Payment hereunder may be adjusted at the end of each calendar year, or at the time the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred. This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

(b) A worker shall not be entitled to receive any wages from his employer for any time lost through the result of an accident not arising out of or in the course of his employment or for any accident wherever sustained arising out of his own wilful default, or for sickness arising out of his own wilful default.

(c) No worker shall be entitled to the benefits of this clause unless he produces proof satisfactory to his employer of sickness, but the employer shall not be entitled to a medical certificate unless the absence is for three days or more.

(d) Sick leave shall accumulate from year to year so that any balance of the period specified in subclause (a) of this clause which has in any year not been allowed to any worker by his employer as paid sick leave may be claimed by the worker and, subject to the conditions hereinbefore prescribed shall be allowed by his employer in any subsequent year without diminution of the sick leave prescribed in respect of that year. Provided that sick leave which accumulates pursuant to this subclause shall be available to the worker for a period of two years but no longer from the end of the year in which it accrues.

Subject to Clause 9, the following shall be paid holidays—Christmas Day, Easter Monday, Labour Day, Good Friday and one additional day in each calendar year to be nominated by the employer. If Christmas Day falls on a Sunday, the following Monday shall be kept. Provided that any worker who does not present himself for work on the working day following any of the abovementioned holidays shall not be entitled to be paid for such holiday unless he produces proof satisfactory to the employer that he was prevented by sickness from presenting himself for work on any such day and that such sickness was not due to intemperance or misconduct.

16. Annual Leave.

(a) Annual holidays shall be taken at the convenience of the management of the mine; workers to receive one month's notice of the date on which the holiday is to commence.

(b) Three (3) weeks' holiday, including fifteen (15) working days, on full pay, shall be granted once in each year to every worker. Provided he has worked two hundred and forty-one (241) shifts at ordinary rates of pay, and should he have worked less than two hundred and forty-one (241) such shifts when the said holiday is taken, or at the termination of his employment, he shall be paid for a proportionate number of holidays. Payment for the said holiday shall be at the rate of pay the worker is receiving immediately before the holiday is taken or employment terminated. Provided further that, where the worker is dismissed for wilful misconduct, he shall not be entitled to the benefits of the provisions of this clause.

(c) Any worker who has taken part in a strike (including a slow strike) or a general or sectional stoppage of work unauthorised by the employer, during the period of service in respect of which the abovementioned holidays are granted, shall forfeit one day of such annual holidays for every day or part of a day during which he takes part in a strike, or in such unauthorised stoppage of work, including a stoppage because of a fatal accident in the mine.

(d) In the event of it being found impracticable to grant such leave in any year the employee concerned shall in the following year be entitled to leave accrued for the previous year. Leave shall not accumulate for more than two years.

(e) This clause shall not apply to casual workers.

(f) If any of the holidays prescribed in Clause 15 of this Agreement falls during an employee's period of annual leave and is observed on a day which, in the case of that employee, would have been an ordinary working day, the worker shall be paid one extra day at ordinary rates for that day or at his option have one day on full pay added to that period for each such holiday.

17. Board of Reference.

(a) The Court hereby appoints, for the purposes of the Award, a Board of Reference for each mine.

(b) The Board shall consist of a Chairman, who, failing agreement between the parties, shall be appointed by the Court, and two (2) other representatives, one to be nominated by each of the parties.

(c) There shall be assigned to each such Board the functions of:—

- (iii) deciding all matters and questions referred to in the Award as being the subject of mutual agreement, if not agreed upon;
- (iv) deciding any other matter that the Court may refer to such Board from time to time.

(d) An appeal shall lie from any decision of such Board in the manner and subject to the conditions prescribed in the regulations to the Industrial Arbitration Act, 1912-1952, which for this purpose are embodied in and form part of this Award (Regulation 106).

(e) There shall be no cessation of work pending the reference to and the settlement of any dispute by the Board.

18. Aged and Infirm Workers.

(a) Any worker who by reason of old age or infirmity is unable to earn the minimum wage may be paid such lesser wage as may from time to time be agreed upon between the representative of the workers and the employer.

(b) in the event of no agreement being arrived at, the matter may be referred to the Board of Reference for determination.

(c) After application has been made to the Board, and pending the Board's decision, the worker shall be entitled to work for and be employed at the proposed lesser rate.

