- (g) Records to be Kept.
- (1) Each employer shall during the employment and for a period of 12 months thereafter, or in the case of termination by death of the worker a period of three years thereafter, keep a record from which can be readily ascertained the name of each worker and his occupation, the date of the commencement of his employment and his entitlement to long service leave and any leave which may have been granted to him or in respect of which payment may have been made hereunder.
