REFERENDA ON PROPOSALS FOR MARKETING OF WHEAT.

Notice of Intention to Conduct a Referendum.

Regulation 8.

NOTICE is hereby given that it is intended to hold a ballot on the proposals set out hereunder for the Stabilisation of the Wheat Industry.

Wheat Industry Stabilisation Proposals.

Wheat growers in each State of Australia are being asked to ballot upon a Wheat Stabilisation Plan embracing the following proposals:—

1.—Period of Plan.

The period of the Wheat Stabilisation Plan to be five years to apply to the wheat crops of the seasons 1953-54 to 1957-58, both inclusive.

2.—Australian Wheat Board.

The Australian Wheat Board to be the sole authority for the marketing of wheat within Australia and for the marketing of wheat and flour for export from Australia for the period of the plan.

3.—Commonwealth Guarantee.

The Commonwealth Government will guarantee a return to growers of the ascertained cost of production in respect of up to 100 million bushels of wheat exported from Australia from each of the five wheat crops covered by the plan.

4.—Stabilisation Fund.

A stabilisation fund will be established by means of an export tax to be collected at the rate of 1s. 6d. per bushel when wheat export prices exceed the cost of production by this amount or more and by that portion of 1s. 6d. by which the export prices exceed the cost of production when the excess is less than 1s. 6d. per bushel. The export tax will apply to the 1953-54 and later crops.

5.—Size of Fund.

The maximum amount of the stabilisation fund will be £20 million.

As the moneys in the fund accumulate beyond this figure, repayments from the excess accumulations will be made—after recommendations by the Australian Wheat Board—to the oldest contributing pool so as to form a revolving fund.

6.—Use of Stabilisation Fund.

When average export realisations fall below cost of production, export returns will be raised—in respect of up to 100 million bushels of wheat from each crop—to the cost of production level, first by drawing upon the stabilisation fund. When that fund is exhausted, the Commonwealth Treasury will meet the obligations of the Commonwealth guarantee.

7.—Home Consumption Price.

The home consumption price for f.a.q. wheat will be not less than the cost of production determined for each season. This is fundamental to the plan.

Subject to this understanding that at no time will the price fall below the cost of production, however, the home consumption price for f.a.q. wheat sold for domestic human consumption, and for pigs, poultry, and dairy stock, will be determined by State legislation at 14s. a bushel, bulk, f.o.r. ports. This price will vary downwards to conform with the International Wheat Agreement price current at the commencement of each season, if the International Wheat Agreement price should be at that time less than 14s. a bushel, bulk, f.o.r. ports.

Similarly if Australia should not be a party to an International Wheat Agreement, the home consumption price of f.a.q. wheat sold for domestic home consumption, and for pigs, poultry, and dairy stock, will vary downwards in conformity with the current price for export sales by the Australian Wheat Board at the commencement of each season, if the Board's export price should be less than 14s. a bushel bulk, f.o.r. ports.

8.—Premium on Western Australian Wheat.

A premium from export realisations will be paid on wheat grown in Western Australia and exported from that State, in recognition of the natural freight advantage applying to Western Australia owing to the proximity of that State to the principal overseas markets for wheat.

The premium shall be 3d. per bushel.

9.—Freight on Wheat to Tasmania.

Provision will be made for a loading on all wheat sold for consumption in Australia to the extent necessary to cover the cost of transporting wheat from the mainland to Tasmania in each season of the plan.

This will not affect the pool returns to growers in any way.

10.—Determination of Ballot.

Approval of these proposals will be indicated by a majority affirmative vote in each State of the Commonwealth of Australia, except Tasmania in which State a ballot will not be held.

11.—Legislation.

These proposals require the passage of the necessary Commonwealth and State complementary legislation.

The day fixed for the ballot is Thursday the 30th September, 1954, and the ballot will close at twelve o'clock noon on that date.

The Roll of Growers is available for inspection at the office of the Returning Officer, State Electoral Office, 62 Barrack Street, Perth, during the hours his office is open.

Approval may be subject to such conditions as the Commissioner or the medical officer of health deem necessary.

16. When such a cremation is carried out in a cemetery the person responsible for the arrangements shall comply with any directions, which may be given by the cemetery authority.

17. No cremation shall be permitted elsewhere than at a crematorium except where permission is granted under this Part or, unless the Commissioner issues a direction pursuant to the powers vested in him under the Health Act, 1911-1952.

(3) The highest bidder shall be the purchaser and, if any dispute arise, the lot in dispute shall be put up again and resold.

