Any such officer who fails to do so shall be treated as absent without leave.

(b) Any officer so incapacitated for duty shall also notify his superior officer in sufficient time of the date on which he will be able to resume duty, to enable the necessary arrangements to be made.

(c) Should the absence be prolonged beyond two days, the officer shall, except as provided in subclause (d), forward to his superior officer on the third (3rd) day thereof a certificate from any legally qualified medical practitioner showing the nature of the illness and the probable duration.

(i) No payment will be made for any absence due to an officer's own fault, neglect or misconduct.

(k) When an officer is absent as a result of an accident which occurred on duty and is entitled to compensation in accordance with the provisions of the Workers' Compensation Act, and is due for sick leave on full pay, half ( $\frac{1}{2}$ ) the period of absence only shall be debited against sick leave. Officers due for sick leave on half ( $\frac{1}{2}$ ) pay shall not be granted sick leave when in receipt of compensation.

(iii) After deduction has been made as provided in paragraph (ii) of this subclause, the period remaining at each rate of pay shall be the leave of absence for which the officer is eligible at the date of application, provided—

- (a) that if after such deduction an officer with less than six months' service on the date of commencement of this amended subclause would at that date have less than one week on full pay and one half week on half pay to his credit, then his credit at that date shall be increased to those amounts;
- (b) that if after such deduction an officer with not less than six months' service on the date of commencement of this amended subclause, would at that date have less than two weeks on full pay and one week on half pay to his credit, then his credit at that date shall be increased to those amounts, but any credit in excess of the required minimum under the heading of either full pay or half pay shall be applied in reduction of any debit under the other heading, or used to establish the required minimum credit under that heading.

(iv) The maximum period allowable with pay in respect of any continuous absence shall not exceed 39 weeks on full and 22 weeks on half pay.

(v) Where an officer has been granted 61 weeks continuous leave with pay he shall not be entitled to receive further leave with pay until he has completed a period of duty not less than four weeks.

(vii) If an officer falls sick while on annual leave and produces at the time satisfactory medical evidence that he is unable to leave the house, he may, with the approval of the Commission, be granted at a time convenient to the Commission, additional leave equivalent to the period of sickness falling within the rostered period of annual leave: Provided that the period of sickness is at least one week. Subject to sick leave credits, the period of certified sickness shall be paid for and debited as sick leave.

(viii) An officer absent on approved long service leave, leave without pay, or an officer who is stood down in pursuance of the provisions of clause 29 of this Award, shall not be eligible for sick leave under this clause during the currency of such approved leave or stand down.

(n) (i) An appointee from the wages staff to the salaried staff shall be permitted to retain his sick leave credit at the time of his permanent appointment to the salaried staff or be credited with one week's sick leave on full pay and one-half week's sick leave on half pay, in accordance with subclause (m) (i), whichever is the greater credit.

(ii) In lieu of the provisions of subclause (m) paragraphs (i) to (v), Temporary Clerks, as provided for in clause 23 and those temporary officers covered by clause 33, shall be credited with sick leave, (which shall be cumulative) as under:—

This paragraph shall not be construed as having a retrospective effect, but in respect of an officer already qualified but not in receipt of the higher rate, he shall commence to receive the higher rate as from the date of coming into operation of this Award. Provided that prior service in a higher classification shall be counted as part of the qualifying period of seventeen (17) weeks.

(b) An officer called upon to occupy a higher position temporarily shall be entitled to increments as though he had been permanently promoted to such position: Provided that in the case of the first increment the officer shall have performed the higher duties for twelve (12) months continuous or broken period: Provided further, that the officer shall be entitled to receive a second increment if he shall have performed the higher duties for two (2) years continuous or broken period. (iv) Where the break of shift is less than four (4) hours continuous time shall be paid for, provided that one hour for any meal may be booked off without pay at an appropriate time.

## 8.—Leave of Absence—Annual.

(a) (i) After twelve (12) months' continuous service officers shall be entitled to annual paid leave of three (3) weeks and Public Service holidays or days in lieu thereof.

(ii) Days in lieu of Christmas Day and Good Friday will not be granted where double time has been paid in respect of work performed on those days pursuant to the provisions of clause 6 (a) of this Award.

(iii) If any Public Service holiday falls within an officer's period of annual leave and is observed on a day which would have been an ordinary working day, there shall be added to that period one day being an ordinary working day for each such holiday observed as aforesaid.

