragraph upon that portion of Marine Terrace, Geraldton, which lies between its junction with Forrest Street and its junction with Francis Street.

(9) If any person shall commit any breach of any provision of this by-law he shall be liable to a penalty not exceeding twenty pounds.

ROAD DISTRICTS ACT, 1919-1948.

Balingup Road Board.
Long Service Leave By-laws.

P.W. 223/37.

THE Balingup Road Board, acting under and by virtue of the powers conferred upon it in that behalf by the Road Districts Act, 1919-1948, and all other powers enabling it, doth hereby order as follows:—

Paragraph 2 of the Long Service Leave By-law published in the *Government Gazette* of the 29th April, 1949, at page 905, is hereby deleted and the following paragraph inserted in its stead:—

2 (a) All employees of the Board shall, after each period of 10 years' continuous service as permanent full-time employees thereof, commencing from the 30th June, 1936, be entitled to three months' long service leave.

(b) Long service leave is to be taken at the convenience of the Board, which will as far as possible meet with the wishes of the employee, but the Board may require the employee to take his leave by giving not less than three months' notice.

(c) Employees shall not be entitled to long service leave until the completion of 10 years' service. After the completion of the first 10 years, employees will be entitled to a *pro rata* payment if they leave the service of the Board before the next period is completed.

Passed by the Balingup Road Board at the ordinary meeting of the Board held on the 19th day of September, 1951.

ROAD DISTRICTS ACT, 1919-1948.

Preston Road Board.

By-law—Pipes and Pipelines beneath Roads.

P.W. 1063/31.

PURSUANT to the power conferred upon it by the Road Districts Act, 1919-1948, and all other powers enabling it in that behalf the Preston Road Board doth hereby make and publish the following by-law to authorise and regulate the laying of pipes or pipelines beneath roads or footpaths within the Preston Road District.

1. No person shall lay any pipe or construct any pipeline beneath any road or footpath without first obtaining the written approval of the Preston Road Board nor otherwise than in accordance with the provisions of this by-law.

2. The Board may in giving its approval fix a period during which the pipe or pipeline may remain beneath the road or footpath or may give its approval for an indefinite period.

3. Any person laying any pipe or constructing any pipeline beneath a road or footpath shall comply with the following conditions:—

- (a) He shall lodge with the Secretary of the Board, for retention, a plan showing the proposed position of the pipes and such longitudinal and cross section as may be necessary together with full particulars as to the purpose for which the pipe or pipeline is proposed to be used.
- (b) He shall lodge with the Board, pending the satisfactory completion of the work, such deposit as the Board may reasonably require as a security for the satisfactory completion of the work.
- (c) He shall lay the pipe or pipeline in accordance with normal plumbing practice, and properly aligned and jointed.
- (d) He shall lay the pipe or pipeline so that no part thereof shall be nearer than 18 inches to the surface of any portion of the road or footpath, whether constructed or not.
- (e) He shall take all reasonable precautions to avoid accident to users of the road or footpath during the progress of the work and shall indemnify the Board against any claims it may receive because of the work so carried out.
- (f) He shall exhibit danger signs and red flags during the hours of daylight and shall keep red lights burning during the hours of darkness throughout the time during which there is any excavation open or other dangers to traffic.
- (g) He shall, unless a temporary closure of the road is authorised by the Board, ensure that a sufficient portion of the road or footpath is kept open for traffic or pedestrian use while the work is in progress.
- (h) He shall fill in the excavation and reinstate the surface of the road or footpath on the completion of the work to the satisfaction of the Board's engineer.
- (i) The work when commenced shall be carried to completion with all reasonable speed.

4. If the person laying any pipe or constructing pipeline beneath the road or footpath shall fail to fill in the excavation or to reinstate the surface of the road or footpath, the Board may do so and recover the cost from him.

5. No person shall dig up, alter or otherwise interfere with any pipe or pipeline laid beneath a road or footpath except with the written approval of the Board. The work carried out shall as far as is applicable be done in accordance with the provisions of paragraph 3 of this by-law.

6. Where any pipe or pipeline has been laid beneath a road or footpath the Board may give notice in writing to the person owning or served by such pipe or pipeline to repair or replace it, and such person shall thereupon carry out such work under the conditions so far as applicable as are set forth in paragraph 3 of this by-law.

7. At the expiration of the period specified by the Board in its approval, the person owning or served by the pipe or pipeline shall remove it, complying with the provisions of paragraph 3 of this by-law so far as they are applicable.

8. The Board may, at the expiration of the period specified in its approval, or if no period has been specified, at any time the Board by a majority of the whole of the members shall think fit, order that the person owning or served by the pipe or pipeline shall remove it from the road and he shall so remove it, complying with the provisions of paragraph 3 of this by-law so far as the same are applicable.

9. Should any person who has been ordered to replace, repair or remove a pipe or pipeline fail to do so, the Board itself may carry out the work and recover the cost from him.

10. Any person committing a breach of any of the provisions of this by-law shall be guilty of an offence and liable to a penalty of not more than £20.

Passed by the Preston Road Board at the ordinary meeting held on the 20th day of September, 1951.

GEO. S. LINDSAY,
Commissioner.

ANGUS KING,
Secretary.

ROAD DISTRICTS ACT, 1919-1948.

Greenbushes Road Board.

Building By-laws.

IN pursuance of the powers in that behalf contained in the Road Districts Act, 1919-1948, the Greenbushes Road Board makes the following by-laws relating to buildings:—

Part 1.—Operation and Definition.

Application.

1. These by-laws shall apply to all lands and buildings within the area of the Greenbushes Road Board District.

Commencement.

2. These by-laws shall come into operation immediately upon their confirmation and approval by the Governor and publication in the Government Gazette.

Repeal.

3. From the date of coming into operation of these by-laws all building by-laws previously in force for the Greenbushes Road Board are hereby repealed.

Definitions.

4. In these by-laws, subject to the context:—
“Act” means the Road Districts Act, 1919-1948, and amendments.

“Alteration” means any work made or done for any purpose in, or on a building (except that of necessary repairs not affecting the construction of any external, cross or party wall), or any change in the purpose for which the building or erection, or any part thereof shall be used.

“Apartment” means a room or rooms or part of a building intended or adapted for a separate occupation as a dwelling, and includes a flat.

“Apartment building” means a building containing two or more apartments.

“Approved” means approved by the Board in writing or (in case where the surveyor is authorised by the Board to do so) approved by the surveyor in writing.

“Area” applied to a building means the sum of the superficies of the horizontal sections of each storey made at the point of the greatest surface of each floor, inclusive of the external walls and such portions of the party walls as belong to the building.

“Board” means the Greenbushes Road Board.

“Build” means and includes erect, build, or construct, or cause to be erected, built or constructed.

“Building” means and includes erection, structure, detached room, out-building, hoarding, and every structure of whatever kind capable of affording protection or shelter, either roofed, or intended or adapted to be roofed, and whether enclosed by roofs or not, and every part of such structure and any addition or alteration thereto.

“Builder” means the master builder or other person employed to execute any work, or, if there is no master builder or other person so employed, then the owner of the building or other person for whom or by whose orders such work is to be done.

“Dwelling house” means a building used or adapted to be used wholly or principally for human habitation.

“District” means Greenbushes Road District.

“External wall” means the outer wall of a building, not being a party wall, even though it adjoins a wall of another building.

“Fire-resisting” used with reference to any materials includes (a) brickwork constructed of good bricks well burnt, hard and sound, properly bonded and solidly put together with good lime or cement mortar; (b) any stone suitable for building purposes by reason of its solidity or durability; (c) sheet metals or other similar materials which are, in the opinion of the Board, fire-resisting; (d) iron and steel (when used for columns, girders, or wall framing) encased in cement, concrete, or other incombustible or non-conducting external coating; (e) slate, tiles, brick, and terra-cotta, when used for covering or corbels; (f) concrete when composed of broken bricks, stone chippings, or ballast and lime cement or calcined gypsum.

“Frontage” means the distance measured at right angles to one of the sides of the land from the terminal point thereof to the opposite side, or a continuation of such opposite side.

“Garage” means any building used for the housing of a motor vehicle (not being a garage carried on as a business undertaking).

“Height” in relation to any building means measurement taken from the level of the footway (if any) immediately in front of the centre of the building, or when there is no such footway from the level of the ground before excavation to the level of the ceiling or tie of the topmost storey.

“Height” in relation to storey means:—(a) In the case of the topmost storey, the measurement between the floor and the ceiling thereof, or between the floor and the undersurface of the tie of the roof, or if there is no tie, then up to the level of half the vertical height of the rafters, or other support of the roof; (b) in the case of every storey other than the topmost storey, the measurements between its floor and the floor above.

“Hoardings” included any erection or structure erected, built, constructed, or used, or that may be used for the purpose of writing, painting, pasting, or posting thereon notices, advertisements, placards, or other printed, painted, or written matter or any erection or structure, being of a greater height than six feet from the level of the adjoining street.

“Main rooms” means and includes all rooms used or intended to be used as bedrooms, dining rooms, lounges, ordinary living rooms, or kitchens.

“New buildings” includes:—(a) Any building erected or commenced to be erected after the date of these by-laws coming into operation; (b) any building of which more than half of its cubical contents has been taken down or destroyed by fire, tempest or otherwise, and is re-erected, or commenced to be re-erected wholly or partially on the same site after the date of these by-laws coming into operation; (c) any buildings removed or transported wholly or in sections into the district or to another part of the district after the date of these by-laws coming into operation.

“Outbuildings” means any building on the curtilage of any dwelling, shop or combined shop and dwelling used as a work shop or storeroom not being a building for the storage of inflammable materials, nor for the housing of animals, including birds.

"Party wall" means a wall built to be used as a separation of two or more buildings or a wall forming part of a building built upon the dividing line between adjoining premises for the common use.

"Person" includes corporation.

"Prescribed" means prescribed by these by-laws.

"Public place" has the same meaning as in the Act.

"Reinforced concrete" means a form of construction in which cement concrete is reinforced with iron or steel, these materials being so combined that the iron or steel will take up and resist substantially the whole of tensional stresses and assist in the resistance to shear, while the concrete will take up and resist the compressional stresses and assist in resistance to shear.

"Right-of-way" means any lane or right-of-way, not a road, over which any person other than the owner thereof has a right of carriage way.

"Road" has the same meaning as in the Act.

"Surveyor" means the building surveyor or acting building surveyor appointed by the Greenbushes Road Board, having for the time being the administration of these by-laws.

"Shop" means a building in which goods are regularly offered or exposed for sale, or in which meals or refreshments are regularly offered or provided for payment, and also includes saloons of barbers and hairdressers, and offices of agents, auctioneers, and all other businesses and trades. A bona fide boarding house shall not be included in this definition by reason only of the fact that meals or refreshments are occasionally supplied for payment to persons other than boarders.

"Square" applied to the measurement of any area means the space of one hundred square feet.