19. Proportion of Juniors.

(a) The number of junior male employees shall not exceed the proportion of one (1) to one (1) for the first five (5) adult male employees and thereafter one (1) junior to every two (2) adult male workers or fraction thereof. Provided that where no adult male is employed one male junior may be employed. This subclause shall not apply where adult males are not available.

(b) There shall be no limit to the number of female junior workers who may be employed in any office.

20. Junior Workers' Certificate.

Junior workers upon being engaged shall, if required, furnish the employer with a certificate containing the following particulars:—

- (a) Name in full.
- (b) Age and date of birth.
- (c) Particulars of service (if any).

No worker shall have any claim upon an employer for additional pay in the event of the age of the worker being wrongly stated on the certificate. If any worker shall wilfully mis-state his age in the above certificate, he alone shall be guilty of a breach of this Agreement.

21. Certificate of Service.

On leaving the employ of an employer the employee shall be given a Certificate of Service setting out the length of service and a statement of duties performed.

22. Record.

A readily intelligible record shall be kept by each employer in which shall be entered the name of each employee, the length of service, the hours worked each day and the amount of wages and overtime received each fortnight. The said record shall be open to the inspection of an accredited representative of the workers, during working hours, not more than once in each fortnight.

23. Right of Entry.

In the case of a disagreement existing or anticipated concerning any of the provisions of this Agreement, an accredited representative of the workers shall be permitted to interview the workers during the recognised meal hour, on the business premises of the employer, but this permission shall not be exercised without the consent of the employer more than once in any one week.

24. Long Service Leave.

(a) Entitlement to Leave.

A worker shall in respect of continuous service with one and the same employer be entitled to the long service leave as hereinafter prescribed.

(b) Period of Leave.

The amount of such entitlement in the case of a worker who has completed at least twenty (20) years' continuous service with one and the same employer shall be—

- (i) in respect of the twenty (20) years' service so completed—thirteen (13) weeks' leave; and
- (ii) in respect of each ten (10) years' service with such employer completed after such twenty (20) years—six and one-half (6½) weeks' leave.

(c) Pro Rata Entitlement on Termination.

(i) Where a worker has completed at least ten (10) years but less than fifteen (15) years of continuous service with one and the same employer and his employment is terminated by the employer for any cause other than serious misconduct, or by death during his employment, or by the worker on account of personal sickness or injury or domestic or any other pressing necessity where such personal sickness, injury or necessity is of such nature as, in the opinion of the employer or, in the event of a dispute, of the Special Board of Reference, to justify such termination, the worker shall be entitled (or, in the case of death, his personal representative shall be entitled) to such payment as equals a proportionate amount of leave in respect of the period of completed years of such service, on the basis of thirteen (13) weeks for twenty (20) years' service.

(ii) Where a worker has completed at least fifteen (15) years' continuous service with one and the same employer and his employment is terminated for any reason other than by the employer for serious misconduct, he shall be entitled (or, in the case of death, his personal representative shall be entitled) to such payment as equals a proportionate

amount of leave in respect of the period of completed years of such service since the commencement of his continuous service, or since the last accrual of entitlement to leave, on the basis of thirteen (13) weeks for twenty (20) years' service.

(d) Calculation of Continuous Service.

(1) For the purpose of this clause, the following absences (whether before or after the commencement of this clause) shall not break the continuity of service and shall, subject to any limitation herein, count as service:—

- (i) Absence in respect of any period during which the worker shall have served as a member of the Naval, Military or Air Forces of the Commonwealth of Australia (other than as a member of the permanent forces of the Commonwealth of Australia—except where such service occurs after 26th June, 1950, in Korea or Malaya and other than as a member of the British Commonwealth Occupation Forces in Japan), or as a member of the Civil Construction Corps established under the National Security Act, 1939 (as amended), or absence on compulsory service in any of the armed forces under the National Service Act, 1951 (as amended): Provided that the worker as soon as reasonably practicable on the completion of any such service resumes employment with the employer by whom he was employed immediately before the commencement of such absence.
- (ii) Absence on any annual leave or long service leave.
- (iii) Absence following any termination of the employment by the employer if such termination has been made merely with the intention of avoiding obligations under this Agreement in respect of long service leave or annual leave; and
- (iv) absence necessitated by personal sickness or injury of which not more than fifteen (15) working days a year shall count as service.

