3.—Interpretations.

In this Agreement, the following expressions shall, unless the contrary intention appears, have the meaning hereby respectively applied to them, namely:—

"Margin over the basic rate" means the grade on which an officer is being paid in accordance with the "Public Service Salaries Agreement, 1954," between the said parties hereto and any amendments thereto, or any new agreements made in substitution thereof.

"Metropolitan area" means that area within a radius of fifteen (15) miles from the Perth Railway Station.

"South-West Land Division" means the South-West Division as defined by section 28 of the Land Act, 1933-1953, and as depicted in the Appendix A hereto, excluding the area contained within the Metropolitan Area.

"Other areas" means the State of Western Australia, excluding the Metropolitan Area and the South-West Land Division.

"Public service holidays" means the days mentioned in section 57 of the Public Service Act, 1904-1954, and any other days which the Governor may appoint as public service holidays under the said Act.

"Grace days" means holidays other than public service holidays granted by a permanent head, with the approval of the Commissioner, to some or all of his staff between Christmas and New Year.

4.—Overtime.

(a) The following work, when carried out by direction of the permanent head and with the approval of the Commissioner, shall be classed as overtime:—

- (i) All work performed on Sundays, public service holidays other than grace days, and after 11.30 a.m. on Saturdays.
- (ii) All work performed before or after customary working hours on week days.
- (iii) All work performed up to 11.30 a.m. on Saturday mornings where a five-day working week customarily applies.

Provided that where the Commissioner's prior approval has not been obtained the officer concerned shall have the right to appeal to the Commissioner if a claim for overtime is refused.

(b) Payment for overtime on the basis specified in subclause (e) shall only apply to an officer whose margin over the basic rate does not exceed the maximum margin prescribed for Class 6 in Schedule A of the "Public Service Salaries Agreement, 1954," between the same parties hereto, and any amendments thereto, or any new agreements made in substitution thereof: Provided that time off in lieu thereof shall be granted where an officer so elects in writing before commencing to work such overtime. An officer whose margin over the basic rate exceeds the maximum margin prescribed for Class 6 shall be allowed equivalent time off, such time off to be taken at the convenience of the department.

(c) An officer whose normal duties are not subject to close supervision by a senior officer or whose hours of duty are not definitely defined, shall not be entitled to claim overtime as provided for in subclause (e), except with the approval of the Commissioner.

(d) No claim for payment or time off shall be allowed in respect of any day on which the additional time worked amounts to less than one hour or less than a quarter of an hour after the first hour, provided that if the total additional time worked in any week exceeds 2½ hours, then such periods of less than one hour on any day shall be counted towards the completion of 2½ hours in a week.

(e) (i) When overtime is paid for, payment shall be made at the rate per hour ascertained by applying the following formulae:—

Week Days.

For the first five hours in any week—

Fortnightly Salary	5	
<u>75</u>	x —	4

For excess of five hours in any week—

Fortnightly Salary	3	
<u>75</u>	x —	2

Saturday Mornings up to 11.30 a.m.

For time worked when not part of the normal hours of duty—

Fortnightly Salary	3	
<u>75</u>	x —	2

Sundays and after 11.30 a.m. on Saturdays.

Fortnightly Salary	2	
<u>75</u>	x —	1

Public Service Holidays.

Payment for all work performed on a public service holiday other than a grace day shall be computed on the basis of ordinary time and shall be paid in addition to the day's pay which the officer would ordinarily receive in respect of such holiday.

(i) For the purpose of this subclause, "fortnightly salary" shall not include any district allowance, personal allowance, qualifications allowance and/or allowances for staff work or for performing special duties, unless otherwise approved by the Commissioner.

(f) When time off is taken in lieu of payment as provided herein, the same formulae shall apply, except as is prescribed in subclause (b) in respect of an officer whose margin over the basic rate exceeds the maximum margin prescribed for class 6.

(g) A break of at least 30 minutes must be made for meals between 12 noon and 2 p.m. when overtime is worked on a Saturday, Sunday or public service holiday, and between 5 p.m. and 7 p.m. on any day on which overtime is worked. Such breaks shall not be recognised as overtime.

(h) The amount of any commuted allowance to cover overtime shall not be approved without prior discussions between the Commissioner and the Association.

5.—Reimbursement of Meal Expenditure.

(a) If an officer is required to work prior to the usual commencing time or after the usual time for ceasing duty, he shall, when such additional duty necessitates taking a meal away from the usual place of residence, be reimbursed at the rate of 6s. 6d. for each meal purchased and shall be reimbursed the cost of each meal necessarily taken away from the usual place of residence on Saturdays, Sundays and public service holidays at the rate of 6s. 6d. per meal, provided that in each case the overtime worked before and after the meal break totals not less than two hours.