"Surface or Ground Level" means the level of the ground as determined by the surveyor or engineer.

"Wooden building" means buildings constructed of wood, or buildings having wooden frames.

Part 2.—Classes of Buildings.

5. For the purpose of these by-laws, buildings shall be divided into three classes:—

Class A.—"Domestic class" which includes all buildings subject to small vibrations and light loading of floors, such as dwelling houses, residential shops, offices, hotels, private schools, club houses and studios.

Class B.—"Warehouse class" which includes all buildings subject to vibrations and heavy loading of floors such as warehouses, factories, mills and places for storage and manufacturing of goods.

Class C.—"Public building class" which includes all buildings designed to accommodate an assemblage of people, such as theatres, churches, chapels, assembly halls, museums, libraries, public schools, hospitals, lecture rooms, and other like buildings. In case of doubt the surveyor shall finally determine to which class any particular building belongs.

Part 3.—Notice of Intention to Build or Demolish and Lodging of Plans.

Notice to be Given.

6. No builder shall commence any building, or any addition, or alteration to any building without first delivering at the office of the Board a written application in the form of the First Schedule hereto before so commencing and delivering to the surveyor:—

Plans and Specifications.

(a) Properly prepared plans and specifications of such building addition or alteration together with a tracing or copy of the plans of such building, addition, or alteration and also details and dimensions, sizes and qualities of all materials and enumerating any old materials proposed to be used in the construction of the same. Plans shall be drawn in ink and specifications typed or legibly written. Plans to be of good quality parchment 22 inches by 15 inches. Scale $\frac{1}{4}$ inch to 1 foot.

Block Plan.

(b) A block plan showing relation of the building to adjoining buildings and boundaries.

Purpose.

(c) A statement in writing of the purpose for which the building is intended to be used.

Drainage.

(d) Particulars of the proposed method of drainage.

Further Particulars.

(e) Such further particulars in writing regarding the same as shall be necessary to enable the Board or its surveyor to determine if all the provisions of these by-laws applicable thereto are being complied with.

Tracing Retained.

7. The tracing or copy of the plans and details of materials shall be retained by the surveyor and the original plans and specifications when approved shall be evidenced in writing endorsed on the plans and specifications and signed by the surveyor.

Plans etc. to be Kept at Building.

8. Such plans and specifications shall be kept at the building therein referred to, and shall be available for inspection by the surveyor or accredited officer of the Board at all reasonable times on demand, during the construction or erection, or alteration, or addition, as the case may be, and for 14 days after the completion thereof.

Permits and Fees.

9. No person shall commence a building of any kind or addition or alteration to any building, or demolish any building without first having obtained from the surveyor a written permit for the commencement of the same and without having first paid to the Board fees in accordance with the scale set out in the Second Schedule hereto, having regard to the class of building.

Area of New Building.

10. The decision of the surveyor as to the area of a new building, or value of an addition shall be final and conclusive.

Permit shall Lapse after Six Months.

11. A permit obtained pursuant to these by-laws shall lapse and be of no effect unless the building for which such permit was granted shall be commenced within six months and completed within 12 months from the date of such permit.

Surveyor may Enter and Inspect.

12. The surveyor at all reasonable times during the progress and after the completion of any building, or addition, or alteration to any building affected by these by-laws, may enter and inspect such building, or addition, or alteration. Any person obstructing or hindering the surveyor shall be liable to a penalty of not more than ten pounds (£10).

Surveyor may Stop Work if Contrary to By-laws.

13. The surveyor may at any time stop the progress of any building and withdraw or suspend any permission given by the Board under these by-laws, in the event of his not being satisfied that all the provisions of these by-laws are being complied with, and any person who continues to build, or erect, or works on the site after notice from the surveyor to desist, shall be guilty of an offence against these by-laws.

Demolition or Removal of Buildings.

14. When a building is to be demolished or removed the owner or contractor shall give 24 hours' notice to the surveyor of such intended demolition or removal.

15. Provision shall be made so as to avoid all nuisance from dust or falling refuse by spraying water on same by means of a hose or other approved method.

Sanitary Conveniences for Workmen.

16. Before commencing any building operations upon any building site, the contractor, or person responsible for carrying out building operations shall provide sanitary conveniences sufficient for the use of all working upon the site, such sanitary conveniences shall be in accordance with the requirements of the Health Act.

Low-lying Land.

17. Where land upon which a building is to be erected is below the level of the crown of the road adjoining the land frontage, no building shall be commenced until a level has been given by the surveyor. When it is considered by the surveyor that, having regard to the water level, during winter months, filling is required, such filling shall be carried out by the owner or contractor before the commencement of building operations. In the event of there being no made road from which to take the level for any building, the surveyor shall determine the level at which any building shall be commenced and if he considers it to be necessary shall require the owner or contractor to fill in to a given level.

Dwelling Houses.

Distance from Road.

18. No building which is intended to be used as a dwelling house, and no addition to any such building, shall be built within a distance of 25 feet measured horizontally from the road to the building fronts, unless a building line at a different distance has been fixed by a proper authority.

Distance from Side Boundary.

19. No building which is intended to be used as a dwelling house and no addition to any building which is intended to be used as a dwelling house shall be built within a distance of three feet if of brick, or six feet if of wood or wood frame measured horizontally from the boundary of the allotment on which such building is erected.

Minimum Area of Open Land.

20. At least one-third of the area of any allotment on which a dwelling house is erected shall be left open and unbuilt on and for the exclusive use of the occupiers of the buildings erected upon such allotment.

Minimum Area of Dwelling House.

21. Every dwelling house shall consist of a total area of at least 500 square feet, excluding verandahs.

Provision of Bathroom, Wash-troughs, Copper, etc.

22. Provision shall be made in all new or re-erected dwellings for a bathroom fitted with bath and wash-basins, also laundry facilities consisting of wash-troughs and copper, properly fitted and housed in accordance with any provisions of the Health Act and any regulations or by-laws made thereunder which may from time to time be applicable.

Computing Distances.

23. For the purpose of computing distances from any building, the outer face of the wall shall be taken as the point from which measurements are to be taken.

Occupation of Dwelling.

24. No person or persons shall occupy any new or re-erected dwelling before completion, nor shall any person or persons occupy any new or re-erected dwelling until a certificate has been issued by the surveyor in writing, stating that the dwelling has been completed in accordance with the plans approved by the Board, the building by-laws, and the Health Act.

Stables.

25. Stables may be erected with walls of brick, stone or concrete, or other material approved by the Board provided that in stables of more than two squares in area, the distance of any wall of such stable from land not in the same occupation or possession shall not be less than the vertical height of such wall including the vertical portion of a gable and roof from the boundary of the land not in the same occupation or possession.

Distance of Stables from Boundaries.

26. No stable may be erected nearer than 30 feet to any dwelling, nor nearer than 10 feet to the boundary of land not in the same occupation.

Fowl-houses.

27. Fowl-houses of not more than 200 square feet in area and not above six feet in height may be erected at rear of dwelling, provided that the nearest portion of such fowl-house is at least 30 feet from any building used as or intended for a dwelling, and at least four feet from the boundary of land not in the same occupation.

Fowl-houses of larger area may be erected if at a distance of at least 50 feet from any street and 40 feet from any dwelling house and at least four feet from the boundary of land not in the same occupation. They must be of fire-resisting materials approved by the surveyor, and the building shall not be more than seven feet high.

Materials for Garages.

28. Every garage shall be constructed of fire-resisting material unless otherwise approved by the Board. Where fire-resisting sheets are used for walls, framing and dado of approved hardwood may be used.

Position of Garage.

29. No garage shall be erected nearer than the dwelling house to which it is appurtenant to any road fronted by such dwelling-house. Provided that if there is no means of access for motor vehicles to the rear portion of the allotment on which such dwelling-house is erected, a garage may be erected on the front boundary of such allotment subject to a plan showing the exact position in which such garage is proposed to be erected, and the approximate position of any buildings in the allotments adjoining, together with the design of the garage proposed to be erected, and the front elevation thereof being submitted to and approved of by the Board but so that no part of such garage shall be between the dwelling-house and the road.

In special cases where the physical configuration or dimensions of the ground preclude the observance of the distances prescribed the Board may permit the erection of a garage in another position.

Doors of Garage.

The doors of a garage when opened shall not encroach on any road.

Garage Incorporated with Dwelling.

Where a garage is incorporated as part of the main building it shall in all respects conform thereto, but must have a ceiling of fire-proof material approved by the surveyor.

Garages on Corner Blocks.

No garage shall be erected on a corner block at a less distance from the road on the side boundary than the adjoining building is from such road, or if there is no adjoining building, at a less distance than 20 feet from such road.

Apartment Buildings.

Area of Land to be Occupied.

30. The total floor area of an apartment building together with the floor area of any other buildings erected on the same allotment, shall not exceed half the area of such allotment.

Area of Each Apartment.

31. The total floor area of each apartment shall be at least 400 square feet. In addition thereto, every apartment shall have for the exclusive use of the occupants thereof, at least 100 square feet of verandah space.

Area of Main Rooms.

32. Every main room in an apartment shall have a floor area of at least 100 square feet and no wall of such room shall be less than nine feet in length.

Apartment to be Self-contained.

33. Every apartment shall be self-contained; it shall contain its own kitchen, bathroom and lavatory. It shall have separate entrance from the outside of the building, and such entrance shall be constructed of fire-resisting material as defined in the Building By-laws of the Board for the time being in force.

Part 4.—Building Materials.

34. All workmanship and materials used in the construction or alteration of any building shall be the best of their respective kinds and in accordance with recognised building practice; all materials used in any building must be of good quality and shall be subject to the approval of the surveyor, and the surveyor shall have the power to condemn any material which in his opinion is not suitable for use in such building or addition.

Second-hand Material.

35. No old or second-hand material may be used in any building unless approved in writing by the surveyor.

Bricks.

36. Bricks used in any building must be good, hard and well burnt. When old bricks are used in any wall they shall be thoroughly cleaned before being used.

Sand.

37. Sand used for mortar or concrete in any building shall be clean and sharp and free from loam, dirt, salt or organic matter.

Lime Mortar.

38. Lime mortar shall be composed of freshly burnt lime and sand in the proportion of at least one part by measure of lime, and not more than three parts by measure of sand. All lime intended to be used for mortar shall be thoroughly burnt, of good quality, and be properly slaked before being mixed with sand.

Cement Mortar.

39. Cement mortar shall be composed of good Portland cement or other cement of equal quality, mixed with clean sharp sand, in proportion of at least one part by measure of cement and not more than four parts by measure of sand.

Timber.

40. All timbers and wooden beams used in any building shall be of good sound material, free from rot, large loose knots, shakes, or other imperfections whereby the strength may be impaired, and in the case of dwellings, shall be of such sizes, dimensions and spaces as set forth in by-laws 41 and 68. In other buildings all timbers shall be of such as will afford safe loadings, and shall be to the satisfaction of the surveyor.

