(g) (i) An employer may require any worker to work reasonable overtime at overtime rates and such worker shall work overtime in accordance with such requirement.

(ii) No organisation party to this Award, or worker or workers covered by this Award, shall in any way, whether directly or indirectly, be a party to or concerned in any ban, limitation or restriction upon the working of overtime in accordance with the requirements of this subclause.

(h) In the calculation of overtime rates, each day shall stand alone. Provided that, when a worker continues working beyond midnight on any day, the hours worked after midnight shall be counted as part of the previous day's work for the purpose of calculating the rates to be paid.

12.—Shift Work.

(a) The employer may, if he so desires, work his establishment on shifts, but before doing so shall give notice of his intention to the Union and of the intended starting and finishing times or ordinary working hours of the respective shifts.

(b) The loading on the ordinary rates of pay for shift work shall be five per cent. (5%) for afternoon shift and ten per cent. (10%) for night shift.

16.—Annual Leave.

(a) Except as hereinafter provided, a period of two (2) consecutive weeks' leave with payment of ordinary wages as prescribed shall be allowed annually to a worker after a period of twelve (12) months' continuous service.

(b) If any Award holiday falls within a worker's period of annual leave and is observed on a day which in the case of that worker would have been an ordinary working day, there shall be added to that period one day being an ordinary working day for each such holiday observed as aforesaid.

(c) If after one (1) month's continuous service in any qualifying twelve monthly period a worker lawfully leaves his employment or his employment is terminated by the employer through no fault of the worker, the worker shall be paid one-sixth (1/6th) of a week's pay at his ordinary rate of wage in respect of each completed month of continuous service.

(d) The provisions of this clause shall not apply to casual workers.

(e) A worker who is dismissed for misconduct or who illegally severs his contract of service, shall not be entitled to the benefit of the provision of this clause.

(f) In the event of a worker being employed by the employer for portion only of a year, he shall only be entitled, subject to subclause (c) of this clause, to such leave on full pay as is proportionate to his length of service during that period with such employer, and if such leave is not equal to the leave given to the other workers, he shall not be entitled to work or pay whilst the other workers of such employer are on leave on full pay.

(g) Liberty is reserved to either party to apply to amend this clause.

17.—Sick Leave.

(a) A worker shall be entitled to payment for non-attendance on the ground of personal ill-health for one-twelfth (1/12th) of a week for each completed month of service: Provided that payment for absence through such ill-health shall be limited to one (1) week in each calendar year. Payment hereunder may be adjusted at the end of each calendar year, or at the time the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred. This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

(b) A worker shall not be entitled to receive any wages from his employer for any time lost through the result of an accident not arising out of or in the course of his employment, or for any accident, wherever sustained, arising out of his own wilful default, or for sickness arising out of his own wilful default.

(c) No worker shall be entitled to the benefits of this clause unless he produces proof satisfactory to his employer of sickness, but the employer shall not be entitled to a medical certificate unless the absence is for three (3) days or more.

(d) Sick leave shall accumulate from year to year, so that any balance of the period specified in sub-clause (a) of this clause which has in any year not been allowed to any worker by his employer as paid sick leave may be claimed by the worker and, subject to the conditions hereinbefore prescribed shall be allowed by his employer in any subsequent year without diminution of the sick leave prescribed in respect of that year. Provided that sick leave which accumulates pursuant to this subclause shall be available to the worker for a period of two (2) years but no longer from the end of the year in which it accrues.

(e) Liberty is reserved to either party to apply to amend this clause.

- (ii) Age and date of birth.

No worker shall have any claim upon an employer for additional pay in the event of the age of the worker being wrongly stated on the certificate,

or if no such certificate is furnished, verbally to the employer. If any junior worker shall wilfully misstate his age either verbally to the employer or in the certificate, he alone shall be guilty of a breach of this Award, and in the event of a worker having received a higher rate than that to which he was entitled, he shall make restitution to the employer.

23.—Long Service Leave.

(a) Right to Leave.

A worker shall as herein provided be entitled to leave with pay in respect of long service.

(b) Long Service.

(2) Such service shall include service prior to the 24th December, 1958, if it continued until such time but only to the extent of the last 20 completed years of continuous service.

(3) (i) Where a business has, whether before or after the coming into operation hereof, been transmitted from an employer (herein called "the transmittor") to another employer (herein called "the transferee") and a worker who at the time of such transmission was an employee of the transmittor in that business becomes an employee of the transferee—the period of the continuous service which the worker has had with the transmittor (including any such service with any prior transmittor) shall be deemed to be the service of the worker with the transferee.

(ii) In this subclause "transmission" includes transfer, conveyance, assignment or succession whether voluntary or by agreement or by operation of law and "transmitted" has a corresponding meaning.

