(b) If the employer and worker so agree, time off in lieu thereof shall be granted at the convenience of the hospital: Provided, however, that such time off shall be in unbroken periods, according to each period of overtime worked; and also provided that the overtime is made up within twenty-eight (28) days from the time when it becomes due, except where it applies to the change-over from night duty to day duty or day duty to night duty.

(c) Less than thirty (30) minutes' overtime for a week, or one (1) hour's overtime for a fortnight, or two (2) hours' overtime for a four-weekly period, as the case may be, shall not be paid for.

8.—Holidays.

(a) Every worker covered by this Award, where not otherwise provided for, shall be entitled to four (4) weeks' leave on full pay for each twelve (12) months' service.

(b) A worker with more than one (1) month's service and, in the case of a student nurse, three (3) months' service who may resign or be dismissed, except the dismissal is due to misconduct, shall be entitled to payment for holidays pro rata up to the time of her leaving the service, in such proportion as her period of employment bears to the number of days in the year.

(c) Every worker shall receive at least fourteen (14) days' previous notice of the commencement of her leave. For the purpose of ascertaining the approximate time of annual leave, a roster shall be kept in all hospitals of over twenty (20) bed average, giving the necessary information. The roster shall be placed on a notice board in some convenient place for inspection by workers.

(d) (i) Leave shall be paid for in advance at the rate of salary the worker is receiving at the time of taking such leave. Provided that any leave accrued for the final year of training shall be paid for at the rate payable for such year of service.

(ii) Leave shall be given as soon as practicable after falling due. The leave of a student nurse shall not accumulate, but shall be given each year. The leave of a nurse shall not accumulate except with the consent of the nurse and in no case shall it accumulate for more than two (2) years.

9.—Long Service Leave.

(1) Subject to the conditions hereinafter prescribed all workers covered by this Award shall become entitled to thirteen (13) weeks' long service leave on full pay or twenty-six (26) weeks' long service leave on half pay—

(a) after a period of ten (10) years' continuous service in a full-time capacity; and

(b) after a further period of ten (10) years' continuous service in a full-time capacity; and

(c) after each further period of seven (7) years' continuous service in a full-time capacity.

(2) (a) For the purpose of this clause, "service" means service as a worker of one or more of the Respondents to this Award and shall be deemed to include—

(i) absence of the worker on annual leave or public holidays;

(ii) absence of the worker on paid sick leave;

(iii) absence of the worker on approved sick leave without pay, but not exceeding six (6) weeks in any year after 1/7/57, and not exceeding two (2) weeks in any year before that date;

(iv) absence of the worker on approved leave without pay, other than sick leave without pay, but not exceeding two (2) weeks in any qualifying period;

(v) absence of the worker on National Service or other military training, but only if the difference between the worker's military pay and civilian pay is made up or would, but for the fact that his military pay exceeds his civilian pay, be made up by his employer; and

(vi) absence of the worker on worker's compensation for any period not exceeding six (6) months or for such greater period as the Minister for Health may allow.

(b) The service of a worker shall be deemed not to include—

(i) service of the worker prior to 1st November, 1935;

(ii) service of the worker prior to his attaining the age of 18 years;

(iii) service of the worker after the day on which he has become entitled to twenty-six (26) weeks' long service leave until the day on which he completes the taking of that leave;

(iv) any period of service of less than two (2) years with the one employer unless the worker submits a reason which, in the opinion of that employer, is a good and sufficient reason for entering into employment with another employer before the expiration of such two (2) years' service;

(v) any period of service of less than twelve (12) months;

(vi) absence of the worker on long service leave; or

(vii) any other absence of the worker except such absences as are included in service by virtue of paragraph (a) of this sub-clause.

(3) Subject to the provisions of sub-clause (2) of this clause, the service of a worker shall not be deemed to have been broken—

- (a) by resignation in accordance with Clause 11 of this Award, if he resigns from his employment with one respondent to this Award and commences employment with another such respondent within one (1) week of the expiration of any period for which payment in lieu of annual leave and/or public holidays has been made by the first-mentioned employer or, if no such payment has been made, within one (1) week of the day on which his resignation became effective;
- (b) If his employment is ended by his employer for any reason other than misconduct or unsatisfactory employment under this Award not later than six (6) months from the day on which his employment was ended; or
- (c) by any absence of whatever duration, approved by the employer as leave whether with or without pay.