Dimensions of Timber.

41. The timber used in brick dwelling-houses shall conform to not less than the following minimum sizes.

Bottom wall plates, 3 in. x 2 in.

Floor joists, 4 in. x 2 in. at 1 ft. 6 in. centres.

Bearers, 4 in. x 3 in., not exceeding 5 ft. 6 in. centres, and shall be at least 6 in. clear of the ground.

Top plates, 4 in. x 1½ in.

Rafters, 4 in. x 2 in. at 2 ft. centres for other than iron roofs, or 3 ft. centres for iron roof.

Purlins, 4 in x 3 in. for tile roof and 4 in. x 2 in. for iron or asbestos roof in such positions that no rafter has an unsupported span of more than 7 ft.

Struts to under purlins, 4 in. x 2 in. when not exceeding 4 ft. in length and 4 in x 3 in. for lengths exceeding 4 ft. to support under purlins at least every 7 ft.

Batten for tiles, 2 in. x 1 in.

Battens for iron, etc., 3 in x 1½ in. not more than 3 ft 6 in apart.

Ceiling joist, 4 in. x 2 in. at 2 ft. centres or 3 in. x 2 in. at 18 in. centres.

Ceiling hangers, 8 in. x 1½ in. hung to roof timbers at least every 6 ft. and in positions so that no ceiling joist has an unsupported span of more than 7 ft.

Collar ties, 4 in. x 1½ in.

Ridge, 7 in x 1 in.

Hips and valleys, 8 in. x 1 in.

Lintels.

42. Builders casting lintels in position shall submit to the surveyor a plan showing position and details of reinforcement and specifications of materials to be used, such designs to be approved at the same time as the plan of the building. Lintels up to six feet span shall be three courses in depth, lintels from six to eight feet span shall be four courses in depth. All such lintels shall be reinforced with at least half-inch steel rods, not less than three rods per lintel and proper bearing, to the satisfaction of the surveyor, shall be given at each end of lintel.

Part 5.—Construction.

Excavation and Inspection of Trenches.

43. All excavation for footings shall not be less than 12 inches below the natural surface of the ground, except in cases of special construction of foundations approved by the surveyor. No footing shall be paced in position until at least 24 hours' notice has been given to the surveyor that the trenches are ready for inspection.

Walls to have Footings.

44. Unless with the consent of the surveyor, every external wall and every party wall not carried on a bressummer, and every pier and storey post shall have footings.

Dimensions of Footings.

45. The width of the bottom of the footing of every wall shall be at least one-half greater than the thickness of the wall at the ground floor level, but in no case less than 16 inches wide, unless approved by the surveyor and the height of such footing shall be at least equal to the thickness of the wall at its ground level, but in no case less than nine inches.

External Walls.

46. All external walls shall consist of brick, stone, concrete, reinforced concrete, or other hard, fire-resisting material approved by the Board: Provided that any building used or intended to be used solely as a dwellinghouse may have walls constructed of wood and/or asbestos cement sheets, subject to the conditions set out in these by-laws for buildings wholly or partly of wood.

Construction of External Walls.

47. Every wall constructed of brick, stone, or other similar material shall be properly bonded and solidly put together with mortar, and no part of such wall shall over-hang any part underneath it to a greater extent than nine inches and as approved by the surveyor, and provided that the projection is well and solidly corbelled out, and that the inside of the wall carrying such corbeling is carried up vertically in continuation of the lower face thereof. All return walls shall be properly bonded together.

Damp Course.

48. Every wall or fireplace of brick, stone or similar material shall have a damp-proof course or courses of asphalt, distilled tar and hot sand

or other approved material at least six inches above the surface of the ground below the lowest floor, and in cases where it is not desirable to place the same throughout the building at the one uniform level, then the said damp-course must be laid in horizontal layers connected at the end by a vertical course of the same materials and shall not be less than half an inch in thickness.

Hollow Walls.

49. External walls may be constructed as hollow walls if constructed in accordance with the following rules:—

- (a) The inner and outer parts of the wall shall be separated by a cavity which shall throughout be of a width not exceeding two inches or less than one inch.
- (b) The inner and outer parts of the wall shall be securely tied together with suitable bonding ties of adequate strength formed of galvanised iron, glazed stoneware, or other material approved. Such tie shall be placed at distances apart not exceeding three feet horizontally and at least every fifth course vertically.
- (c) The thickness of each part of the wall shall throughout be not less than four and one-half inches.
- (d) The aggregate thickness of the two parts excluding the width of the cavity, shall throughout be not less than the minimum thickness prescribed for solid walls of the same height and length.
- (e) No hollow wall of not more than 11 inches in thickness shall be greater in superficial extent than three squares in any one storey unless strengthened by a partition wall, fireplace or projecting pier, to the satisfaction of the surveyor.

Concrete Blocks.

50. Concrete blocks shall contain not less than one part cement to five parts mixed aggregate, and shall be kept damp for a period of not less than four days, and shall not be used green. The blocks shall be bedded and jointed in cement mortar.

Thickness of Walls, Domestic Class.

51. No external walls in brick, stone, concrete, or cement block shall have less than the thickness prescribed in the following Table "A".

Table "A"—Buildings of Domestic Class.

Length of Wall.	Thickness of walls in inches.		
	No. of storeys.	Ground floor.	First floor.
Walls built with lime mortar—			
Not exceeding 30ft.	1	9	—
	2	9	9
Exceeding 30ft.	1	13½	—
	2	13½	13½
Walls built with cement mortar—			
Not exceeding 30ft.	1	9	—
	2	9	9
Exceeding 30ft.	1	9	—
	2	13½	9

52. If any storey exceeds in height 18 times the thickness prescribed for walls of such storey, the thickness of each external and party wall through such storey shall be increased to one-eighth part of the height of the storey and the thickness of each external and party wall below that storey shall be increased to that thickness, but any such additional thickness may be confined to piers properly distributed, of which the collective widths amount to one-fourth part of the length of the wall. No increase in thickness of brick walls shall be less than four and one-half inches.

53. The height of any storey may be 20 times the thickness of walls prescribed for such storey, if built with cement mortar.

Thickness of Walls, Warehouse Class.

54. The external and party walls of buildings of the warehouse class shall be made of not less thickness than that specified in the following Table "B".

Table "B"—Buildings of the Warehouse Class.

Length of Wall.	No. of storeys.	Thickness of Walls in inches.		
		Ground floor.	First floor.	Second floor.
Walls built with lime mortar—				
Not exceeding 75ft.	1	13½	—	—

	3	18	13½	13½
Exceeding 75ft.	1	13½	—	—
	2	18	13½	—
	3	18	18	13½

Thickness of Walls Under Certain Conditions.

55. Walls under 75ft. in length may be constructed 9in. thick, provided they are strengthened with four and one-half inch piers equally spaced, of which the collective widths amount to one-fifth of the length of the wall. The height shall not exceed 12ft. when built of lime mortar, or 13ft. 6in., when built of cement mortar.

56. The thickness of walls under 20ft. in length may be two-thirds the thickness required for external or party walls, as stated in Tables "A" and "B," but in no case less than nine inches.

57. If in any storey of the warehouse class the thickness of the wall as determined by the provisions of this part of these by-laws is less than one-sixteenth part of the height of such storey, the thickness of the wall shall be increased to one-sixteenth part of the height of the storey, and the thickness of each external and party wall below that storey shall be increased to that thickness but any such additional thickness may be confined to piers properly distributed of which the collective widths amount to one-fifth part of the length of the wall. No increase in the thickness of brick walls shall be less than four and one-half inches. The height of any storey built on cement mortar may be 18 times the thickness of such storey.

Special Construction.

58. Notwithstanding the foregoing provisions, the Board may approve the construction of walls of special design, such as monocrete, denaro brick or reinforced concrete, of dimensions other than as specified above, but subject to limitations and conditions imposed by the Board as a condition of such approval.

Lengths—How Measured.

59. Walls are deemed to be divided into distinct lengths by return wall, and the length of every wall is measured from the face of one return wall to the face of another. Provided that such return walls are external, party or cross walls of the thickness required by this part of these by-laws and bonded into the wall so deemed to be divided.

Cross Walls.

60. The thickness of a cross wall shall not be less than two-thirds of the thickness hereinbefore required for an external or party wall of the same

dimensions and belonging to the same class of building, but never less than nine inches, and no wall subdividing shall be deemed to be a cross wall unless it is carried up to the plate level of the topmost storey, and unless in each storey the aggregate extent of the vertical faces or elevation of all recesses, and that of all the openings therein taken together does not exceed one-half of the whole extent of the vertical face or elevation of the wall. If a cross wall is carried on a girder across the ground storey and is supported by piers to the satisfaction of the surveyor, it shall be deemed to be a cross wall in accordance with this regulation; but in one-storey buildings of the domestic class, four and one-half inch cross walls will be permitted, provided the unsupported length of any wall does not exceed 25ft.

Cross Wall Becomes External Wall.

61. Whenever a cross wall becomes any part of an external wall, the external part of such cross wall shall be of the thickness required for an external wall of the same height and length belonging to the same class of building, but no portion of such cross wall shall be of less thickness than is required for the external portion thereof.

Internal and Partition Walls.

62. (1) All internal bearing walls and partition walls shall be constructed in such a manner as may be approved by the surveyor and except in the case of wooden buildings, all such walls shall be not less than 4½ in. thick: Provided that, where such walls form a division between flats, then such walls shall not be less than 9 in. thick.

(2) Unless with the consent of the surveyor, every such wall, unless carried on a bressummer, shall have footings, and such footings shall be at least twice the thickness of the wall resting upon it.

Isolated Piers.

63. No isolated brick or stone piers shall exceed in height eight times the least diameter of same, if built of lime mortar, and 12 times if built of cement mortar.

Parapet to Walls on Boundary.

64. Where the external wall of any building is erected on the boundary of the land on which the same stands, or where the overhanging eaves or gutters of any building would be within two feet of such boundary then the external wall of such building shall be carried up to form a parapet of 15 in. at least in height above the roof, or above the highest part of any flat or gutter, as the case may be.

Parapet, Warehouse Class.

65. In buildings of the warehouse class, the thickness of such parapet shall be equal to the thickness of such wall in the topmost storey, and in any other building of a thickness of 9 in. at least.

Party Walls.

66. Every party wall shall be carried up for a height of 15 in. above the roof, measured at right angles to the slope thereof, or 15 in. above the highest part of any flat or gutter, as the case may be, and of a thickness, in buildings of the warehouse class, equal to the thickness of such wall in the topmost storey and, in any other building, of a thickness of 9 in. at least: Provided however, that in the case of domestic buildings, where not more than two buildings are erected under one roof, it shall be sufficient if the party wall is carried up at least 9 in. in thickness to the underside of the roof covering, and such roof covering of iron, slate, or other material must be bedded in good mortar to the satisfaction of the surveyor, and the top of such party wall shall not be hidden from view until it has been approved by the surveyor.

