(b) Officers stationed at Northampton and Yal-goo and Goongarrie and North and East thereof, and between Norseman and Esperance, shall be allowed two days extra when clearing annual leave.

(c) Leave of absence shall be calculated to the close of each financial year, provided that leave due to foremen and subforemen, planners and assistant planners in the Midland Junction Workshops shall be calculated to 31st December each year. Officers shall be paid for annual leave and days granted in lieu of Public Service holidays at their classified rates of pay, provided that if immediately before such leave is taken the officer is entitled to payment for acting in a higher capacity and has been so entitled for a period of not less than one (1) month continuously, one period of annual leave and days granted in lieu of Public Service holidays shall be paid for at the rate applicable to such higher capacity position.

(d) The leave shall be taken out at a time convenient to the Department before the 30th June, or 31st December, as the case may be, following the year for which it fell due. For the subsequent period of ten (10) years the same conditions shall apply and thereafter for every seven (7) years similar leave shall be granted.

(b) Service prior to attaining the age of eighteen (18) years shall not count in computing long service leave.

(c) Any public holidays occurring during the period in which an officer is on long service leave will be calculated as portion of the long service leave, and extra days in lieu thereof shall not be granted.

(d) If a deceased officer leaves a widow, dependent children, mother and/or invalid sister, payment *pro rata* of long service leave shall be granted to such dependant or dependants.

(e) (i) Officers regressed to the wages staff and re-appointed to the salaried staff, or appointees from wages to salaried staff shall, for the purpose of this clause, be treated as if the whole of their service had been served on the salaried staff; subject to the proviso that officers who had less than ten (10) years' salaried service, but more than ten (10) years' wages service and salaried service combined as at the 1st January, 1927, shall be entitled to the first period of leave on that date.

(ii) For the next period of leave the qualifying service will be ten (10) years from the 1st January, 1927, and for subsequent leave the qualifying service will be seven (7) years from the 1st January, 1937.

(g) Any officer who retires or is retired upon reaching the retiring age, or through ill-health, shall be paid for long service leave *pro rata*.

(h) When an officer leaves the service for any cause and is entitled to *pro rata* leave, such leave shall only be calculated up to the last day worked, except when paid sick leave follows working time, when leave shall be calculated to the day on which such sick leave payment ceased.

(i) An officer dismissed from the service shall not be entitled to payment in respect of long service leave other than for leave that had accrued due to him prior to the date of the offence for which he was dismissed.

(j) A female officer resigning from the service for the purpose of getting married and who has been continuously employed for three (3) years and over, shall be granted payment *pro rata* for her long service leave at the date of retirement, subject to the proviso in subclause (b).

(k) An officer shall be given at least one month's notice before he is booked off on long service leave.

### 13.—Sick Leave.

(a) Any officer who is incapacitated for duty in consequence of illness or injury shall, as soon as possible advise his superior officer in sufficient time to admit of arrangements being made for the performance of his duties. Any such officer who fails to do so shall be treated as absent without leave.

(b) Any officer so incapacitated for duty shall also notify his superior officer in sufficient time of the date on which he will be able to resume duty, to enable the necessary arrangements to be made.

(c) Should the absence be prolonged beyond two days, the officer shall, except as provided in subclause (d), forward to his superior officer on the third (3rd) day thereof a certificate from any legally qualified medical practitioner showing the nature of the illness and the probable duration.

(d) Any such officer who resides more than five (5) miles from a legally qualified medical practitioner shall intimate that fact to his superior officer within whose discretion it shall lie as to whether a certificate is required or not.

(e) Any officer who finds that he is unable to resume duty on the expiration of the period shown in the first certificate shall thereupon furnish a further certificate and shall continue to do so upon the expiration of the periods respectively covered by such certificates: Provided, however, that the maximum periods between the dates of furnishing any two (2) medical certificates shall be fourteen (14) days.

(f) In cases where incapacity for duty is obvious to the head of the branch, he may relieve the officer of the necessity of providing medical certificates.

(g) Any officer shall, if so directed, present himself for examination by a medical officer, at such time and place as may be fixed.

(h) Any officer who has been absent for three (3) days (not continuous) in one financial year shall, if so instructed by his superior officer, furnish a medical certificate for absences of one (1) day only.

(i) No payment will be made for any absence due to an officer's own fault, neglect or misconduct.

