8.—Minimum Rates of Pay.

For work done by members the weekly rates of pay shall be as follows:—

	£	s.	d.
(a) State Basic Wage (Metro Area)	13	15	1
(b) Provided that the total weekly wages shall be:—			
Grade 1	27	1	9
Grade 2	25	18	9
Grade 3	22	10	0

9.—Classification of Members.

(a) Subject to the exceptions set out in sub-clause (e) of this clause members shall be classified by the employer in accordance with the following table:—

Number Employed	Grade 1	Grade 2	Grade 3
1	1	—	—
2	1	—	1
3	1	1	1
4	1	1	2

6	1	2	3
7	1	2	4
8	1	3	4
9	1	3	5
10	2	3	5

and thereafter in a similar manner.

(b) Any excess in any grade may be used to make up the number prescribed for any lower grade.

(c) Classification shall be for the purpose only of determining the minimum rates of pay to which members shall be entitled and not for the purpose of controlling or regulating the qualifications or work or duties to the employer.

(d) Where the classification proportions specified in subclause (a) of this clause are affected by any staff alterations, these proportions shall be restored within eight weeks when an appointment is made from outside the office and within four weeks when an appointment is made within the office.

(e) The following members shall be excluded from classification:—Casuals, cadets and members employed outside the State.

10.—Cadets.

(a) A "cadet" means an employee who is constantly or regularly in training for newspaper work, or who substantially does the work of one in training for newspaper work as a press photographer, and who has not had four years' experience in any such work.

(b) Periods of training in photography on any newspaper shall be taken into account in calculating the period of experience specified in subclause (a) of this clause.

(c) Except with the consent in writing of the Union, which consent shall not unreasonably be withheld, not more than one cadet, whether a member or non-member, shall be employed for two members on the graded staff up to six, after which one cadet for every four members, or part thereof, shall be employed.

(d) The minimum weekly rates of payment to cadets shall be the following percentages of the rates prescribed for Grade 3 members:—

	Per cent.
First year	50
Second year	60
Third year	75
Fourth year	85

The percentages shall be calculated as follows:—

Amounts up to and including 3d. shall be disregarded.

Amounts over 3d. and less than 9d. shall count as 6d.

Amounts of 9d. and over shall count as 1s.

(e) A cadet shall be fully and thoroughly taught and instructed by the employer in photographic journalism in accordance with the following syllabus:—

(1) Cadets shall be instructed progressively throughout their cadetship in their work and a responsible person shall supervise such training.

- (2) A person entering upon his cadetship shall be made familiar with the handling and publication of pictures.
- (3) Cadets may be required to attend lectures by senior journalists and/or other authorities on the theory and practice of journalism to the extent that such lectures will give them an appreciation of news values, including the use of photographs in newspaper production.
- (4) Cadets shall be given wide practical experience and instruction in press photography and shall not be restricted to one class of work unless they are being trained in a special branch of press photography.
- (5) Cadets from time to time shall accompany senior photographers on assignments to receive practical instruction.
- (f) The period of cadetship shall not exceed four years. In exceptional circumstances the employers may, with the consent of the Executive Committee of the Union (which consent shall not unreasonably be withheld) continue to employ at the rate prescribed for a fourth-year cadet any cadet who has completed four years of cadetship. The period or periods for which such an arrangement is to operate shall be determined by the Executive Committee. If the cadet's services are terminated by the employers without lawful cause during such period or periods he shall be paid the difference between the rate for a fourth-year cadet and the rate for a Grade 3 member from the time of the completion of his fourth year of cadetship to date of such determination. If the cadet voluntarily leaves his employment during or after such period or periods no extra payment shall be made.

11.—Termination of Services.

