## THE COMMONWEALTH FUND, NEW YORK.

Fellowships for Advanced Study and Travel in the United States.

Dominion Civil Service Fellowships—British Programme, 1955.

The Commonwealth Fund Fellowships for study and travel in the United States were inaugurated in 1925 by the Commonwealth Fund. In maintaining international Fellowships within a range of philanthropic interests, the Directors of the Fund are impelled by a belief in the value of international education and travel, and by a conviction that mutual understanding and amity between countries will thereby be forwarded.

The Fund's programme of international Fellowships includes annual awards to candidates from the universities of the United Kingdom, to selected officers from the Home, Colonial and Dominion Civil Services within the British Commonwealth.

Appointments to the Dominion Civil Service Fellowships will be made on selections by the Nomination Committees in the Dominions.

Five Fellowships are offered in 1954 to outstanding men and women holding civil service appointments under the Commonwealth and State Governments of Australia.

All applications are to be submitted on the prescribed form which may be obtained, together with other documentary information, from the Office of the Public Service Commissioner, Barrack Street, Perth.

## LAND ACT, 1933-1953.

(Section 29 (2).)

Tenders for the Purchase of Augusta Town Lot 340.

Department of Lands and Surveys,  
Perth, 15th September, 1954.

Corres. 1615/52.

TENDERS are hereby invited for the purchase, under the provisions of section 29 (2) of the Land Act, 1933-1953, of Augusta Town Lot 340, situated Suburban Road, Augusta, for an estate in fee simple. (Plan Augusta Townsite.)

## Particulars.

Lot 340 (formerly identified as portion of lot 254).  
Area: 1 rood (subject to survey). Frontage: 100 links. Depth: 250 links.

Buildings: Nearly new well-constructed four-roomed timber-framed wood and asbestos house, fully lined, iron roof, water supply from rainwater tanks, all usual conveniences. Timber-framed wood and asbestos garage. Property fenced.

## Conditions.

Tenders for the property, including the fee simple of the land and the existing buildings thereon, must be accompanied by a deposit of twenty-five (25) per cent. of the price tendered and must be addressed to the Under Secretary for Lands, Perth, and endorsed on the envelope "Tender for Augusta Town Lot 340" and lodged at this office by 3.30 p.m. on Wednesday, 13th October, 1954.

The successful tenderer will be granted vacant possession of the property on acceptance of tender and will be required to pay the balance of purchase money upon settlement which will be effected when survey has been completed.

A Crown grant will be issued to the purchaser upon settlement and the payment of the prescribed fee of £2.

## LAND OPEN FOR SELECTION.

Perth Land Agency.

Department of Lands and Surveys,  
Perth, 16th, September, 1954.

IT is hereby notified, for general information, that the areas scheduled hereunder are available for selection under Part V. of the Land Act, 1933-1953, and the regulations appertaining thereto, subject to the provisions of the said Act.

Applications must be lodged at the Department of Lands and Surveys, Perth, not later than the date specified, but may be lodged before such date, if so desired.

All applications lodged on or before such date will be treated as having been received on the closing day, and if there are more applicants than one for any block, the application to be granted will be determined by the Land Board. Should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, the applicants for the blocks will be duly notified of the date, time, and place of the meeting of the Board, and there shall be an interval of at least seven days between the closing date and the sitting of the Board.

All marketable timber, including sandalwood and mallet, is reserved to the Crown, subject to the provisions of Clause 14 of the Regulations.

## TRAFFIC ACT, 1919-1953.

Department of Local Government,  
Perth, 15th September, 1954.

L.G. 210/54.

HIS Excellency the Lieutenant-Governor and Administrator in Executive Council, acting pursuant to the power conferred by the Traffic Act, 1919-1953, has been pleased to make the regulations in the Schedule hereunder.

(Sgd.) GEO. S. LINDSAY,  
Secretary for Local Government.

