5. The Council shall pay the returning officer for each and every election conducted by him the fee prescribed in Appendix B to these regulations, and a further sum sufficient to recoup him all authorised expenses incurred in holding such election.

6. (1) The returning officer for the time being shall in the month of March, 1940, and in the same month in every third year thereafter conduct an election of seven chemists to be members of the Council, and when occasion arises, and upon being notified by the Council that an extraordinary vacancy has occurred, shall conduct an election to fill such extraordinary vacancy.

<sup>2</sup> Now Pharmacy Poisons Act, 1910-1954.

(2) Of the seven members elected to office on the Council on the 31st day of March, 1949—

- (b) two shall retire on the 31st March, 1951;
- (c) three shall retire on the 31st March, 1952.

(3) The priority in order of retirement shall be determined by the number of votes cast, the first due to retire being the member in whose favour the lowest number of votes was cast, other retirements being in sequence accordingly.

(4) Any vacancy the result of retirement as prescribed in paragraph (2) of this regulation shall be filled by election and the person so elected shall hold office for a term of three years.

(5) Any member who retires from the Council or whose term of office on the Council expires under this regulation shall, subject to the Act, be eligible for re-election to the Council.

(6) At the first meeting of the Council after the 31st March, 1949, and thereafter at the first meeting after the election of each Council, the members thereof shall elect one of their number to the office of president, who shall hold office for the period of 12 months next ensuing his election as president.

7. (1) Notice of every election shall be advertised by the returning officer in two consecutive issues of a newspaper circulating throughout the State, the last of such issues containing the advertisement appearing at least twenty-eight days prior to the date of the election.

(2) Such notice shall state—

- (a) the date of the election;
- (b) the place, time, and date (not being less than 14 nor more than 28 days prior to the date of the election) for receipt of nominations.

#### Nominations.

8. Every nomination of a candidate at an election shall be lodged with the returning officer in the Form 1 in Appendix A to these regulations, signed by the candidate and by not less than three persons qualified to vote at such election.

9. If the number of persons nominated is not greater than the number required to fill the vacancies, the returning officer shall forthwith make a return to the Registrar, and declare such person or persons to be elected as members. If the number of persons declared elected as aforesaid is insufficient to fill the vacancies, the retiring President of the Council shall report such fact to the Governor in Council, who may thereupon nominate one or more qualified persons to fill such vacancy or vacancies.

10. (1) If the number of persons nominated is greater than the number required to fill the vacancies, a poll shall be taken by the returning officer, who shall cause voting papers to be printed in the Form 2 in the Appendix A to these Regulations. The returning officer shall send one voting paper, initialed by him, together with one unfastened envelope marked "Ballot Paper," and another unfastened envelope, with the name and address of the returning officer printed thereon, by post in a sealed envelope to the address appearing in the Register of every pharmaceutical chemist registered by the Council.

(2) A voter shall indicate the candidate or candidates for whom he votes by striking out clearly and distinctly the names of the candidate or candidates for whom he does not vote but leaving untouched the same number of names on the ballot paper as there are vacancies to be filled.

11. (1) The returning officer shall, between the hours of 2 and 4 o'clock in the afternoon on the day appointed for the election, and at the place as specified in the advertisement aforesaid, proceed, in the presence of the Registrar and of the scrutineers (if any)

appointed by any of the candidates, to open all the printed envelopes received by him, and to remove the voting papers therefrom and, if satisfied upon making a comparison of each of the signatures on the counterfoils of such voting papers with the signatures of the voters in the Signature Book that each vote has been regularly and properly given, and that no person entitled to vote has voted twice, he shall, after rejecting any informal ballot papers, proceed to ascertain the number of votes cast in favour of the respective candidates, and as soon as conveniently may be thereafter shall give notice thereof to the Council, and shall duly declare elected the candidates (not exceeding the number of vacancies) who have received the greatest number of votes or, in the event of an equal number of votes being received by two or more candidates, the candidate or candidates in whose favour he exercises his casting vote or votes.

(2) In the case of an equality of votes, the returning officer shall have a casting vote.

12. Any voting paper on which the names of candidates not struck out does not equal the number of members to be elected, or which has not been signed by the voter, or which is enclosed in an envelope other than the printed one aforesaid, shall be deemed informal and shall not be counted by the returning officer. Provided that, where a candidate withdraws his nomination between the date of nomination and the date of the election, no voting paper shall be deemed to be invalid by reason of a vote cast in favour of such retiring candidate.

13. Any candidate for election desirous of retiring before the day of election shall, not later than seven clear days before the day of election, sign and deliver to the returning officer a notice in the Form 3 in Appendix A to these regulations, and if the number of candidates is reduced by such retirement to the number of members to be elected, the returning officer shall declare such remaining members duly elected.

14. The name and address of every successful candidate at any election and the name and address of the President upon his election, shall be published by the Registrar in the *Government Gazette* within 14 days after the election.

15. Every candidate at an election shall be entitled to appoint by writing addressed and delivered to the returning officer one scrutineer, who shall be entitled to be present while the returning officer is opening and counting voting papers.

#### Meetings of the Council.

17. The Council shall meet on the first Tuesday in every month, at such time and place as it shall from time to time appoint, and on such other days and times as the President or any two members may appoint by requisition in writing and delivered to the Registrar.
