Note.—(i) Except where otherwise specifically provided, "experience" shall mean experience with any hospital covered by this Award. Provided that experience with hospitals not covered by this Award shall be taken into consideration by the employer in fixing an employee's rate of wage. In the event of a dispute between the employer and the Federation in relation to the foregoing, the matter shall be referred to a Board of Reference for determination.

(ii) The onus of proof of previous experience shall rest on the employee concerned, who shall produce a certificate signed by her previous employer or employers setting out the details of such previous experience.

#### 8.—Average Occupied Beds.

(a) For the purpose of ascertaining the daily average of occupied beds the average shall be taken for six (6) months ending 30th June and 31st December in each and every year, and such average shall relate to the salary for the succeeding half year. In the event of a hospital not having been open for the required period, the salary to be paid shall be such as may be agreed upon by the employer and the Federation, and if no agreement is arrived at, determined by the Board of Reference appointed hereunder.

(b) Babies receiving attention shall be included in calculating the daily average; provided, however, that no newborn baby shall be included in making the calculation for the first seven (7) days in the hospital.

(c) Out-patients shall be included in calculating the average, three hundred and fifty (350) out-patients in each six (6) months period counting as one (1) occupied bed.

#### 9.—Hours.

The ordinary working hours for sisters, nurses and student nurses covered by this Award shall be:—

(a) At hospitals within a radius of twenty-five (25) miles from the General Post Office, Perth and Kalgoorlie, forty (40) hours per week, exclusive of meal times, provided that for student nurses at Kalgoorlie, Royal Perth Hospital and Fremantle Hospital the hours worked shall be in straight shifts of eight (8) hours each. Provided further that for student nurses at Princess Margaret Hospital and King Edward Memorial Hospital, straight shifts shall be worked as soon as practicable.

(b) At hospitals, except Wooroloo and Kalgoorlie, outside a radius of twenty-five (25) miles from the General Post Office, Perth, eighty (80) hours per fortnight, exclusive of meal times.

(c) At Wooroloo Hospital, one hundred and sixty (160) hours per four weeks, exclusive of meal times. Provided that the hours for student nurses at this institution shall be worked in straight shifts of eight (8) hours each.

(d) Student nurses at registered part-time training schools under the Nurses' Registration Act shall work in shifts of not more than eight (8) hours; provided such shifts shall not exceed a spread of twelve (12) hours.

(e) At hospitals which come under the provisions of paragraph (a) of this clause those on day duty shall be allowed one and a half (1½) days continuous time off duty per week, and those on night duty shall be allowed one and a half (1½) days continuous time off duty per week or three (3) days continuous time off per fortnight.

Similar provisions shall apply in hospitals which come under the provisions of subclause (b) hereof, where reasonably practicable and where it is not practicable and the days off duty as specified are missed and not taken within four (4) weeks, equivalent time shall be added to the annual leave of the employee, or in the case of a casual employee it shall be paid for when the employment terminates. The provisions of this clause shall not apply in the case of student nurses working straight shifts of not more than eight (8) hours.

(f) At Wooroloo Hospital, six (6) days continuous time off duty in every four (4) weeks shall be allowed, which provision shall also apply to student nurses.

(g) The foregoing provisions of this clause shall not apply to matrons, assistant matrons, sub-matrons, principal tutors, nor to the Deputy Matron, Royal Perth Hospital.

(h) Notwithstanding anything to the contrary in this section and at the option of the employer, sisters employed at the Royal Perth Hospital in clinics or departments which function during the

normal clerical hours of duty on Mondays, Tuesdays, Wednesdays, Thursdays, Fridays and Saturdays may be granted hours of duty together with public holidays and annual leave as are generally applicable to the clerical staff employed in the out-patients' department of the said Royal Perth Hospital. The daily hours of duty shall include a break of not more than one hour for lunch and such time shall not be included as part of the normal working week of thirty-eight (38) hours.

(i) In addition to the time off duty hereinbefore provided, nurses and sisters engaged in x-ray work or radium work, shall be allowed such other time off duty as in the opinion of the medical officer in charge of such work may be necessarily consequent upon such work for the purpose of maintaining or restoring them to normal health, and all such time shall be computed as part of the normal working time and there shall be no reduction in the salary in respect thereof.

(j) Notwithstanding anything to the contrary, the ordinary working hours for sister in charge of radium ward and who is required to prepare and/or handle the radium needles or plaques shall be thirty-five (35) hours per week.

(k) Morning and afternoon tea shall be provided by the employer. The time allowed for such break shall not exceed seven (7) minutes which shall be taken when convenient to the employer, without deduction of pay for such time.

(l) Where an employee is required to travel as part of her duty, such travelling time shall be considered as part of her working time, and there shall be no reduction in respect thereof.