## Schedule.

1. In these regulations the Traffic Regulations, 1936, published in the *Government Gazette* on the 26th day of August, 1936, and duly amended from time to time thereafter, are referred to as the principal regulations.

2. Regulation 4 of the principal regulations is amended by substituting for the interpretation "Town" the following interpretation:—

"Town" means any land constituted or defined or reserved as, the site of a town or village under the Land Act, 1933, or under any prior Act or Land Regulation repealed by the Land Act, 1933, and any land which is a municipal district or portion of a municipal district and any land subdivided and laid out as a site for a town, township or village in accordance with a subdivisional plan registered in the Office of Titles or the Department of Lands and Surveys and includes any land which the Governor has by proclamation declared to be a town or townsite for the purposes of the Road Districts Act, 1919.

3. The principal regulations are amended by adding after regulation 289A a new regulation as follows:—

289B. A person driving a vehicle or riding an animal into the road known as Victoria Square within the City of Perth, shall not make a right hand turn into that road, but shall, on entering the same, turn the vehicle or animal to the left, and proceed thereon only in a clockwise direction.

4. The principal regulations are amended by adding after regulation 290A a new regulation as follows:—

290B. A person shall not ride or drive any animal or vehicle

- (a) on the Northern roadway of Marmion Street, Fremantle, between East Street and a continuation of the Western building line of Allen Street, except from West to East. or
- (b) on the Southern roadway of Marmion Street, Fremantle, between East Street and a continuation of the Western building line of Allen Street, except from East to West.

5. Regulation 305N of the principal regulations is revoked and the following regulation substituted therefor:—

305N. A person shall not park or stand a vehicle—

- (a) on the Southern side of Guildford Road between a continuation of the Eastern building line of Kenny Street and a point 170 feet in an Easterly direction therefrom;
- (b) on the Northern side of Guildford Road between a continuation of the Eastern building line of Kenny Street and the Western building line of Wilson Street.

6. The Eleventh Schedule of the principal regulations is amended by adding after item 2d of the Table showing Parking Restrictions within the City of Perth, an item 2e as follows:—

In Column 1.

In Column 2.

2e. Dyer Street (between Market Place and Havelock Street)—  
North side of constructed carriage way.

Parking of vehicles prohibited at all times.

**METROPOLITAN WATER SUPPLY, SEWERAGE AND DRAINAGE DEPARTMENT.**

Perth, 14th September, 1954.

M.W.S. 2358/52.

LICENSED sanitary plumbers are hereby notified that the Hon. Minister for Water Supply, Sewerage and Drainage has approved of the issue of a certificate under by-law 58 to the following working plumbers to permit them to carry out actual plumbing work under the direction of licensed sanitary plumbers in connection with sewerage installations:—Duck, L.; Ellis, H.; Morley, C.; Macintyre, W.; Child, R. C. W.; Dobson, H.; Paterson, G. C.; Hatchley, C. E.; Hannah, D.; McCallum, W. M.; Clayton, D.; Gibbs, J. G.; Adams, W. H.; Holt, H. T.; Howard, J. A. C.; Sala, T.; Paxton, L. F.; Gas-telaars, B. Van E.

Licensed sanitary plumbers are required, in compliance with by-law 58, to employ only men under their direction in connection with sewerage installations who are in possession of a working plumber's certificate issued under such by-laws.

B. J. CLARKSON,  
Under Secretary.

**METROPOLITAN WATER SUPPLY, SEWERAGE AND DRAINAGE DEPARTMENT.**

M.W.S. 1780/54.

IN accordance with the provisions of the Metropolitan Water Supply, Sewerage and Drainage Act, 1909, it is hereby notified that sewers and other apparatus have been completed, and are now available for use in Area 18, Part 2, South Perth, House Connections Part 1, within the boundaries of the Canning Road District, to serve lots 1, 2, 70 to 73 inclusive and lots 135 to 139 inclusive, Hope Avenue, lot 134 Pepler Avenue and lot 140 Klem Avenue.