(4) Application for leave without pay must be made before the commencement of the absence in respect of which leave is sought unless the cause of the absence occurs after the worker was last on duty, in which case application must be made not later than fourteen (14) days after the day on which the worker resumes work.

(5) (a) Long service leave shall be taken at a time convenient to the employer, but not less than thirty (30) days' notice shall be given each worker of the day on which his leave is to commence, except in cases where the worker and the employer agree to a lesser period of notice, or in other exceptional circumstances.

(b) All complete periods of leave must be taken before the day on which a worker is compulsorily retired.

(6) Any public holiday occurring during a worker's absence on long service leave shall be deemed to be portion of his long service leave and extra days in lieu thereof shall not be granted.

(7) A worker who has become entitled to long service leave in accordance with sub-clause (1) of this clause and whose employment is ended before that leave is taken, shall be granted payment in lieu of that leave, unless he has been dismissed for an offence committed prior to the day on which he became entitled to that leave, in which case no such payment shall be made.

(8) If a worker who has become entitled to long service leave in accordance with sub-clause (1) of this clause, dies before taking that leave, payment in lieu of that leave shall be made to the worker's estate.

(9) If the employment of a worker ends before he has completed a full qualifying period in accordance with sub-clause (1) of this clause, payment in lieu of long service leave proportionate to his length of service shall not be made unless—

- (a) he has completed at least three (3) years' continuous service and his employment has been ended by his employer for reasons other than misconduct or unsatisfactory service; or
- (b) he is not less than sixty (60) years of age and resigns, but only if he has completed not less than twelve (12) months' continuous service prior to the day from which his resignation has effect; or
- (c) he has completed not less than twelve (12) months' continuous service and his employment is ended by his employer on account of incapacity due to old age, ill health, or the result of an accident; or

(ii) the worker, a trained nurse, has married after not less than three (3) years' continuous service since the completion of her training, in which case payment shall be made in respect of service up to the date of her resignation;

(A worker shall be entitled to payment under sub-paragraph (i) or sub-paragraph (ii) of this paragraph, but not under both and, on application for such payment shall produce her certificate of marriage.)

(e) the worker dies after having served continuously for not less than twelve (12) months next before his death, and leaves a widow, children, mother or invalid sister who were dependent on him, in which case such payment shall be made to such widow or other dependent. In this paragraph the feminine gender shall be deemed to include the masculine gender.

(10) (a) Subject to the provisions of this sub-clause and to those of sub-clause (1), a worker shall be paid during long service leave at his permanent classified rate of pay.

(b) If a worker has been employed in one or more positions each of which carries a higher rate than his permanent classified rate, for a continuous period of twelve (12) months ending not earlier than two (2) weeks before the day on which he commences long service leave, the rate which he has received for the greatest proportion of that twelve-month period shall, for the purpose of this sub-clause, be deemed to be his permanent classified rate of pay.

(c) If any variation occurs in the rate of wage applicable to a worker during any period when he is on long service leave, the worker's pay while he is on such leave shall be varied accordingly and, if the worker has been paid in full for the leave before its commencement, payment shall be adjusted as soon as practicable after the worker resumes work.

(d) District allowance shall not be paid during long service leave unless the family or dependants of the worker remain in the district.

(11) In all matters not herein expressly provided for, the long service leave conditions applicable to Government wages employees generally shall apply.

10.—Sick Leave.

(1) Student Nurses.

Sick leave shall be granted to student nurses on the basis of two (2) months on full pay for the first three (3) years' service and one and one-quarter (1¼) days for each completed month of service after the first three (3) years.

(2) Trained Nurses.

(a) (i) Subject as hereinafter provided, sick leave shall be granted on the basis of ten (10) working days on full pay for each year of service.