(j) Indisposition, not necessitating confinement to the house, will not be regarded as illness, in respect of which leave of absence will be granted under this clause, excepting under special circumstances, to be approved by the Commission.

(k) When an officer is absent as a result of an accident which occurred on duty and is entitled to compensation in accordance with the provisions of the Workers' Compensation Act, and is due for sick leave on full pay, half ( $\frac{1}{2}$ ) the period of absence only shall be debited against sick leave. Officers due for sick leave on half ( $\frac{1}{2}$ ) pay shall not be granted sick leave when in receipt of compensation.

(l) Sick leave may be granted in one (1) or more periods, but the aggregate amount of leave on pay provided for must not be exceeded.

(m) (i) The basis for determining the sick leave which may be granted to a permanent officer shall be ascertained by crediting the officer with the following periods, such sick leave to be cumulative:—

	Leave on Full Pay. Weeks.	Leave on Half Pay. Weeks.
On date of permanent appointment	1	$\frac{1}{2}$
On completion of six months' service on permanent staff	1	$\frac{1}{2}$
On completion of 12 months' service on permanent staff	2	1
On completion of each additional 12 months' service on permanent staff	2	1

(ii) To determine the sick leave for which a permanent officer is eligible, the sick leave that has been granted during his permanent service at rates of full pay and half pay respectively shall be deducted from the periods ascertained under the provisions of paragraph (i) of this subclause, provided that in the event of departmental records not being available right back to the commencement of an officer's salaried service, the figure to be used as the amount of sick leave granted to such officer during the service of which there is no record, shall be ascertained by applying a formula agreed between the Commission and the Union.

(iii) After deduction has been made as provided in paragraph (ii) of this subclause, the period remaining at each rate of pay shall be the leave of absence for which the officer is eligible at the date of application, provided—

(a) that if after such deduction an officer with less than six months' service on the date of commencement of this amended subclause would at that date have less than one week on full pay and one-half week on half pay to his credit, then his credit at that date shall be increased to those amounts.

(b) that if after such deduction an officer with not less than six months' service on the date of commencement of this amended subclause would at that date have less than two weeks on full pay and one week on half pay to his credit, then his credit at that date shall be increased to those amounts, but any credit in excess of the required minimum under the heading of either full pay or half pay shall be applied in reduction of any debit under the other heading or used to establish the required minimum credit under that heading.

(iv) The maximum period allowable with pay in respect of any continuous absence shall not exceed 39 weeks on full pay and 22 weeks on half pay.

(v) Where an officer has been granted 61 weeks' continuous leave with pay he shall not be entitled to receive further leave with pay until he has completed a period of duty of not less than four weeks.

(vi) Debits for sick leave granted shall be on the basis of a working week or a part of working week, and shall include all public holidays occurring during the period of sick leave, provided that where an officer resumes duty on a day immediately succeeding a public holiday then the leave shall be regarded as expiring on the working day preceding such holiday.

(vii) If an officer falls sick while on annual leave and produces at the time satisfactory medical evidence that he is unable to leave the house, he may, with the approval of the Commission, be granted at a time convenient to the Commission, additional leave equivalent to the period of sickness falling within the rostered period of annual leave, provided that the period of sickness is at least one week. Subject to sick leave credits, the period of certified sickness shall be paid for and debited as sick leave.

(viii) An officer absent on approved long service leave, leave without pay, or an officer who is stood down in pursuance of the provisions of clause 29 of this Award, shall not be eligible for sick leave under this clause during the currency of such approved leave or stand down.

(n) (i) An appointee from the wages staff to the salaried staff shall be permitted to retain his sick leave credit at the time of his permanent appointment to the salaried staff or be credited with one week's sick leave on full pay and one-half week's sick leave on half pay, in accordance with subclause (m) (i), whichever is the greater credit.

(ii) In lieu of the provisions of subclause (m), paragraphs (i) to (v), Temporary Clerks, as provided for in clause 23 and those temporary officers covered by clause 33, shall be credited with sick leave (which shall be cumulative) as under:—

- (a) Officers with six (6) or less than six (6) months' service—Nil.
- (b) Officers with more than six (6) months' service—One week on full pay for each completed six (6) months' service.
- (c) If a temporary officer is subsequently appointed in a permanent capacity, he shall be permitted to retain his sick leave credit at the time of his permanent appointment, or be credited with one week's sick leave on full pay and one-half week's sick leave on half pay, in accordance with subclause (m) (i), whichever is the greater credit.

