2. All employees of the Board shall, after each period of 10 years' continuous service as permanent full-time employees thereof, commencing from the 1st day of January, 1947, be entitled to three months' long service leave. Long service leave is to be taken at the convenience of the Board, which will, as far as possible, meet with the wishes of the employee, but the Board may require the employee to take his leave by giving not less than three months' notice.

7. An employee dismissed by the Board, except in the matter of retrenchment, shall not be paid any sum in pursuance of the preceding by-law.

(a) The ordinary hours of work shall not exceed eighty (80) hours per fortnight in the case of a job with a fortnightly pay, and forty (40) hours per week in the case of a job with a weekly pay: Provided, however, the officer in charge of any particular work or undertaking may permit the officer or officers regulated hereunder to perform their duties under a regulation of thirty-eight (38) hours per week or seventy-six (76) hours per fortnight, if he is of opinion that the work necessary and incidental to the duties of such officer or officers may be performed within these lesser hours.

(b) (i) The employer may require any worker to work reasonable overtime at overtime rates and such worker shall work overtime in accordance with such requirement.

(ii) The Union or worker or workers covered by this Agreement shall not in any way, whether directly or indirectly, be party to or concerned in any ban, limitation or restriction upon the working of overtime in accordance with the requirements of this subclause.

All time worked outside the ordinary hours of duty per week or per fortnight, in the case of a job with fortnightly pay, shall be deemed as overtime, and paid for at the rate of time and a half on Mondays to Fridays, inclusive. All time worked on Sundays shall be paid for at the rate of double time. 6.—Annual Leave and Public Holidays.

1.—Annual Leave.

(a) Except as hereinafter provided a period of two consecutive weeks' leave with payment of ordinary wages as prescribed shall be allowed annually to a worker by his employer after a period of 12 months' continuous service with such employer.

(b) If any public holiday as prescribed in this Agreement falls within a worker's period of annual leave and is observed on a day which in the case of that worker would have been an ordinary working day there shall be added to that period one day being an ordinary working day for each such holiday observed as aforesaid.

(c) A worker may be rostered off and granted annual leave with payment of ordinary wages as prescribed prior to his having completed a period of 12 months' continuous service, in which case should the services of such worker terminate or be terminated prior to the completion of 12 months' continuous service, the said worker shall refund to the Minister the difference between the amount received by him for wages in respect of the period of his annual leave and the amount which would have accrued to him by reason of the length of his service up to the date of the termination of his services.

(d) (i) Subject to paragraph (ii) when computing the annual leave due under this clause no deduction shall be made from such leave in respect of the period that a worker is on annual leave and/or holidays: Provided that no deductions shall be made for any approved period a worker is absent from duty through sickness with or without pay unless the absence exceeds three (3) calendar months, in which case deduction may be made for such excess only.

(e) In the event of a worker being employed by an employer for a portion only of a year, he shall only be entitled to such holidays on full pay as are proportionate to his length of service during that period with such employer.

(f) Any worker who may resign or be dismissed from the service for any cause, other than for peculation or theft, shall be entitled to receive payment for any annual leave which may have been due up to the time of leaving the service: Provided always that if the worker has been dismissed for peculation or theft no claims for annual leave shall be recognised. Misconduct herein referred to shall not affect accumulated annual leave or payment thereof.

(g) When work is closed down for the purpose of allowing annual leave to be taken, workers with less than a full year's service shall only be entitled to payment during such period for the number of days' leave due to them, provided that nothing herein contained shall deprive the Minister of his right to retain such workers at work during the close-down period as may be essential.

(h) Workers regularly working for the Government north of south latitude 26 shall be allowed to accumulate annual leave for two years, subject to the convenience of the department. Such workers who proceed to Fremantle and Geraldton during the period of such leave shall be allowed once in each two years reasonable travelling time on the forward and return journeys between the place of their employment and either of the said ports.

If he is required to work on a holiday he shall be paid for the time worked as if it was an ordinary working day and shall, in addition, be allowed a day's leave with pay to be added to the annual leave or to be taken at some subsequent date if the worker so agrees.

(c) In the case of workers working a five day week, no payment or a day in lieu shall be granted for any public holiday falling on a Saturday.

(d) Payment for holidays shall be in accordance with the usual hours of work.

(e) When a worker is off duty owing to leave without pay or sickness, including accidents on or off duty except time for which he is entitled to claim sick pay, any holiday falling during such absence shall not be treated as a paid holiday. Where the worker is on duty or available on the working day immediately preceding a holiday, or resumes duty or is available on the working day immediately following a holiday, as prescribed in this clause, the worker shall be entitled to a paid holiday on all such holidays.