Subject to this clause, employment shall not be terminated by either the employers or the member except by notices of the following periods:—

- (a) In the first 26 weeks of service—one week.
- (b) Grade 1 members after 26 weeks of service—four weeks.
Grade 2 and Grade 3 members and cadets—two weeks.
- (c) In lieu of giving the notice prescribed in sub-clauses (a) and (b) hereof the employers may terminate the employment by equivalent payment.
- (d) A member who terminates his employment otherwise than in accordance with subclauses (a) and (b) hereof shall forfeit any salary that may be due to him.
- (e) Notwithstanding the provisions of sub-clauses (a) and (b) hereof, the employers shall have the right to dismiss a member without notice for refusal of duty, wilful and serious neglect of duty, disobedience of instructions or orders or misconduct and in such cases the salary shall be payable up to the time of dismissal only.
- (f) The periods of notice in this clause shall not run concurrently with any part of the four weeks annual holiday period provided in clause 19.

12.—Calculation of Time Worked.

(a) Except on a distant engagement as hereinafter provided, a member's time shall count continuously from the time of entering upon duty (as defined in sub-clause (b) hereof), until the time he signs off at the completion of the work for the day. When however, a member is permitted one hour off duty for a meal, and in fact takes time off for such meal, the employers shall be entitled to deduct one hour from the total time. If the time permitted for a meal is less than one hour, no time shall be deducted. Not more than one hour shall be deducted in any day.

(b) "Entering upon duty" means—

- (i) arrival at the office for the first time in the day to begin duty, or
- (ii) beginning the first engagement, whichever is the earlier.

A reasonable time shall be allowed in this case to cover the period required to reach the engagement from home, or from the temporary place of residence should a member be temporarily assigned to duty away from the city in which he is regularly employed.

13.—Hours of Employment.

(a) "Day Work" for the purpose of this part means work other than night work as defined in sub-clause (e) hereof.

(b) The ordinary weekly hours of duty on day work shall be 40, provided that, in the fortnights in which Christmas Day and Good Friday occur, the ordinary hours of duty shall be 72, and the number of working days shall be reduced by one.

(c) A member normally engaged on day work who is regularly required once or twice a week to work a shift extending beyond midnight shall, after five hours' continuous duty on that shift, be granted a supper period of not less than 30 minutes.

(d) All classified members and cadets on day work shall be given two clear days off duty in each week. Provided that, in the fortnights in which Christmas Day and Good Friday occur five clear days off shall be given. Any day or days not so given shall be given off in the succeeding week in addition to the days off for that week, or be paid for in accordance with subclause (i) of clause 16.

(e) "Night work" for the purpose of this part, means employment the greater part of which is after 8 p.m. A member so employed on three or more nights in any week, or a member beginning duty at 4 p.m. or later on three days in any week shall be regarded as a night worker for that week.

(f) Subject to sub-clause (g) hereof, the ordinary weekly hours of duty for night workers shall be 38.

(g) In the fortnights in which Christmas Day and Good Friday occur, the ordinary hours of duty on night work shall be 68 and the number of working days shall be reduced by one.

(h) A night worker shall be given two clear nights off duty in each week. Provided that, in the fortnights in which Christmas Day and Good Friday occur, five clear nights off duty shall be given. Any night or nights not so given off in the next succeeding week in addition to the nights off duty for that week shall be paid for in accordance with sub-clause (i) of clause 16. A night worker shall be notified at least the day before of any night or consecutive nights he is to be off duty.

(i) A member employed on night work shall be allowed a supper period of at least 20 minutes after not more than five hours' continuous duty.

(j) For the purpose of this clause, clear day or clear night off duty shall mean a period of 24 hours from the time the member actually ceases duty.

14.—Distant Engagements.

(a) "A distant engagement" means an assignment requiring a member to spend one night or more away from the city in which he is regularly employed, provided the member has had a reasonable rest period during such night or nights.

(b) A distant engagement shall begin from the time of departure from the city or town in which he is regularly employed and shall cease on the return of the member to that city or town. Provided that, if completion of the assignment reasonably required a member to continue working thereon on the day of his return, the distant engagement shall be deemed to continue until that further work on that day is completed.

(c) Nine-twenty-fourths of the time spent on a distant engagement shall be reckoned as ordinary hours of duty with a minimum of nine hours for each period of 24 hours or portion thereof.

(d) If a member engaged on a metropolitan assignment is called upon to begin a distant engagement on the same day, the calculation of the period of that day's duty shall begin at the time of entering upon duty for that day and shall continue for eight hours. Time on duty for the distant engagement shall then be calculated as provided for in sub-clause (c) hereof.

