21.—Annual Increments.

Subject to the receipt by the Commissioner of a report from the Permanent Head regarding good conduct, diligence and efficiency, an officer shall proceed from the minimum to the maximum of his classification by annual increments according to the grades of such classification.

22.—Fundamental Basis of this Agreement.

(a) The fundamental basis for the determination of the rates of pay in this Agreement is the rate payable to an adult male Clerical Division officer in the automatic range on attaining the age of 27 years or during the seventh year of adult service. This rate was determined on the 18th December, 1950, at the margin of one hundred and eighty-five pounds (£185) per annum over the basic rate.

(b) From the 18th December, 1950, whenever necessary and in the manner set out in clause 23, the margin of £185 per annum and all margins in excess of £185 per annum for male officers have been adjusted half-yearly. The adjustments have been effected, as necessary, as from the beginning of the first pay period in January and July in each year. As at the 31st December, 1953, the aggregate of these adjustments had resulted in the addition of twenty-two pounds (£22) per annum to the margin of £185 per annum and all margins in excess of £185 per annum for male officers.

(c) It is hereby agreed that this method of adjustment shall continue provided that—

(a) the first adjustment, if any, subsequent to the date of operation of this Agreement shall have effect as from the beginning of the first pay period in January, 1954; and

(b) the margins and percentage rates as detailed in the Agreements specified in clause 1 of this Agreement shall not be altered and the amount of the adjustment (£22 or less, as the case may be) shall be treated as a marginal allowance to be varied up or down, as may be required from time to time.

23.—Adjustment of Rates of Pay: Marginal Allowance.

The amount of the marginal allowance payable from time to time shall be determined as follows—

(1) Males—(a) Margins of £185 per annum and above—as at the 1st January and the 1st July each year, the difference between—

(i) the average, to the nearest pound (£), of the margin, in each case, between the gross annual salary rate paid on the maximum grade or at age 27 years (whichever occurs first) in the male clerical automatic ranges in the Public Services of Queensland, New South Wales, Victoria, Tasmania and South Australia and the respective annual equivalent of the Commonwealth basic wage for the capital city of each of the aforesaid States; and

(ii) the margin between the gross annual salary rate payable in the metropolitan area to an officer on the maximum of the automatic range prescribed in clause 10 (a) for male Clerical Division officers and the annual equivalent of the Commonwealth basic wage for Perth.

Provided that if the amount determined would result in an adjustment of less than five pounds (£5) per annum from the last current adjustment, if any, then no variation shall be made.

(b) Margins below £185 per annum—*pro rata*, to the nearest pound (£), with the gross rate (margin plus basic rate) payable in the metropolitan area to an adult male Clerical Division officer on the maximum of the automatic range; provided that an allowance of less than three pounds (£3) per annum (as calculated under this subclause) shall not be payable.

(2) Females.—(a) Margins of £90 per annum and above—seventy-five per cent. (75%), to the nearest pound (£), of the allowances applicable to male officers on margins of £185 per annum and above.

(b) Margins below £90 per annum—according to seventy-five per cent. (75%) of any allowances applicable to male officers on the basis of the following table—

Percentage of or margin over female basic rate.	Percentage of or margin over male basic rate.
45%	35%

(3) General.—Officers whose headquarters are in an area for which an independent basic wage is declared shall, for the purpose of this provision only, be deemed to be employed in the metropolitan area.

24.—Maintenance of Rights of Appeal.

Notwithstanding anything to the contrary herein contained or implied, the rights of officers in respect of all appeals under the Public Service Appeal Board Act, 1920-1950, shall be preserved and maintained, subject to any legal rights which the Commissioner or any other respondent may have in relation thereto.

25.—Term of Agreement.

This Agreement which replaces and supersedes the Agreements referred to in clause 1 shall operate as from and including the first day of January, 1954, and shall remain in force for a period of five years as from that date, provided that either of the parties may after the thirty-first day of December, 1954, negotiate with the other party to amend or add to this Agreement or approach the Court for an amendment to this Agreement.

In witness whereof the parties hereto have hereunto set their hands and seals the day and year first before written.
