(i) Forty (40) hours per week, or eighty (80) hours per fortnight at the option of the employer.

(ii) Provided that an employer shall not change from a forty (40) hours week to an eighty (80) hour fortnight, except upon giving one (1) month's notice of his intention so to do to the Union.

(iii) Meal breaks shall not be counted as time worked.

(b) At Wooroloo Hospital, one hundred and sixty (160) hours per four (4) weeks, exclusive of meal times.

(c) At hospitals which come under the provisions of subclause (a) of this clause, those on day duty shall, where practicable, be allowed one and a half (1½) days continuous time off duty per week and those on night duty shall, where practicable, be allowed one and a half (1½) days continuous time off duty per week or three (3) days continuous time off duty per fortnight. Provided that where the days off duty as specified are missed and not taken within four (4) weeks, equivalent time shall be added to the annual leave of the worker or, in the case of a casual worker, it shall be paid for when the employment terminates.

(d) At Wooroloo Hospital, six (6) days continuous time off duty in every four (4) weeks shall be allowed.

(e) Morning and afternoon tea shall be provided by the employer. The time allowed for such break shall not exceed seven (7) minutes which shall be taken when convenient to the employer, without deduction of pay for such time.

(f) Where a worker is required to travel as part of her duty, such travelling time shall be considered as part of her working time, and there shall be no reduction in respect thereof.

(g) Night duty in North-West Hospitals and Goldfields Hospitals (except training schools) where the staff including the matron is three (3) or more, shall not exceed seven (7) consecutive nights when a majority of the workers who are requested to do night duty so decide, in which case it shall rotate after seven (7) nights.

(h) The provisions of this clause (except subclause (e) and (f)) shall not apply to hospitals where the daily average of occupied beds does not exceed six (6), in which case there shall be no fixed hours of duty.

9.—Overtime.

(a) Subject to subclauses (a) and (b) of Clause 8 hereof all time worked in excess of the ordinary working time shall be paid for at the rate of time and a half for the first eight (8) hours and double time thereafter, or, if the employer and worker so agree, time off in lieu thereof shall be granted at the convenience of the hospital. Provided however, that such time off shall be in unbroken periods according to each period of overtime worked; and also provided that the overtime is made up within twenty-eight (28) days from the time when it becomes due, except where it applies to the change-over from night duty to day duty or day duty to night duty.

(b) Less than thirty (30) minutes' overtime for a week or a fortnight, as the case may be, shall not be paid for.

10.—Holidays.

(a) Every worker covered by this Award where not otherwise provided for, shall be entitled to four weeks' leave on full pay for each twelve (12) months' service.

(b) A worker with not less than two (2) weeks' service who may resign or be dismissed, except if the dismissal is due to misconduct, shall be entitled to pay for holidays pro rata up to the time of her leaving the service in such proportion as her period of employment bears to the number of days in the year.

(c) In addition to her salary, a worker on leave shall, where board and lodging allowance as prescribed by clause 23 is not included in the salary, be entitled to receive such allowance for the period of her leave.

(d) Every worker shall receive at least seven (7) days' previous notice of the commencement of her leave. For the purpose of ascertaining the approximate time of the annual leave a roster shall be kept in all hospitals at which the beds occupied average more than twenty (20) giving the necessary information. This roster shall be placed on a notice board in some convenient place for inspection by the workers.

(e) (i) Leave shall be paid for in advance at the rate of salary the worker is receiving at the time of taking such leave.

(ii) Leave shall be given as soon as practicable after falling due and shall not accumulate except with the consent of the worker, but in no case shall it accumulate for more than two (2) years.

11.—Long Service Leave.

The conditions governing the granting of long service leave to full-time Government wages employees generally shall apply to workers covered by this Award.

12.—Sick Leave.