(b) Reimbursements for expenditure on meals as provided in subclause (a) shall be in addition to payment for overtime.

6.—Reimbursement of Travelling Expenses. Intrastate.

(a) Except as hereinafter provided, an officer who travels on official business within the State between—

- (i) his headquarters within the metropolitan area and a place outside the metropolitan area;
- (ii) his headquarters outside the metropolitan area and a place within the metropolitan area; or
- (iii) his headquarters outside the metropolitan area and another place outside the metropolitan area but at least 15 miles distant from his headquarters—

shall be allowed first class fares and shall be reimbursed at the rate stated adjacent to Item 1, 2, 3, 4 or 5 in Appendix B hereto, as the case may require, according to the nature of the travel involved, for expenses necessarily incurred in respect of such travel. Provided that—

- (i) the rate stated adjacent to Item 1 or 3 in Appendix B hereto, as the case may require, shall apply to all officers who travel on official business in the company of an officer ordinarily entitled to reimbursement at either of the aforesaid rates if such lastmentioned officer certifies that the conditions of this proviso have been satisfied;
- (ii) an officer who travels officially with a Minister of the Crown shall be reimbursed at the rate stated adjacent to Item 6 or 7 in Appendix B hereto, as the case may require, for expenses necessarily incurred whilst travelling in the company of the Minister;

- (iii) an officer who, when travelling on official business, stays at any government institution or travels in a ministerial railway coach in respect of which a charge is not made, shall only be reimbursed at the rate stated adjacent to Item 8 in Appendix B hereto for the period spent at such institution or on such coach;
- (iv) when an officer travels by railway and is provided with a sleeping berth, one-fourth deduction shall be made from the daily rate, except when a bed has been paid for elsewhere for a portion of the night and a certificate to that effect is supplied by the officer when lodging his claim; and
- (v) when an officer travels on board a vessel and the fare paid includes subsistence, reimbursement of expenses shall be at a rate equal to either fifteen per cent. of the passage money calculated on single fare or one-third of the appropriate rate stated adjacent to Item 1, 2, 3, or 4 in Appendix B hereto, whichever is the greater.

(b) The rates of reimbursement prescribed by subclause (a) shall be increased by the amount stated adjacent to Item 9 in Appendix B hereto when an officer travels on land or by air North of the 26th degree of South latitude, including Shark Bay.

(c) (i) An officer with headquarters located outside the metropolitan area who travels to Perth on official business and, as a result, is required to stay at a city hotel over one or more nights, shall be reimbursed at the rate stated adjacent to Item 10 in Appendix B hereto for expenses necessarily incurred in respect of such travel. If such country officer does not stay at a city hotel or is not absent from his headquarters overnight, any expenses necessarily incurred in respect of his travel to Perth shall be reimbursed at the appropriate rate prescribed by subclause (a).

(ii) For the purpose of this subclause a city hotel is any hotel included in the area bounded by Wellington Street in the North, the Swan River in the East and the South and George Street in the West.

(d) An officer stationed in the metropolitan area who is relieving at or temporarily transferred to any place within that area shall not be reimbursed the cost of midday meals purchased, but an officer travelling on duty within the metropolitan area which requires his absence from his headquarters over the usual midday meal period shall be reimbursed at the rate set out adjacent to Item 11 in Appendix B hereto for each meal necessarily purchased, provided that—

- (i) such travelling is not within the suburb in which the officer resides; and
- (ii) an officer's total reimbursement under this subclause for any one pay period shall not exceed the amount set out adjacent to Item 12 in Appendix B hereto.

Interstate.

(e) An officer stationed in Western Australia who travels on official business beyond the limits of the State but within the Commonwealth shall be allowed first class fares and shall be reimbursed at the rate stated adjacent to Item 13 in Appendix B hereto for expenses necessarily incurred in respect of such travel: Provided that—

- (i) when an officer travels by railway between Perth and Adelaide and the fare paid includes subsistence, reimbursement of expenses shall be at a rate equal to 15 per cent. of the single fare for such journey;
- (ii) when an officer travels on board a vessel and the fare paid includes subsistence, reimbursement of expenses for the time spent at sea or on board vessel shall be at a rate equal to either 15 per cent. of the passage money calculated on single fare or one-third of the appropriate rate stated adjacent to Item 1, 2, 3 or 4 in Appendix B hereto, whichever is the greater; and

- (iii) an officer shall be reimbursed at the rate stated adjacent to Item 13 in Appendix B hereto for any period spent in travelling by aircraft to and from Perth or in travelling by aircraft or railway between other States.