Owners of the above properties are hereby notified that such properties are capable of being connected to the sewer and must, therefore, connect their premises to the sewers within 30 days from date of service of prescribed notice, and are also notified that sewerage rates will, in accordance with the By-laws, be enforced from 1st November, 1954, if premises not previously connected, and be payable in advance. ## MUNICIPAL CORPORATIONS ACT, 1906-1953.

Municipality of East Fremantle.

By-laws Regulating the Erection and Use of Petrol Pumps.

L.G. 166/52.

A By-law of the Municipality of East Fremantle made under Section 180 of the Municipal Corporations Act, 1906-1953, and numbered 3 for Regulating the Erection and Use of Petrol Pumps.

IN pursuance of the powers conferred by the said Act, the Mayor and Councillors of the Municipality of East Fremantle order as follows:—

1. These regulations shall apply to any petrol pump, tank, cistern, pipes and installations which are so placed for the supply of petrol to the public that the point of delivery of petrol from the pump or from any extension is within any street or way or is within fifty (50) feet of any street or way.

2. No person shall erect or lay or alter the position of or use or supply petrol from any petrol pump, tanks, cisterns, pipes and installations in or near any street or way within the abovementioned limits unless licensed by the Council so to do.

All applications for licenses so to do must be accompanied by a ground plan or sketch to scale setting out the position and depths of all intended petrol pumps, tanks, cisterns, pipes, and installations and of all joints and connections.

In the case of pumps, tanks, cisterns, pipes and installations existing and installed at the date hereof, the plan and/or sketch may be waived or modified by the Council. Subject to the compliance with these by-laws, such licenses may be granted on payment of the prescribed fee.

3. No petrol pump shall be placed within four (4) feet of the boundary of adjoining premises not in the same occupation.

4. A license shall not be issued for the installation or use of any petrol pump, tank, cistern, pipe or installation for the supply of petrol to the public where there are other premises where petrol is sold to the public within a radius of a half mile from the location or proposed location of such petrol pump, tank, cistern, pipe or installation. This provision shall not apply to petrol pumps, tanks, cisterns, pipes and installations already installed as at the date hereof.

5. It shall be lawful for the Council to refuse an application for permission to instal and/or use and/or supply petrol from petrol pumps, tanks, cisterns, pipes and/or installations where any of the by-laws are not complied with and the decision of the Council in this regard shall be final and binding, subject to Clause 25 hereof.

6. It shall be lawful for the Council to cancel any license or refuse to issue or renew any license at any time where any of these by-laws are not complied with but this is subject to Clause 25 hereof.

7. Any applicant who is licensed to operate a petrol pump or pumps shall not interfere in any way with any road or footpath surfaces, or undermine such road or footpath without having first obtained the written consent of the Council and in the event of such permission being granted, the licensee must reinstate such road or footpath on demand in such manner as the Council or its officers may direct.

8. If required, the applicant shall lodge such deposit as the Council or its officers may deem necessary to ensure that the work is carried out to the satisfaction of the Council or its officers.

9. An inspector appointed by the Council shall have the right at all reasonable times to make an inspection of pumps licensed by the Council (including tanks, cisterns, pipes and installations) to ascertain if these by-laws are being observed.

10. The Licensee or his servant shall, whenever required by the Council, give practical demonstrations of the working or security of each pump (including all tanks, cisterns, pipes and installations).

11. The Licensee or his servant shall see that all fittings and pipes connecting the pump or pumps with the supply tanks and other pipes and fittings through which petrol or inflammable liquid flows, either to or from the supply tanks, shall be so constructed and maintained that there is no escape of inflammable liquid in the form of liquid or vapour.