(m) Where any employee is required to perform duty in connection with not more than two infectious cases, the limitation of hours as specified herein shall not apply, and such employee shall be paid under this and the next following clauses for twelve (12) hours duty in each day, i.e., eight (8) hours at ordinary rates and four (4) hours at overtime rates. This shall not apply to a hospital within twenty-five (25) miles of the General Post Office, Perth, or the Wooroloo Hospital, or the Kalgoorlie Hospital.

(n) Night duty in North-West hospitals and Goldfields hospitals (except training schools) where the staff including the matron is three (3) or more shall not exceed seven (7) consecutive nights when a majority of the employees who are required to do night duty so decide, in which case it shall rotate after seven (7) nights.

(o) Should a student nurse carry out eight (8) or more consecutive weeks of night duty, then such student nurse shall not be rostered again for night duty for at least twelve (12) weeks from the last day of the preceding period of night duty except at the written request of the student nurse.

(p) The provision of this clause (except sub-clauses (k), (l) and (m)) shall not apply to hospitals where the daily average of occupied beds does not exceed six (6), in which case there shall be no fixed hours of duty.

#### 11.—Holidays.

(a) Every employee covered by this Award, where not otherwise provided for, shall be entitled to four (4) weeks leave on full pay for each twelve (12) months service.

(b) An employee with more than one (1) months service, and in the case of a student nurse three (3) months service, who may resign or be dismissed, except the dismissal is due to misconduct, shall be entitled to pay for holidays *pro rata* up to the time of her leaving the service in such proportion as her period of employment bears to the number of days in the year.

(c) Every employee shall receive at least fourteen (14) days previous notice of the commencement of her leave. For the purpose of ascertaining the approximate time of annual leave a roster shall be kept in all hospitals of over 20 bed average, giving the necessary information. The roster shall be placed on a notice board in some convenient place for inspection by employees.

(iv) This clause shall not apply when there is in existence a special agreement for long service leave. If an employee has been employed continuously by several employers, whether the Minister for Public Health or a hospital board or boards established under the Hospitals Act, 1927, or as a district sister under clause 32 of this Award, her service shall be counted as continuous for the purpose of qualifying for long service leave; provided she has been employed for a minimum period of two (2) years by each employer, unless the employee submits a reason which in the opinion of such employer is a good and sufficient reason for entering into employment with another employer before the expiration of two (2) years service.

The employee must furnish written proof of such continuous service. The employer at the time of the application for long service leave shall be the person responsible to the employee for long service leave and payment therefor.

(c) A "triennial period" shall be three (3) years preceding the date of the commencement of absence through illness in respect of which leave is claimed.

(d) If sickness is due to the wilful neglect or default of the worker, the proof whereof lies upon the employer, it shall, if granted, be without pay.

### 14.—Termination of Service.

(a) Except in the case of dismissal for misconduct, an employee's services shall not be terminated unless she has received fourteen (14) days previous notice or pay for such period in lieu thereof.

(b) No employee shall, without the consent of her employer, resign without first having given fourteen (14) days previous notice of her intention so to do, and in the absence of such notice the employer may withhold holiday or other pay up to the amount of fourteen (14) days wages: Provided that this shall not apply in the case of a nurse who has received a summons for duty with any of the armed forces of Australia.

(c) An employee dismissed for misconduct shall have the right of appeal against such dismissal to an Industrial Magistrate or Police or Resident Magistrate, or such other person as may be agreed upon by her with her employer, and such employee shall be entitled to a written statement as to reason for her dismissal from her employer within fourteen (14) days of the said employer's having received a written request for such statement.

Meal times shall be 8 a.m., 1 p.m. and 6 p.m. Sixpence (6d.) for each morning and afternoon tea shall be allowed when travelling, at 11 a.m. and 4 p.m. Reasonable portage shall also be allowed. Claims for taxi fares must be supported by receipts for the fares claimed.

Provided that if she was originally engaged in Perth and has been employed continuously at more than one public hospital without returning to Perth, then she shall be entitled to first-class accommodation and travelling allowance to Perth, should she desire to return there.

And also provided that should an employee elect to return to her place of engagement or to Perth by any other conveyance than by rail, she shall be entitled upon production of receipts to actual transport expenses incurred; but such transport expenses shall not exceed the amount of either a first-class rail, boat, plane and/or coach fare at the employer's option, from the place of her last employment to the place of her engagement or to Perth, as the case may be.

(j) The employer, with the consent of the Court, may discharge a student nurse from service and cancel the agreement for misconduct or wilful disobedience or any other cause which the Court may deem sufficient: Provided, however, the employer shall be entitled to impose any other disciplinary measures as are provided in the indentures.