General.

(f) A daily rate prescribed by this clause shall represent in equal proportions the expenses for three meals and a bed. For the purpose of computing expenses in respect of arrival at or departure from an officer's headquarters, breakfast shall be allowed for if arrival is later or departure earlier than 8 a.m.; lunch if arrival is later or departure earlier than 1 p.m.; tea if arrival is later or departure earlier than 6 p.m.; and bed if arrival is later than 11 p.m.: Provided that, if on account of lack of suitable regular transport facilities an officer necessarily engages lodging in Perth or other place in which his headquarters are situated, for the night prior to commencing travelling in order to travel by an early morning transport, he shall be reimbursed the reasonable cost of such lodging in addition to such other reimbursements authorised by subclause (g).

(g) An officer who travels on official business shall, in addition to any reimbursement of expenses at the appropriate rate prescribed by this clause, be reimbursed reasonable incidental expenses such as tram, bus and motor fares if, in the opinion of the permanent head, such expenses were warranted.

(h) Reimbursement of expenses at the rates prescribed by this clause shall not be suspended should an officer become ill whilst travelling, provided leave for the period of such illness is approved in accordance with the provisions of the Public Service Regulations.

(i) Where it can be shown to the satisfaction of the Commissioner by the production of receipts or other evidence that reimbursement at the rates prescribed in this clause would be insufficient to meet an officer's reasonable out-of-pocket expenses, he shall be paid the difference fully to reimburse him.

(j) Reimbursement of travelling expenses for a period exceeding fourteen days in any one month shall not be passed for payment to any officer by a certifying officer until the endorsement of the permanent head has been obtained on the account.

(k) In all cases where commuted amounts for reimbursement of travelling expenses and cost of conveyance are in operation at the date of the coming into force of this Agreement, such commuted amounts shall continue to obtain, but may be subject to review by the Commissioner at any time.

(l) The headquarters of an officer engaged on more than one work shall be considered to be the place in which the principal work is carried out, as defined by the permanent head.

(m) An officer shall use State-owned transport unless otherwise approved by the permanent head.

(n) Whenever an officer does not travel by State-owned transport as per subclause (m) he shall be repaid the actual cost of the necessary and most economical means of conveyance upon furnishing receipts for payment. Receipts shall not be required for any amounts under 5s., but in lieu thereof a certificate on the account form must be made as follows:—

I certify that the sum of.....has been actually expended by me on public service.

(o) No officer shall engage other vehicles when there are public conveyances available when required.

(p) When circumstances necessitate the hire of a motor car or other special means of transit, a special report shall accompany the account.

(q) Unless specially authorised by the permanent head, taxi fares will not be allowed when the distance can be traversed by the ordinary modes of conveyance by rail, tram, omnibus or other means of public transport.

7.—Reimbursement of Transfer Expenses.

(a) Except as provided in subclause (d), an officer who is transferred to a new locality shall, in addition to payment of any district allowance, be reimbursed in respect of his living expenses at the rate stated adjacent to either Item 1 or 2 in Appendix C hereto, as the case may require, for a period of fourteen days after arrival at his new headquarters: Provided that, if an officer is required to travel on official business during the said period of fourteen days, such period shall be extended by the time spent in travelling. Under no circumstances, however, shall the provisions of this subclause operate concurrently with those of clause 6 so as to permit an officer to be reimbursed in respect of both travelling and transfer expenses for one and the same period.

(b) The rates of reimbursement prescribed by subclause (a) shall be increased by the amount stated adjacent to Item 3 in Appendix C hereto when an officer is transferred North of the 26th degree of South latitude including Shark Bay.

(c) If an officer who is transferred to a new locality is unable to obtain suitable accommodation for the transfer of his home within the period of fourteen days referred to in subclause (a), he may, after the expiration of the fourteen days, be reimbursed in respect of his living expenses at such rate as may be approved by the Commissioner until such reasonable time as he is able to secure suitable accommodation.

(d) An officer when first transferred from his established headquarters to a camp under conditions which would ordinarily invoke the operation of the provisions of clause 9, shall be paid an allowance of ten pounds (£10) in respect of the period of the first seven days. Thereafter the provisions of clause 9 shall apply. No other allowance (except district allowance, if applicable) shall be paid during the aforesaid period of seven days.

(e) The provisions of clause 6, subclauses (1) to (q) inclusive, shall have equal application to this clause.

8.—Reimbursement of Relieving Expenses.

