(b) On any public holiday not prescribed as a holiday under this Award, the employer's establishment or place of business may be closed, in which case a worker need not present himself for duty and payment may be deducted, but if work be done, ordinary rates of pay shall apply.

(c) Except as hereinafter provided, a period of two consecutive weeks' leave with payment of ordinary wages as prescribed shall be allowed annually to a worker by his employer after a period of 12 months' continuous service with such employer.

(d) If any Award holiday falls within a worker's period of annual leave and is observed on a day which in the case of that worker would have been an ordinary working day, there shall be added to that period one day, being an ordinary working day, for each such holiday observed as aforesaid.

(e) If after one month's continuous service in any qualifying twelve-monthly period a worker lawfully leaves his employment, or his employment is terminated by the employer through no fault of the worker, the worker shall be paid one-sixth of a week's pay at his ordinary rate of wage in respect of each completed month of continuous service.

(f) Any time in respect of which a worker is absent from work, except time for which he is entitled to claim sick pay, or time spent on holidays or annual leave as prescribed by this Award, shall not count for the purpose of determining his right to annual leave.

(g) In the event of a worker being employed by an employer for portion only of a year, he shall only be entitled, subject to subclause (e) or subclause (j) of this clause, to such leave on full pay as is proportionate to his length of service during that period with such employer, and if such leave is not equal to the leave given to the other workers, he shall not be entitled to work or pay whilst the other workers of such employer are on leave on full pay.

(h) A worker who is dismissed for misconduct or who illegally severs his contract of service shall not be entitled to the benefit of the provisions of this clause.

(i) The provisions of this clause shall not apply to casual workers.

(j) In the area outside a radius of fourteen (14) miles from the General Post Office, Perth, the following provisions shall apply:—

(i) Subclause (a) hereof shall not apply, except in the case of Anzac Day and Labour Day.

(iii) Subclause (e) hereof shall not apply, but, if after one month's continuous service in any qualifying twelve-monthly period a worker lawfully leaves his employment, or his employment is terminated by the employer through no fault of the worker, the worker shall be paid eleven and one-third (11 $\frac{1}{3}$ ) hours' pay at his ordinary rate of wage in respect of each completed month of continuous service.

(iv) Workers engaged on essential work during the period or periods referred to in paragraph (ii) hereof, shall be allowed equivalent time off at such time as may be mutually agreed upon between the employer and the worker.

(v) In all other respects, the provisions of this clause shall apply.

#### 8.—Contract of Service.

(a) Except as to casual workers, the employment is terminable on either side by one week's notice given on any day, or, if the employer terminates it, by payment of one week's pay; but for the first month of employment the hiring shall be from day to day, and during this period a day's notice or a day's pay shall be sufficient.

(b) If a weekly worker absents himself from duty without reasonable cause, a sum proportionate to his time of absence may be deducted from his pay, that is to say, one-fifth or one-sixth of the week's pay, as the case may be, for each day of absence, and a proportionate part of one-fifth or one-sixth for a shorter absence.

(c) This does not affect the employer's right to dismiss for misconduct, incompetence, or negligence, and in such case wages shall be paid up to the time of dismissal only.

#### 9.—Breakdowns, Etc.

The employer may deduct payment for any day or portion of a day on which the worker cannot be usefully employed because of any strike by the Union, by any branch of the Union, or by any members or member of the Union employed by the employer, or because of any strike by or participation in any strike by any other union, branch of any other union, or members or member of any other union employed by the employer, or because of any breakdown of machinery, or because of any other stoppage of work for any other cause for which the employer cannot be held responsible. Provided that no deduction shall be made unless such stoppage exceeds two (2) hours.

#### 10.—Absence through Sickness.

(a) A worker shall be entitled to payment for non-attendance on the ground of personal ill-health for one-twelfth (1/12th) of a week for each completed month of service: Provided that payment for absence through such ill-health shall be limited to one (1) week in each calendar year. Payment hereunder may be adjusted at the end of each calendar year, or at the time the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred. This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

(b) A worker shall not be entitled to receive any wages from his employer for any time lost through the result of an accident not arising out of or in the course of his employment, or for any accident, wherever sustained, arising out of his own wilful default, or for sickness arising out of his own wilful default.
