94. (1) Promotion lists for the positions of headmasters of all primary schools of Classes I to IV, both inclusive, and for those of headmistresses of all classes of infants' schools shall be prepared in the Department and published in the "Education Circular" as soon as possible after the thirty-first day of May in each year.

(2) (a) Each promotion list must be compiled by the thirty-first day of May in each year and the names of teachers who have the required qualifications and have applied to the Department to be included in the list shall be placed in the list.

(b) The Board may add to a promotion list the names of qualified teachers who apply for inclusion in the list subsequent to the thirty-first day of May of any year and whose names are so added shall be deemed to have been placed in the list on the day application is received by the Department.

(c) The name of any headmaster or headmistress who completes the necessary requirements shall, without application, be added to the list.

95. (1) (a) In each promotion list the names of teachers eligible in accordance with regulations 96 and 97 of these regulations shall be arranged in two groups according to their respective efficiency marks in accordance with sub-regulation (1) of regulation 88 of these regulations.

(c) The average efficiency mark referred to in this subregulation shall be determined in accordance with the average of the marks obtained by the teacher on the reports for the four years immediately preceding the year in which the promotion list is compiled.

(d) The Board shall compile a list of the names of all the teachers in Group 1 arranged in order of eligibility for promotion which shall be determined in accordance with their relative seniority combined with their certificate marks determined and calculated in accordance with subregulation (2) of this regulation.

(e) Where the average efficiency mark of a teacher whose name appears on the promotion list falls below that specified in paragraph (b) of this subregulation the name of that teacher shall be removed from the list.

(2) (a) In calculating certificate marks the Board shall assign values for certificates as follows:—

	Marks
Teachers' Higher Certificate .....	10
Teachers' Higher Certificate (Conditional) .....	8
Teachers' Certificate .....	5
Teachers' Certificate (Conditional) .....	1

but where a teacher holds a University degree one additional mark shall be added to his certificate mark.

(b) (i) In calculating seniority of a teacher, the whole of his service in the Department shall be taken into consideration and marks shall be awarded as follows:—

	Marks
For each year of service as a monitor .....	$\frac{1}{4}$
For each year of service as a student in a teachers' college .....	$\frac{1}{4}$
For each year of service as a teacher .....	$\frac{1}{2}$

(ii) Where a teacher served in a locality or localities where district allowance pay is payable, an additional fifty per cent. shall be added for service in that locality or those localities up to and including the thirtieth day of April, 1926, and for such service between that date and the end of the year 1932, and additional twenty-five per cent. shall be added.

(iii) Where a teacher served abroad in the expeditionary forces during the 1914-1918 war an additional fifty per cent. shall be added for that service for the period commencing on the date of his enlistment and ending on the date of his discharge from the forces.

96. (1) For the first appointment as headmaster or headmistress, a teacher holding the Teachers' Certificate is eligible for appointment only to a Class V primary school.

(2) For the first appointment as headmaster, a male teacher holding the Teachers' Higher Certificate, or Teachers' Higher Certificate (Conditional) is eligible to have his name placed on a promotion list only for a Class IV school.

(3) (a) For the first appointment as headmistress, a female teacher holding the Teachers' Higher Certificate is eligible to have her name placed on a promotion list for a Class IV infants' school if she has had, during the four years immediately preceding the preparation of the promotion list, not less than three years' good service in an infants' school or in teaching infant grades.

(b) For the purposes of this subregulation—

(i) a Class V school, or a school of higher classification having no children above Grade 3, shall be deemed to be an infants' school; but where, in order to suit departmental exigencies, a Grade 4 or Grade 5 is added to an infants' school, the addition does not prejudice the rights of the headmistress to be regarded as headmistress of an infants' school nor the rights of a female teacher who teaches the grade or grades so added;

(ii) a grade that is not higher than Grade 3 shall be deemed to be an infants' grade.

97. (1) Subject to the provisions of regulation 96 of these regulations, a headmaster or headmistress is eligible only for inclusion in the promotion list pertaining to the class of school next above that in which the headmaster or headmistress is placed.

(2) A headmaster or headmistress is not eligible for inclusion of his or her name in the promotion list for the next higher grade of school unless and until the headmaster

or headmistress obtains the required qualifications mentioned in regulation 169 of these regulations and completes two years' service as permanent head in the grade of school in which he or she is serving with an efficiency mark of at least 81 in each of those two years.