(e) If the nature of the distant engagement requires the member to be continuously at work on any day for more than 11 hours, irrespective of meal breaks, all time worked in excess of 11 hours shall be reckoned as overtime in accordance with sub-clause (c) of clause 16. Time occupied in travelling shall be excluded.

(f) If a member is called upon to resume work within 11 hours of completion of a distant engagement, he shall be paid overtime in accordance with sub-clause (d) of clause 16.

(g) When a member is absent on a distant engagement for fewer than 168 hours, he shall not be given any of his weekly days off during his absence, but within 14 days of his return, in addition to his normal weekly days off. If not, he shall receive payment as provided in sub-clause (i) of clause 16.

(h) When a member while on a distant engagement extending to 168 hours or more is not given his weekly days off duty, he shall be given them continuously beginning within 14 days of his return, in addition to his normal weekly days off. If not, he shall receive payment as provided in sub-clause (i) of clause 16.

(i) A member on a distant engagement shall complete a time docket in accordance with clause 17 (d) for the purpose of checking his hours of employment.

15.—Rosters.

Days off and nights off for all members shall be rostered every Friday for the following week, provided that the employers may in case of emergency or shortage of staff through sickness or other cause, which cannot be reasonably foreseen, depart from such roster, but, in any such case, shall give the member as long notice of such departure as possible and shall within seven days of such rostered day off give to such member days or nights off in lieu of days or nights off cancelled.

16.—Overtime.

(a) Any amount paid to a member in excess of the minimum rate to which he is entitled shall not be regarded as a set-off against overtime worked. The hourly rate for overtime purposes shall be calculated by dividing the number of ordinary weekly hours of employment into the minimum rate for the member's grade.

(b) All overtime payments due to a member shall be made within 14 days of the end of the week in which the overtime was worked.

(c) "Daily overtime" represents all time worked after the expiration of 11 hours from entering upon duty in any day and shall be adjusted as follows:—

- (i) The first hour may be allowed off duty in the current or next succeeding week in accordance with subclauses (f) and (g) hereof. If not allowed off, it shall be paid for at the rate of time and a half.
- (ii) Any overtime beyond one hour and up to three hours shall be paid for at the rate of time and a half; and thereafter at the rate of double time.
- (iii) It is agreed, however, that on Saturdays and into Sundays a member may be required to work 14 hours, including meal hours, without the right to claim overtime, if the weekly total of hours do not exceed 40.
- (iv) Not more than three members shall be required to work 14 hours on any day. All hours over 14 shall be paid for as overtime from one to three hours at the rate of time and a half and thereafter at the rate of double time.
- (v) Members shall be rostered for the late shift on Saturdays, and where the services of members are required after 12 hours the roster shall be maintained at least three weeks in advance.

(d) "Insufficient break" represents all time worked before the expiration of 11 hours from the completion of duty on one day and the resumption of duty, except during distant engagements and shall be adjusted as follows:—

- (i) If the break is less than eight hours, overtime shall be paid at the rate of double time for all work done before the expiration of 11 hours' break.
- (ii) If the break is eight hours or more, overtime shall be paid at the rate of time and a half for all work done before the expiration of the 11 hours' break.
- (iii) If a member is called upon to resume duty within 11 hours of completion of a distant engagement, overtime shall be paid for at the rate of time and a half for all work done before the expiration of the 11 hours' break.
- (iv) Time worked during any period of insufficient break shall not be included in the calculation of weekly hours.

(e) "Weekly overtime" represents all time worked in excess of 40 hours for day workers and 38 hours for night workers, or the reduced total hours occasioned by time given off in lieu of overtime, but excludes time already paid for or adjusted under subclauses (c) and (d) hereof.

Weekly overtime shall be adjusted as follows:—

- (i) The first eight hours may be allowed off duty in the next succeeding week in accordance with subclauses (f) and (g) hereof. Any of this time not allowed off shall be paid for at the rate of time and a half.
- (ii) Any overtime beyond eight hours shall be paid for at the rate of double time.
- (iii) Notwithstanding anything hereinbefore contained, any weekly overtime accrued during a distant engagement may be allowed off in full.

