TOWN PLANNING AND DEVELOPMENT ACT, 1928-1959.

Shire of Perth.

Advertisement of Resolution Deciding to Prepare a Town Planning Scheme.

Shire of Perth Town Planning Scheme
No. 12A—Dianella.

T.P.B. 853/2/20/12.

NOTICE is hereby given that the Council of the Shire of Perth on the 4th day of July, 1961, passed the following resolution:—

Resolved that the Shire of Perth, in pursuance of section 7 of the Town Planning and Development Act, 1928-1959, prepare the above Town Planning Scheme with reference to an area situate wholly within the Shire of Perth and enclosed within the inner edge of a blue border on the plans now produced to the Shire of Perth and marked and certified by the Shire Clerk to the Shire of Perth under his hand, dated the 4th day of July, 1961, as Plan No. 1 and Plan No. 2.

Details of Scheme No. 12A (Summary).

The authority responsible for the administration of this scheme is the Shire of Perth.

The general objects of the scheme are to improve and develop the scheme area to the best possible advantage, to plan within the area suitable roads, and to make provision for arterial and main roads, to ensure the proper drainage of these roads, to plan the subdivision of land within the area, to facilitate and co-ordinate the programme of subdivision and development of land within the area and to make provision for land for public and local authority purposes.

Generally, owners of land in the scheme area will be encouraged to develop and subdivide their land according to the design shown on the Scheme Plan, which forms a basis for subdivision, but which is not intended to be rigidly adhered to, provided that any amendments suggested by owners would not impede the subdivision and development of the area as a whole.

Generally, owners will carry out their subdivisional proposals in the usual manner by making application to the Town Planning Board. The scheme ordinance makes provision for adjustment of open space contributions on an equitable basis, and for sharing of the costs of boundary roads, etc. among adjoining owners.

Owners will be encouraged to carry out their own subdivision, and the Council would only act directly, under the terms of the scheme, where an owner, by refusing to subdivide, is in the opinion of the Council, impeding the overall progress of the scheme.

And notice is hereby given that the Plans No. 1 and No. 2, referred to in the above resolution, have been deposited at the office of the Shire of Perth, Cedric Street, Osborne Park, and at the office of the Town Planning Board, 33 Mount Street, Perth, and will be available for inspection by all persons interested, without payment of any fees, during normal office hours. Any objections to the proposed scheme should be sent in writing to the Shire Clerk, the Shire of Perth, on or before the 7th day of October, 1961.

Dated this 5th day of July, 1961.

LLOYD P. KNUCKEY,
Shire Clerk.

Cedric Street, Osborne Park.