(4) Each lot shall be offered at the upset price, and if no advance be made, the applicant for the same shall be declared the purchaser at that price; but, if any advance be made, the highest bidder shall be the purchaser as aforesaid. Bidding shall advance at the rate of not less than one pound.

Should the applicant not be the purchaser, his deposit will be refunded in due course.

(5) The purchaser shall, immediately upon the fall of the hammer, pay to the Minister for Lands or his agent, a deposit at the rate of 10 per cent. upon the total amount of the purchase money, unless he has already paid a sufficient deposit on application, and any such deposit shall be considered as payment of the purchase money so far as the same will extend. Should the purchaser fail to pay the deposit as required, the purchase shall be void and the lot shall be offered again immediately for sale.

(6) The balance of purchase money shall be paid to the Minister for Lands or his agent within 12 months from the day of sale by four (4) equal quarterly instalments, on the 1st days of January, April, July and October. (b) In addition to the above, each suburban lot shall within three years be improved to a value equal to double the amount of purchase money.

(8) In default of payment of any one of the several instalments of purchase money within thirty days after the dates mentioned, or, if the prescribed conditions as to improvements have not been complied with within the times prescribed, the land shall be absolutely forfeited, together with all purchase money and fees that may have been paid.

(9) On payment of the final instalment of the purchase money, provided that in the case of suburban lots the prescribed conditions as to improvements have been complied with, and maintained, a Crown Grant shall be issued on payment of the prescribed fee of two pounds.

Pipes shall be chased into walls or piers to a height of 9ft. or set back so as not to project beyond the face of the building, and shall be connected up to underground stormwater drains.

When, however, any such existing verandah is shorter by more than 6in., the owner of the existing building shall on requisition by the Council continue such verandah up to the building line of such existing building.

8.—Hours.

Forty hours (40) shall constitute a week's work and shall be worked between the hours of 7 a.m. and 6 p.m. Monday to Friday inclusive.

9.—Overtime.

(a) All time worked in excess of eight (8) hours per day, or outside the usual starting and finishing times shall be deemed overtime and shall be paid for at the rate of time and a half for the first four (4) hours and double time thereafter.

(b) All time worked on Sundays shall be paid for at the rate of double time.

(c) When a worker, without being notified on the previous day, is required to continue working after the usual knock-off time for more than one hour, he shall be provided with any meal required or shall be paid three shillings (3s.) in lieu thereof.

(d) Notwithstanding anything contained in this Award:—

(i) An employer may require any worker to work reasonable overtime at overtime rates and such worker shall work overtime in accordance with such requirement.

(ii) No organisation, party to this Award, or worker or workers covered by this Award shall in any way, whether directly or indirectly, be a party to or concerned in any ban, limitation or restriction upon the working of overtime in accordance with the requirements of this subclause.

10.—Meal Times.

No female worker or junior male worker shall be employed for a longer period than five (5) hours without a break for a meal. The time allowed for each meal required shall not be more than one (1) hour.

11.—Mixed Functions.

A worker who is required to do work which is entitled to a higher rate under this Award than that which he or she usually performs shall be entitled to the higher rate whilst so engaged.

12.—Contract of Service.

(a) Except in the case of a casual worker, whose engagement shall be by the hour, the contract of hiring of every worker, shall be a weekly contract terminable by one week's notice on either side, given on any day.

(b) Subject to the provisions of clause 15 hereof any worker not attending for duty shall lose his pay for the actual time of such non-attendance.

(c) The employer shall be entitled to deduct payment for any day or portion of a day upon which the worker cannot be usefully employed, because of any strike by the Union or unions affiliated with it, or by any other association or union, or through the breakdown of the employer's machinery or any stoppage of work by any cause which the employer cannot reasonably prevent.

13.—Holidays.

(a) The following days, or the days observed in lieu, shall be allowed as holidays without deduction of pay, namely: New Year's Day, Australia Day, Good Friday, Easter Monday, Anzac Day, Labour Day, State Foundation Day, Christmas Day and Boxing Day.

(b) All work performed on any of the foregoing days shall be paid for at the rate of double time.

(c) On any public holiday not prescribed as a holiday under this Award the employer's establishment or place of business may be closed, in which case a worker need not present himself for duty and payment may be deducted, but if work be done ordinary rates of pay shall apply.

14.—Annual Leave.

(a) Except as hereinafter provided a period of two (2) consecutive weeks' leave with payment of ordinary wages as prescribed shall be allowed annually to a worker by his employer after a period of twelve (12) months' continuous service with such employer.

