WHEREAS it is enacted by subsection (3) of section 9 of the Local Government Act, 1960, that (*inter alia*) the Governor may approve the name and common seal of a municipality and the name and seal so approved are those of the municipality; and whereas it is further enacted by subsection (6) of that section that (*inter alia*) on the coming into operation of the said Act a former municipal district of a city remains the municipal district of a city under the said Act, a former municipal district of a municipality other than a city becomes the municipal district of a town under the said Act, and a former road district becomes the municipal district of a shire under the said Act; and whereas the Governor has, by Proclamation, fixed the 1st day of July, 1961, as the day upon which the said Act shall come into operation; and whereas it is desired that the former municipal districts and former road districts the names of which are set forth in the first column of the schedule to this Order in Council remain, or as the case may be, become on and from that date municipalities under

the said Act by the respective names set forth in the second column of that schedule, and that thereupon the respective councils of those municipalities shall have the names set forth in the third column of that schedule; and whereas it is deemed expedient that the names of the municipalities so set forth in the second column of the said schedule be approved as the names of the respective municipalities under the said Act and that the common seals of those municipalities be approved as specified and described in the fourth and fifth columns of that schedule respectively set against the name of each municipality: Now, therefore, His Excellency the Lieutenant-Governor and Administrator, acting by and with the advice and consent of the Executive Council and in exercise of the powers conferred by subsection (3) of section 9 of the said Act, doth hereby approve the names of the municipalities as set forth in the second column of the schedule to this Order in Council being the names of those respective municipalities, and doth hereby also approve of those municipalities having the common seals specified and described in the fourth and fifth columns of that schedule respectively set against the names of those municipalities.

LOCAL GOVERNMENT ACT.

Extracts from *Government Gazette*.

UNDER section 256 of the Local Government Act, it is mandatory for a council to have copies of the by-laws of the municipality available for sale to the public.

The easiest and cheapest way to comply with section 256 is to order extracts from the *Government Gazette*. (These extracts are in every sense legal documents.)

To save councils the worry of watching for the *Gazette* in which their by-laws appear and then ordering their requirements, the Government Printer has created a "Standing Orders List."

A council which wishes to have its name recorded in this "Standing Orders List" may achieve this by forwarding to the Government Printer a request for a certain number of copies of each by-law or set of by-laws gazetted by it. The number ordered should not vary unless, of course, it is found to be insufficient.

The following prices will be charged for the foregoing extracts until further notice:—

- 1 page—
100 copies—25s.
For each additional 100—5s.
- 4 pages—
100 copies—£2.
For each additional 100—8s.
- 8 pages—
100 copies—£3 5s.
For each additional 100—15s.
- 16 pages—
100 copies—£5 10s.
For each additional 100—£1.

MINING ACT, 1904-1957.

Part XIII, Division 1.

Before the W.A. Coal Industry Tribunal Held at Collie.

Application No. 18 of 1961.

Between Coal Miners' Industrial Union of Workers of W.A., Collie, Applicants, and Griffin Coal Mining Co. Ltd. and others, Respondents.

An application by the Miners' Union to amend Long Service Leave Award No. 104 of 1955, clause 2, subclause (xa) to read 3 years in lieu of 8 years.

(Application No. 18 of 1961 of the W.A. Coal Industry Tribunal.)

Decision.

BY this application, which was dealt with by the Tribunal at Collie on 9th March, 1961, the Miners' Union sought a reduction of the qualifying period for pro-rata long service leave from 8 years to 3 years (subclause (xa) of clause 2 of award No. 104 of 1955).

The Tribunal decided unanimously that the application should be granted, but only in respect of the workers retrenched as the result of the latest allocation of coal orders by the West Australian Government resulting in the close-down of Amalgamated Collieries of W.A. Ltd.

The workers concerned would be:—

- (1) Those retrenched, or to be retrenched after dismantling, by Amalgamated Collieries and not likely to be re-employed.
- (2) Those retrenched by other collieries as the result of the district seniority provisions of clause 27 of the Miners' Award, No. 4 of 1953, and not likely to be re-employed.

An estimate of the number of men affected is given on pages 1 and 2 of the transcript.

The reasons for the Tribunal's decision are as follow:—

- (1) There are no other coalfields in Western Australia and the chances of re-employment in the industry of men low on the seniority list is very remote.

(2) The retrenchments were brought about by a change in Government policy, resulting in the closing down of all mines operated by the biggest employer in the industry, and not associated with the industrial relationship of master and servant.

(3) State Government wages employees are entitled to pro-rata long service leave payments after 3 years service. Upon a change in Government policy concerning day-labour works about mid 1959 there were heavy retrenchments of such workers, who received full benefit of this provision even where they resigned in anticipation of retrenchment.

(4) The State Government was committed to support a favourable decision by the Tribunal. I refer to the extract from a letter quoted at the top of page 3 of the transcript.

(5) When the 8 year qualifying period was fixed the set of circumstances existing in the present instance was not contemplated.

Order and award accordingly.

Dated at Collie this 9th day of March, 1961.
