31. Should the grantee be unable to produce the Grant of Right of Burial, through having lost same, on making application for a grave to be re-opened for the purpose of interment, the said grantee shall make a sworn declaration to this effect, and shall pay the fee for a copy of such Grant of Right of Burial as prescribed in Schedule "A" before the interment takes place.

32. Any person desiring to place or erect, or to alter or add to any monument, tombstone, or any enclosure in any part of the cemetery must first obtain the written consent and approval of the Trustees and otherwise comply with section 23 of the Cemeteries Act 1897-1957.