(f) Except as provided in sub-clause (e) (iii) hereof, the maximum number of hours which may be allowed off duty for overtime for any week shall be 10, made up by a total of eight in excess of the prescribed weekly hours and two for work in excess of 11 hours in any day or days in the preceding week.

(g) "Time off"—

- (i) When overtime liquidated by giving time off amounts to four hours or less, it shall be given off in one block of four hours, except as permitted in sub-clause (f) hereof in respect of daily overtime.
- (ii) When such overtime exceeds four hours and is less than eight hours, it shall be given off in not more than two units each of four hours.
- (iii) When such overtime is eight hours or more, it shall be given off in not more than two units, one of which shall be eight hours and the other not less than four hours.
- (iv) When a member is to be given four hours or more off duty for overtime worked, he shall be notified before he finishes work on the preceding day.

(h) Any time allowed off duty in lieu of overtime shall correspondingly reduce for that week the hours of 40 in the case of day work and 38 in the case of night work. All time worked in excess of the reduced total hours for that week shall be reckoned as overtime and dealt with in accordance with sub-clause (e) hereof.

(i) When a member is not given his weekly days or nights off duty as provided for in clause 13, he shall be paid at the rate of double time for all work done on any such day with a minimum payment for four hours. This provision also applies to the additional day or night off duty in the weeks in which Christmas Day and Good Friday occur. When such time is paid for, it shall not be included in the weekly hours.

(j) All work done in excess of the fortnightly hours of duty prescribed for the period in which Christmas Day or Good Friday occurs shall be paid for at the rate of double time.

(b) If a member is requested to undertake an assignment the performance of which would invalidate his personal assurance policies, or any of them, he shall immediately inform his employers in writing of such risk. Unless before such member enters upon such assignment, the employers give to such member notice in writing that they decline to indemnify such member and/or his dependants against such invalidation, such employers shall be bound to indemnify such member and/or his dependants against loss arising thereunder. If the employers give such notice declining to indemnify the member and/or his dependants the member shall be at liberty to decline the assignment.

No member shall be called upon to drive an office-owned car on any engagement unless he is made exempt by the employer from financial liabilities coverable by ordinary insurance during the whole period he is in charge of the car.

INDUSTRIAL AGREEMENT.

No. 4 of 1959.

Registered 6th July, 1959.

THIS agreement, made in pursuance of the Industrial Arbitration Act, 1912-1952, this 22nd day of June, 1959, between the Western Australian Gold Mines Supervisors Association Industrial Union of Workers (hereinafter called "the Union"), of the one part, and Lake View and Star Limited (hereinafter called "the Employer") of the other part, witnesseth that, for the considerations hereinafter appearing, the parties hereto mutually covenant and agree, that the Industrial Agreement No. 5 of 1953 entered into between the abovementioned parties on 13th April, 1953 and amended by No. 40 of 1955 and No. 5 of 1956, be further amended as follows:—

1. Amend Clause 2—Arrangement, by adding:—

15. Long Service Leave.

2. Add new clause:—

15. Long Service Leave:

(a) Entitlement to Leave.

A worker shall in respect of continuous service with one and the same employer be entitled to the long service leave as hereinafter prescribed.

(b) Period of Leave.

The amount of such entitlement in the case of a worker who has completed at least twenty (20) years' continuous service with one and the same employer shall be—

(i) in respect of the twenty (20) years' service so completed—thirteen (13) weeks' leave; and

(ii) in respect of each ten (10) years' service with such employer completed after such twenty (20) years—six and one-half (6½) weeks' leave.

(c) Pro Rata Entitlement on Termination.

(i) Where a worker has completed at least ten (10) years but less than fifteen (15) years of continuous service with one and the same employer and his employment is terminated by the employer for any cause other than serious misconduct, or by death during his employment, or by the worker on account of personal sickness or injury or domestic or any other pressing necessity where such personal sickness, injury or necessity is of such nature as, in the opinion of the employer or, in the event of a dispute, of the Special Board of Reference, to justify such termination, the worker shall be entitled (or, in the case of death, his personal representative shall be entitled) to such payment as equals a proportionate amount of leave in respect of the period of completed years of such service, on the basis of thirteen (13) weeks for twenty (20) years' service.