12. The Licensee or his servant must ensure that all tanks and cisterns used to supply the petroleum spirit to the pumps shall be fitted with ventilating pipes which shall be carried to a position in the open air not less than twelve (12) feet above the ground, and shall there terminate in one or more bonds. The opening in the end of the vent pipe to be covered with brass wire gauze of not less than twenty-eight (28) meshes to the lineal inch secured in such manner that the gauze may be removed for examination and cleaning.

13. The Licensee or his servant shall see that no petroleum spirit is allowed to remain in the visible (or measuring) container of any pump, except when the pump is actually in use.

14. The Licensee or his servant shall install and keep in good working order in a convenient position on not more than twenty (20) feet from such pump an approved fire extinguisher approved by the W.A. Fire Brigades Board.

15. No person shall use any petrol pump whilst there is any light capable of igniting petrol vapour within ten (10) feet of any container whilst same is being filled with petrol from any pump.

16. No person shall deliver petrol, or permit petrol to be delivered from any pump to the fuel tank of any motor vehicle when the engine of such motor vehicle is running.

17. The Licensee or his servant shall not permit any lighting appliances to be used in connection with the pumps or tanks except electric light.

18. The Licensee shall indemnify and hold harmless the Council from all claims, losses, damage and costs of all persons whomsoever for injury to persons or property sustained by reason of the damage by the installation of the said pump or pumps, tank or tanks, cistern or cisterns, pipes and installations, or any of the appliances thereof.

Every Licensee shall, if so directed by the Council, take out an indemnifying insurance with an approved Insurance Company for such amount as the Council may consider necessary. The premiums on any such Policy of indemnity shall be paid by the Licensee or his servant.

19. The Licensee or operator of any petrol pump shall at all times take all reasonable precautions to protect all persons and property from injury or damage.

20. Every applicant for a license under this By-law shall make application in the form of Schedule "A" hereto, and at the same time there shall be lodged a plan or sketch as herein provided.

If the Council so directs the applicant shall be issued with a license in the form of Schedule "B" hereto, subject to the payment of the following fees:—

5s. per single pump and 7s. 6d. per dual pump per annum.

Such charges to operate as from the 1st day of January of each year, and to terminate on the 31st day of December of each year.

Renewals of license fees shall be paid not later than the 31st day of January in each year. It shall be competent for the Council to waive all or any part of the License Fee if it is satisfied that due to circumstances beyond the control of a licensee the pump is empty and has not been used for six (6) months.

21. The Council may, in its absolute discretion, and on the written application of the Licensee, transfer a license to the person named in such application, on payment of a fee of Two Shillings and Sixpence (2s. 6d.).

22. If at any time a license is cancelled or not renewed then the Council may by notice in writing, order a previous Licensee to remove the pump or pumps, tank or tanks, cistern or cisterns, pipes and installations within seven (7) days and in default of obedience of such order it shall be lawful for the Council or its Agents or servants to remove the said pump or pumps, tank or tanks, cistern or cisterns, pipes and installations and recover the cost of the removal thereof from such person.

23. Notwithstanding anything in the foregoing By-laws the Council may recover the amount of any outstanding License Fees in any Court of competent jurisdiction.

24. Any person offending against any of the provisions of this By-law shall, on conviction, forfeit and pay for each offence the penalty of not less than One Pound (£1) nor more than Twenty Pounds (£20).

25. The decision of the Council as referred to in paragraphs 5 and 6 hereof shall be subject to a right of appeal to the Minister for Local Government by any person or Company dissatisfied with such decision. The right of appeal is subject to the following conditions and rules:—

- (a) The person or Company aggrieved must give notice of appeal within 21 days from the date he or it is advised of the Council's decision.
- (b) The notice of appeal shall be by letter addressed to the Minister for Local Government and which may be served by registered post or by leaving same at the office of the Minister for Local Government.
- (c) The Notice of Appeal shall clearly set out the grounds relied on.
- (d) A copy of such letter shall within the same time be posted to the Council.
- (e) The manner of deciding the appeal shall be within the Minister's discretion and the Minister's decision shall be final.