67. Every party wall shall be carried up of the thickness aforesaid above any turret, dormer, lantern light, or other erection of combustible materials fixed upon the roof or flat of any building within 4 ft. of such party wall, and shall extend at the least 15 in. higher and wider on each side than such erection, and every party wall shall be carried up above any part of any roof opposite thereto and within four feet therefrom.

Buildings Wholly or Partly in Wood.

68. The external walls of any wooden building shall not exceed 15 ft. in height, measured from the floor level to the top of the wall plates. Every such building shall be wholly in one occupation or adapted so to be.

The following shall be the minimum sizes and spacings of timbers:—

All timbers shall be jarrah or other hardwood approved by the Board. Where timbers larger than those specified are used the spacings may be extended beyond the figures given, provided the approval of the surveyor is first obtained.

Stumps, not less than 4 in. x 4 in. spaced not more than 5 ft. centres. They shall be sunk 18 in. into the ground and tarred to 6 in. above ground surface. Ant stops of galvanised iron projecting 1 in. all round shall be provided. Paper bark stumps not less than 6 in. in diameter measured at the small end may be used if approved by the Board.

Sole Plates, 18 in. x 6 in. x 1½ in.

Where the nature of the ground precludes the use of jarrah or paper bark stumps, 9 in. x 9 in. brick piers shall be provided.

Bearers, 4 in. x 3 in. at not more than 5 ft. 6 in. centres and kept at least 6 in. clear of ground. Double joists shall be provided under walls where bearers do not occur.

Floor joists, 4 in. x 2 in. at not more than 18 in. centres.

Vermin plates, 4 in. x 2 in.

Studs, 4 in. x 2 in. at not more than 24 in. centres.

Angle and corner studs, not less than 4 in. x 4 in., but may be comprised of three 4 in. x 2 in. studs fabricated together. Top and bottom plates, 4 in. x 2 in. where the height of a building does not exceed 10 ft. measured from the floor level to the top of the wall plate, 3 in. x 2 in. studs and plates may be used with angle and corner studs not less than 3 in. x 3 in. or three 3 in. x 2 in. studs fabricated together, except where the roof covering is of tiles or slates, in which case 4 in. x 2 in. studs and plates are to be provided in all external walls.

Rafters, 4 in. x 2 in. at 2 ft. centres for tile roofs and 3 ft. centres for iron or asbestos roofs.

Under purlins, 4 in. x 3 in. for tile roofs, in positions so that no rafter has an unsupported span of more than 7 ft.

Struts to under purlins, 4 in. x 2 in. for lengths not exceeding 4 ft. and 4 in. x 3 in. for lengths exceeding 4 ft. to support under purlins at not more than 6 ft. intervals.

Battens for tiles, 2 in. x 1 in.

Battens for iron or asbestos, 3 in. x 1½ in. not more than 3 ft. 6 in. apart.

Ceiling joists, 4 in. x 2 in. at not more than 2 ft. centres, or 3 in. x 2 in. at not more than 18 in. centres.

Ceiling hangers, 8 in. x 1¼ in., in positions so that no ceiling joist has unsupported span of more than 7 ft.

Collar ties, 4 in. x 1½ in.

Ridge, 7 in. x 1 in.

Hips, 8 in. x 1 in.

Valleys, 8 in. x 1 in.

Fascias and barges, 9 in. x 1 in.

Floor boards, 1 in. thick before dressing.

Weatherboards, 1½ in. lap.

No framing timber in any building shall be notched or checked out so as to decrease the above sizes by more than one-quarter.

Vermin plates shall be used in all wooden buildings except sheds.

W.C.s. and privies shall be constructed not less than 5 ft. x 3 ft. internal dimensions and in accordance with any provisions of the Health Act and any regulations or by-laws made thereunder which may from time to time be applicable.

Roughcast and Stucco.

69. Roughcast and stucco work shall be applied only to brickwork, provided that in certain cases, such as gables of dwellings, or other ornamental sections of dwellings, roughcast may be applied to expanded metal fixed in an approved manner.

Interior Walls or Dwellings.

70. The interior of all walls and ceilings of every wooden or wooden-framed building, and the ceiling of every other class of building, which is intended to be used, or which may be used as a dwelling-house, shall be constructed of plaster sheets, or other fire-resisting materials.

Roofs.

71. The roof of every building shall be constructed of metal, tiles, slates, glass, artificial stone, cement or shingles, or other material approved by the Board.

Reinforced Concrete Buildings.

72. In all cases where reinforced concrete is employed, whether in buildings as a whole or in portions of buildings, before the actual carrying out of the work or any portion thereof, complete drawings of such work or portion shall be delivered to the surveyor, showing all details of the construction and the size, spacing, and arrangement of all reinforcing members.

Public Buildings.

73. In any case in which the plans of any proposed public building are required by law to be approved by the Public Health Department, or any other department, such approval shall be obtained before such plans are submitted for the Board's approval.

Shops.

Minimum Area of Land.

74. (1) Every shop shall have a frontage of at least 18 ft., to a road;
(2) No shop shall be of less width in any part thereof than 18 ft.

Access to Rear of Shop.

75. Every shop shall be so erected and built that without passing through the building there is a reasonable access to the back premises and offices of such shop for the removal of nightsoil and other refuse to a road or land 10 ft. wide at least.

Separate Entrance for Shop and Dwelling in different occupations.

76. If a dwelling attached to a shop is in a different occupation from the shop, a separate entrance from the road shall be provided for the sole use of the occupants of the dwelling.

Alterations and Additions.

Alterations.

77. Except with the consent of the Board, or the surveyor, no alteration shall be made to any building in such manner that when so altered it will by reason of such alteration, not be in conformity with the provisions of these by-laws relating to new buildings.

Additions and Alterations.

78. Every addition to, or alteration of a building in any other work made or done for any purpose in or on a building (except necessary repairs which do not affect the construction of a building) shall so far as regards each addition, or alteration or other work, be subject to the provisions of these by-laws relating to new buildings.

Ventilation, Lighting and Drainage.

Height of Rooms.

79. The main rooms in all buildings shall be in every part not less than 9 ft. 6 in. from floor to ceiling and the minimum height for wash-houses and external bathrooms shall be 7 ft. 4 in. The minimum height of verandahs shall be 7 ft. 4 in. from floor level to top of the plate.

Attic Roofs.

80. Provided that in the case of buildings of more than one storey, living rooms wholly or partly in the roof may be not less than 9 ft. in height from floor to ceiling over two-thirds of the floor area, if the height over the remaining one-third of the floor area is at least 9 ft. 6 in.

Minimum Area of Rooms.

81. No main room in any building shall have a less floor area than 100 square feet, and no wall of such room shall be less than 9 ft. in length. The minimum floor area of bath-rooms, laundries and sleepouts shall be 36 square feet, 50 square feet, and 80 square feet, respectively.

Windows (Natural Lighting).

82. All rooms in a building intended to be used as a dwelling shall have one or more windows opening directly into external air; the area of such windows shall be not less than one-tenth of the area of the floor of the room in which such window or windows are fitted.

Ventilation (Other than Dwellings).

83. The ventilation of all buildings, parts of buildings, type of ventilators to be used arrangement and situation of ventilation openings, shall be subject to any provisions of the Health Act or regulations or by-laws made thereunder which may from time to time be applicable.

Ventilation (Dwellings).

84. Every part, and every room of any dwelling house or building intended to be used for habitation, shall be ventilated as required under any provisions of the Health Act or regulations or by-laws made thereunder which may from time to time be applicable.

Ventilation (Sub-floor).

85. The space under the ground floor of every building shall be provided with a sufficiency of openings through all walls under the floors to allow a current of air to flow freely under all parts of the building. Type of ventilator used and spacing of same shall be the subject of approval by the surveyor and in accordance with any provisions of the Health Act or any regulations or by-laws made thereunder which may from time to time be applicable.

Lighting and Ventilation (Shops).

86. The provisions of this part of these by-laws relating to height of rooms, lighting and ventilating of main rooms to dwellings shall as far as applicable apply to all shops, save that the windows need not be constructed to open if other approved provisions for ventilation is made, and the minimum height of ceiling in shops shall be 11 feet.

Enclosing of Verandahs.

87. No verandah of any dwelling, or shop, or other building shall be enclosed, or built in such manner as to exclude natural light, or reduce the proper ventilation of any building or any part thereof. The use of hessian or jute bags, or similar materials for enclosing or screening verandahs is prohibited.

88. No verandah shall be totally enclosed for habitation or sleeping, but may be partially enclosed if a minimum height of 7 ft. 4 in. as hereunder:—

(1) A brick, concrete, jarrah, or asbestos dado shall be constructed for a maximum height of 4 ft. from the floor level of such verandah or sleepout in accordance with the existing by-laws.

(2) The space above the dado shall be constructed as follows:—

- (a) of fly wire totally; or
- (b) of fixed clear or white obscure glass louvres minimum height of 4 ft.; or
- (c) of mechanically adjustable (to open and partially close) clear or white obscure glass louvres, minimum height 3 ft. 6 in. sash;
- (d) louvres described in (b) and (c) shall be approved by the Board or building surveyor;
- (e) of sliding windows containing clear or white obscure glass, minimum height 3 ft. 6 in. sash (casement windows not permitted);

(f) the total length of the louvres or windows described in (b) (c) (e) shall not be less than 70 per cent. of the total length of the sleep-out or verandah measured along the side and one end, but the end exposed to weather (paragraph (g)) shall not be included in this measurement;

(g) subject to the approval of the Board or the building surveyor, the end of the verandah or sleep-out most exposed to the wet weather may be totally closed up in brick, concrete, jarrah, or asbestos, but one window, minimum size 3 ft. x 2 ft. shall be provided in such enclosed end if any existing window is in close proximity or may have its lighting reduced unduly by such total end enclosing.

(3) Any sleep-out or partially enclosed verandah shall provide that any existing windows shall not be obscured by any opaque substance which will reduce the existing lighting to existing rooms.

(4) New sleep-outs of minimum height of 7 ft. 4 in. (not being partially enclosed verandahs) shall comply fully with this by-law and existing by-laws.

(5) The rules of this by-law shall not apply to a sleep-out where its height from the floor to ceiling is 9 ft. 6 in. or more, providing the floor area is 80 square feet or more and providing its total air space is not less than 720 cubic feet, but shall comply with the existing by-laws for habitable rooms.

Floors.

89. Floors, other than verandah floors, shall be fixed level, and in all buildings the ground floor, if of wood, shall have a space of not less than 6 in. between the ground and the underside of the floor bearers.

Permit may be Refunded if Drainage is not Satisfactory.