(o) The provisions of subclauses (m) and (n) became effective from 21st day of September, 1951, by Order No. 5 of 1951.

(l) A female clerk who has been retained on the maximum margin prescribed in subclause (d) for a period of five years, and who is not in receipt of the allowance provided in subclause (k) of this clause shall, subject to the certification of the head of the branch as to her good conduct, diligence and efficiency, be paid an allowance of £20 per annum.

(m) A female clerk who has completed not less than twenty years of continuous permanent service shall be paid an allowance of £20 per annum, such allowance to be in addition to the allowance provided in subclauses (k) or (l) of this clause.

(n) Officers occupying the positions set forth in the attached schedule shall be paid a salary not less than the minimum provided for the class in which such position has been classified: Provided that, where an officer has been on the minimum intermediate or maximum of his class he shall be advanced to the equivalent range under this schedule. Officers who are classified on range of salary outside the schedule of salaries shall be advanced similarly to those coming under the general schedule. Provided that the foregoing provisions of this subclause shall not apply to any specified position which has been re-classified.

(o) Officers (other than juniors) occupying all other positions will be paid the salary set forth in sixth class subclause (b).

(p) Any officer over 21 years of age who has passed the pay officers' examination and is engaged in paying salaries or wages half or more of his time shall be classified in the fifth class.

(q) Advancement from minimum to maximum of any class, including male junior and female junior and adult scales, shall be by yearly increment: Provided such advancement shall be approved by the Commission, upon satisfactory report from the head of the branch in which the officer is employed, of his or her conduct, diligence and efficiency, and provided also, that the advancement in salary shall not be granted to an officer if the Commission determines that such officer has not performed his or her duties satisfactorily for the preceding 12 months, or that such officer has been guilty of misconduct which, in the opinion of the Commission, justifies the postponement or refusal of the advancement.

(r) An officer who is unable from any cause to perform the duties of his position and is in consequence provided with employment in another position in a lower class shall, unless the Commission directs otherwise, be paid the maximum rate for the class in which he has been provided.

(s) An officer who has been promoted and has not taken up his new position shall be paid at the salary margin applicable to the new position after three months from the date of his appointment unless the delay is due to circumstances beyond the control of the Commission, provided that where an appeal has been lodged to the Promotions Appeal Board, the date of appointment shall be deemed to be the date of the decision of the Board.

(t) Nothing in this Award shall be deemed to limit the power of the Commission to pay any officer at a higher rate than that prescribed in any case, where it may consider the same to be merited or warranted by the officer occupying such position.

(u) The rates of pay for all officers shall be subject to adjustments in accordance with basic wage declaration of the State Arbitration Court; provided that the basic wage payable shall be the nearest multiple of £5 to the result obtained by multiplying the State weekly basic wage by fifty-two and one-sixth (52 1/6th).

Award.

Conditions of Service.

1.—Term of Award.

This Award shall operate from 2nd April, 1955, and shall remain in force for three years from that date: Provided that either party shall have

the right to apply for a variation of the same after the expiration of six months, as provided for under section 21 of the Act.

#### 2.—Area and Scope of Award.

This Award shall apply to all managers, assistant managers, relief managers, manageresses and supervising officer, dining and buffet cars, etc., Perth, employed in the Refreshment Services Section of the Western Australian Government Railways.

#### 3.—Interpretations.

"General Award" means Award No. 1 of 1954. Clause 3 of the General Award to apply.

#### 4.—Hours of Duty.

There shall be no fixed hours of duty for officers under this Award whose attendance (or that of the wife) will be regulated by the reasonable requirements of the public according to train services or other exigencies.

#### 5.—Saturday and Night Work.

(a) All time worked on Saturdays shall be paid at time and a half.

(b) All time worked between the hours of 12.1 a.m. and 6 a.m. and 8 p.m. and 12 midnight, Mondays to Fridays inclusive, shall be subject to an allowance of sevenpence (7d.) per hour.

#### 6.—Sunday Time.

(a) Officers when called upon for Sunday duty shall, if the work is of such a nature that it cannot be carried out within the usual working hours of duty, be paid for all time worked on Sunday at the rate of double time, Christmas Day and Good Friday to be considered as Sundays insofar as this subclause operates.