(ii) Where a worker has completed at least fifteen (15) years' continuous service with one and the same employer and his employment is terminated for any reason other than by the employer for serious misconduct, he shall be entitled (or, in the case of death, his personal representative shall be entitled) to such payment as equals a proportionate amount of leave in respect of the period of completed years of such service since the commencement of his continuous service, or since the last accrual of entitlement to leave, on the basis of thirteen (13) weeks for twenty (20) years' service.

(d) Calculation of Continuous Service.

(1) For the purpose of this clause, the following absences (whether before or after the commencement of this clause) shall not break the continuity of service and shall, subject to any limitation herein, count as service:—

(i) Absence in respect of any period during which the worker shall have served as a member of the Naval, Military or Air Forces of the Commonwealth of Australia (other than as a

member of the permanent forces of the Commonwealth of Australia except where such service occurs after 26th June, 1950, in Korea or Malaya and other than as a member of the British Commonwealth Occupation Forces in Japan), or as a member of the Civil Construction Corps established under the National Security Act, 1939 (as amended), or absence on compulsory service in any of the armed forces under the National Service Act, 1951 (as amended): Provided that the worker as soon as reasonably practicable on the completion of any such service resumes employment with the employer by whom he was employed immediately before the commencement of such absence.

(ii) Absence on any annual leave or long service leave.

(iii) Absence following any termination of the employment by the employer if such termination has been made merely with the intention of avoiding obligations under this Agreement in respect of long service leave or annual leave; and

(iv) absence necessitated by personal sickness or injury of which not more than fifteen (15) working days a year shall count as service.

(2) For the purposes of this clause the following absences (whether before or after the commencement of this clause) shall not break the continuity of service, but the period of such absence shall not count as service:—

(i) Absence following any termination of the employment by the employer on any ground other than slackness of trade, if the worker be re-employed by the same employer within a period not exceeding two (2) months from the date of such termination.

(ii) Absence during any standing down of a worker in accordance with the provisions of the relevant clause of this Agreement.

(iii) Absence following any termination of the employment by the employer on the ground of slackness of trade, if the worker is re-employed by the same employer within a period not exceeding six (6) months from the date of such termination.

(iv) Absence of the worker authorised by the employer at any time;

(v) Absence arising directly or indirectly from an industrial dispute, but only if the worker returns to work in accordance with the terms of settlement of the dispute; and

(vi) any reasonable absence of the worker on legitimate union business in respect of which he has requested and been refused leave.

(3) After the coming into operation of this clause, absence from work by reason of any cause, not being a cause specified in this sub-clause, shall not be deemed to break the continuity of service for the purpose of this clause unless the employer during the absence or within fourteen (14) days of the termination of the absence notifies the worker in writing that such absence will be regarded as having broken the continuity of service. Such notice may be given by delivering it to the worker personally or by posting it by registered mail to his last recorded address, in which case it shall be deemed to have reached him in due course of post.

(e) Service Before Commencement of Clause.

For the purpose of computing entitlement to leave, continuous service of a worker with one and the same employer immediately prior

to the coming into operation of this clause shall be taken into account, but only to the extent of the last twenty (20) completed years of such service.

(f) Time of Taking Leave.

Long service leave shall be granted and taken as soon as reasonably practicable after the right thereto accrues due or at such time or times as may be agreed between the employer and the worker or, in the absence of such agreement, at such time or times as may be determined by the Special Board of Reference, having regard to the needs of the employer's establishment and the worker's circumstances.

(g) Notice to Take Leave.

Except where the time for taking leave is agreed to, the employer shall give to a worker three (3) months' notice (where practicable), or in any case at least one (1) month's notice of the date from which his leave is to be taken.

(h) Broken Leave.

Long service leave shall be granted and taken in one continuous period or, if the worker and employer so agree, in not more than three (3) separate periods, in respect of the first thirteen (13) weeks' entitlement and in not more than two separate periods in respect of any subsequent period of entitlement.