90. The Board may refuse to approve the plan of any building or any addition, or alteration to any building, until it is satisfied that the proposed building, or addition, or alteration and the site and curtilage thereof will be properly drained in accordance with any provisions of the Health Act or regulations or by-laws made thereunder which may from time to time be applicable.

Drainage of Waste Water.

91. Every person who shall erect a building shall provide proper drainage for the disposal of all waste water in accordance with any provisions of the Health Act or regulations or by-laws made thereunder which may from time to time be applicable.

Waste Pipes.

92. Waste pipes from baths, sinks, wash troughs and similar sanitary fittings shall be of wrought iron of approved sizes. All sanitary fittings shall be provided with traps under fittings, metal cleaning eyes shall be fitted at all changes of direction and angles of waste pipes in accordance with any provisions of the Health Act or regulations or by-laws made thereunder which may from time to time be applicable.

Roof-Water Disposal.

93. All buildings shall be provided with gutters and downpipes of approved sizes sufficient to carry all water from every part of the roof in an efficient manner, such water shall be carried at least 2 ft. clear of the foundations of the buildings. In the case of large buildings where the surveyor shall deem it necessary, all storm-water from the roof of such buildings shall be carried by pipes direct to the street drains, or gutters in such a manner as directed by the surveyor.

Water Supply.

94. Every dwelling house not connected to a public water supply shall be provided with a water storage tank of not less than one thousand gallons capacity or as may be prescribed in any

provisions of the Health Act or regulations or by-laws made thereunder which may from time to time be applicable. Such tank shall be completely covered at its top and provided with a manhole fitted with a tight-fitting lid.

Provision of Manhole in Ceiling.

95. Every building shall be provided with one or more manholes in the ceiling to enable access to be gained to the underside of the roof thereof.

Removal of Buildings.

96. If any building is removed from outside the district to within the district, or from a site within the district to another site within the district, whether on the same or another block of land, such building shall be deemed for the purpose of these by-laws to be a new building erected for the first time on the site whither it is removed.

Verandahs over Footpaths, Projections, Signs, Hoardings and Fences.

Verandahs.

97. No person shall erect, or cause or permit to be erected, any portico or verandah over the footway of any road in the district without first obtaining the consent of the Board in writing, and such portico or verandah shall be of the shape, figure, dimensions and materials as set forth on the plan and specifications, for the time being adopted by resolution of the Board, but the lowest part of the frieze or rails of such portico or verandah shall in no case be of less height than 9 ft. above the level of the outer edge of the footway. All such verandahs and projections shall be of the cantilever type.

Openings in Roof of Verandah.

98. No opening shall be made in the roof of such verandah for the purpose of affording light, unless such opening be properly framed and glazed with approved glass protected underneath with fine mesh wire-netting or armoured glass to the satisfaction of the surveyor.

Porch Landing, etc.

99. Every porch, gangway, outside landing, and outside step shall be of fire-resisting material and shall not project beyond the boundary of any road or public place.

Shop Windows.

100. Shop windows intended to be used for the display of goods or business advertisements shall consist of plate or approved glass jointed and fixed in approved metal or approved timber frames, the level of the sill of such frames to be not higher than 30 ins., nor within 12 ins. of the level of the footpath immediately adjoining the same.

Woodwork abutting on Roads.

101. Woodwork shall not be fixed flush with the face of any wall abutting on a road unless it is encased with metal of not less than 22 gauge.

Signboards, Hanging Lamp, etc.

102. No signboard, hanging lamp, or other fixture shall be erected on or attached to any building or verandah projecting over the roadway unless permission in writing of the Board be first obtained. Each such signboard, hanging lamp, or other fixture shall be of material, construction and design approved by the surveyor and shall be in no part less than 8 ft. 6 in. above the level of the footpath or road. No signboard shall exceed in depth 3 ft. nor shall any signboard project over a road or footpath except with the approval of the Board.

Unightly or Dangerous Fence.

103. When any fence abutting on any road or public place within the district is in a dangerous or unsightly state, the Board may, by notice in writing to be served on the owner of such fence, require such owner within 14 days from the receipt of such notice to take down or repair such fence as the case may require, and such owner shall comply with such notice.

Fences and Walls.

104. Every fence to be hereafter erected abutting on any road or public place shall have affixed thereto a plinth at least 9 in. high unless the surveyor shall consent in writing to such plinth being of less height, and every wall of brick, stone or concrete, or other similar substance shall be constructed with a base to be approved by the surveyor.

Brick Chimneys, Flues, Fireplaces and Heating Apparatus, Foundations, Footings, etc.

105. (1) Chimneys shall be built on solid foundations and with footings similar to the footings of the wall against which they are built, unless they are carried on steel girders with direct bearings upon party, external or cross-walls, to the satisfaction of the surveyor, or on corbels of brick, stone or other incombustible material, and the work so corbelled does not project from the wall more than the thickness of the wall measured immediately below the corbel.

(2) Chimneys may be corbelled out not more than 14 in. from walls 9 in. in thickness on corbels of stone or incombustible materials not less than 10 in. in depth and of the full width of the jambs.

Chimneys, etc., with Soot-doors.

106. (1) Chimneys and flues having proper soot-doors of not less than 40 square inches may be constructed at such angle as is approved by the surveyor, but in no other case shall any flue be inclined at less angle than 45 degrees to the horizon, and every angle shall be properly rounded.

(2) Position of soot-doors.—All soot-doors shall be distant at least 15 in. from any woodwork.

Arches.

107. An arch of brick or stone of sufficient strength shall be built over the opening of every chimney to support the breast thereof. Every camber arch shall have the abutments tied by an iron bar, or bars of sufficient strength turned up or down at the ends and built into the jamb for at least 4½ in. on each side.

Flues.

108. A flue shall not be adapted to or used for any new oven, furnace, steam boiler, or other fire used for any purpose of trade or business, or to or for the range or cooking apparatus of any hotel, tavern, or eating house, unless the flue is surrounded with brickwork at least 9 in. thick, or reinforced concrete 6 in. from the floor of the storey on which such oven, furnace, steam boiler, or other fire is situated to 12 in. above the roof.

Flues in Connection with Engines.

109. A flue shall not be used in connection with a steam boiler or hot-air engine unless the flue is at least 20 ft. in height measured from the level of the floor on which such engine is placed.

Linings, etc., of Flues.

110. The inside of every flue, and also the outside where passing through any floor, or roof, or space enclosed by the roof or behind or against any woodwork, shall be rendered or pargetted, or lined with fire-resisting piping or stoneware.

Jambs.

111. The jambs of every fireplace opening shall extend at least 9 in. on each side of the opening thereof.

Incombustible Material in Certain Cases.

112. The breast of every chimney shall be of incombustible material, at least 4 in. in thickness and the brickwork surrounding every smoke flue shall be at least 4½ in. in thickness, provided that where a ventilating flue is carried up with a smoke flue, they may be separated by a properly constructed iron wyth of cast iron not less than 1 in. in thickness.

Backs of Fireplaces.

113. The back of every fireplace opening in party or external walls from the hearth up to a height of 12 in. above the lintel or arch shall be

brickwork at least 9 in. thick, or shall be reinforced concrete 6 in. thick. No flue shall be within 2 in. of the centre line of any party wall.

Thickness of Flues.

114. The thickness of the upper side of every flue when its course makes with the horizon an angle of less than 45 degrees shall be at least 9 in.

Height.

115. Every chimney flue or chimney shaft shall be carried up in brick or stone work at least 4 in. thick throughout to a height of not less than 3 ft. above the roof, flat or gutter adjoining thereto, measured at the highest point in the line of junction with such roof, flat or gutter.

Top Courses.

116. The highest six courses of every chimney stack or shaft shall be built in cement mortar.

Chimney Shafts.

117. The brickwork or stonework of any chimney shaft except that of the furnace of any steam engine, brewery, distillery or manufactory shall not be built higher above the roof-flat or gutter adjoining thereto than a height equal to six times the least width of such chimney shaft, at the level of such highest point in the line of junction, unless such chimney shaft, is built with, and bonded to another chimney shaft, not in the same line with the first, or otherwise rendered secure to the approval of the surveyor.

Slabs.

118. There shall be laid level with the floor of every storey, before the opening of every chimney, a slab of stone, slate, or other incombustible material, at least 6 in. longer on each side than the width of such opening, and at least 14 in. wide, in front of the breast thereof.

How to be Laid.

119. On every floor except the lowest floor, such slab shall be laid wholly on stone or iron bearers, or upon brick trimmers, or other incombustible materials, but on the lowest floor it may be bedded on concrete, covering the site or on solid materials placed on such concrete.

Hearths, etc.

120. The hearth or slab of every chimney shall be bedded wholly on brick, stone or other incombustible materials, and shall together with such material be solid for a thickness of 6 in. at least beneath the upper surface of such hearth or slab.

Flues in Party Walls.

121. A flue shall not be built in, or against any party structure or existing wall, unless it is surrounded with good sound brickwork, or other approved material, at least 4½ in. in thickness, properly bonded to the satisfaction of the surveyor.

Cutting Away Chimney Breast.

122. A chimney breast or shaft built with or in any party wall, shall not be cut away, unless the surveyor certifies that it can be done without injuriously affecting the stability of any building.

Cutting Into Chimney Shaft.

123. A chimney shaft, jamb, breast, or flue shall not be cut into except for the purpose of repair or doing one or more of the following things:—

- (1) Letting in or removing or altering flues, pipes or funnels for the conveyance of smoke, hot air, or steam.
- (2) Forming openings for soot-doors, each opening to be fitted with a close iron door and frames.
- (3) Making openings for the insertion of ventilating valves.

Provided that an opening shall not be made nearer than 12 in. to any timber, or combustible material.

Position of Timberwork.

124. Timber or woodwork shall not be placed—
- (1) under any chimney opening within 6 in. from the upper surface of the hearth of such chimney opening;
 - (2) within 2 in. from the face of the brickwork or stonework above the chimney or flue, unless the face of such brickwork or stonework is rendered.

Position of Wooden Plugs.

125. Wooden plugs shall not be driven nearer than 3 in. to the inside of any chimney or flue opening, nor any iron holdfast or other iron fastening nearer than 2 in. thereto.

Ironwork.

126. No iron or steel joists, or other ironwork shall be placed in any flue except insofar as the same may be required for insuring stability.

Floors Above Furnace or Ovens.

127. The floor or roof over any room or enclosed space in which a furnace is fixed, and any floor within 18 in. from the crown of an oven shall be constructed from fire-resisting material.

Exempted Buildings.

128. This by-law shall not apply to any temporary or removable offices and sheds used by builders during the construction of any building at or about the site of such building for a period not exceeding 12 months.

Enforcement of By-laws and Penalties.

129. No building may be erected except in compliance with these by-laws. No person shall erect, build, or construct, remove, or make any alteration or addition to, or cause to be erected, built or constructed, removed, or make any alteration or addition to any building, contrary to the provisions of these by-laws.

Penalty for Breach.