(b) Leave of absence shall be calculated to the close of each financial year. Officers shall be paid for annual leave and days granted in lieu of Public Service holidays at their classified rates of pay, provided that if immediately before such leave is taken the officer is entitled to payment for acting in a higher capacity and has been so entitled for a period of not less than one (1) month continuously, one period of annual leave and days granted in lieu of Public Service holidays shall be paid for at the rate applicable to such higher capacity position.

(c) The leave shall be taken out at a time convenient to the Department before the 30th June following the year for which it fell due. At the expiration of that time the leave shall lapse unless such leave shall have been deferred by the Department or the permission of the Commission is obtained for its accumulation.

(d) In urgent cases leave in addition to the foregoing may be granted, without pay, for a period not exceeding six months; any public holidays falling due during the period in which an officer is on leave without pay shall not be paid for.

(e) Subject to proviso hereto, any officer with more than six (6) months' service who may resign or be dismissed from the service, shall be entitled to receive payment for any holidays "pro rata": Provided that, if an officer be dismissed for being under the influence of liquor, or for drunkenness, he shall be entitled to be paid for such leave (if any), as was due up to the 30th June previous, and, if dismissed for peculation or theft from the Department, tampering with ticket issues, or manipulation of the books of the Department, he shall not be entitled to payment for any holidays.

(f) If a deceased officer leaves a widow, dependent children, mother and/or invalid sister, payment "pro-rata" of annual leave shall be granted to such dependant or dependants.

(g) When an officer leaves the service for any cause and is entitled to "pro-rata" leave, such leave shall only be calculated up to the last day worked, except when paid sick leave follows working time, when leave shall be calculated to the day on which such sick leave payment ceased.

(h) (i) The Commission shall prepare and exhibit a roster not later than the 30th September in each year showing the date it is intended to clear the leave due to each officer.

(ii) Leave rosters must not be departed from except with the consent of the officers concerned or for reasons of sickness, accident or emergency traffic requirements. Where an officer's leave has

been deferred he shall be notified within one month of deferment of the date on which he will again be booked off for annual leave and this date shall become the rostered date.

(iii) With the approval of the head of the branch or his deputy, an officer may exchange leave dates with another officer.

(iv) No general deferment of leave shall take place except by agreement between the Commission and the Union.

(b) Service prior to attaining the age of eighteen (18) years shall not count in computing long service leave.

(c) Any public holidays occurring during the period in which an officer is on long service leave will be calculated as portion of the long service leave, and extra days in lieu thereof shall not be granted.

(d) If a deceased officer leaves a widow, dependent children, mother and/or invalid sister, payment "pro rata" of long service leave shall be granted to such dependant or dependants.

(e) (i) Officers regressed to the wages staff and reappointed to the salaried staff, or appointees from wages to salaried staff shall, for the purpose of this clause, be treated as if the whole of their service had been served on the salaried staff; subject to the proviso that officers who had less than ten (10) years' salaried service but more than ten (10) years' wages service, and salaried service combined as at 1st January, 1927, shall be entitled to the first period of leave on that date.

(ii) For the next period of leave the qualifying service will be ten (10) years from the 1st January, 1927, and for subsequent leave the qualifying service will be seven (7) years from the 1st January, 1937.

(g) Any officer who retires or is retired upon reaching the retiring age, or through ill-health, shall be paid for long service leave "pro rata."

(h) When an officer leaves the service for any cause and is entitled to "pro rata" leave, such leave shall only be calculated up to the last day worked, except when paid sick leave follows working time, when leave shall be calculated to the day on which such sick leave payment ceased.

##### (a) Daily allowance for first 14 days—

	Per Day.	
	s.	d.
(i) Officers in Classes (a) and (b) ....	36	6
(ii) Officers in Classes (c), (d) and (e) ....	34	0

Daily expenses after 14 days' residence at the same place to be reduced by twenty per cent. (20%).

(b) Where a married officer is engaged at one station for one (1) continuous period of four (4) weeks or more, an amount at the rate of £8 5s. per week shall apply in lieu of the foregoing and shall operate as from the first (1st) day of taking up duty at such station.

(c) The daily rate shall represent in equal portions the expenses for three (3) meals and a bed. For the purpose of computing expenses in the case of arrival at home station, breakfast shall be allowed for if arrival is later than 8 a.m., lunch if later than 1 p.m., tea if later than 6 p.m., and bed if later than 11 p.m. When an officer is proceeding away from home, breakfast shall be paid for if departing at or before 8 a.m., lunch if at or before 1 p.m., tea if at or before 6 p.m., and bed if at or before 11 p.m. When an officer does not incur expense in obtaining sleeping accommodation, the bed allowance shall not be payable unless approved by the head of the branch.

