Payment hereunder may be adjusted at the end of each calendar year, or at the time the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred. This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

(b) Wages shall be paid weekly unless otherwise mutually agreed.

(b) If any award holiday falls within a worker's period of annual leave and is observed on a day which in the case of that worker would have been an ordinary working day, there shall be added to that period one (1) day being an ordinary working day for each such holiday observed as aforesaid.

(c) If after one (1) month's continuous service in any qualifying twelve-monthly period a worker lawfully leaves his employment or his employment is terminated by the employer through no fault of the worker, the worker shall be paid one-sixth (1/6th) of a week's pay at his ordinary rate of wage in respect of each completed month of continuous service.

(d) Any time in respect of which a worker is absent from work except time for which he is entitled to claim sick pay or time spent on holidays or annual leave as prescribed by this Award shall not count for the purpose of determining his right to annual leave.

(e) In the event of a worker being employed by an employer for portion only of a year, he shall only be entitled, subject to subclause (c) of this clause, to such leave on full pay as is proportionate to his length of service during that period with such employer, and if such leave is not equal to the leave given to the other workers he shall not be entitled to work or pay whilst the other workers of such employer are on leave on full pay.

(f) A worker who is dismissed for misconduct or who illegally severs his contract of service shall not be entitled to the benefit of the provisions of this clause.

15.—Board of Reference.

(a) A Board of Reference is hereby appointed for the purposes of the Award. Such Board shall consist of a chairman and two (2) other representatives, one to be nominated by each of the parties. There are assigned to such Board, in the event of no agreement being arrived at between the parties to the Award, the functions of—

(i) adjusting any matters of difference which may arise between the parties from time to time, except such as involve interpretations of the provisions of the Award or any of them;

(ii) deciding any other matter that the Court may refer to such Board from time to time.

(b) An appeal shall lie from any decision of such Board in the manner and subject to the conditions prescribed in the regulations to the Industrial Arbitration Act, 1912-1952, which for this purpose are embodied in this Award.

16.—Record.

The wages book (or wages sheets) of the employer shall be open for inspection by the Secretary, or an accredited representative of the Union, at the office of the Company during working hours, upon reasonable notice being given of the desire to inspect same.

17.—Interviewing Workers.

In the case of a disagreement existing or anticipated concerning any of the provisions of this Award, an accredited representative of the Union shall be permitted to interview the workers during the recognised meal hour and at the change of shift, on the business premises of the employer, but this permission shall not be exercised, without the consent of the employer, more than once in any one week.

18.—Inclement Weather.

Notwithstanding the provisions of clause 10 (Breakdowns) each worker (other than a casual worker) shall be paid an allowance at ordinary rates for time lost through inclement weather, subject to the following conditions:—

(a) That such allowance shall not exceed the equivalent of eight (8) hours' pay in any one week;

(b) that weather shall not be regarded as inclement for the purposes of this clause unless the employer, or his representative on the job, and the employee, or a representative of the employee, agree that it shall be so regarded. Failing such agreement, weather shall not be regarded as inclement and work shall continue;

(c) that any intermission of work owing to inclement weather, regarded as such aforesaid, shall immediately cease and work shall be immediately resumed on the employer or his representative calling for a resumption of work;

(d) that an employee shall not be entitled to payment as provided for in this clause unless he remains on the job until a decision to cease work for the day has been made by agreement between the employer or his representative and the employee or his representative;

(e) that the intermission of work by employees who would be exposed to or working in inclement weather, so regarded in accordance with this clause, shall not be a ground for intermission of work in places where employees are not so exposed to or are not called upon to work in such inclement weather.

19.—Leading Hand.

Any worker placed in charge of three or more other workers shall be paid at the rate of three shillings (3s.) per day extra whilst so employed.