(b) If any award holiday falls within a worker's period of annual leave and is observed on a day which in the case of that worker would have been an ordinary working day, there shall be added to that period one day being an ordinary working day for each such holiday observed as aforesaid.

(c) If after one month's continuous service in any qualifying twelve (12) monthly period a worker lawfully leaves his employment, or his employment is terminated by the employer through no fault of the worker, the worker shall be paid one-sixth (1/6th) of a week's pay at his ordinary rate of wage in respect of each completed month of continuous service.

(d) Any time in respect of which a worker is absent from work except time for which he is entitled to claim sick pay or time spent on holidays or annual leave as prescribed by this Award shall not count for the purpose of determining his right to annual leave.

(e) In the event of a worker being employed by an employer for portion only of a year, he shall only be entitled, subject to subclause (c) of this clause, to such leave on full pay as is proportionate to his length of service during that period with such employer, and if such leave is not equal to the leave given to the other workers he shall not be entitled to work or pay whilst the other workers of such employer are on leave on full pay.

(f) A worker who is dismissed for misconduct or who illegally severs his contract of service shall not be entitled to the benefits of the provisions of this clause.

(g) The provisions of this clause shall not apply to casual workers.

15.—Absence Through Sickness.

(a) A worker shall be entitled to payment for non-attendance on the ground of personal ill-health for one-twelfth (1/12th) of a week for each completed month of service: Provided that payment for absence through such ill-health shall be limited to forty (40) hours in each calendar year. Payment hereunder may be adjusted at the end of each calendar year, or at the time the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred. This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

(b) A worker shall not be entitled to receive any wages from his employer for any time lost through the result of an accident not arising out of or in the course of his employment or for any accident, wherever sustained, arising out of his own wilful default or for sickness arising out of his own wilful default.

(c) No worker shall be entitled to the benefits of this clause unless he produces proof satisfactory to his employer of sickness, but the employer shall not be entitled to a medical certificate unless the absence is for three (3) days or more.

16.—Junior Workers' Certificate.

Junior workers, upon being engaged shall, if required, furnish the employer with a certificate containing the following particulars:—

- (a) Name in full.
- (b) Age and date of birth.
- (c) Name of each previous employer and length of service with that employer.
- (d) Class of work performed for each previous employer.

No worker shall have any claim upon an employer for additional pay in the event of the age or length of service of the worker being wrongly stated either on the certificate or verbally to the employer. If any junior worker shall wilfully mis-state his age either verbally to the employer or in the certificate he alone shall be guilty of a breach of this Award.

17.—Board of Reference.

The Court may appoint for the purpose of this Award a Board or Boards of Reference. Each such Board shall consist of a chairman and two (2) other representatives, one to be nominated by each of the parties as prescribed by regulations.

There are assigned to each such Board in the event of no agreement being arrived at between the parties to this Award, the functions of—

- (a) adjusting any matters of difference which may arise from time to time, except such as involve interpretations of the provisions of the Award or any of them;
- (b) deciding any other matter that the Court may refer to such Board from time to time.

An appeal shall lie from any decision of such Board in the manner and subject to the conditions prescribed in the Regulations to the Industrial Arbitration Act, 1912-1952, which for the purpose are embodied in this Award.

18.—Posting of Award.

Every employer shall post a copy of this Award in a conspicuous place in the factory, easily accessible to all workers.

19.—Under-Rate Workers.

(a) Any worker who by reason of old age or infirmity is unable to earn the minimum wage may be paid such lesser wage as may from time to time be agreed upon in writing between the Union and the employer.

(b) In the event of no agreement being arrived at, the matter may be referred to the Board of Reference for determination.

(c) After application has been made to the Board and pending the Board's decision the worker shall be entitled to work for the employer at the proposed lesser rate.

20.—Payment of Wages.

Wages shall be paid at least once weekly.

21.—Record.

(a) The employer shall keep or cause to be kept a record or records containing the following particulars:—

- (i) The name of each worker.
- (ii) The nature of his work.
- (iii) The hours worked each day and each week.
- (iv) The wages and overtime (if any) paid each week.
- (v) The age of each junior worker.

Any system of automatic recording by machines shall be deemed to comply with this provision to the extent of the information recorded.

(b) The time and wages record shall be open for inspection by a duly accredited official of the Union, during the usual office hours at the employer's office, or other convenient place, and the representative may be allowed to take extracts therefrom.

I certify pursuant to section 65 of the Industrial Arbitration Act, 1912-1952, that the foregoing is a copy of the agreement arrived at between the parties mentioned above.