130. Any person who shall be guilty of any breach of any of the provisions of these by-laws, or shall fail to duly comply with any notice thereunder, shall be liable for every such offence to a penalty of not less than one pound and not exceeding twenty pounds.

Notice to Make Building Conform to By-laws.

131. If any building shall be wholly or partly built, or erected, or added to, or altered, contrary to, or not in conformity with the provisions of these by-laws, the Board or any officer thereof may give to the owner, occupier or builder, or leave upon the site of such building notice in writing to bring such building into conformity with the said provisions, or requiring the pulling down or removal of such building within the time as limited in such notice, and such owner, occupier, or builder shall comply with such notice within the time therein limited.

No Alterations Infringing By-laws.

132. No alteration shall be made in any building in such a manner that when so altered it will by reason of such alteration not be in conformity with the provisions of these by-laws relating to new buildings.

No User Infringing By-laws.

133. No person shall occupy or permit to be occupied any building for any purpose for which such building could not have been built under the provisions of these by-laws: Provided that this clause shall not prevent the continued use of any building in existence at the time of coming into operation of these by-laws for any purpose for which it was then being used.

Licenses for Hoardings.

134. The Board may grant licenses in accordance with the provisions of regulation (3) of the Second Schedule to the Road Districts Act for the erection of a hoarding or fence to the satisfaction of the surveyor. Such license shall be in the Form A of the Third Schedule hereto.

License for Deposit of Materials on Roads, etc.

135. The Board may grant licenses in accordance with the provisions of regulation (4) of the Second Schedule to the Road Districts Act for the deposit of materials on any road or way or the making of any excavation on any land abutting on or adjoining or contiguous to any road or way. Such deposit or excavation shall be to the approval of the surveyor. The license shall be in the Form B in the Third Schedule hereto.

Before granting a license to deposit the materials or make an excavation, the Board may require from the applicant a sum determined by the surveyor to be held as a deposit to cover the cost of carrying out repairs to the road, footpath, kerb, etc., made necessary by the deposit or excavation concerned.

NARROGIN ROAD BOARD.

Notice of Intention to Borrow.

Proposed Loan No. 6 (£1,800).

NOTICE is hereby given that the Narrogin Road Board proposes to borrow the sum of one thousand eight hundred pounds (£1,800) for the purchase of a five-ton tip truck.

It is proposed to raise this sum by the sale of debentures, repayable with interest by twenty (20) half-yearly instalments over a period of ten (10) years after date of issue, in lieu of the formation of a sinking fund. The debentures shall bear interest at the rate not exceeding three pounds ten shillings (£3 10s.) per centum per annum, paid half-yearly. The amount of the said debentures and interest thereon is to be paid at the Road Board Office, Narrogin.

An estimate and statement showing the proposed expenditure of the money to be borrowed is open for inspection by ratepayers at the office of the Board at Narrogin for one (1) month after publication of this notice, between the hours of 9 a.m. to 5 p.m., Monday to Friday, inclusive.

The undertaking for which the loan is proposed to be raised will, in the opinion of the Board, benefit the whole of the Narrogin Road Board District and any rate applicable will be levied on rateable property within the district.

AGRICULTURE PROTECTION BOARD ACT, 1950.

Department of Agriculture,
Perth, 26th September, 1951.

Ex. Co. No. 1812.

HIS Excellency the Administrator in Executive Council, acting under the provisions of the Agriculture Protection Board Act, 1950, has been pleased to make the regulations set forth in the Schedule hereunder.

A. R. TOMLINSON,
Chairman, Agriculture Protection Board.

Schedule.

Agriculture Protection Board Act, 1950.

Regulations.

Citation.

1. These regulations may be cited as the Agriculture Protection Board Act Regulations, 1951.

Fees and Allowances for Members of the Protection Board and
Advisory Committee.

2. The following fees and allowances in connection with meetings of the Protection Board and the Advisory Committee shall be payable to and received by the members, that is to say—

- (a) the Chairman of the Advisory Committee shall be paid an allowance of £100 per annum;
- (b) a member of either the Protection Board or the Advisory Committee, excepting an *ex officio* member and the Chairman of the Advisory Committee shall be paid—
 - (i) a sitting fee of £4 4s. per day or part thereof for attendance at meetings of the Protection Board or the Advisory Committee;
 - (ii) time occupied in travelling in excess of one day to and from meetings at the rate of £3 3s. per day or part thereof;
 - (iii) travelling allowance for travelling within or outside the State on approved Protection Board or Advisory Committee business at the rates prescribed under the Public Service Industrial Agreement where the maximum salary margin exceeds £525 per annum;
 - (iv) the actual cost of travelling from his home to the place where the Protection Board or Advisory Committee meetings are held and return, provided the fare does not exceed the fare for a similar journey by a train or other public transport, except where using his own motor vehicle when the rates prescribed under the Public Service Industrial Agreement shall apply.

3. Whenever by direction of the Protection Board any nominee member of the Protection Board or Advisory Committee makes any inspection or performs any other service on behalf of the Board under and for the purposes of the Act or regulations the nominee member may, by resolution of the Protection Board, be granted and paid out of the Agriculture Protection Board Fund, a fee by way of remuneration for his said services for and in respect of each day or part of a day during which the services are performed: Provided that the fee so granted and paid to the nominee member shall not exceed £3 3s. per day. In the case of a nominee member being a member of the State Public Service, before any payment is made as hereinbefore provided the approval of the Public Service Commissioner to such payment shall be first had and obtained.

4. The Secretary of the Protection Board shall be paid an allowance of £52 per annum and the secretary of the Advisory Committee an allowance of £26 per annum. If either officer is a member of the State Public Service, then the Public Service Commissioner's approval shall be obtained before any payment is made.

5. Whenever the Agriculture Protection Board be satisfied that the expenditure incurred by a nominee member is in excess of the allowances specified in sub-paragraph (iii) or (iv) of paragraph (b) of regulation 2, it may approve of the payment to such member of the amount expended in excess of the sum payable by such allowances.

Approved by His Excellency the Administrator in Executive Council, 26th September, 1951.

RAILWAYS CLASSIFICATION BOARD.

No. 5 of 1951.

The West Australian Railway Officers' Union (Applicant) and the Western Australian Railways Commission (Respondent).

Application for Amendment of Clause 12, Sick Leave of Award No. 2 of 1951.
Friday, 21st September, 1951.

Before: W. J. Wallwork, Esq., S.M. (Chairman);
W. J. Okely, Esq.; and C. R. Hearne, Esq.

Decision.

WHEN the Board issued the minutes of its Award, Nos. 2 and 3 of 1951, on 13th July, 1951, the following remarks were made regarding the claims in respect of sick leave and other matters:—

Liberty to apply has been granted to either party on the matter of female rates of pay, sick leave, district allowances and privilege season tickets. The time was not opportune for the Board to proceed with the hearing and determination, on account of these matters being in the stage of negotiation, or determination by another tribunal.

The West Australian Railway Officers' Union has now applied to the Board for a final determination of the union's claim relative to sick leave.

After hearing argument by the parties and considering sick leave provisions of other awards covering railway employees in this and other States and also Commonwealth and State public servants, the Board decided to adopt in principle the sick leave provisions covering State public servants in Western Australia. These provisions are contained in *Government Gazette*, No. 53 of 1951, dated 15th June, 1951, at page 166. The Board considered that uniformity in sick leave entitlement was desirable as between the various public service undertakings.

In anticipation of such a determination by the Board the advocate for the Commission had submitted draft amendments suggesting variation of the public service sick leave regulations to suit the W.A.G.R. service. The union has agreed that the draft would be suitable. Accordingly the Board decided to adopt the draft with a further provision, also suggested by the Commission's advocate, to cover a case of incomplete records.

Award, order and determine that clause 12 of Award No. 2 of 1951, of the Railways Classification Board, Western Australia, be amended in the following manner:—

(1) Subclause (i) (i)—Delete existing subclause and insert in lieu thereof:—

(i) (i) The basis for determining the sick leave which may be granted to a permanent officer shall be ascertained by crediting the officer with the following periods, such sick leave to be cumulative:

	Leave on Full Pay Weeks.	Leave on Half Pay Weeks.
On date of permanent appointment	1	$\frac{1}{2}$
On completion of 6 months' service on permanent staff	1	$\frac{1}{2}$
On completion of 12 months' service on permanent staff	2	1
On completion of each additional 12 months' service on permanent staff	2	1

(ii) To determine the sick leave for which a permanent officer is eligible, the sick leave that has been granted during his permanent service at rates of full pay and half pay respectively shall be deducted from the periods ascertained under the provisions of paragraph (i) of this sub-clause, provided that in the event of departmental records not being available right back to the commencement of an officer's salaried service, the figure to be used as the amount of sick leave granted to such officer during the service of which there is no record, shall be ascertained by applying a formula agreed between the Commission and the Union.

(iii) After deduction has been made as provided in paragraph (ii) of this subclause, the period remaining at each rate of pay shall be the leave of absence for which the officer is eligible at the date of application, provided—

(a) that if after such deduction an officer with less than six months' service on the date of commencement of this amended subclause would at that date have less than one week on full pay and one-half week on half pay to his credit, then his credit at that date shall be increased to those amounts;

(b) that if after such deduction an officer with not less than six months' service on the date of commencement of this amended subclause would at that date have less than two weeks' on full pay and one week on half pay to his credit, then his credit at that date shall be increased to those amounts, but any credit in excess of the required minimum under the heading of either full pay or half pay shall be applied in reduction of any debit under the other heading or used to establish the required minimum credit under that heading.

(iv) The maximum period allowable with pay in respect of any continuous absence shall not exceed 39 weeks on full pay and 22 weeks on half pay.

(v) Where an officer has been granted 61 weeks' continuous leave with pay he shall not be entitled to receive further leave with pay until he has completed a period of duty of not less than four weeks.

(vi) Debits for sick leave granted shall be on the basis of a working week or a part of working week and shall include all public holidays occurring during the period of sick leave, provided that where an officer resumes duty on a day immediately succeeding a public holiday then the leave shall be regarded as expiring on the working day preceding such holiday.

(vii) If an officer falls sick while on annual leave and produces at the time satisfactory medical evidence that he is unable to leave the house he may, with the approval of the Commission, be granted at a time convenient to the Commission, additional leave equivalent to the period of sickness falling within the rostered period of annual leave, provided that the period of sickness is at least one week. Subject to sick leave credits, the period of certified sickness shall be paid for and debited as sick leave.

(viii) An officer absent on approved long service leave, leave without pay, or an officer who is stood down in pursuance of the provisions of clause 28 of this Award, shall not be eligible for sick leave under this clause during the currency of such approved leave or stand down.

(j) Present subclause (j) to be re-lettered (k) and insert as subclause (j):—

(j) (i) An appointee from the wages staff to the salaried staff shall be permitted to retain his sick leave credit at the time of his permanent appointment to the salaried staff or be credited with one week's sick leave on full pay and one half week's sick leave on half pay, in accordance with subclause (i) (i), whichever is the greater credit.