(ii) If, in any calendar year, any absence through sickness exceeds the worker's current entitlement and, by service subsequent to the sickness, the worker becomes entitled to further sick leave with pay, payment may be adjusted at the end of that calendar year or at the time the worker leaves the service of the employer, whichever is the sooner.

(iii) Any unused portion of the sick leave herein prescribed, up to a maximum of seven (7) working days in each year, shall be allowed to accumulate and may be availed of in the next or any succeeding year.

(b) Workers in the employ of any respondent at the date of the amendment of 14/8/57 shall be allowed an initial credit as at that date on the following basis:—

- (i) Where continuous service exceeded three (3) years, forty-five (45) working days less any sick leave taken during the preceding triennial period.

(ii) A worker who has been granted six (6) months' continuous sick leave with pay shall not be entitled to receive further sick leave with pay until a period on duty of not less than four (4) weeks has been completed.

(3) General.

(a) No sick leave with pay shall be granted without an adequate medical certificate. Provided that if in any case it is not convenient for the worker to obtain a medical certificate, sick leave may be granted on other evidence satisfactory to the employer, but such leave shall be limited to two (2) consecutive days in any one period and a total of three (3) days in any calendar year.

(b) Any period during which a worker is absent on leave without pay shall not be included as part of such worker's period of continuous service for the purpose of this clause.

(a) Except in the case of dismissal for misconduct, a worker's services shall not be terminated unless she has received fourteen (14) days' previous notice or payment for such period in lieu thereof.

(b) No worker shall, without the consent of her employer, resign without first having given fourteen (14) days' previous notice of her intention so to do, and in the absence of such notice the employer may withhold holiday or other pay up to the amount of fourteen (14) days' wages: Provided that this shall not apply in the case of a nurse who has received a summons for duty with any of the armed forces of Australia.

(c) A worker dismissed for misconduct shall have the right of appeal against such dismissal to a Board of Reference or to such person as may be agreed upon by her with her employer, and such worker shall be entitled to a written statement as to the reason for her dismissal from her employer within fourteen (14) days of the said employer's having received a written request for such statement.

(d) This clause shall not apply to casual or part-time workers.

Meal times shall be 8 a.m. 1 p.m. and 6 p.m. Sixpence (6d.) for each morning and afternoon tea shall be allowed when travelling at 11 a.m. and 4 p.m. Reasonable portorage shall also be allowed. Claims for taxi fares must be supported by receipts for the fares claimed.

13.—Engagement.

(a) When a nurse or student nurse is engaged for service in a hospital or place outside a radius of twenty-five (25) miles of the General Post Office,

(b) If a worker is dismissed before the period for which she was engaged has expired, or if none is stipulated, then before the period of six (6) months from the date of her appointment, except in the case of dismissal for misconduct, she shall be entitled to first-class accommodation and travelling allowance as above to the place of engagement should she desire to return there.

Provided that if she was originally engaged in Perth and has been employed continuously at more than one public hospital without returning to Perth, then she shall be entitled to first-class accommodation and travelling allowance to Perth, should she desire to return there.

And also provided that should a worker elect to return to her place of engagement or to Perth by any other conveyance than by rail, she shall be entitled, upon production of receipts, to actual transport expenses incurred; but such transport expenses shall not exceed the amount of either a first-class rail, boat, plane and/or coach fare at the employer's option, from the place of her last employment to the place of her engagement or to Perth, as the case may be.

(c) Any worker whose duties require her to travel shall be entitled to first-class travelling accommodation at the expense of her employer.

(d) If any worker who is engaged for duty in a hospital or place outside a radius of twenty-five (25) miles of the General Post Office, Perth, remains for six (6) months or more in the service of the employer who engages her, she shall be entitled to return fare and travelling allowance as mentioned in sub-clause (a) when she leaves her employment.

(e) Upon termination of her employment, a worker shall receive payment before she leaves the hospital of all money due to her up to the termination of her employment.

(f) Except in the case of dismissal for misconduct, a casual worker shall receive return fare and travelling allowance, irrespective of her period of engagement.