(b) The following shall be the scale for calculating Sunday time:—

(i) Less than a quarter ( $\frac{1}{4}$ ) of an hour worked in continuance of a shift beginning on a Saturday or in commencement of a shift terminating on Monday—Nil.

(ii) Any officer brought on duty on Sunday shall be paid a minimum of a quarter ( $\frac{1}{4}$ ) day's pay at the rate applicable to the day: Provided that this shall not apply in the case of a shift starting on Sunday and continuing into Monday.

(iii) If an officer works a broken shift on Sunday a minimum of a quarter ( $\frac{1}{4}$ ) day's pay at the rate applicable to the day shall be paid for each section. No broken shift shall consist of more than two parts.

(iv) Where the break of shift is less than four (4) hours continuous time shall be paid for, provided that one hour for any meal may be booked off without pay at an appropriate time.

#### 7.—Travelling Time.

(a) An officer will be credited with ordinary time when travelling on duty for the first eight (8) hours, and at half time thereafter up to a maximum of eight (8) hours in any one day.

(b) Any officer stationed in a suburban area who has to take up duty temporarily in such area shall be credited with any time occupied in travelling to and from his place of temporary employment in excess of that usually occupied in travelling from his home to his regular place of employment.

(c) If travelling time is not adjusted during the week in which it is incurred, such time will be paid for at ordinary rates.

(d) When a sleeping berth is occupied, travelling time between 10 p.m. and 7 a.m. shall not be counted.

(e) When travelling by sea or air, time beyond ordinary day's hours shall not be counted.

(f) This clause shall not apply to officers on transfer.

## 8.—Leave of Absence—Annual.

(a) (i) After twelve (12) months' continuous service officers shall be entitled to annual paid leave of three (3) weeks and Public Service holidays or days in lieu thereof.

(ii) Days in lieu of Christmas Day and Good Friday will not be granted where double time has been paid in respect of work performed on those days pursuant to the provisions of clause 6 (a) of this Award.

(iii) If any Public Service holiday falls within an officer's period of annual leave and is observed on a day which would have been an ordinary working day there shall be added to that period one day being an ordinary working day for each such holiday observed as aforesaid.

(b) Leave of absence shall be calculated to the close of each financial year. Officers shall be paid for annual leave and days granted in lieu of Public Service holidays at their classified rates of pay, provided that if immediately before such leave is taken the officer is entitled to payment for acting in a higher capacity and has been so entitled for a period of not less than one (1) month continuously, one period of annual leave and days granted in lieu of Public Service holidays shall be paid for at the rate applicable to such higher capacity position.

(c) The leave shall be taken out at a time convenient to the Department before the 30th June following the year for which it fell due. (d) In urgent cases leave in addition to the foregoing may be granted, without pay, for a period not exceeding six months; any public holidays falling due during the period in which an officer is on leave without pay shall not be paid for.

(e) Subject to proviso hereto, any officer with more than six (6) months' service who may resign or be dismissed from the service, shall be entitled to receive payment for any holidays *pro rata*: Provided that, if an officer be dismissed for being under the influence of liquor, or for drunkenness, he shall be entitled to be paid for such leave (if any), as was due up to the 30th June previous and, if dismissed for peculation or theft, tampering with ticket issues, or manipulation of the books of the Department, he shall not be entitled to payment for any holidays.

(f) If a deceased officer leaves a widow, dependent children, mother and/or invalid sister, payment *pro rata* of annual leave shall be granted to such dependant or dependants.

(g) When an officer leaves the service for any cause and is entitled to *pro rata* leave, such leave shall only be calculated up to the last day worked, except when paid sick leave follows working time, when leave shall be calculated to the day on which such sick leave payment ceased.

(h) (i) The Commission shall prepare and exhibit a roster not later than the 30th September in each year showing the date it is intended to clear the leave due to each officer.

(ii) Leave rosters must not be departed from except with the consent of the officers concerned or for reasons of sickness, accident or emergency traffic requirements. Where an officer's leave has been deferred he shall be notified within one month of deferment of the date on which he will again be booked off for annual leave and this date shall become the rostered date.

(iii) With the approval of the head of the branch or his deputy, an officer may exchange leave dates with another officer.

(iv) No general deferment of leave shall take place except by agreement between the Commission and the Union.

(d) If a deceased officer leaves a widow, dependent children, mother and/or invalid sister, payment *pro rata* of long service leave shall be granted to such dependant or dependants.