(2) For the purposes of this clause the following absences (whether before or after the commencement of this clause) shall not break the continuity of service, but the period of such absence shall not count as service:—

- (i) Absence following any termination of the employment by the employer on any ground other than slackness of trade, if the worker be re-employed by the same employer within a period not exceeding two (2) months from the date of such termination.
- (ii) Absence during any standing down of a worker in accordance with the provisions of the relevant clause of this Agreement.
- (iii) Absence following any termination of the employment by the employer on the ground of slackness of trade, if the worker is re-employed by the same employer within a period not exceeding six (6) months from the date of such termination.
- (iv) Absence of the worker authorised by the employer at any time;
- (v) Absence arising directly or indirectly from an industrial dispute, but only if the worker returns to work in accordance with the terms of settlement of the dispute; and
- (vi) any reasonable absence of the worker on legitimate union business in respect of which he has requested and been refused leave.

(3) After the coming into operation of this Agreement, absence from work by reason of any cause, not being a cause specified in this sub-clause, shall not be deemed to break the continuity of service for the purpose of this clause unless the employer during the absence or within fourteen (14) days of the termination of the absence

notifies the worker in writing that such absence will be regarded as having broken the continuity of service. Such notice may be given by delivering it to the worker personally or by posting it by registered mail to his last recorded address, in which case it shall be deemed to have reached him in due course of post.

(e) Service Before Commencement of Clause.

For the purpose of computing entitlement to leave, continuous service of a worker with one and the same employer immediately prior to the coming into operation of this clause shall be taken into account, but only to the extent of the last twenty (20) completed years of such service.

(f) Time of Taking Leave.

Long service leave shall be granted and taken as soon as reasonably practicable after the right there-to accrues due or at such time or times as may be agreed between the employer and the worker or, in the absence of such agreement, at such time or times as may be determined by the Special Board of Reference, having regard to the needs of the employer's establishment and the worker's circumstances.

(g) Notice to Take Leave.

Except where the time for taking leave is agreed to, the employer shall give to a worker three (3) month's notice (where practicable), or in any case at least one (1) month's notice of the date from which his leave is to be taken.

(h) Broken Leave.

Long service leave shall be granted and taken in one continuous period, or, if the worker and employer so agree, in not more than three (3) separate periods in respect of the first thirteen (13) weeks' entitlement and in not more than two separate periods in respect of any subsequent period of entitlement.

(i) Granting of Leave Before Due Date.

(i) Any employer may by agreement with a worker allow long service leave to such worker before the right thereto has accrued due, but where leave is taken in such a case, the worker shall not become entitled to any further long service leave in respect of any period until after the expiration of the period in respect of which such long service leave had been taken before it accrued due.

(ii) Where long service leave has been granted to a worker pursuant to this subclause before the right thereto has accrued due, and the worker subsequently leaves or dies or is discharged from the service of the employer, the employer may deduct from whatever remuneration is payable upon the termination of the employment, a proportionate amount on the basis of thirteen (13) weeks for twenty (20) years' service in respect of any period for which the worker has been granted long service leave to which he is not at the date of the termination of his employment or prior thereto, entitled.

(J) Payment for Period of Leave.

(i) Each worker shall be paid for each week of leave his ordinary time rate of pay applicable at the date he enters upon the period of leave. Such ordinary time rate shall be for the standard hours prescribed by this Agreement, but in the case of casuals and part-time workers for the number of hours usually worked up to but not exceeding the prescribed standard.

(ii) Provided that, whereby agreement between the employer and the worker, the taking of the leave due to the worker or any portion of it is postponed to meet the convenience of the worker, the rate of payment for such leave shall be at the ordinary time rate of pay applicable at the date of

accrual or, if so agreed, at the ordinary time rate of pay applicable at the date he enters upon the period of leave.

(iii) "Ordinary time rate of pay"—

(a) shall not include shift premiums, overtime, penalty rates, commissions, bonuses, allowances or the like, except district allowance when the worker or his family or dependants remain in the award area, and industry allowance;

(b) shall include any deductions from wages for board and/or lodging or the like which is not provided and taken during the period of leave.

(iv) Payment in the case of workers employed on piece or bonus work or any other system of payment by result shall be at ordinary time rates.