(i) Granting of Leave Before Due Date.

(i) Any employer may by agreement with a worker allow long service leave to such worker before the right thereto has accrued due, but where leave is taken in such a case, the worker shall not become entitled to any further long service leave in respect of any period until after the expiration of the period in respect of which such long service leave had been taken before it accrued due.

(ii) Where long service leave has been granted to a worker pursuant to this subclause before the right thereto has accrued due, and the worker subsequently leaves or dies or is discharged from the service of the employer, the employer may deduct from whatever remuneration is payable upon the termination of the employment, a proportionate amount on the basis of thirteen (13) weeks for twenty (20) years' service in respect of any period for which the worker has been granted long service leave to which he is not at the date of the termination of his employment or prior thereto, entitled.

(j) Payment for Period of Leave.

(i) Each worker shall be paid for each week of leave his ordinary time rate of pay applicable at the date he enters upon the period of leave. Such ordinary time rate shall be for the standard hours prescribed by this Agreement, but in the case of casuals and part-time workers for the number of hours usually worked up to but not exceeding the prescribed standard.

(ii) Provided that, where by agreement between the employer and the worker, the taking of the leave due to the worker or any portion of it is postponed to meet the convenience of the worker, the rate of payment for such leave shall be at the ordinary time rate of pay applicable at the date of accrual, or, if so agreed, at the ordinary time rate of pay applicable at the date he enters upon the period of leave.

(iii) "Ordinary time rate of pay"—

- (a) shall not include shift premiums, overtime, penalty rates, commissions, bonuses, allowances or the like, except district allowance when the worker or his family or dependants remain in the award area, and industry allowance;
- (b) shall include any deductions from wages for board and/or lodging or the like which is not provided and taken during the period of leave;

(iv) Payment in the case of workers employed on piece or bonus work or any other system of payment by result shall be at ordinary time rates.

Liberty is reserved to the parties to apply to amend this subclause.

(k) Method of Payment.

Payment shall be made in one of the following ways:—

- (i) in full before the worker goes on leave; or
- (ii) at the same times as his wages would have been paid to him if the worker had remained at work, in which case payment shall, if the worker in writing so requires, be made by cheque posted to an address specified by the worker; or
- (iii) in any other way agreed between the employer and the worker.

(l) Payment on Termination for Leave Not Taken.

Where the employment of a worker is terminated and he has an entitlement to long service leave, the employer shall thereupon pay to the worker a sum equivalent to the amount which would have been payable in respect of the period of long service leave to which the worker would have been entitled if he had taken the same at the time of such termination.

(m) Payment on Death.

Where a worker dies during his employment and any long service leave to which he is entitled under this clause has not been taken or received in full by the worker, the employer shall, upon request by the personal representative of the deceased worker, pay to that representative the amount due in respect of such leave. The obligation of the employer to such worker in respect of long service leave shall be and shall be deemed to have been satisfied by such payment.

(n) Public Holidays and Annual Leave During Period of Leave.

Any long service leave shall be inclusive of any public holidays specified in this Agreement occurring during the period when the leave is taken, but shall not be inclusive of any annual leave.

(o) Transmission of Business.

For the purposes of this clause, where a business has, whether before or after the coming into operation of this clause, been transmitted from an employer (in this subclause called the transmitter) to another employer (in this subclause called the transmittee) and a worker who at the time of such transmission was a worker employed by the transmitter in that business becomes a worker employed by the transmittee—

- (i) the continuity of the service of such worker shall be deemed not to have been broken by reason only of the transmission; and
- (ii) the period of the continuous service which the worker has had with the transmitter (or any prior transmitter) shall be deemed to be continuous service of the worker with the transmittee.

In this subclause "transmission" includes transfer conveyance assignment or succession whether by agreement or by operation of law and "transmitted" has a corresponding meaning.

(p) Transfer of Workers to Associated Companies.