(e) (i) Officers regressed to the wages staff and reappointed to the salaried staff, or appointees from wages to salaried staff shall, for the purpose of this clause, be treated as if the whole of their service had been served on the salaried staff; subject to the proviso that officers who had less than ten (10) years' salaried service but more than ten (10) years' wages service, and salaried service combined as at 1st January, 1927, shall be entitled to the first period of leave on that date.

(ii) For the next period of leave the qualifying service will be ten (10) years from the 1st January, 1927, and for subsequent leave the qualifying service will be seven (7) years from the 1st January, 1937.

(f) Any officer who resigns or is retired from the service, except as provided for in subclause (g), shall be paid for long service leave due at the time of resignation or retirement. The time of resignation or retirement means the last day such officer worked.

(g) Any officer who retires or is retired upon reaching the retiring age, or through ill-health, shall be paid for long service leave *pro rata*.

(h) When an officer leaves the service for any cause and is entitled to *pro rata* leave, such leave shall only be calculated up to the last day worked, except when paid sick leave follows working time, when leave shall be calculated to the day on which such sick leave payment ceased.

(j) An officer shall be given at least one (1) month's notice before he is booked off on long service leave.

(ii) Where in the case of such illness the manager is provided with assistance, his sick leave entitlement shall be debited with one-third of the period during which such assistance is provided.

## 12.—Away-from-home Allowance.

Allowances to meet the travelling expenses of officers will be paid as under:—

(a) Daily allowance for first 10 days—

	Per Day.
	s. d.
(i) Officers in Classes (a) and (b)	32 6
(ii) Officers in Classes (c), (d) and (e)	30 0

(c) The daily rate shall represent in equal portions the expenses for three (3) meals and a bed. For the purpose of computing expenses in the case of arrival at home station, breakfast shall be allowed for if arrival is later than 8 a.m., lunch if later than 1 p.m., tea if later than 6 p.m., and bed if later than 11 p.m. When an officer is proceeding away from home, breakfast shall be paid for if departing at or before 8 a.m., lunch if at or before 1 p.m., tea if at or before 6 p.m., and bed if at or before 11 p.m. When an officer does not incur expense in obtaining sleeping accommodation, the bed allowance shall not be payable unless approved by the head of the branch.

(d) (i) An officer absent from his home station (not temporarily lodging away from his home station) shall be paid six shillings (6s.) for his second and each succeeding meal.

(ii) If such an officer in fact incurs expense additional to that which he would have incurred at his home station in procuring his first meal, and submits proof satisfactory to the Commission of such additional expense, he shall be reimbursed the actual additional expense incurred up to a maximum amount of five shillings (5s.).

(e) When a sleeping berth is provided, the bed allowance will not apply, except when a bed has been paid for elsewhere for a portion of the night.

(f) An officer on a weekly rate of expenses sleeping at a barracks where no other accommodation is available shall be charged the sum of twelve shillings and sixpence (12s. 6d.) per week.

(g) Incidental expenses such as cab fares and cartage of personal luggage, will be allowed, provided the time away from home station is sufficient to warrant such expenditure.

(h) Where an officer required to work after his usual finishing time cannot reasonably be expected to go to his home or lodging for a meal, he shall, subject to the approval of the head of the branch, be allowed any expense incurred in obtaining a meal, up to a maximum of five shillings (5s.). This clause shall not operate where the excess time does not exceed one (1) hour.

(i) In cases where an officer is engaged at other than his home station in receipt of weekly rate of allowance, and is temporarily away from such station, the daily allowance will be paid in lieu of the weekly rate for the period of such temporary absence for twenty-four (24) hours or over; if the absence is less than twenty-four (24) hours, reasonable actual expenses will be paid.

(j) Where an officer is relieving on expenses for a period of less than four (4) weeks, he shall not receive greater payment for relieving expenses than he would have received if he had been relieving for four (4) weeks.

(k) An additional allowance of fifteen per cent. (15%) shall be granted an officer not stationed at Southern Cross or Kalgoorlie when travelling Southern Cross and Eastward thereof.

(n) Any unmarried officer who is required to undertake duties away from his headquarters, and who remains at one foreign station for a period exceeding four (4) weeks shall be paid an allowance at the rate of fifty-five shillings (55s.) per week: Provided that this provision shall not apply where an officer is able to return to his home station daily.