Liberty is reserved to the parties to apply to amend this subclause.

(k) Method of Payment.

Payment shall be made in one of the following ways:—

(i) In full before the worker goes on leave; or

(ii) at the same times as his wages would have been paid to him if the worker had remained at work, in which case payment shall, if the worker in writing so requires, be made by cheque posted to an address specified by the worker; or

(iii) in any other way agreed between the employer and the worker.

(l) Payment on Termination for Leave not Taken.

Where the employment of a worker is terminated and he has an entitlement to long service leave, the employer shall thereupon pay to the worker a sum equivalent to the amount which would have been payable in respect of the period of long service leave to which the worker would have been entitled if he had taken the same at the time of such termination.

(m) Payment on Death.

Where a worker dies during his employment and any long service leave to which he is entitled under this clause has not been taken or received in full by the worker, the employer shall, upon request by the personal representative of the deceased worker, pay to that representative the amount due in respect of such leave. The obligation of the employer to such worker in respect of long service leave shall be and shall be deemed to have been satisfied by such payment.

(n) Public Holidays and Annual Leave During Period of Leave.

Any long service leave shall be inclusive of any public holidays specified in this Agreement occurring during the period when the leave is taken, but shall not be inclusive of any annual leave.

(o) Transmission of Business.

For the purposes of this clause, where a business has, whether before or after the coming into operation of this clause, been transmitted from an employer (in this subclause called the transmitter) to another employer (in this subclause called the transferee) and a worker who at the time of such transmission was a worker employed by the transmitter in that business becomes a worker employed by the transferee—

(i) the continuity of the service of such worker shall be deemed not to have been broken by reason only to the transmission; and

(ii) the period of the continuous service which the worker has had with the transmitter (or any prior transmitter) shall be deemed to be continuous service of the worker with the transferee.

In this subclause "transmission" includes transfer conveyance assignment or succession whether by agreement or by operation of law and "transmitted" has a corresponding meaning.

(p) Transfer of Workers to Associated Companies.

Where a worker, either at the request or with the consent of the employer being a company, transfers his employment to that of another company associated with that of the original employer, the continuity of the worker's service shall not be deemed to have been broken by reason only of such transfer and the period of the continuous service the worker has had with the original employer shall be deemed to be continuous service with the company to which the worker transfers. For the purpose of this subclause, companies shall be deemed to be associated companies when one company is a subsidiary of the other or where two companies are each a subsidiary of a third company.

(q) Records to be Kept.

(i) Each employer shall during the employment and for a period of twelve (12) months (three (3) years in case of death) thereafter keep a record from which can be readily ascertained the name of each worker and his occupation, the date of the commencement of his employment and his entitlement to long service leave and any leave which may have been granted to him or in respect of which payment may have been made in accordance with this clause.

(ii) Such record shall be open for inspection in the manner and circumstances prescribed by this Agreement with respect to the time and wages record.

- (b) the determination of such matters as are specifically assigned to it by this clause.

(iii) The Special Board of Reference shall consist of the Registrar of the Court or his deputy if he be unable to act as Chairman and one (1) representative nominated by the Chamber of Mines of W.A. (Incorporated) and one by the Union.

(s) Prohibition of Working During Period of Leave.

(i) Subject to paragraph (ii) of this subclause, no worker shall, without the consent of the employer, during any period when he is on long service leave, engage in any employment for hire or reward. If a worker breaches this provision he shall, at the discretion of the employer, thereupon forfeit all his current leave rights under this clause and the employer shall be entitled to cancel any further payment in respect of those rights and to reclaim at law any payments already made on account of such period during which the worker was so engaged in employment.

(ii) This subclause shall not apply in the case of former workers who have received payment in lieu of leave on termination of their employment in accordance with subclause (c) of this clause.

(t) Exemptions:

Any employer who provides or proposes to provide a scheme for long service leave which, viewed as a whole, is more favourable to the worker than the provisions herein prescribed, may apply to the Court for exemption from the provisions of this clause and the Court may at its discretion refuse or grant such exemption, subject to such conditions (if any) as to the modification of the scheme or otherwise as the Court thinks desirable.

(u) The date of operation of this Agreement shall be deemed to be the 13th day of December, 1957 for the purposes only of the commencing date of operation of this clause.