(a) An officer relieving another or on special work away from his usual headquarters and who in consequence has in addition to his own maintenance to maintain an establishment elsewhere, shall, in addition to payment of any district allowance, be reimbursed in respect of his living expenses at the rate stated adjacent to either Item 1 or 2 in Appendix D hereto, as the case may require, up to a maximum period of twenty-one days after arrival at the new locality.

(b) If the period of relief or special duty away from usual headquarters exceeds the twenty-one days referred to in subclause (a), an officer shall be reimbursed at the rate stated adjacent to either Item 3 or 4 in Appendix D hereto, as the case may require, for the period in excess of twenty-one days: Provided that if the latter period exceeds twenty-eight days the approval of the Commissioner shall be obtained to the continuance of the reimbursement.

(c) The rates of reimbursement prescribed by subclauses (a) and (b) shall be increased by the amount stated adjacent to Item 5 in Appendix D hereto, when an officer is transferred North of the 26th degree of South latitude including Shark Bay.

(d) An officer relieving another or on special work away from his usual headquarters who is put to expense which otherwise it would not be necessary for him to incur, shall, on satisfactory proof to the Commissioner, be reimbursed such expenses in a sum per day not exceeding the rates prescribed by this clause.

(e) The provisions of clause 6, subclauses (1) to (q) inclusive, shall have equal application to this clause.

9.—Camp Allowance.

(a) While stationed in a camp provided by a department an officer shall be paid an allowance at the rate stated adjacent to Item 1 or 2 in

Appendix E hereto, as the case may require, according to marital status: Provided that no such allowance shall be paid when an officer occupies either within or near the precincts of a camp a departmental house, fitted caravan or other similar accommodation for which no rent or hire charge is made.

(b) The rates prescribed by subclause (a) shall be increased by the amount stated adjacent to Item 3 in Appendix E hereto, when a cook is not provided in a camp.

(c) Payment of the allowance prescribed by subclause (a) shall be made on the basis of a seven-day week and no deduction shall be made when an officer does not spend the whole or part of his week-ends in camp: Provided that payment for any broken portion of a week shall be based on the appropriate daily rate for the number of days actually spent in camp.

(d) A single officer who supplies satisfactory proof that he is the main support of those who are related to him and reside in the State, may, with the approval of the Commissioner, be considered a married officer for the purpose of this clause.

(e) A married officer whose wife is domiciled outside the State shall be regarded as a single officer for the purpose of this clause.

(f) This clause shall be read in conjunction with clauses 6, 7 and 8 for the purposes of payment of allowances and payment of camp allowance shall not be made for any period in respect of which travelling, transfer or relieving expenses are reimbursed.

10.—Reimbursement of Removal Expenses.

(a) When an officer is transferred—

(i) in the public interest; or

(ii) in the ordinary course of promotion and transfer; or

(iii) on account of illness due to causes over which the officer has no control—

the actual reasonable cost of conveyance of such officer, as well as that of his wife and children under sixteen years of age or other children wholly dependent on him and, subject to the limitations defined in subclause (d), his furniture, including insurance of such furniture whilst in transit, will be reimbursed to the officer or, in the case of a single officer, an application for a similar reimbursement may be considered by the Commissioner on the recommendation of the permanent head.

(b) An officer who is transferred from one locality to another solely at his own request, or by exchange (except as provided for in subclause (a)), must bear the whole cost of his removal unless otherwise approved by the Commissioner.

(c) When an officer is transferred on account of misconduct, the cost must be borne by the officer in fault, unless otherwise determined by the Commissioner prior to removal.

(d) The maximum reimbursement for cost of conveyance of furniture, including insurance whilst in transit, shall be one hundred pounds (£100) unless a higher sum is approved by the Commissioner in any special case: Provided that only necessary household furniture and effects shall be taken into consideration. No reimbursement shall be made in respect of the removal of the following effects or others of a like nature:—Animals, poultry, dog kennels, clothes props, garden seats, timber or material connected with outside structures, boats, beehives, fuel, plants in boxes or pots.

(e) In providing for the cost of removal, an officer's motor vehicle may be taken into consideration, reimbursement in respect of which shall be as determined by the Commissioner.

(f) Furniture and effects, where practicable, shall be removed by railway.

(g) Before removal is undertaken, the officer shall, where practicable, obtain offers from at least two carriers which shall be submitted to the permanent head, who may authorise the acceptance of the more suitable, provided that the maximum amount prescribed by subclause (d) is not exceeded without the written approval of the Commissioner having first been obtained. A certificate shall also

be supplied by the officer to the effect that the furniture and effects in respect of which the quotes have been made do not contain any item referred to in subclause (d) for which reimbursement is not allowed.

