(d) If any prescribed holiday falls within a worker's period of annual leave, and is observed on a day which, in the case of that worker, would have been an ordinary working day, there shall be added to that period one (1) day being an ordinary working day for each such holiday observed as aforesaid.

(e) If after one (1) month's continuous service in any qualifying twelve-monthly period a worker lawfully leaves his employment, or his employment is terminated by the employer through no fault of the worker, the worker shall be paid one-sixth (1/6th) of a week's pay at his ordinary rate of wage in respect of each completed month of continuous service.

(f) Any time in respect of which a worker is absent from work, except time for which he is entitled to claim sick pay, or time spent on holidays or annual leave as prescribed by this Award, shall not count for the purpose of determining his right to annual leave.