(4) Such service shall include—

- (a) Any period of absence from duty on annual leave or long service leave.
- (b) Any period of absence from duty necessitated by sickness or injury to the worker but only to the extent of fifteen working days in any year of his employment.
- (c) Any period following any termination of the employment by the employer if such termination has been made merely with the intention of avoiding obligations hereunder in respect of long service leave or obligations under any award in respect of annual leave.
- (d) Any period during which the service of the worker was or is interrupted by service—

- (i) As a member of the Naval, Military or Air Forces of the Commonwealth of Australia other than as a member of the British Commonwealth Occupation Forces in Japan and other than as a member of the Permanent Forces of the Commonwealth of Australia except in the circumstances referred to in Section 31 (2) of the Defence Act, 1903-1956, and except in Korea or Malaya after June 26th, 1950;
- (ii) As a member of the Civil Construction Corps established under the National Security Act, 1939-1946;

Provided that the worker as soon as reasonably practicable on the completion of any such service resumed or resumes employment with the employer by whom he was employed immediately before the commencement of such service.

(5) Service shall be deemed to be continuous notwithstanding—

- (a) the transmission of a business as referred to in paragraph (3) hereof;
- (b) any interruption of a class referred to in paragraph (4) hereof irrespective of the duration thereof;

- (c) any absence from duty authorised by the employer;
- (d) any standing-down of a worker in accordance with the provision of an Award, Industrial Agreement, Order or Determination under either Commonwealth or State law;

- (f) any termination of the employment by the employer on any ground other than slackness of trade if the worker be re-employed by the same employer within a period not exceeding two months from the date of such termination;
- (g) any termination of the employment by the employer on the ground of slackness of trade if the worker is re-employed by the same employer within a period not exceeding six months from the date of such termination;
- (h) any reasonable absence of the worker on legitimate union business in respect of which he has requested and been refused leave;
- (i) any absence from duty after the coming into operation of this clause by reason of any cause not specified in this clause unless the employer during the absence or within fourteen days of the termination of the absence notifies the worker in writing that such absence will be regarded as having broken the continuity of service, which notice may be given by delivery to the worker personally or by posting it by registered mail to his last recorded address, in which case it shall be deemed to have reached him in due course of post.

Provided that the period of any absence from duty or the period of any interruption referred to in placita (c) to (i) inclusive of this paragraph shall not (except as set out in paragraph (4) hereof) count as service.

(c) Period of Leave.

- (1) The leave to which a worker shall be entitled or deemed to be entitled shall be as provided in this subclause.
- (2) Where a worker has completed at least 20 years' service the amount of leave shall be—

 - (b) in respect of each 10 years' service completed after such 20 years—six and a half weeks' leave.
- (3) Where a worker has completed at least 15 years' service since its commencement and his employment is terminated—
 - (a) by his death;
 - (b) in any circumstances otherwise than by the employer for serious misconduct;
 the amount of leave shall be—
 - (i) if such determination takes place before the worker has become entitled to leave under placitum (a) of paragraph (2), hereof of such proportion of 13 weeks' leave as the number of completed years of such service bears to 20 years.
 - (ii) if such termination takes place after the worker has become entitled to leave under placitum (a) of paragraph (2) hereof the leave due under such placitum and in addition such proportion of 13 weeks' leave as the number of completed years of such service after the accrual of such entitlement bears to 20 years.
- (4) Where a worker has completed at least 10 years' service but less than 15 years' service since its commencement and his employment is terminated—
 - (i) by his death; or
 - (ii) by the employer for any reason other than serious misconduct; or

- (iii) by the worker on account of sickness or injury to the worker or domestic or other pressing necessity where such sickness or injury or necessity is of such a nature as to justify or in the event of a dispute is, in the opinion of the Special Board of Reference, of such a nature as to justify such termination;

the amount of leave shall be such proportion of 13 weeks' leave as the number of completed years of such service bears to 20 years.

(5) In the cases to which paragraph (3) and (4) hereof apply the worker shall be deemed to have been entitled to and to have commenced leave immediately prior to such termination.

(d) Payment for Period of Leave.

(1) A worker shall subject to paragraph (3) hereof, be entitled to be paid for each week of leave to which he has become entitled or is deemed to have become entitled the ordinary time rate of pay applicable to him at the date he commences such leave;

(e) Taking Leave.

(1) In a case to which paragraph (2) of subclause (c) applies:—

- (a) Leave shall be granted and taken as soon as reasonably practicable after the right thereto accrues due or at such time or times as may be agreed between the employer and the worker or in the absence of such agreement at such time or times as may be determined by the Special Board of Reference, having regard to the needs of the employer's establishment and the worker's circumstances.
- (b) Except where the time for taking leave is agreed to by the employer and the worker or determined by the Special Board of Reference the employer shall give to a worker at least one month's notice of the date from which his leave is to be taken.
- (c) Leave may be granted and taken in one continuous period or if the employer and the worker so agree in not more than three separate periods in respect of the first 13 weeks' entitlement and in not more than two separate periods in respect of any subsequent period of entitlement.
- (d) Any leave shall be inclusive of any public holidays specified in this Award occurring during the period when the leave is taken but shall not be inclusive of any annual leave.
- (e) Payment shall be made in one of the following ways:—
 - (i) in full before the worker goes on leave;

- (ii) at the same time as his wages would have been paid to him if the worker had remained at work, in which case payment shall, if the worker in writing so requires, be made by cheque posted to an address specified by the worker; or
- (iii) in any other way agreed between the employer and the worker.