(d) (i) An officer absent from his home station (not temporarily lodging away from his home station) shall be paid six shillings (6s.) for his second and each succeeding meal.

(ii) If such an officer in fact incurs expense additional to that which he would have incurred at his home station in procuring his first meal, and submits proof satisfactory to the Commission of such additional expense, he shall be reimbursed the actual additional expense incurred up to a maximum amount of five shillings (5s.).

(e) When a sleeping berth is provided, the bed allowance will not apply, except when a bed has been paid for elsewhere for a portion of the night.

(f) An officer on a weekly rate of expenses sleeping at a barracks where no other accommodation is available shall be charged the sum of twelve shillings and sixpence (12s. 6d.) per week.

(g) Incidental expenses such as cab fares and cartage of personal luggage, will be allowed, provided the time away from home station is sufficient to warrant such expenditure.

(h) Where an officer required to work after his usual finishing time cannot reasonably be expected to go to his home or lodging for a meal, he shall, subject to the approval of the head of the branch, be allowed any expense incurred in obtaining a meal, up to a maximum of five shillings (5s.). This clause shall not operate where the excess time does not exceed one (1) hour.

- (i) In cases where an officer is engaged at other than his home station in receipt of weekly rate of allowance and is temporarily away from such station, the daily allowance will be paid in lieu of the weekly rate for the period of such temporary absence for twenty-four (24) hours or over; if the absence is less than twenty-four (24) hours, reasonable actual expenses will be paid.
- (j) Where an officer is relieving on expenses for a period of less than four (4) weeks, he shall not receive greater payment for relieving expenses than he would have received if he had been relieving for four (4) weeks.
- (k) An additional allowance of fifteen per cent (15%) shall be granted an officer not stationed at Southern Cross or Kalgoorlie when travelling Southern Cross and Eastward thereof.
- (l) Where officers travel by steamer on which the fare paid includes sustenance an allowance of fifteen per cent (15%) of the passage money shall be paid in lieu of the ordinary travelling allowance.

- (n) Any unmarried officer who is required to undertake duties away from his headquarters, and who remains at one foreign station for a period exceeding four (4) weeks shall be paid an allowance at the rate of sixty-three shillings (63s.) per week: Provided that this provision shall not apply where an officer is able to return to his home station daily.
- (o) Subclauses (b), (j) and (n) will not apply until an officer has received information that his stay at one place will be of such duration as to bring him under the provision of these subclauses.
- (p) In the case of officers whose salaries have been placed in a range outside the fixed classes, the away from home allowance shall be paid at the rate provided for the class in which the minimum rate of salary of the officer concerned is embraced.
- (q) When the officer is relieving at a station and is assisted by his wife or other approved person, the allowances provided in subclauses (a), (b), (d) and (h) shall be doubled, provided expense is incurred by both persons.
- (r) In special cases the above scale may be increased by the Commission.
- (s) The foregoing provisions of this clause shall not apply to officers for whom the Department provides board and/or lodging during such time as board and/or lodging is provided. Further provided that in any special circumstances approved by the head of the branch the officer shall be entitled to a recoup of expenses actually incurred at a rate decided by the Commission.

#### 13.—Transfer Allowance.

- (a) Any officer transferred from one station to another over one (1) mile distant involving a change of residence shall—

(e) Officers transferred to districts necessitating travelling a full night shall be supplied with sleeping berths for themselves and families on trains which have the accommodation: Provided such berths are available.

(f) No married officer shall be transferred for a less period than three (3) months. If required to work temporarily away at another depot or station for relief or other purposes for a less period, he shall be entitled to the provisions of clause 12.

(g) Officers stationed within the Goldfields areas shall be entitled to transfer with expenses to metropolitan or coastal area after a period of three (3) years, and such transfer, upon request, shall be arranged as soon there-after as the exigencies of the service will permit.

(h) At least ten (10) days' notice shall be given to an officer required to transfer permanently from one station to another.

#### 14.—District Allowance.

(a) Married Officers shall be paid allowances as under:

Kalgoorlie—£15 per annum.

Southern Cross—£20 per annum.

(b) The rate of district allowance which may be paid to a single officer shall be one half ( $\frac{1}{2}$ ) of that paid to a married man.

(c) Where an officer stationed in a district carrying an allowance is on long service leave, no allowance will be paid unless the officer or his family remain in such district.

