L.G. 106/60.

PURSUANT to an Order in Council promulgated in the *Government Gazette* on the 23rd day of October, 1953, under section 35A of the Dog Act, 1903, and in exercise of all other powers thereto enabling it, the Dowerin Road Board doth hereby make and publish the following by-laws for the establishment of a dog pound and for the control of dogs within the area of the Dowerin Road Board:—

1. In these by-laws the term "Board" shall mean the Dowerin Road Board.
2. The Board may establish and maintain a pound or pounds for the impounding of dogs seized pursuant to the provisions of the Dog Act, 1903.

3. Any dog found wandering at large may be seized and kept by the Police or any authorised officer of the Board, and any dog seized by the Police or by an officer authorised by the Board may be placed in a pound.

4. Where a dog has been seized or placed in a pound the keeper of the pound or other officer authorised by the Board shall, if the owner or person usually in charge of the dog is known to him, forthwith notify such person that the dog has been impounded.

Notice under this clause may be served—

- (1) by leaving the same at the usual last known address of the owner;
- (2) by forwarding the same by post in a prepaid letter addressed to the owner at his said address.

A notice sent by post shall be deemed to have been served at the time at which the letter would be delivered in the ordinary course of post.

5. If the owner or person apparently acting on behalf of the owner of a dog seized or impounded shall claim such dog then upon payment of the fees specified in the schedule hereto the dog shall be released to such person.

6. The poundkeeper shall be in attendance at the pound for the release of dogs at such times and on such days of the week as shall from time to time be determined by the Board.

7. Any person applying for the release of a dog seized or impounded shall prove to the satisfaction of the poundkeeper or other officer authorised by the Board the ownership of the dog and his authority to take delivery of it. The poundkeeper or officer may accept such proof as he considers satisfactory and no person shall have any right of action against him or the Board in respect of the delivery of a dog in good faith.

8. If a dog shall not be claimed and the said fees paid within 48 hours of its being seized or if a dog, having a collar around its neck with a registration label for the current year affixed thereto, shall not be claimed and the said fees paid within 48 hours of the service of a notice upon the registered owner the poundkeeper or other officer authorised by the Board may sell such dog.

9. Upon the sale of a dog the proceeds of sale shall be the property of the Board and may be disposed of in such manner as the Board thinks fit. The owner of a dog sold pursuant to these by-laws shall have no claim against the Board in respect of the proceeds thereof.

10. If within the times mentioned in by-law 8 hereof or at any time before the destruction of a dog the dog has not been claimed as aforesaid and the said fees paid and if no offer has been received for its purchase the dog may be destroyed.

11. Notwithstanding anything herein contained but subject to the provisions of section 19 of the Dog Act, 1903, any dog seized or impounded may at any time be destroyed upon the authority of the Secretary of the Board if, in the opinion of the Secretary, the dog is too savage or noisy to be kept or is suffering from an injury, disease or sickness.

12. If the Board shall destroy a dog at the request of its owner whether such dog shall have been seized or impounded or not the owner shall pay to the Board the fee specified in the schedule hereto.

13. No person shall—

- (a) unless a poundkeeper or other officer of the Board duly authorised in that regard release or attempt to release a dog from a pound;
- (b) destroy, break into, damage, or in any way interfere with or render not dog-proof any pound;
- (c) destroy, break into, damage, or in any way interfere with or render not dog-proof any dog cart, vehicle or container used for the purpose of catching, holding, or conveying dogs which have been seized.

14. The owner of a dog shall keep such dog chained or under effective control from sunset to sunrise.

- (e) Any land vested in or under the control of the Board other than a road.

17. If any dog rushes at, attacks, worries or chases any person or any horse, cattle, sheep, poultry, or any domestic animal, other than those trespassing, the owner of such dog shall be liable to a penalty not exceeding twenty pounds.

When a dog has actually bitten any person, the Court or Justices, in addition to inflicting a penalty, may order that such dog be destroyed forthwith, and may give all necessary directions to make such order effective.

The Board may direct its registering officer to refuse to register any dog on the ground that it is of a destructive nature, but the owner may appeal to the Local Court against this direction.

18. No person shall obstruct or hinder an employee of the Board or member of the Police Force in the performance of anything authorised by the provisions of the Dog Act, 1903, or the regulations made in pursuance of those provisions.

19. The payment of fees in respect of the seizure, care, detention or destruction of a dog shall not relieve the owner of it of liability to a penalty under any of the provisions of these by-laws.

20. Any person who shall commit a breach of these by-laws shall upon conviction be liable to a penalty not exceeding £5.