- (f) No worker shall, during any period when he is on leave, engage in any employment for hire or reward in substitution for the employment from which he is on leave, and if a worker breaches this provision he shall thereupon forfeit his right to leave hereunder in respect of the unexpired period of leave upon which he has entered, and the employer shall be entitled to withhold any further payment in respect of the period and to reclaim any payments already made on account of such period of leave.

(2) In the case to which paragraph (3) or paragraph (4) of subclause (c) applies and in any case in which the employment of the worker who has become entitled to leave hereunder is terminated before such leave is taken or fully taken the employer shall, upon termination of his employment otherwise than by death pay to the worker, and upon termination of employment by death pay to the personal representative of the worker upon request by the personal representative, a sum equivalent to the amount which would have been payable in respect of the period of leave to which he is entitled or deemed to have been entitled and which would have been taken but for such termination. Such payment shall be deemed to have satisfied the obligation of the employer in respect of leave hereunder.

(f) Granting Leave in Advance and Benefits to be Brought into Account.

(1) Any employer may by agreement with a worker allow leave to such worker before the right thereto has accrued due, but where leave is taken in such a case the worker shall not become entitled to any further leave hereunder in respect of any period until after the expiration of the period in respect of which such leave had been taken before it accrued due.

(2) Where leave has been granted to a worker pursuant to the preceding paragraph before the right thereto has accrued due, and the employment subsequently is terminated, the employer may deduct from whatever remuneration is payable upon the termination of the employment a proportionate amount on the basis of 13 weeks for twenty years' service in respect of any period for which the worker has been granted long service leave to which he was not at the date of termination of his employment or prior thereto entitled.

(3) Any leave in the nature of long service leave or payment in lieu thereof under a State law or a long service leave scheme not under the provisions hereof granted to a worker by his employer in respect of any period of service with the employer shall be taken into account whether the same is granted before or after the coming into operation hereof and shall be deemed to have been leave taken and granted hereunder in the case of leave with pay to the extent of the period of such leave and in the case of payment in lieu thereof to the extent of a period of leave with pay equivalent to the amount of payment and to be satisfaction to the extent thereof of the entitlement of the worker hereunder.

(4) An employer shall be entitled to offset any payment in respect of leave hereunder against any payment by him to any long service leave scheme, superannuation scheme, pension scheme, retiring allowance scheme, provident fund, or the like or under any combination thereof operative at the 24th December, 1958.

(g) Records to be Kept.

(1) Each employer shall during the employment and for a period of 12 months thereafter, or in the case of termination by death of the worker a

period of three years thereafter, keep a record from which can be readily ascertained the name of each worker and his occupation, the date of the commencement of his employment and his entitlement to long service leave and any leave which may have been granted to him or in respect of which payment may have been made hereunder.

(2) Such record shall be open for inspection in the manner and circumstances prescribed by this Award with respect to the time and wages record.

(h) Special Board of Reference.

(1) There shall be constituted a Special Board of Reference for the purpose hereof to which all disputes and matters arising hereunder shall be referred and the Board shall determine all such disputes and matters.

(2) There shall be assigned to such Board the functions of:—

- (a) the settlement of disputes on any matters arising hereunder;
- (b) the determination of such matters as are specifically assigned to it hereunder.

(3) The Board of Reference shall consist of one representative or substitute therefor nominated from time to time by the Western Australian Employers' Federation (Incorporated) and one representative or substitute nominated from time to time by the West Australian Trade Unions Industrial Council (A.L.P.) together with a chairman to be mutually agreed upon by the organisations named in this paragraph.

(i) State Law.

(1) The provisions of any State law to the extent to which they have before the coming into operation hereof conferred an accrued right on a worker to be granted a period of long service leave in respect of a completed period of 20 or more years' service or employment or an accrued right on a worker or his personal representative to payment in respect of long service leave shall not be affected hereby and shall not be deemed to be inconsistent with the provisions hereof.

(2) The entitlement of any such worker to leave in respect of a period of service with the employer completed after the period of which the long service leave referred to in paragraph (1) hereof accrued due shall be in accordance herewith.

(3) Subject to paragraphs (1) and (2) hereof, the entitlement to leave hereunder shall be in substitution for and satisfaction of any long service leave to which the worker may be entitled in respect of employment of the worker by the employer.

(4) An employer who under any State law with regard to Long Service Leave is exempted from the provisions of that law as at the 24th December, 1958, shall in respect of the workers covered by such exemption be exempt from the provisions hereof.

(j) Exemptions.

The Special Board of Reference may subject to such conditions as it thinks fit exempt any employer from the provisions hereof in respect of its employees where there is an existing or prospective long service leave scheme which, in its opinion is, viewed as a whole more favourable for the whole of the employees of that employer than the provisions hereof.

(k) Liberty to Apply.

Liberty is granted to any party to this Award to apply to the Court at any time for an appropriate variation of this clause if any of the terms and conditions operating under the code of Long Service Leave being negotiated between the Australian Council of Trade Unions and Federal Employers' Organisations is varied in any way.

In witness whereof this Award has been signed by the Conciliation Commissioner this 15th day of September, 1960.