Provided that the period of any absence from duty or the period of any interruption referred to in placita (c) to (i) inclusive of this paragraph shall not (except as set out in paragraph (4) hereof) count as service.

(4) Where a worker has completed at least 10 years' service but less than 15 years' service since its commencement and his employment is terminated—

- (i) by his death; or
- (ii) by the employer for any reason other than serious misconduct; or
- (iii) by the worker on account of sickness or injury to the worker or domestic or other pressing necessity where such sickness or injury or necessity is of such a nature as to justify or in the event of a dispute is, in the opinion of the Special Board of Reference, of such a nature as to justify such termination; the amount of the leave shall be such proportion of 13 weeks' leave as the number of completed years of such service bears to 20 years.

(5) In the cases to which paragraphs (3) and (4) hereof apply the worker shall be deemed to have been entitled to and to have commenced leave immediately prior to such termination.

(d) Payment for Period of Leave.

(1) A worker shall subject to paragraph (3) hereof, be entitled to be paid for each week of leave to which he has become entitled or is deemed to have become entitled the ordinary time rate of pay applicable to him at the date he commences such leave;

(2) Such ordinary time rate of pay shall be the rate applicable to him for the standard weekly hours which are prescribed by this award, but in the case of casuals and part-time workers shall be the ordinary time rate for the number of hours usually worked up to but not exceeding the prescribed standard;

(3) Where by agreement between the employer and the worker the commencement of the leave to which the worker is entitled or any portion thereof is postponed to meet the convenience of the worker, the rate of payment for such leave shall be at the ordinary time rate of pay applicable to him at the date of accrual or, if so agreed, at the ordinary time rate of pay applicable at the date he commences such leave;

(4) The ordinary time rate of pay—

- (a) shall include any deductions from wages for board and/or lodging or the like which is not provided and taken during the period of leave.
- (b) shall not include shift premiums, overtime, penalty rates, commissions, bonuses, allowances or the like.

(5) In the case of workers employed on piece or bonus work or any other system of payment by results payment shall be at ordinary time rates.

(e) Taking Leave.

(1) In a case to which paragraph (2) of subclause (c) applies—

- (a) Leave shall be granted and taken as soon as reasonably practicable after the right thereto accrues due or at such time or

times as may be agreed between the employer and the worker or in the absence of such agreement at such time or times as may be determined by the Special Board of Reference, having regard to the needs of the employer's establishment and the worker's circumstances.

- (b) Except where the time for taking leave is agreed to by the employer and the worker or determined by the Special Board of Reference the employer shall give to a worker at least one month's notice of the date from which his leave is to be taken.
- (c) Leave may be granted and taken in one continuous period or if the employer and the worker so agree in not more than three separate periods in respect of the first 13 weeks' entitlement and in not more than two separate periods in respect of any subsequent period of entitlement.
- (d) Any leave shall be inclusive of any public holidays specified in this award occurring during the period when the leave is taken but shall not be inclusive of any annual leave.
- (e) Payment shall be made in one of the following ways—
- (i) in full before the worker goes on leave;
 - (ii) at the same time as his wages would have been paid to him if the worker had remained at work in which case payment shall, if the worker in writing so requires, be made by cheque posted to an address specified by the worker; or
 - (iii) in any other way agreed between the employer and the worker.
- (f) No worker shall, during any period when he is on leave, engage in any employment for hire or reward in substitution for the employment from which he is on leave, and if a worker breaches this provision he shall thereupon forfeit his right to leave hereunder in respect of the unexpired period of leave upon which he has entered, and the employer shall be entitled to withhold any further payment in respect of the period and to reclaim any payments already made on account of such period of leave.

(2) In a case to which paragraph (3) or paragraph (4) of subclause (c) applies and in any case in which the employment of the worker who has become entitled to leave hereunder is terminated before such leave is taken or fully taken the employer shall, upon termination of his employment otherwise than by death pay to the worker, and upon termination of employment by death pay to the personal representative of the worker upon request by the personal representative, a sum equivalent to the amount which would have been payable in respect of the period of leave to which he is entitled or deemed to have been entitled and which would have been taken but for such termination. Such payment shall be deemed to have satisfied the obligation of the employer in respect of leave hereunder.