(ii) In lieu of the provisions of subclause (i) paragraphs (i) to (v), Temporary Clerks as provided for in clause 22 and those temporary officers covered by clause 32 shall be credited with sick leave (which shall be cumulative) as under:—

(a) Officers with six (6) or less than six (6) months' service—nil.

(b) Officers with more than six (6) months' service—one week on full pay for each completed six (6) months' service.

(c) If a temporary officer is subsequently appointed in a permanent capacity, he shall be permitted to retain his sick leave credit at the time of his permanent appointment, or be credited with one week's sick leave on full pay and one half week's sick leave on half pay, in accordance with subclause (i) (i), whichever is the greater credit.

Present subclause (k) to be deleted.

Present subclause (n)—

In fourth line delete "third (1/3rd)" and insert in lieu thereof "half ($\frac{1}{2}$)."

2. These amendments shall take effect forthwith.

Dated at Perth this 21st day of September, 1951.

W. J. WALLWORK,
Chairman, Railways Classification Board.

IN THE COURT OF ARBITRATION OF WESTERN AUSTRALIA.

No. 51 of 1951.

Between the Food Preservers' Union of Australia,
Western Australian Branch Union of Workers,
Coastal Districts, Applicant, and the Western
Australian Egg Marketing Board, Respondent.

WHEREAS an industrial dispute existed between the abovenamed parties; and whereas the said dispute was referred into Court for the purpose of hearing and determination; and whereas the parties subsequently met and conferred and have arrived at agreement on all matters in difference; and whereas the parties have this day appeared before the Court by their respective representatives and requested the Court to make the said agreement an Award of the Court: Now, therefore, the Court pursuant to section 65 of the Industrial Arbitration Act, 1912-1950 and all other powers therein enabling it hereby declares the memorandum hereunder written to have the same effect as and be deemed an Award of the Court:—

Memorandum of Agreement.

(Note.—Wherever the word "Award" occurs herein it shall be taken to mean and include "Agreement.")

3.—Area and Scope.

This Award shall apply to all employees engaged in or in connection with the handling of eggs including candling, grading, packing, pulping, dehydrating, oiling, or any other method of processing of eggs within the South-West Land Division of the State of Western Australia.

4.—Term.

The term of this Award shall be for a period of one (1) year commencing from the beginning of the first pay period after the date hereof.

5.—Definitions.

"Sectional Foreman" shall mean a worker appointed as a sectional foreman by the Western Australian Egg Marketing Board, provided that a sectional foreman shall be appointed by the Board at least for each of the following branches of the operations of the Board:—

- (i) Receiving.
- (ii) Candling, grading and packing.
- (iii) Despatch.
- (iv) Empty cases.
- (v) Pulping.

6.—Hours.

(a) A week's work shall consist of forty (40) hours. The normal hours of labour shall be eight (8) hours from Monday to Friday inclusive.

(b) The hours specified in subclause (a) hereof shall be worked between 7 a.m. and 6 p.m. The lunch interval shall not exceed one (1) hour nor be less than forty-two (42) minutes and shall be taken between 12 noon and 2 p.m.

(c) No male employee shall work more than five (5) hours without being allowed a suitable interval for a meal.

(d) No female employee shall work more than four and a half ($4\frac{1}{2}$) hours without being allowed a suitable interval for a meal.

7.—Overtime.

(a) (i) All time worked in excess of or outside the usual working hours in any day shall be paid at the rate of time and a half for the first four (4) hours and double time thereafter; provided that by agreement between the employer and any worker time off equivalent to such time worked in excess or outside the usual working hours in any day may be taken by the worker within the particular weekly period in lieu of the payment of the above overtime rates.

(ii) All time worked on Saturdays shall be paid for at the rate of time and a half for the first four (4) hours and double time thereafter.

(b) A worker called back after completing the day's work shall be paid a minimum of two (2) hours at overtime rates, but if he is called out for more than once within any period of two (2) hours of a call he shall not be entitled to any further payment for time worked within the period of two (2) hours from the time when he commenced work in response to his first call; provided that this subclause shall not apply to any worker who may be required to work up to one hour after the normal finishing time.

(c) When a worker is required for duty during any meal time whereby his meal time is postponed for more than one (1) hour, he shall be paid at overtime rates until he gets his meal.

(d) When a worker is required to continue working after knock-off time for more than one hour without being notified the previous day, he shall be supplied with any meal required or be paid two shillings (2s.) for such meal.

(e) For all work done on Sunday, New Year's Day, Australia Day, Good Friday, Easter Saturday, Easter Monday, Anzac Day, Labour Day, Foundation Day, King's Birthday, Christmas Day and Boxing Day, double time shall be paid with a minimum of two hours.

(f) Notwithstanding anything contained in this Award:—

- (i) An employer may require any worker to work reasonable overtime at overtime rates and such worker shall work overtime in accordance with such requirement.
- (ii) No organisation, party to this Award, or worker or workers covered by this Award shall in any way, whether directly or indirectly, be a party to or concerned in any ban, limitation, or restriction upon the working of overtime in accordance with the requirements of this subclause.
- (iii) This subclause shall remain in operation only until otherwise determined by the Court.

8.—Wages.

The minimum rates of wages payable to workers covered by this Award shall be:—

(a) Basic Wage:

(f) Adult female supervisors placed in charge of ten (10) or less, or over ten (10) other workers, shall be paid seven shillings and six pence (7s. 6d.) and twelve shillings and six pence (12s. 6d.) per week respectively in addition to the appropriate margin herein prescribed.

(g) Junior female candlers, when proficient, shall be paid five shillings (5s.) in addition to their appropriate rate herein prescribed.

(h) It is hereby expressly agreed and declared that the rates prescribed herein for junior and adult females have been arrived at without regard for the skill involved or the nature of the work performed, and cannot be compared as between themselves or with the rates of pay prescribed in this Award for males or with the rates of pay prescribed in any other Award.

(i) In the event of the Court of Arbitration increasing the ratio of the female basic wage to the male basic wage, the margins herein prescribed for adult females shall be automatically reduced by the same amount as the basic wage is so increased and in the case of junior female workers the percentage of the female basic wage and the margins prescribed herein shall be automatically reduced by a sum and/or percentage sufficient to enable the rate to remain constant.

9.—Casual Workers.

(a) A casual worker shall be paid at ten per cent. (10%) over the rate prescribed for the particular worker's occupation. The contract of service of a casual worker may be terminated by one (1) hour's notice.

(b) "Casual Worker" shall mean a worker employed for one week or less.

10.—Mixed Functions.

(a) A worker engaged for more than one half ($\frac{1}{2}$) of one day or shift on duties carrying a higher rate than his ordinary classification shall be paid the higher rate for such day or shift. If employed for one half ($\frac{1}{2}$) or less than half ($\frac{1}{2}$) of one (1) day or shift, he shall be paid the higher rate for the time actually worked: Provided, however, that acting time of less than twenty (20) minutes in any one day or shift shall not be counted.

(b) Should any worker be required to perform work in a lower grade, his wage shall not be reduced whilst employed in such capacity.

11.—Contract of Service.

(a) All workers, except casual workers, shall be employed on a weekly engagement. Such workers must be ready and willing to work on the days and during the hours usually worked by the class of worker affected. A worker shall not be entitled to payment for any time absent from employment unless such absence from work is due to illness and comes within the provisions of clause 17.

(b) A week's notice of termination of engagement shall be given on either side. Such notice may be given on any day during the week to terminate such engagement on the corresponding day of the following week or on any later day thereof. Any worker may be dismissed peremptorily without notice for malingering, inefficiency (otherwise than through temporary illness), neglect of duty or misconduct, and shall be entitled to payment of wages up to the time of such dismissal only.

12.—Breakdowns, etc.

The employer shall be entitled to deduct payment for any day or portion of a day upon which the worker cannot be usefully employed because of any strike by the Union or Unions affiliated with it, or by any other Association or Union, or through the breakdown of the employer's machinery or any stoppage of work by any cause which the employer cannot reasonably prevent.

13.—Payment of Wages.

Wages shall be paid weekly on the employer's premises, in the employer's time, and on any day other than Saturday or Sunday.

14.—Wet Pay.

Where the conditions of work are such that workers are unable to avoid their clothing becoming excessively wet they shall be supplied with protective clothing or material or be paid an allowance of one shilling per day extra.

15.—No Reduction.

Nothing herein contained shall entitle the employer to reduce the wages of any worker who, at the date of this Award, was being paid a higher rate of wage than the minimum prescribed for his or her class of work.

16.—Holidays.

(a) The following days or the days observed in lieu shall be observed as holidays and paid for, namely, New Year's Day, Australia Day, Good Friday, Easter Saturday, Easter Monday, Anzac Day, Labour Day, Foundation Day, King's Birthday, Christmas Day and Boxing Day.

(b) Except as hereinafter provided, a period of two (2) consecutive week's leave with payment of ordinary wages as prescribed shall be allowed annually to a worker by the employer after a period of twelve (12) months' continuous service with the employer.

(c) If any prescribed holiday falls within a worker's period of annual leave and is observed on a day which in the case of that worker would have been an ordinary working day, there shall be added to that period one day being an ordinary working day for each such holiday observed as aforesaid.

(d) If, after one month's continuous service in any qualifying twelve-monthly period, a worker lawfully leaves his employment, or his employment is terminated by the employer through no fault of the worker, the worker shall be paid one-sixth (1/6th) of a week's pay at his ordinary rate of wage in respect of each completed month of continuous service.

(e) Any time in respect of which a worker is absent from work, except time for which he is entitled to claim sick pay or time spent on holidays or annual leave as prescribed by this Award, shall not count for the purpose of determining his right to annual leave.

(f) On any public holiday not prescribed as a holiday under this Award the employer's establishment or place of business may be closed in which case the worker need not present himself for duty and payment may be deducted, but if work be done, ordinary rates of pay shall apply.

(g) In the event of a worker being employed by the employer for portion only of a year he shall only be entitled subject to subclause (d) of this clause, to such leave on full pay as is proportionate to his length of service during that period with the employer, and if such leave is not equal to the leave given to the other workers, he shall not be entitled to work or pay whilst the other workers are on leave on full pay.

(h) A worker who is dismissed for misconduct or who illegally severs his contract of service shall not be entitled to the benefit of the provisions of this clause.

(i) At least one (1) week's notice shall be given to a worker prior to his going on annual leave; provided, however, that when the employer or his representative and the worker so agree a shorter notice will be sufficient.

(j) The provisions of this clause shall not apply to casual workers.

17.—Payment for Sickness.

