The nomination forms must reach the Returning Officer not later than noon on the day fixed by the Returning Officer for the receipt of nominations. Each nomination must be endorsed by the candidate to signify his willingness, if elected, to act in the position or positions for which he has been nominated. If no nomination for any one vacant position is received before the prescribed time, the Returning Officer may extend the time for the receipt of nominations for such position for such period as he shall think fit.

45. Every employee whose name is recorded on a list for a section shall be entitled to vote for the election of duly nominated members of that section to serve in each of the three capacities, viz. member, deputy and substitute.

46. If only one nomination is received for the position of member, deputy or substitute in any section, the person nominated shall be declared elected.

47. When there is more than one nomination for any position a ballot shall be taken. The Commission shall appoint two scrutineers for each election, of whom one shall be a salaried officer and the other a wages employee. The Secretary of the Commission shall notify the Returning Officer of the names of the scrutineers so appointed.

48. When a ballot becomes necessary in accordance with Regulation 47 of these regulations, the Returning Officer shall, on receipt of nominations—

- (a) cause the names of the candidates to be published as soon as possible in a notice on all notice boards of the Commission;
- (b) appoint and publish in such notification the date and hour of the day at which the poll shall close; and
- (c) publish in such notification or in a later such notification the names of the scrutineers appointed.

49. Forthwith after the date for receipt of nominations the Returning Officer shall cause ballot papers and counterfoils to be printed in Forms "B" and "C" respectively in the schedule hereto; the ballot papers are to show a list of persons validly nominated for each of the two sections in alphabetical order of their surnames. The full Christian name of each candidate, and the section for which he is nominated shall also be shown on the ballot paper.

The Returning Officer, as soon as practicable after the list of voters has closed shall forward to each person entitled to vote—

- (a) one ballot paper for the section for which he is entitled to vote,
- (b) one counterfoil,
- (c) one ballot paper envelope, and
- (d) one envelope addressed to the Returning Officer.

The voter's name must not appear on the ballot paper.

50. Envelopes containing ballot papers and counterfoils may be delivered or sent by post to the Returning Officer or may be deposited in a locked and sealed ballot box provided by the Returning Officer at such centres as are approved by him. The Returning Officer shall appoint a person at each such centre in whose custody the box is to be retained and such person shall lock and seal the inner lid of the box before the insertion of any ballot papers. At the close of the poll this person shall lock and seal the outer lid of the ballot box and forthwith forward it to the Returning Officer.

51. The only ballot papers which shall be counted by the Returning Officer shall be—

- (a) those delivered to him or received by him by post prior to the closing of the poll, and
- (b) those deposited in the locked and sealed ballot boxes provided for the receipt of ballot papers at the centres approved by the Returning Officer.

52. No employee shall be compelled to vote.

53. As soon after the closing of the poll as may be practicable, the Returning Officer shall, in the presence of the scrutineers, proceed to ascertain and declare the results of the poll. The results of the poll shall be published in the *Government Gazette* and a notice placed on all notice boards of the Commission.

54. Should a candidate be nominated for, and receive the largest number of votes for two or more positions, he shall be declared elected to the higher or highest of such positions. For the purposes of this regulation the order of such positions from the highest to the lowest shall be (1) member (2) deputy, (3) substitute. In such cases the candidate receiving the next largest number of votes shall be deemed to be elected for the next lower position, provided that the Returning Officer shall, in order to determine the result of the election to such lower position, make a recount of the ballot papers. At such recount the name of the candidate who has been elected to the higher position and the preferences recorded in his favour shall be disregarded, and wherever his name has received first preference, the second preference shall be reckoned as first preference, and so on through the count with the various preferences.

55. The ballot papers after being counted shall be enclosed in a sealed packet and retained by the Returning Officer. The packet shall not be opened unless a scrutiny is demanded when such scrutiny shall be conducted by the Returning Officer and the two scrutineers. The Returning Officer shall retain the ballot papers in his custody for 28 days after the date of publication of the result of the poll in the *Government Gazette*, and shall then destroy them. Any application for scrutiny must be made in writing to the Returning Officer within 14 days after the publication of the result of the poll in the *Government Gazette* by not less than seven voters in the section concerned.