(f) Granting Leave in Advance and Benefits to be Brought into Account.

(1) Any employer may by agreement with a worker allow leave to such a worker before the right thereto has accrued due, but where leave is taken in such a case the worker shall not become entitled to any further leave hereunder in respect of any period until after the expiration of the period in respect of which such leave had been taken before it accrued due.

(2) Where leave has been granted to a worker pursuant to the preceding paragraph before the right thereto has accrued due, and the employment subsequently is terminated, the employer may deduct from whatever remuneration is payable upon the termination of the employment a proportionate amount on the basis of 13 weeks for twenty years' service in respect of any period for which the worker

has been granted long service leave to which he was not at the date of termination of his employment or prior thereto entitled.

(3) Any leave in the nature of long service leave or payment in lieu thereof under a State law or a long service leave scheme not under the provisions hereof granted to a worker by his employer in respect of any period of service with the employer shall be taken into account whether the same is granted before or after the coming into operation hereof and shall be deemed to have been leave taken and granted hereunder in the case of leave with pay to the extent of the period of such leave and in the case of payment in lieu thereof to the extent of a period of leave with pay equivalent to the amount of the payment and to be satisfaction to the extent thereof of the entitlement of the worker hereunder.

(4) An employer shall be entitled to offset any payment in respect of leave hereunder against any payment by him to any long service leave scheme, superannuation scheme, pension scheme, retiring allowance scheme, provident fund, or the like or under any combination thereof operative at the first day of April, 1958.

(g) Records to be Kept.

(1) Each employer shall during the employment and for a period of 12 months thereafter, or in the case of termination by death of the worker a period of three years thereafter, keep a record from which can be readily ascertained the name of each worker and his occupation, the date of the commencement of his employment and his entitlement to long service leave and any leave which may have been granted to him or in respect of which payment may have been made hereunder.

(2) Such a record shall be open for inspection in the manner and circumstances prescribed by this award with respect to the time and wages record.

(h) Special Board of Reference.

(1) There shall be constituted a Special Board of Reference for the purpose hereof to which all disputes and matters arising hereunder shall be referred and the Board shall determine all such disputes and matters.

(2) There shall be assigned to such Board the functions of—

- (a) the settlement of disputes on any matters arising hereunder;
- (b) the determination of such matters as are specifically assigned to it hereunder.

(3) The Board of Reference shall consist of one representative or substitute therefor nominated from time to time by the Western Australian Employers Federation (Incorporated) and one representative or substitute nominated from time to time by the West Australian Trade Unions Industrial Council (A.L.P.) together with a chairman to be mutually agreed upon by the organisations named in this paragraph.

(i) State Law.

(1) The provisions of any State law to the extent to which they have before the coming into operation hereof conferred an accrued right on a worker to be granted a period of long service leave in respect of a completed period of 20 or more years' service or employment or an accrued right on a worker or his personal representative to payment in respect of long service leave shall not be affected hereby and shall not be deemed to be inconsistent with the provisions hereof.

(2) The entitlement of any such worker to leave in respect of a period of service with the employer completed after the period in respect of which the long service leave referred to in paragraph (1) hereof accrued due shall be in accordance herewith.

(3) Subject to paragraphs (1) and (2) hereof, the entitlement to leave hereunder shall be in substitution for and satisfaction of any long service leave to which the worker may be entitled in respect of employment of the worker by the employer.

(4) An employer who under any State law with regard to long service leave is exempted from the provisions of that law as at the first day of April, 1958, shall in respect of the workers covered by such exemption be exempt from the provisions hereof.

(j) Exemptions.

The Special Board of Reference may subject to such conditions as it thinks fit exempt any employer from the provisions hereof in respect of its employees where there is an existing or prospective long service leave scheme which, in its opinion is, viewed as a whole, more favourable for the whole of the employees of that employer than the provisions hereof.

(k) Liberty to Apply.

Liberty is granted to any party to this Award to apply to the Court at any time for an appropriate variation of this clause if any of the terms and conditions operating under the code of Long Service Leave being negotiated between the Australian Council of Trade Unions and Federal Employers' Organisations is varied in any way.

35.—Posting of Award.

A copy of this Award, if supplied by the Union, shall be posted by the employer in the kitchen or pantry of the employers premises where it may be readily and easily seen by the employees.
