The rates of wages to be paid in such case shall be the rates hereinafter prescribed for the years of service which the youth has yet to serve.

(d) Notwithstanding anything contained in this Award to the contrary, if through lack of orders or through financial difficulties the employer is unable at any time to find employment and training for an apprentice, and if a transfer to another employer cannot be arranged, the obligations and duties imposed by the indenture may, with the concurrence of the apprentice and his guardian, be suspended for a period agreed upon or, if no such agreement be arrived at, may be cancelled by the employer. The onus of proof of circumstances justifying such cancellation shall be on the employer.

This provision shall be deemed to be included in all contracts of apprenticeship now existing and also in all future contracts entered into.

Any system of automatic recording by means of machines shall be deemed to comply with this provision to the extent of the information recorded.

23.—Payment of Wages.

All wages shall be paid in the employer's time. When a worker is discharged before the usual pay day, he shall be paid his wages when he ceases work, or it shall be forwarded to his address the day after, by registered post, unless the worker desires to collect at the office.

(c) After application has been made to the Board, and pending the Board's decision, the worker shall be entitled to work for and be employed at the proposed lesser rate.

(a) The Court may appoint, for the purpose of this Award, a Board or Boards of Reference. Each Board shall consist of a chairman and two (2) other representatives, one to be nominated by each of the parties as prescribed by the regulations to the Industrial Arbitration Act, 1912-1952. There are assigned to each such Board, in the event of no agreement being arrived at between the parties to this Award, the functions of—