(a) Sick leave with pay will be granted on the following scale on production of an adequate medical certificate or, in regard to leave not exceeding two (2) days, other evidence of ill-health satisfactory to the employer:—

(i) Under three (3) years' service—one and a quarter (1¼) days for each calendar month of continuous service with hospitals under this Award: Provided that payment hereunder may be adjusted at the end of each calendar year, or at the time the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred.

(ii) Over three (3) years' service—two (2) months on full pay. The worker must furnish proof of continuous service.

(b) Sick leave may be granted in one or more periods but the aggregate amount of leave on pay shall not in any one (1) triennial period exceed the time provided for in the foregoing scale.

(c) A "triennial period" shall be three (3) years preceding the date of the commencement of absence through illness in respect of which leave is claimed.

(d) If sickness is due to the wilful neglect or default of the worker, the proof whereof lies upon the employer, sick leave shall, if granted, be without pay.

13.—Dismissals.

(a) Except in the case of dismissal for misconduct, a worker's services shall not be terminated unless she has received fourteen (14) days' previous notice or payment for such period in lieu thereof.

(b) No worker shall, without the consent of her employer, resign without first having given fourteen (14) days' previous notice of her intention so to do, and in the absence of such notice the employer may withhold holiday or other pay up to the amount of fourteen (14) days' wages; Provided that this shall not apply in the case of a worker who has received a summons for duty with any of the armed forces of Australia.

(c) A worker dismissed for misconduct shall have the right of appeal against such dismissal to a Board of Reference or to such person as may be agreed upon by her with her employer, and such worker shall be entitled to a written statement

as to the reason for her dismissal from her employer within fourteen (14) days of the said employer's having received a written request for such statement.

(d) This clause shall not apply to casual or part-time workers.

14.—Transfer.

(a) A worker who is transferred from one place to another shall be entitled to first-class travelling accommodation between the places of transfer and to full payment of salary during time of leaving duty and taking up her new duties.

(b) (i) In addition she shall be allowed travelling allowance of three shillings (3s.) for any meal purchased, or the actual cost of any meal purchased if such cost exceeds 3s. Meal times shall be 8 a.m., 1 p.m. and 6 p.m. Sixpence (6d.) for each morning and afternoon tea shall be allowed when travelling, at 11 a.m. and 4 p.m. Reasonable portage shall also be allowed. Claims for taxi fares must be supported by receipts for the fares claimed.

(ii) No such meal allowance as mentioned shall be made for journeys completed between the ordinary meal times. Where practicable, at least fourteen (14) days' previous written notice shall be given to a worker required to transfer from one hospital or place to another.

15.—Engagement.

(a) When a worker is engaged for service in a hospital or place outside a radius of twenty-five (25) miles of the General Post Office, Perth, she shall be entitled to first-class fare and travelling allowance as above from the place of engagement to the place of employment, and her term of employment shall be deemed to commence as soon as she leaves her place of engagement.

(b) If a worker is dismissed before the period for which she was engaged has expired, or if none is stipulated, then before the period of six (6) months from the date of her appointment, except in the case of dismissal for misconduct, she shall be entitled to first-class accommodation and travelling allowance as above to her place of engagement should she desire to return there.

Provided that if she was originally engaged in Perth and has been employed continuously at more than one public hospital without returning to Perth, then she shall be entitled to first-class accommodation and travelling allowance to Perth should she desire to return there.

And also provided, that should a worker elect to return to her place of engagement or to Perth by any other conveyance than by train, she shall be entitled upon production of receipts to actual transport expenses incurred; but such transport expenses shall not exceed the amount of a first-class rail, boat, and/or coach fare from the place of her last employment to the place of her engagement or to Perth as the case may be.

(c) Any worker whose duties require her to travel shall be entitled to first-class travelling accommodation at the expense of her employer.

(d) If a worker who is engaged for duty in a hospital or place outside a radius of twenty-five (25) miles of the General Post Office, Perth, remains for six months or more in the service of the employer who engages her, she shall be entitled to return fare and travelling allowance as mentioned in subclause (a) when she leaves her employment.

