(c) If after one month's continuous service in any qualifying twelve-monthly period a worker lawfully leaves his employment, or his employment is terminated by the employer through no fault of the worker, the worker shall be paid one-sixth of a week's pay at his ordinary rate of wage in respect of each completed month of continuous service.

(d) Any time in respect of which a worker is absent from work except time for which he is entitled to claim sick pay or time spent on holidays or annual leave as prescribed by this Award, shall not count for the purpose of determining his right to annual leave.

(e) In the event of a worker being employed by an employer for portion only of a year, he shall only be entitled, subject to subclause (c) of this clause to such leave on full pay as is proportionate to his length of service during that period with such employer, and if such leave is not equal to the leave given to the other workers he shall not be entitled to work or pay whilst the other workers of such employer are on leave on full pay.

(f) A worker who is dismissed for misconduct or who illegally severs his contract of service shall not be entitled to the benefit of the provisions of this clause.

This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

(b) A worker shall not be entitled to receive any wages from his employer for any time lost through the result of an accident not arising out of or in the course of his employment, or for any accident, wherever sustained, arising out of his own wilful default, or for sickness arising out of his own wilful default.