(o) Subclauses (b), (j) and (n) will not apply until an officer has received information that his stay at one place will be of such duration as to bring him under the provision of these subclauses.

(p) In the case of officers whose salaries have been placed in a range outside the fixed classes, the away from home allowance shall be paid at the rate provided for the class in which the minimum rate of salary of the officer concerned is embraced.

(q) When the officer is relieving at a station and is assisted by his wife or other approved person, the allowances provided in subclauses (a), (b), (d) and (h) shall be doubled, provided expense is incurred by both persons.

(r) In special cases the above scale may be increased by the Commission.

(s) The foregoing provisions of this clause shall not apply to officers for whom the Department provides board and/or lodging during such time as board and/or lodging is provided. Further provided that in any special circumstances approved by the head of the branch the officer shall be entitled to a recoup of expenses actually incurred at a rate decided by the Commission.

### 13.—Transfer Allowance.

(a) Any officer transferred from one station to another over one (1) mile distant involving a change of residence shall—

(i) be paid such out-of-pocket expenses (if any) as the Commission in its discretion shall decide to have been reasonably incurred;

(ii) be granted free passes for self and family and free railway transport of his furniture and effects, including one (1) cow or two (2) goats and one (1) dog;

(iii) no officer shall lose time by reason of being transferred.

(d) The granting of an allowance in excess of that provided to meet special cases shall be at the discretion of the Commission.

(e) Officers transferred to districts necessitating travelling a full night shall be supplied with sleeping berths for themselves and families on trains which have the accommodation: Provided such berths are available.

(f) No married officer shall be transferred for a less period than three (3) months. If required to work temporarily away at another depot or station for relief or other purposes for a less period, he shall be entitled to the provisions of clause 12.

(g) Officers stationed within the Goldfields areas shall be entitled to transfer with expenses to metropolitan or coastal area after a period of three (3) years, and such transfer, upon request, shall be arranged as soon thereafter as the exigencies of the service will permit.

(h) At least ten (10) days' notice shall be given to an officer required to transfer permanently from one station to another.

### 14.—District Allowance.

(a) Married officers shall be paid allowances as under:—

Kalgoorlie—£10 per annum.

Southern Cross—£15 per annum.

(b) The rate of district allowance which may be paid to a single officer shall be one-half ( $\frac{1}{2}$ ) of that paid to a married man.

(c) Where an officer stationed in a district carrying an allowance is on long service leave, no allowance will be paid unless the officer or his family remain in such district.

(d) An officer brought away temporarily for relief purposes from a district carrying an allowance shall be paid the allowance provided such officer's family remains in such district.

(e) District allowances shall not apply when an officer is absent without pay, and in the case of an officer leaving the service for any cause and due for payment in lieu of holidays, allowance shall not be paid for the period of such holidays.

#### 15.—Free Passes, Privilege Tickets, Etc.

(a) After twelve (12) months' continuous service an officer shall be allowed three (3) first class passes per annum, as under:—

One station to station pass on the occasion of the annual or long service leave, to cover the full term of leave due.

Two privilege passes from one given station to another and return.

In addition to the officer, the passes shall be available for his wife and members of his family under eighteen (18) years of age unmarried, unmarried daughters over eighteen (18) years of age, and the parents of an officer: Provided they are resident with and dependent upon him for support. A widower with his child or children resident with him and who regularly employs a housekeeper may at the discretion of the Commission be granted passes for such housekeeper. In like manner, an unmarried officer supporting younger brothers and/or sisters may be granted such passes for such housekeeper.

(b) Upon request, an officer may be granted a separate station to station pass for his wife and dependants, as mentioned in subclause (a) hereof, where it is inconvenient for both to travel at the same time.

(c) After six (6) months' continuous service, an officer shall be entitled to the passes mentioned in subclause (a) in proportion to length of service. Should any officer through illness be unable to use his station to station pass on the occasion of his annual leave, he shall be entitled to the use of such pass on the occasion of taking leave without pay during the year in which same is due.

(d) An officer who resigns or is retired from the service and has leave due shall be granted a free pass, station to station, for the term of such holidays: Provided that, should an officer not have given the requisite notice or obtained the consent of the Commission to leave the service, as provided for in clause 17, he shall forfeit all claim to any passes he would otherwise have been entitled to under the provisions of this clause.