(g) Upon the original engagement of a worker for employment under this Award, such worker shall be furnished with a service book in which the original employer and all subsequent employers under the Award shall, on the termination of such worker's services, cause to be entered, a record of the period of service of the worker and the capacity in which the worker was from time to time employed.

14.—Student Nurses.

(a) Any employer taking a student nurse on probation shall within fourteen (14) days thereafter register such probationer by giving notice thereof to the Registrar in writing.

(b) Within one (1) month from the end of the period of probation, an agreement in writing as required by the Act shall be executed and signed by the employer, the student nurse and, where the student nurse is under twenty-one (21) years of age, the parent or legal guardian of the probationer. There shall be three (3) executed copies of such agreement, of which one copy shall be held by the employer, one by the student nurse or her parent or guardian, and one shall be lodged with the Registrar.

(c) Student nurses shall be employed for a period of six (6) months on probation; such period shall count as part of the term of service.

(d) A student nurse may be transferred from one employer to another, but notification thereof must be sent to the Registrar within fourteen (14) days from the date thereof.

(e) The agreement may be cancelled by mutual consent of the parties, but notification of such cancellation must be forwarded to the Registrar within fourteen (14) days from the date thereof.

(f) The employer, with the consent of the Court, may discharge a student nurse from service and cancel the agreement for misconduct or wilful disobedience or any other cause which the Court may deem sufficient: Provided, however, the employer shall be entitled to impose any other disciplinary measures as are provided in the indentures.

(g) Lecture Times.—Any lectures or examinations which occur normally during duty hours shall be computed as part of the working time of the student nurse whose duty it is to attend such lectures or examinations, and there shall be no reduction in salary in respect thereto.

(2) Trained Nurses.—(i) The employer shall provide uniforms or, alternatively, shall provide uniform material and pay up to twenty-five shillings (25s.) per uniform for the making, with a limit of six (6) uniforms per annum.

Payment will be made only when completed uniforms are passed by the matron to her satisfaction. Such uniforms shall remain the property of the employer until the lapse of six (6) months after the date of supply.

(ii) In lieu of providing uniforms, the employer may make the following allowance:—

Matrons and Sisters—Five shillings (5s.) per week. Provided that the worker conforms to the uniform stipulated by the employer regarding material, colour, pattern and condition.

(iii) When requested by the workers, the employer shall secure material and supply it to the worker, at cost, provided this condition shall not come into effect until the lapse of six (6) months since the previous issue of uniforms to the nurse.

(iv) The worker may elect which method she desires to adopt for the provision of uniforms, but having elected the method desired, shall not be permitted to adopt the alternative method except by approval of and under conditions laid down by the employer.

(v) The employer shall provide two (2) caps (prescribed under the Nurses' Registration Board Regulations) per annum.

16.—Rosters.

Provided that the period of any absence from duty or the period of any interruption referred to in placita (c) to (i) inclusive of this paragraph shall not (except as set out in paragraph (4) hereof) count as service.

The amount of the leave shall be such proportion of 13 weeks' leave as the number of completed years of such service bears to 20 years.

(5) In the cases to which paragraphs (3) and (4) hereof apply the worker shall be deemed to have been entitled to and to have commenced leave immediately prior to such termination.

- (b) Except where the time for taking leave is agreed to by the employer and the worker or determined by a Board of reference the employer shall give to a worker at least one month's notice of the date from which his leave is to be taken.

Such option shall be exercised in writing addressed to the employer at the time of becoming eligible for long service leave.
- (d) The employer shall have the right in cases of emergency to recall any worker from long service leave, in which case the unexpired leave shall be made up on some mutually convenient date.

Such payment shall be deemed to have satisfied the obligation of the employer in respect of leave hereunder.

(f) Granting Leave in Advance and Benefits to be Brought Into Account.

1. Any employer may by agreement with a worker allow leave to such a worker before the right thereto has accrued due, but where leave is taken in such a case the worker shall not become entitled to any further leave hereunder in respect of any period until after the expiration of the period in respect of which such leave had been taken before it accrued due.