(3) (a) A headmaster of a "special school" other than a Class I school, with the necessary qualifications and service, is eligible for inclusion of his name in a promotion list pertaining to the class of school next above the class in which he is serving as headmaster.

(b) For the purposes of this subregulation a headmaster's service in a "special school" of any class is equivalent to service in schools of that class.

98. (1) The Director-General may, by notice in the Education Circular, request a teacher whose name appears on a promotion list to inform the Department on such matters relating to his eligibility for promotion as the Director-General may specify in the notice, and in particular with regard to the intentions and preferences of the teacher in relation to such promotions for which he is eligible.

(2) A teacher who, in the course of any year, neglects to comply with the request forfeits his right to promotion for the list for that year.

99. (1) The Department shall fill every third vacancy that occurs in a school by the appointment of a teacher selected by the Board from Group 1 irrespective of the position of his name on the promotion list, regard being paid to his ability, qualifications and efficiency, and the Department shall fill all other vacancies by the appointment of teachers in the order in which their names appear in Group 1 on that list.

(2) When the names in Group 1 on the promotion list are exhausted, promotions shall be made from the names appearing in Group 2 of that list, the order of promotion being determined by the relative seniority of the teachers in that Group combined with their respective certificate marks.

(3) Where a teacher desires the Board to take into account special circumstances in connection with his eligibility for inclusion of his name on the promotion list for any year, he may apply to the Board in writing setting out the circumstances, and the Board shall make a decision on the application.

(4) Where the available promotions in any year do not exhaust the list of teachers whose names appear in Group 1 on the promotion list, the names of the teachers who did not receive promotion for that year and whose names remain on the list shall be placed at the head of Group 1 for the following year in order of their eligibility, if their efficiency warrants their retention in Group 1.

100. (1) A teacher does not lose his place in a promotion list by his refusal to accept promotion or to apply for promotion when invited to do so.

(2) Except for special cause involving extreme hardship of which the Board is the sole judge, a teacher whose name, by reason of the refusal of another teacher to accept or apply for promotion or any other cause, moves to a position on the promotion list above the name of that other teacher, is entitled to, and shall be granted, preference so far as any transfer is concerned.

(3) A teacher who has accepted promotion to a school outside the metropolitan area is not entitled and shall not be permitted to retrogress to a school of lower status within that area unless and until he has served for a minimum of two years in the former school, unless the Director-General otherwise decides.

(4) Where a teacher is moved at his own request to an inferior position, the Board shall decide whether he is to be given the right to be restored, when he so desires, to a position equivalent to that which he had immediately prior to being so moved, on the occurrence of a suitable vacancy, and whether his name is to be retained in his position on the list for promotion to a school of the class above the school in which he was serving immediately prior to being moved to the inferior position.

Section C.—Advertised Vacancies.

101. (1) Subject to the provisions of regulation 191 of these regulations a vacant position for which there is no appropriate promotion list, or for which special qualifications are needed, or a vacant position which carries extra remuneration over and above the usual remuneration payable, shall be advertised and filled by the Director-General after the Director of the relevant Division has duly made his recommendation from the eligible applicants.

(2) A teacher with the required qualifications, efficiency mark and service may apply for any position so advertised.

(3) The Director-General shall give written notice to a teacher who is an unsuccessful applicant for an appointment within fourteen days of a recommendation being made.

(4) Any teacher who is an unsuccessful applicant for the appointment may, within fourteen days after being notified by the Director-General pursuant to subregulation (3) of this regulation, appeal under section 37AF of the Act to the Government School Teachers' Tribunal constituted under the Act.

102. (1) A Director in making his recommendations to the Director-General shall take into consideration the particular circumstances of the vacant position in question and the particular fitness of the applicants to discharge the duties of that position, and shall be bound by the ordinary rules of seniority only if the fitness of two or more of the applicants to discharge those duties is not capable, in the opinion of the Director, of clear distinction.

(2) Before giving advice or making a recommendation to the Director-General on any position, the Director of Technical Education shall seek and consider the advice of the appropriate professional or trade advisory committee, if any, as to the qualifications and standing of the applicants for appointment to the teaching staff.

(3) Where an applicant recommended by a Director is not available for or declines the appointment for which he is recommended, the Director shall make another recommendation from the original list of applicants.