(e) On the production of the prescribed certificate, free tickets will be issued to an officer, for the sole purpose of attending approved classes at the Railway Institute.

(f) Officers in isolated parts may be issued free passes at the discretion of the head of the branch for the purpose of obtaining medical, optical and dental attention.

(g) Free passes shall not apply to race specials, guaranteed specials or special excursion trains within a fifty (50) mile radius, or when, in the opinion of the station master at the station where the officer desires to commence his journey, there is not ample room on the train.

(h) Privilege Tickets.—After six (6) months' continuous service, an officer shall be allowed privilege return tickets for himself, wife and members of his family under eighteen (18) years of age; also unmarried daughters over eighteen (18) years of age, and his parents, provided they are resident with and dependent upon the officer's earnings. The charge for privilege tickets be half ( $\frac{1}{2}$ ) the single fare for the return journey, with a minimum of one shilling and sixpence (1s. 6d.) for adults and ninepence (9d.) for children.

(i) For the purpose of this clause, a member of the family shall be deemed to be dependent: Provided such member's income does not exceed sixty shillings (60s.) per week, exclusive of old age or invalid pension; but a member of the family temporarily out of employment shall not be deemed to be dependent.

Provided that with the approval of the Commission the manager may be assisted by a female relative, or other approved person, in lieu of a wife.

(7) Where the Commission requires an officer to "live in" and board and lodging is provided by the Department, the Commission will be entitled to deduct from the salary of the officer the amount of one pound per week in respect of each the officer and his wife (or other approved assistant). If full board and/or lodging is not provided by the Department, a proportionate amount representing the value of the board and/or lodging actually provided shall be deducted.

(8) Where full board and lodging is not provided by the Department, the Commission will be entitled to deduct from the salary of the officer the following amount per head for the officer and his wife or other approved assistant.

Where board only is provided—fifteen shillings (15s.) per week.

(ii) The term "children" covers the children of the manager. No other person shall be provided with board and/or lodging, wholly or partly, at any time, without the express approval of the Commission and at rates assessed by the Commission in which case the Commission may deduct such charges from the salary of the manager.

(10) Where the Commission requires an officer to "live in" and is unable to provide board and lodging the officer shall be paid one pound (£1) per week in respect of each himself and his wife (or other approved assistant) in addition to the salaries provided in classes (a), (b) and (c) above. (11) When an officer is on annual or long service leave, or leave without pay, and does not continue to receive board and lodging, no deduction shall be made for the period involved. Unless otherwise arranged the resident manager and family must vacate during periods of leave, or other occasions when unable to carry out the duties of manager.

duties satisfactorily for the preceding 12 months, or that such officer has been guilty of misconduct, which, in the opinion of the Commission, justifies the postponement or refusal of the advancement.

(13) Nothing in this Award shall be deemed to limit the power of the Commission to pay any officer at a higher rate than that prescribed in any case, where it may consider the same to be merited or warranted by the officer occupying such position.

(14) The allowances prescribed in subclauses (7) to (11) inclusive above may be reviewed from time to time and varied by mutual agreement between the parties. In the event of the parties failing to agree, the matter shall be determined by the Board.

(15) The margins shown in subclauses (1), (2) and (3) relating to managers in classes (a), (b) and (c) shall be paid over and above a basic rate at the time of issue of this Award, viz., Metropolitan Area £403, South-West Land Division £405, and Goldfields and other districts £423 per annum, respectively, which figures are arrived at by taking the basic wage of the State Court of Arbitration which applied as at 30th March, 1949, and adding 25 per cent. of the increases in such basic wage to date. The basic rates for such positions shall be adjusted to the extent of twenty-five per centum (25%) of any subsequent variation of the State basic wage as declared from time to time, provided that the basic rate payable shall be the nearest £ to the result obtained by multiplying the said 25 per cent. variation per week by fifty-two and one-sixth (52 1/6th). Provided also that when an officer covered by subclauses (1), (2) or (3) is on paid leave and does not continue to receive board and lodging, the basic rate as defined in subclause (16) shall apply in lieu of the basic rate in this subclause for such period as board and lodging is not received.

(17) When through lack of staff or because of exigencies the manager and/or his wife or relative is required to carry out duties at refreshment rooms which it is proper for other members of the staff to perform, they may be paid an allowance to cover such duties as the Commission in its discretion may determine.

In witness whereof this Award has been signed by the Chairman, this 4th day of April, 1955.
