Details of Scheme No. 3 (Summary).

This authority responsible for the administration of this scheme is the Augusta-Margaret River Road Board.

Briefly the scheme area comprises Crown, private and Board-owned land. The purpose of the scheme is to improve and develop the scheme area to the best possible advantage to secure suitable provision for traffic, residences, land for building purposes, drainage and public open space. For this purpose the land in the scheme area not in the property of the board shall be resumed or otherwise acquired, re-surveyed, roads constructed, filled where necessary, and trees planted in the open space area and the new lots re-allocated to the former owners on the following basis:—

- (b) Any remaining lots will be treated as surplus lots and sold by the Board or retained for its own use. In the event of sufficient lots being available for sale from surplus lots and from land provided by the Crown to pay the costs of the Scheme, the balance of the land made available by the Crown shall be re-transferred to the Crown.

The cost of the scheme including all works to be carried out, administration, survey, compensation (where owners will not accept replacement lots), transfer fees and other expenses incidental to the scheme shall be met from the sale of surplus lots. The net costs, if any, shall be met by the Augusta-Margaret River Road Board.
