EXPLANATORY

DIVISIONS

1. The four divisions into which officers are placed according to the class of work required of them are the Administrative, Professional, Clerical and General Divisions ; these divisions are denominated in the classification of each position by the letters A, P, C and G, respectively.

CLASSIFICATION

2. The permanent positions created under the provisions of the Public Service Act, 1904–56, and the officers occupying these positions fall into one or the other of two main sections, viz. :—

(*a*) Those outside the jurisdiction of the Court of Arbitration of Western Australia.

(*b*) Those within the jurisdiction of the Court of Arbitration of Western Australia.

3. For the purpose of classification, those positions and officers outside the jurisdiction of the Court of Arbitration of Western Australia have been further divided into two sections, viz. :—

(*a*) Higher Administrative and Professional officers who have been placed in Special Classes, shown as A–S and P–S, respectively, with fixed salary rates.

(*b*) Positions and officers classified in classes between the Special Classes and the Arbitration section—shown as Group I.

4. Positions and officers within the jurisdiction of the Court of Arbitration of Western Australia are subdivided into eleven groups to correspond with the provisions of the Agreement completed with the Civil Service Association. These are shown, progressively, as Group II to Group XII.

Special Classes

5. The salary rates of officers classified in Special Classes are fixed within the limits of £2,760 and £3,940 but (except in the case of Superintendents of Education) are subject to adjustment by way of a " basic wage and marginal allowance " in multiples of £20 as basic wage and marginal allowance adjustments to the salary rates of officers in the lower categories on and after the 1st July, 1955, aggregate that amount. The salary rates of Superintendents of Education are subject to adjustment by way of a " variable allowance " in multiples of £20 as the adjustments to a basic wage of £618 per annum aggregate that amount. On the 1st July, 1959, the " basic wage and marginal allowance " was £60 per annum and the " variable allowance " was £100 per annum.