(a) A worker shall be entitled to payment for non-attendance on the ground of personal ill-health for one-twelfth of a week for each completed month of service: Provided that payment for absence through such ill-health shall be limited to one week in each calendar year. Payment hereunder may be adjusted at the end of each calendar year, or at the time the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred. This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

(b) A worker shall not be entitled to receive any wages from his employer for any time lost through the result of an accident not arising out of or in the course of his employment or for any accident, wherever sustained, arising out of his own wilful default, or for sickness arising out of his own wilful default.

(c) No worker shall be entitled to the benefits of this clause unless he produces proof satisfactory to his employer of sickness, but the employer shall not be entitled to a medical certificate unless the absence is for three (3) days or more.

18.—Time and Wages Record.

The employer shall keep, or cause to be kept, a record containing the following particulars:—

- (a) Name of each worker.
- (b) Class of work performed.
- (c) Hours worked each day.
- (d) The wage (and overtime, if any) paid.
- (e) Age of each junior worker.

Any system of automatic recording by means of machines shall be deemed a compliance with this clause to the extent of the information recorded.

Such record shall be open for inspection by the secretary of the Union upon reasonable notice being given to the employer of his desire to inspect same.

19.—Right of Entry.

On notifying the officer-in-charge, any officer of the Union, authorised in writing by the president and secretary of such Union shall have a reasonable right to enter any place or premises during ordinary working hours.

20.—Posting of Award.

The employer shall, upon request by the Union, post a copy of this Award in a conspicuous place in the establishment, or in each establishment where more than one, where it is easily accessible to the worker.

21.—Proportion of Juniors.

Male juniors shall be allowed in the proportion of one junior to every three adult male workers, or fraction of three adult male workers employed. Female junior workers shall be allowed in the proportion of three junior females to every two, or fraction of two senior females employed, provided that for the purpose of this clause a junior female who is over 18 years of age shall count as a senior female.

22.—Junior Worker's Certificate.

Junior workers upon being engaged shall, if required, furnish the employer with a certificate containing the following particulars:—

- (i) Name in full.
- (ii) Age and date of birth.
- (iii) Name of each previous employer.

Such of the above particulars as are within the knowledge of the employer shall be endorsed on the certificate and signed by the employer upon the request of the worker.

No worker shall have any claim upon his employer for additional pay in the event of his or her age being wrongfully stated in the certificate and he or she alone shall be guilty of a breach of this Award. Any such certificate shall be open for inspection by the Union representative during his inspection of the time and wages record.

23.—Aged and Infirm Workers.

(a) Any worker, who by reason of old age or infirmity is unable to earn the minimum wage may be paid such lesser wage as may from time to time be agreed upon in writing between the Union and the employer.

(b) In the event of no agreement being arrived at, the matter may be referred to the Board of Reference for determination.

(c) After application has been made to the Board, and pending the Board's decision, the worker shall be entitled to work for the employer at the proposed lesser rate.

24.—Union Membership.

All workers shall become members of the Union within 14 days of the date they commence work.

25.—Board of Reference.

For the purpose of this Award, a Board of Reference is hereby appointed, which shall consist of a chairman and two (2) other representatives, one to be nominated by each of the parties. The said Board shall have assigned to it in the event of no agreement being arrived at between the parties to the dispute the function of:—

- (a) Adjusting any matters of difference which may arise from time to time except such as involve interpretations of the provisions of this Award or any of them.

- (b) Dealing with any other matter which the Court may refer to the Board from time to time.

An appeal shall lie from any decision of such Board in the manner and subject to the conditions prescribed in the Industrial Arbitration Act, 1912-1950, which for this purpose are embodied in this Award.

26.—General.

(a) No female worker shall be required to lift weights above shoulder height or to carry weights in the case of workers under 18 years of age in excess of 25 pounds and in the case of over 18 years in excess of 35 pounds.

(b) Female workers shall be allowed two rest periods daily, each of ten (10) minutes. These periods shall be computed as time worked, and shall be allowed between 9 a.m. and 10 a.m. and 2 p.m. and 3 p.m.

(c) Any female worker required to stand continuously on concrete floors whilst working shall be provided with proper protection under foot.

(d) Rest rooms with locker accommodation (rooms suitable for females to change in) shall be provided.

I certify pursuant to Section 65 of the Industrial Arbitration Act, 1912-1950, that the foregoing is a copy of the agreement arrived at between the parties mentioned above.

Dated at Perth this 21st day of September, 1951.

INDUSTRIAL AGREEMENT.

No. 17 of 1951.

Registered 28/9/1951.

THIS Agreement, made in pursuance of the Industrial Arbitration Act, 1912-1950, this 28th day of September, 1951, between Prince Launch Service, Harbour Trust Buildings, Victoria Quay, Fremantle, of the one part, and the Merchant Service Guild of Australasia, Western Australian Section Union of Workers (hereinafter referred to as "The Guild") of the other part.

1.—Area and Scope.

This Agreement shall apply to all employees directly engaged or acting as masters, in the service of this employer, and the area covered shall be all navigable waters of the sea and coastline within a radius of twenty (20) miles from the North Mole Light House, and in addition, the Swan River to and including Perth waters, and the Canning River to lower Canning Bridge.

2.—Definitions.

"Employers" means Prince Launch Service.

"Employees" means any person employed under the provision of this Award.

Masters of Launches.

3.—Rates of Pay.

	£	s.	d.
Master of Launches—			
Basic wage	9	16	8
Margin per week	4	16	6
Total	£14	13	2

4.—Overtime.

(a) Masters required to work on their day off shall be paid a minimum engagement of four (4) hours at ten shillings (10s.) per hour.

(b) Masters, if required to work on Sundays, shall be paid one pound (£1) in addition to weekly rate of pay.

(c) Work Performed on Holidays.—All workers shall be paid one pound (£1) extra in addition to weekly rate of pay for work performed on holidays.

5.—Day Off.

Masters shall be given one day per week off duty.

6.—Wages.

Wages shall be payable weekly to all employees covered by this Agreement.

7.—Holidays.

For the purpose of this clause, holidays means any of the following days:—New Year's Day, Anniversary Day, Good Friday, Easter Saturday, Easter Monday, Eight Hours Day, King's Birthday, Anzac Day, Christmas Day, Boxing Day.

8.—Contract of Service.

Engagement shall be on a monthly basis, and one month's notice shall be given on either side to terminate the engagement, provided that an employee may be instantly suspended or dismissed without notice for insobriety, misconduct, or neglect of duty.

9.—Annual Leave.

(a) An employee who serves the employers continuously for a period of twelve months, shall be granted leave of absence on full pay for an unbroken period of twenty-one (21) days. Such leave shall at all times be granted at the convenience of the employers, and shall be taken in accordance with a roster prepared each year.

(b) If the employee serves continuously for one month or more, but for less than twelve (12) months, he shall be entitled to payment in lieu of leave for the proportion of twenty-one days as his length of service is to the full year.

10.—Long Service Leave.

Employees shall be granted two months' long service leave after each seven years' continuous service, but periods of absence on long service leave shall not count as service qualifying towards the next grant of such leave.

11.—Sick Leave.

(a) An employee who is incapacitated through sickness or injury other than that arising out of or in the course of his employment, may be granted sick leave with pay for a period of or periods not exceeding in the aggregate one month in any year, upon production within 48 hours of the commencement of any sick period of absence of a medical certificate as to his incapacity.

(b) Where such incapacity arises through the wilful act or misconduct of the employee, or where a medical certificate is not furnished as required, or where the employee has already had sick leave with pay for a period or periods aggregating one month during the preceding 12 months, the employee shall not be entitled to any pay for the period he is absent from duty.

12.—Rates of Pay when on Leave, Etc.

Employees on annual, long service, or sick leave, in accordance with the provisions of clauses 9, 10 and 11 of this Award, or absent from duty during a period of incapacity resulting from sickness or accident arising out of or in the course of employment in circumstances provided for in clause 13 of this Award, shall receive the same weekly remuneration as is payable for the usual week's work of 40 hours.

13.—General.

Sickness or Accident Arising Out of Duty.

(a) An employee who, while on duty or acting under the instructions of the employer, receives an injury arising out of, or in the course of his employment, or contracts an illness due to the nature of and attributable to such employment, and is thereby incapacitated from duty in circumstances which entitle him to the benefits prescribed under the Workers' Compensation Act, 1912-1949, shall be entitled to receive, in addition to such benefits, a weekly sum equal to the difference between the compensation provided for under that Act and the wages prescribed in this Award, from the date of the commencement of his said incapacity up to and including the date of his recovery as certified by his medical attendant. Provided that the employer's liability hereunder shall in no case exceed three calendar months in respect of each separate injury or illness.

(b) All amounts payable under this clause shall be paid in the manner provided for the payment of wages.

14.—Uniforms.

1. The employers shall provide masters of launches with uniform and cap free of cost after two summer seasons. Also—

2. Masters of launches—one cap, two suits of overalls each year, one oilskin, one sou'-wester, every two years.

3. Should the service of any employee terminate within one month from the date of issue of uniform or any portion of them, all the issue last made to that employee shall be returned to the employers.

15.—Preference.

Preference of employment shall be given to members of the Guild, but such preference shall not apply against any other union or association embracing the classes of employment covered by this Agreement.

16.—Record Book.

A time book shall be kept by the employer, in which book shall be entered the name of each worker, the nature of the work he is doing, the hours worked each day, and the amount of wages received by him. The said book shall be open to inspection by the accredited representative of the Union at any time during the working hours, and he shall be allowed to take necessary extracts therefrom.

17.—Board of Reference.

Any dispute arising out of this Award shall be referred to a Board consisting of a chairman, a representative of the employers and a representative of the Guild, and if the parties cannot agree to a chairman, he shall be such other person as the Court may appoint for the occasion. If any dispute arises between the parties, work is to be carried on without any interruption, and the matter is to be submitted to the Board of Reference for determination.

18.—Operation of Agreement.

This Agreement shall operate from the date hereof and shall remain in force for a period of one year.

In witness whereof the parties hereto have hereunto set their hands and seals the day and year first hereinbefore written.

In the matter of Mount Augustus Pastoral Company Pty. Limited, and in the matter of the Companies Act, 1943-1949.

NOTICE is hereby given that the Order of the Supreme Court of Western Australia, dated the 8th day of October, 1951, confirmed the reduction of the capital of the abovenamed Company from £30,000 to £20,000 and the minute approved by the Court showing that in respect to the capital of the Company, as altered, the several particulars required by the abovementioned Act were registered by the Registrar of Companies on the 16th day of October, 1951. The said minute is in the words and figures following:—"The capital of Mount Augustus Pastoral Company Pty. Limited henceforth is £20,000 divided into 20,000 shares of

£1 each, reduced from £30,000, divided into 30,000 shares of £1 each, 10,000 shares numbered 20,001 to 30,000, both inclusive, having been paid off and liability thereon having been wholly extinguished. At the time of the registration of this minute the sum of £1 has been and is to be deemed paid up on each of the said 20,000 shares."

Dated the 17th day of October, 1951.