Where a worker, either at the request or with the consent of the employer being a company, transfers his employment to that of another company associated with that of the original employer, the continuity of the worker's service shall not be deemed to have been broken by reason only of such transfer and the period

of the continuous service the worker has had with the original employer shall be deemed to be continuous service with the company to which the worker transfers. For the purpose of this subclause, companies shall be deemed to be associated companies when one company is a subsidiary of the other or where two companies are each a subsidiary of a third company.

(q) Records to be Kept.

(i) Each employer shall during the employment and for a period of twelve (12) months (three (3) years in case of death) thereafter keep a record from which can be readily ascertained the name of each worker and his occupation, the date of the commencement of his employment and his entitlement to long service leave and any leave which may have been granted to him or in respect of which payment may have been made in accordance with this clause.

(ii) Such record shall be open for inspection in the manner and circumstances prescribed by this Agreement with respect to the time and wages record.

(r) Special Board of Reference.

(i) There shall be constituted a Special Board of Reference for the purpose of this clause to which all disputes and matters arising under this clause shall be referred and the Board shall determine all such disputes and matters.

(ii) There shall be assigned to such Board the functions of—

- (a) the settlement of disputes on any matters arising out of this clause;
- (b) the determination of such matters as are specifically assigned to it by this clause.

(iii) The Special Board of Reference shall consist of the Registrar of the Court or his deputy if he be unable to act as Chairman and one (1) representative nominated by the Chamber of Mines of W.A. (Incorporated) and one (1) by the Union.

(s) Prohibition of Working During Period of Leave.

(i) Subject to paragraph (ii) of this subclause, no worker shall, without the consent of the employer, during any period when he is on long service leave, engage in any employment for hire or reward. If a worker breaches this provision he shall, at the discretion of the employer, thereupon forfeit all his current leave rights under this clause and the employer shall be entitled to cancel any further payment in respect of those rights and to reclaim at law any payments already made on account of such period during which the worker was so engaged in employment.

(ii) This subclause shall not apply in the case of former workers who have received payment in lieu of leave on termination of their employment in accordance with subclause (c) of this clause.

(t) Exemptions.

Any employer who provides or proposes to provide a scheme for long service leave which, viewed as a whole, is more favourable to the worker than the provisions herein prescribed, may apply to the Court for exemption from the provisions of this clause and the Court may at its discretion refuse or grant such exemption, subject to such conditions (if any) as to the modification of the scheme or otherwise as the Court thinks desirable.

(u) The date of operation of this Agreement shall be deemed to be the 13th day of December, 1957 for the purposes only of the commencing date of operation of this Long Service Leave clause.

In Witness whereof the parties hereto have hereunto set their hands and seals the day and year first hereinbefore written.

ing meaning.

the amount of the leave shall be such proportion of 13 weeks' leave as the number of completed years of such service bears to 20 years.

(5) In the cases to which paragraphs (3) and (4) hereof apply the worker shall be deemed to have been entitled to and to have commenced leave immediately prior to such termination.

(ii) at the same time as his wages would have been paid to him if the worker had remained at work, in which case payment shall, if the worker in writing so requires, be made by cheque posted to an address specified by the worker; or

(iii) in any other way agreed between the employer and the worker.

(f) No worker shall, during any period when he is on leave, engage in any employment for hire or reward in substitution for the employment from which he is on leave, and if a worker breaches this provision he shall thereupon forfeit his right to leave hereunder in respect of the unexpired period of leave upon which he has entered, and the employer shall be entitled to withhold any further payment in respect of the period and to reclaim any payments already made on account of such period of leave.

(2) In a case to which paragraph (3) or paragraph (4) of subclause (c) applies and in any case in which the employment of a worker who has become entitled to leave hereunder is terminated before such leave is taken or fully taken the employer shall, upon termination of his employment otherwise than by death pay to the worker, and upon termination of employment by death pay to the worker's personal representative upon request by the personal representative, a sum equivalent to the amount which would have been payable in respect of the period of leave to which he is entitled or deemed to have been entitled and which would have been taken but for such termination. Such payment shall be deemed to have satisfied the obligation of the employer in respect of leave hereunder.

(f) Granting Leave in Advance and Benefits to be Brought into Account.