(e) Upon the termination of her employment a worker shall receive payment before she leaves the hospital of all money due to her up to the termination of her employment.

(f) Except in the case of dismissal for misconduct a casual worker shall receive return fare and travelling allowance irrespective of her period of engagement.

16.—Laundry and Uniforms.

(a) Each worker shall be entitled to all reasonable laundry work at the expense of the employer, but where the uniform of any worker cannot be laundered at the hospital an allowance of four shillings (4s.) per week shall be paid to that worker.

(b) The employer shall provide all uniforms which shall at all times remain the property of the employer. Provided that in lieu of providing uniforms, the employer may make an allowance of five shillings (5s.) per week.

17.—Rosters.

A roster of the working hours shall be exhibited in such place as it may conveniently and readily be seen by each worker concerned. The roster shall be posted not less than forty-eight (48) hours preceding the day on which the roster commences. The roster shall be available to the Union Secretary for inspection at all reasonable times. Rosters may be altered at any time if the hospital exigencies render any alteration necessary.

18.—Time and Wages Book.

(a) A time book shall be open for inspection at all reasonable times by the Union Secretary, or his nominee, appointed in writing under the seal of the Union. Each worker must record daily in such book the exact time on which she starts and finishes duty and also time booked off for meals.

(b) The salary sheet shall, upon reasonable notice being given, be open for inspection at the office of the employer concerned by the Union Secretary or his nominee appointed as aforesaid.

(c) Any system of automatic recording by means of a machine shall be deemed a compliance with the provisions of subclause (a) so far as the particulars actually recorded are concerned.

19.—Interviews.

The Union Secretary shall be entitled to interview members of the Union on the employer's premises at reasonable times.

20.—Notices.

If the Union so requests, a copy of this Award shall be posted on a board of reasonable size in a place where it may be conveniently and readily seen by every worker concerned. The Union Secretary may also post thereon such other notices relating to Union matters as are reasonable.

21.—Preference to Unionists.

All workers covered by this Award shall, within 14 days of commencing work, become members of the applicant Union, provided that in the case of any worker who, at the date when she so commences work is a financial member of another industrial Union, this sub-clause shall not commence to operate until the expiration of such worker's current membership ticket with such other Union, and such worker shall, within 14 days of the date of the expiration of such ticket, become a member of the applicant Union.

22.—Present Salaries and Privileges.

Nothing herein contained shall entitle an employer to reduce the salary of any worker who at the date of this Award is being paid a higher rate of salary than the minimum prescribed for her class of work.

A worker shall not be deprived of any privileges relating to her employment enjoyed by her at the date hereof, except such as are dealt with in the Award, in which case the Award provisions shall apply.

23.—Living Allowances.

(a) (i) Where board and lodging is provided the employer shall be entitled to deduct from wages of the worker an amount equal to thirty-three and one-third per cent. (33 $\frac{1}{3}$ %) of the female basic wage. Provided that junior nursing aides and nursing assistants who are paid a percentage of the basic wage shall receive free board and lodging assessed at the above rate.

(ii) In all cases the ratio of the value of board to that of lodging in the board and lodging allowance shall be two to one.

(b) (i) Where a worker is required to live out a payment of twenty-five shillings (25s.) per week shall be made by the employer in approved cases. Provided that any dispute between the Union and the employer shall be referred to a Board of Reference for determination.

(ii) Where workers who are paid on a living-out basis are provided with meals by the employer, deduction shall be made from their wages at the

rate of one twenty-first (1/21st) of the allowance for board in accordance with subclause (a) (ii) hereof for each meal provided.

24.—District Allowances.

A worker stationed in any of the undermentioned districts shall be paid the appropriate allowance specified in Column "A" unless she is provided with board and lodging in accordance with Clause 23, in which case she shall be paid the appropriate allowance specified in Column "B".