(h) Vouchers must be produced for all sums paid.

(i) The permanent head may, in lieu of cost of conveyance, authorise payment of an amount not exceeding the maximum prescribed by subclause (d) to compensate for loss in any case where an officer with the prior approval of the permanent head, disposes of his furniture and effects instead of removing them to his new headquarters: Provided that such payment would not exceed the sum which would have been paid if such furniture and effects had been removed by the cheapest method of transport available.

11.—Travelling Time.

An officer who, in the course of his duties, is called upon to travel after the usual time for ceasing duty may, at the discretion of the Commissioner, be granted time off in respect of such time or part of such time spent in travelling.

12.—District Allowance.

(a) A married officer whose headquarters are situated in a town specified in Appendix F hereto or in a locality adjacent to a town specified therein, shall be paid a district allowance at the appropriate rate as stated in the said Appendix F.

(b) A single officer whose headquarters are situated in a town specified in Appendix F hereto or in a locality adjacent to a town specified therein, shall be paid a district allowance equal to one half of the rate prescribed by subclause (a) for a married officer whose headquarters are in the same town or locality: Provided that a single officer who supplies satisfactory proof that he is the main support of those who are related to him and reside in the State, may, with the approval of the Commissioner, be considered a married officer for the purpose of this clause.

(c) When an officer is on approved recreation leave he shall, for the period of such leave, be paid the district allowance to which he would ordinarily be entitled.

(d) When an officer is on long service leave or other approved leave with pay (except recreation leave) he shall only be paid district allowance for the period of such leave if his family or dependants remain in the district in which his headquarters are situated.

(e) If an officer leaves his district on duty, payment of district allowance shall cease after the expiration of two weeks unless otherwise approved by the Commissioner.

(f) Except as provided in subclause (e), district allowance shall be paid in addition to reimbursement of any travelling expenses or camp allowance provided the officer's headquarters are situated in one of the towns or localities specified in Appendix F.

13.—Payment of Hire for use of Officer's own Vehicle.

(a) The Commissioner may authorise a commuted amount for the keep or hire of horses, traps, motor vehicles, bicycles or any other conveyance belonging to an officer.

(b) An officer who is required to maintain a motor car or motor cycle for use when travelling on official business and who is not in receipt of a commuted amount in which the whole or portion of the cost of locomotion is included, shall, for journeys approved by the permanent head, be paid hire for such vehicle to cover all expenses in connection therewith, in accordance with the rates set out in Appendix G hereto.

(c) Where an officer in the course of a journey travels through two or more of the separate areas, payment of hire at the rates prescribed by subclause (b) shall be made at the appropriate rate applicable to each of the separate areas traversed.

(d) The Commissioner may increase the rates prescribed by this clause in any case in which he is satisfied that they are inadequate.

(e) A year for the purpose of this clause shall commence on the first day of July and end on the 30th day of June next following.

14.—Higher Duties Allowance.

(a) Except as hereinafter provided, an officer, other than one classified as a Relieving Officer, who acts in a position classified higher than that in which he himself is classified, shall, with the approval of the Commissioner, be paid higher duties allowance on the basis defined in subclause (c) for the whole period that he acts in such higher position; provided that—

(i) he performs the full duties and accepts the full responsibilities of the higher position for a continuous period of two weeks or more; and

(ii) he acts in the higher position for reasons other than the absence of the classified occupant thereof on normal annual leave.

(b) For the purpose of this clause the expression "normal annual leave" shall mean the annual period of recreation leave as referred to in Public Service Regulation 52 and shall include any public service holidays taken in conjunction with such annual recreation leave.

(c) An officer who acts in a higher position under the conditions prescribed in subclause (a) shall be paid higher duties allowance on the following basis—

(i) when acting in a higher position the minimum classified margin of which exceeds his own margin over the basic rate—an allowance equivalent to the difference between his own margin over the basic rate and the minimum classified margin of the position in which he is acting; or

(ii) when acting in a higher position the minimum classified margin of which does not exceed his own margin over the basic rate—an allowance equivalent to the difference between his own margin over the basic rate and the margin he would receive if he were permanently appointed to the position in which he is acting.

(d) No officer under the age of 21 years shall be permitted to relieve or act in a position classified higher than his own without the prior approval of the Commissioner.

(e) An allowance under this clause shall not be payable to a male or female officer under the age of 21 years.

(f) An allowance under this clause shall not be payable to a female officer when acting in a male position classified within the male clerical automatic range.