(1) Any employer may by agreement with a worker allow leave to such a worker before the right thereto has accrued due, but where leave is taken in such a case the worker shall not become entitled to any further leave hereunder in respect of any period until after the expiration of the period in respect of which such leave had been taken before it accrued due.

(2) Where leave has been granted to a worker pursuant to the preceding paragraph before the right thereto has accrued due, and the employment subsequently is terminated, the employer may deduct from whatever remuneration is payable upon the termination of the employment a proportionate amount on the basis of 13 weeks for 20 years' service in respect of any period for which the worker has been granted long service leave to which he was not at the date of termination of his employment or prior thereto entitled.

(3) Any leave in the nature of long service leave or payment in lieu thereof under the State law or a long service leave scheme not under the provisions hereof granted to a worker by his employer in respect of any period of service with the employer shall be taken into account whether the same is granted before or after the coming into operation hereof and shall be deemed to have been leave taken and granted hereunder in the case of leave with pay to the extent of the period of such

leave and in the case of payment in lieu thereof to the extent of a period of leave with pay equivalent to the amount of the payment and to be satisfaction to the extent thereof of the entitlement of the worker hereunder.

(4) An employer shall be entitled to offset any payment in respect of leave hereunder against any payment by him to any Long Service Leave scheme, Superannuation scheme, Pension scheme, Retiring Allowance scheme, Provident Fund, or the like or under any combination thereof operative at the 24th day of December, 1958.

(g) Records to be Kept.

(1) Each employer shall during the employment and for a period of 12 months thereafter, or in the case of termination by death of the worker a period of three years thereafter, keep a record from which can be readily ascertained the name of each worker and his occupation, the date of the commencement of his employment and his entitlement to long service leave and any leave which may have been granted to him or in respect of which payment may have been made hereunder.

(2) Such record shall be open for inspection in the manner and circumstances prescribed by this award with respect to the time and wages record.

(h) Special Board of Reference.

(1) There shall be constituted a Special Board of Reference for the purpose hereof to which all disputes and matters arising hereunder shall be referred and the Board shall determine all such disputes and matters.

(2) There shall be assigned to such Board the functions of—

(a) the settlement of disputes on any matters arising hereunder;

(b) the determination of such matters as are specifically assigned to it hereunder.

(3) The Board of Reference shall consist of one representative or substitute therefor nominated from time to time by the Western Australian Egg Marketing Board, and one representative or substitute nominated from time to time by the Western Australian Egg Marketing Board Employees' Union of Workers together with a Chairman to be mutually agreed upon by the organisations named in this paragraph or failing agreement to be appointed by the Court.

(i) State Law.

(1) The provisions of any State Law to the extent to which they have before the coming into operation hereof conferred an accrued right on a worker to be granted a period of long service leave in respect of a completed period of twenty (20) or more years' service or employment or an accrued right on a worker or his personal representative for payment in respect of long service leave shall not be affected hereby and shall not be deemed to be inconsistent with the provisions hereof.

(2) The entitlement of any such worker to leave in respect of a period of service with the employer completed after the period in respect of which the long service leave referred to in paragraph (1) hereof accrued due shall be in accordance herewith.

(3) Subject to paragraphs (1) and (2) hereof, the entitlement to leave hereunder shall be in substitution for and satisfaction of any long service leave to which the worker may be entitled in respect of employment of the worker by the employer.

(4) An employer who under any State Law with regard to long service leave is exempted from the provisions of that Law as at the 24th day of December, 1958, shall in respect of the workers covered by such exemption be exempt from the provisions hereof.

(j) Exemptions.

The Special Board of Reference may subject to such conditions as it thinks fit exempt any employer from the provisions hereof in respect of its employees where there is an existing or prospective long service leave scheme which, in its opinion is, viewed as a whole, more favourable for the whole of the employees of that employer than the provisions hereof,

(k) Liberty to Apply.

Liberty is granted to any party to this award to apply to the Court at any time for an appropriate variation of this clause if any of the terms and conditions operating under the code of Long Service Leave being negotiated between the Australian Council of Trade Unions and Federal Employers' Organisations is varied in any way.