56. Whenever there is an equality of votes, the Returning Officer shall himself record a casting vote. Any candidate may, before the casting vote is given, withdraw from the election.

57. In all matters not herein provided for, the provisions of the Electoral Act, 1907-1953, in connection with Parliamentary elections shall be followed so far as they are or can with necessary adaptations be made applicable to the election of persons to serve on the Board.

58. Every notice for appeal to the Appeal Board shall be in Form "D" of the schedule hereto and shall be addressed to and lodged with secretary of the Commission.

59. The secretary of the Commission shall forward such notice to the chairman of the Appeal Board who, if such notice discloses a ground of appeal under section 36 of the State Electricity Commission Act, 1945-1955, shall fix a time and place for the hearing.

60. The secretary of the Commission shall cause notice of the time and place of the hearing to be given to members of the Board and to the appellant, and shall direct where necessary that arrangements be made to allow the appellant to attend the hearing.

61. The attendance of the appellant and his witnesses shall in the first instance and until the Board otherwise directs be at the appellant's cost. An appellant and witness who are employees of the Commission and who have been summoned to attend the hearing by the appellant shall for such purpose be granted leave of absence by the Commission and such leave shall (unless the Board otherwise directs) be without pay.

62. The chairman of the Board may at the request of the appellant or of the Commission issue a summons requiring the attendance of a witness at the hearing of any appeal. Such summons shall be served upon a witness not less than three clear days before the date of the hearing of the appeal. The appellant shall advise the secretary of the Commission forthwith of the issue by him of a witness summons addressed to an employee of the Commission. The secretary shall thereupon direct that if the witness summons is served on the employee, arrangements shall be made to allow the witness to attend the hearing.

63. Travelling expenses to be paid or tendered to a witness under section 36 subsection 7 (a) of the State Electricity Commission Act, 1945-1955, shall be—

- (a) an amount equal to the return fare by any system of public transport operating between the district in which the witness lives and the place of hearing of the appeal; or where there is no system of public transport operating between the district in which the witness lives and the district of the hearing of the appeal, mileage at the rate of 1s. per mile one way; and
- (b) an amount of 6s. for each meal and 10s. for each bed which the witness would ordinarily be expected to purchase or engage respectively during the time of travelling to and from the hearing of the appeal, and during the hearing of the appeal.

64. The fees for a witness who is an employee of the Commission shall be the ordinary salary or wages which would have been payable to the witness by the Commission for the period during which he was necessarily absent from his duties while travelling to and from the Appeal Board, and attending the hearing of the appeal.

65. The fees for a witness who is not an employee of the Commission shall be at the same scale as such witness would have received if he had attended a hearing in a Court of Petty Sessions instead of the hearing of the appeal.

66. Travelling expenses payable to a witness shall be at the rate set out in Regulation 64 of these regulations, provided however that in special circumstances the Board may decide that such rate shall not apply and may fix the expenses on a scale considered by the Board to be reasonable and applicable to the special circumstances involved.

67. The Board may order that the evidence of witnesses who are resident more than 20 miles from the place of the sitting of the Board be taken before a Resident or Stipendiary Magistrate, or if the witness is outside the State of Western Australia, before a person holding a position as nearly as possible equivalent to that of a Resident Magistrate. The person before whom the evidence is taken shall as soon as possible transmit a copy of the evidence of the witness to the chairman of the Board who shall supply a copy of the evidence to the Commission and to the appellant.

68. Officers appointed by the Returning Officer to assist in the issue of ballot papers and the scrutiny and count of votes shall be paid the fee prescribed in the regulations under the Electoral Act, 1907-1953, and the Returning Officer shall be paid 50 per cent. of the fee prescribed for a Returning Officer under the said regulations.

69. The chairman of the Board shall be entitled for his services as chairman to be paid by the Commission such allowances and expenses as the Governor may approve and the members of the Board shall be entitled for their services as members to be paid by the Commission such allowances and expenses as the Minister may approve.