## 7.—Travelling Allowance.

Where a cook is so provided, the camp allowance shall be reduced to ten shillings (10s.) per week. For broken periods this particular allowance shall be calculated at one-fifth (1/5th) i.e., four shillings (4s.) and two shillings (2s.) respectively: Provided that in districts five and six as shown in Award No. 24 of 1947 (A.W.U. construction) the allowance paid shall be seven shillings (7s.) per week where no cook is provided. (c) The provisions of subclause (a) and (b) shall apply as from the 1st November, 1949, provided that previous continuous service up to that date since the date the employee's last period of long service leave became due shall only be counted in full where the conditions prescribed in relation to that previous service provide for three months' long service leave on full pay on the basis of seven years' continuous service.

Where such previous service would only entitle the employee to three months' long service leave on full pay on the basis of ten years' continuous service then the first 18 months of such previous service shall not be counted.

(d) Continuous service shall not include the period during which an employee is on long service leave or any period exceeding two weeks an employee is absent on leave without pay or any service an employee may have had before reaching the age of 18 years.

(e) An employee who resigned or is dismissed shall not be entitled to long service leave or payment for long service leave other than the leave that had actually accrued to him prior to the date on which he resigned or the date of the offence for which he was dismissed.

(f) Any public holidays occurring during the period in which an employee is on long service leave will be treated as part of the long service leave, and extra days in lieu thereof shall not be granted.

(g) Long service leave shall be taken as it falls due at the convenience of the department, but the employer may approve the accumulation of long service leave not exceeding six months in any particular case.

(h) A lump sum payment for long service leave accrued in accordance with this clause and for pro rata long service leave shall be made in the following cases—

- (i) to an employee who retires at, or over the age of 60 years, or who is retired on the grounds of ill health provided that no payment shall be made for pro rata long service leave unless the employee has completed not less than 12 months' continuous service;
- (ii) to an employee who is retired for any other cause provided that no payment shall be made for pro rata long service leave unless the employee had completed not less than three years' continuous service before the date of his retirement;
- (iii) to the widow of the employee or to such other person as may be approved by the employer in the event of the death of an employee provided that no payment shall be made for pro rata long service leave unless the employee had completed not less than 12 months' continuous service prior to the date of his death.

(i) The calculation of the amounts due for long service leave accrued and for pro rata long service leave shall be made at the rate of salary of an employee at the time of retirement, resignation or death, whichever applies. No such payment shall exceed the equivalent of 12 months' salary.

#### 23.—Sick Leave.

(a) This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

(b) Workers employed for a continuous period of less than three years may be granted sick leave as follows—

- (i) where continuous service does not exceed six months—three working days on full pay;
- (ii) where continuous service exceeds six months but does not exceed 18 months—10 working days on full pay less any leave granted under sub-paragraph (i);

(iii) where continuous service exceeds 18 months but is less than three years—10 working days on full pay and 10 working days on half pay less any leave granted under sub-paragraphs (i) and (ii).

(c) Workers employed for a continuous period of not less than three years may be granted sick leave on full pay on the basis of a cumulative credit of 15 working days for the first three years of service and 10 working days for each year of service after the expiration of the first three years provided—

- (i) that the maximum credit allowable at the 1st July, 1951, and for the first year thereafter shall be 15 working days;
- (ii) that the maximum period of sick leave allowable with pay in respect of any continuous absence shall not exceed six months.

(d) Where a worker has been granted six months' continuous sick leave with pay he shall not be entitled to receive further sick leave with pay until he has completed a period of duty of not less than four weeks.

(e) Debits for sick leave granted shall include any public holidays occurring during the period of leave, provided that where duty is resumed on a day immediately succeeding a public holiday the leave shall be regarded as expiring on the working day preceding such holiday.

(f) Any period during which a worker is absent on leave without pay shall not be included as part of such workers' period of service for the purposes of this clause.

(g) A worker who is absent on approved annual leave, long service leave or leave without pay shall not be eligible for leave under this clause during the currency of such approved leave: Provided that if a worker with over three years of continuous service falls sick while on annual leave and produces at the time satisfactory medical evidence that he is unable to leave the house, he may, with the approval of the permanent head, be granted at a time convenient to the department additional leave equivalent to the period of sickness falling within the scheduled period of annual leave: Provided that the period of sickness is at least one week.

(h) No worker shall be entitled to the benefits of this clause unless he produces proof satisfactory to his employer, or his representative, of sickness, but the employer shall not be entitled to a medical certificate unless the absence is for three consecutive working days or more. No payment will be made for any absence due to the worker's own fault, neglect or misconduct.

(i) Notwithstanding anything contained elsewhere in this clause, conditions of sick leave applicable immediately prior to the issue of this Award shall continue until the 1st July, 1951, when the conditions prescribed in subclauses (a) to (h) of this clause inclusive, shall commence to operate.

#### 24.—Term.