(d) An officer brought away temporarily for relief purposes from a district carrying an allowance shall be paid the allowance provided such officer's family remains in such district.

(e) District allowances shall not apply when an officer is absent without pay, and in the case of an officer leaving the service for any cause and due for payment in lieu of holidays, allowance shall not be paid for the period of such holidays.

#### 15.—Free Passes, Privilege Tickets, Etc.

One station to station pass on the occasion of the annual or long service leave, to cover the full term of leave due.

Two privilege passes from one given station to another and return.

In addition to the officer, the passes shall be available for his wife and members of his family under eighteen (18) years of age unmarried, unmarried daughters over eighteen (18) years of age, and the parents of an officer: Provided they are resident with and dependent upon him for support. A widower with his child or children resident with him and who regularly employs a housekeeper may, at the discretion of the Commission, be granted passes for such housekeeper. In like manner, an unmarried officer supporting younger brothers and/or sisters may be granted such passes for such housekeeper.

(b) Upon request, an officer may be granted a separate station to station pass for his wife and dependants, as mentioned in subclause (a) hereof, where it is inconvenient for both to travel at the same time.

(c) After six (6) months' continuous service, an officer shall be entitled to the passes mentioned in subclause (a) in proportion to length of service. Should any officer through illness be unable to use his station to station pass on the occasion of his annual leave, he shall be entitled to the use of such pass on the occasion of taking leave without pay during the year in which same is due.

(d) An officer who resigns or is retired from the service and has leave due shall be granted a free pass, station to station, for the term of such holidays: Provided that, should an officer not have given the requisite notice or obtained the consent of the Commission to leave the service, as provided for in clause 17, he shall forfeit all claim to any passes he would otherwise have been entitled to under the provisions of this clause.

(e) On the production of the prescribed certificate, free tickets will be issued to an officer, for the sole purpose of attending approved classes at the Railways Institute.

(g) Free passes shall not apply to the following trains or buses:—

(i) Race, hired, or guaranteed specials;

(ii) Special excursions within a distance of fifty (50) miles.

(h) Privilege Tickets.—After six (6) months' continuous service, an officer shall be allowed privilege return tickets for himself, wife and members of his family under eighteen (18) years of age unmarried, also unmarried daughters over eighteen (18) years of age, and his parents, provided they are resident with and dependent upon the officer's earnings. The charge for privilege tickets to be half ( $\frac{1}{2}$ ) the single fare for the return journey with a minimum of one shilling and sixpence (1s. 6d.) for adults and ninepence (9d.) for children.

(i) For the purpose of this clause a member of the family shall be deemed to be dependent, provided such member's income does not exceed sixty shillings (60s.) per week, exclusive of old age or invalid pension; but a member of the family temporarily out of employment shall not be deemed to be dependent.

(7) Where the Commission requires an officer to "live in" and board and lodging is provided by the Department, the Commission will be entitled to deduct from the salary of the officer the amount of one pound per week in respect of each the officer and his wife (or other approved assistant). If full board and/or lodging is not provided by the Department, a proportionate amount representing the value of the board and/or lodging actually provided shall be deducted.

(13) Nothing in this Award shall be deemed to limit the power of the Commission to pay any officer at a higher rate than that prescribed in any case, where it may consider the same to be merited or warranted by the officer occupying such position,

(14) The allowances prescribed in subclauses (7) to (11) inclusive above may be reviewed from time to time and varied by mutual agreement between the parties. In the event of the parties failing to agree, the matter shall be determined by the Board.

(15) The margins shown in subclauses (1), (2) and (3) relating to managers in classes (a), (b) and (c) shall be paid over and above a basic rate at the time of issue of this Award, viz., Metropolitan Area £421, South-West Land Division £423 and Goldfields and other districts £438 per annum, respectively, which figures are arrived at by taking the basic wage of the State Court of Arbitration which applied as at 30th March, 1949, and adding 25 per cent of the increases in such basic wage to date. The basic rates for such positions shall be adjusted, to the extent of twenty-five per centum (25%) of any subsequent variation of the State basic wage as declared from time to time: Provided that the basic rate payable shall be the nearest £ to the result obtained by multiplying the said 25 per cent. variation per week by fifty-two and one-sixth (52 1/6th): Provided also that when an officer covered by subclauses (1), (2) or (3) is on paid leave and does not continue to receive board and lodging, the basic rate as defined in subclause (16) shall apply in lieu of the basic rate in this subclause for such period as board and lodging is not received.
