(i) To select workers with due regard to their qualifications for their respective tasks.

(ii) To allot to workers their respective tasks; to dispense with the services of any worker for incompetence, drunkenness, misconduct.

(iii) In the event of the work of a worker being unsatisfactory at a task to which he has been transferred, the Management shall have the right to place such worker on waiting time in accordance with Clause 20 of this Award.

11.—Smokos.

(a) Workers under this Award shall be allowed a smoko of fifteen (15) minutes each forenoon and a further smoko of fifteen (15) minutes each afternoon at such times as shall be fixed by mutual arrangement and one smoko after every two (2) hours continuous work done outside ordinary hours if it is intended that after such smoko work is to continue for at least another hour.

(b) When reasonably required by the Management owing to exigencies of work, workers shall forego their smoko until a convenient time.

12.—Overtime.

(a) Overtime rates shall be paid—

- (i) for all time worked after the usual ceasing time and before midnight, time and one-half for the first four (4) hours and thereafter double time;
- (ii) for all time worked in the period commencing from midnight, double time up to the worker's usual starting time;
- (iii) for all work performed on Saturdays, time and a half for the first four (4) hours and thereafter double time.

(b) For all time worked during meal hours and smokos, except as provided in Clause 11, double ordinary rates.

(c) Except as provided in Clause 13 and subject to any mutual arrangement, workers called back to work after the meal time following ordinary ceasing time or required for overtime on Saturday, shall be provided with a minimum period of two (2) hours work or shall be entitled to payment for such.

(b) Where Christmas Day or New Year's Day falls on a Saturday or a Sunday, such holiday shall be observed on the next succeeding Monday and where Boxing Day falls on a Sunday or a Monday, such holiday shall be observed on the next succeed-

ing Tuesday; in each such case the substituted day shall be deemed a holiday without deduction of pay in lieu of the day for which it is substituted.

(c) Whenever any holiday falls on a worker's ordinary working day and the worker is not required to work on such day he shall be paid for the ordinary hours he would have worked on such day if it had not been a holiday. Work performed on these days and on Sundays shall be paid for at double ordinary rates.

(d) Payment for holidays shall be at the rate pertaining to each worker's task.

(e) When a worker is off duty owing to leave without pay or sickness, including accidents on or off duty, except time for which he is entitled to claim sick pay, any holiday falling during such absence shall not be treated as a paid holiday. Where the worker is on duty or available on the working day immediately preceding a holiday, or resumes duty or is available on the working day immediately following a holiday, as prescribed in this clause, the worker shall be entitled to a paid holiday on such holiday.

(c) (i) Subject to paragraph (ii) when computing the annual leave due under this clause no deduction shall be made from such leave in respect of that period that a worker is on annual leave and/or holidays; provided that no deduction shall be made for any approved period a worker is absent from duty through sickness with or without pay unless the absence exceeds three (3) calendar months, in which case deduction may be made for such excess only.

(ii) Approved periods of absence from work caused through accidents sustained in the course of employment shall not be considered breaks in continuity of service but the first six (6) months only of any such period shall count as service for the purpose of computing annual leave.

(d) In the event of a worker being employed by the employer for portion only of a year, he shall only be entitled to such holidays on full pay as are proportionate to his length of service during that period with such employer.

(e) Annual leave must be granted not later than four (4) weeks after the leave falls due, and at least fourteen (14) days' notice shall be given to the worker of the date upon which he is to commence his annual leave.

(f) (i) A worker who is justifiably dismissed for misconduct shall not be entitled to the benefit of the provisions of this clause.

(ii) In special circumstances and by mutual consent of the employer, the worker and the Union concerned, annual leave may be taken in not more than two periods.

(g) When work is closed down for the purpose of allowing annual leave to be taken, workers with less than a full year's service shall only be entitled to payment during such period for the number of days' leave due to them: Provided that nothing herein contained shall deprive the employer of his right to retain at the works during the close-down period such workers as may be essential.

(h) Workers regularly working for the Management north of South Latitude 26 shall be allowed to accumulate annual leave for two (2) years, subject to the convenience of the Management. Such workers who proceed to Fremantle and Perth during the period of such leave shall be allowed, once in each two (2) years, reasonable travelling time on the forward and return journey between the place of their employment and either of the said cities.

(c) Payment hereunder may be adjusted at the end of each calendar year or at the time the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred.

(d) This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

(e) No worker shall be entitled to the benefit of this clause unless he produces proof satisfactory to his employer or his representative of sickness, but the employer shall not be entitled to a medical certificate unless the absence is for three (3) consecutive working days or more.

17.—Travelling.

(a) Each worker shall be entitled to—

(c) Any seasonal operative who leaves of his own accord or is dismissed for misconduct before the end of a fourteen (14) weeks' period from arrival at Glenroy shall be liable to refund the cost of his fare to Glenroy and any wages due to him shall be retained as part payment and the balance will be legally recoverable and any worker other than a seasonal operative who leaves of his own accord or is dismissed for misconduct before the end of the season's operations as defined in Clause 18, shall be liable to refund the cost of his fare to Glenroy and any wages due to him shall be retained as part payment and the balance will be legally recoverable.

18.—Guarantee.

(a) Subject to Clause 7 (b), a guarantee of fourteen (14) weeks' work from date of commencement of slaughtering is given to each worker brought from Perth or Fremantle. The rate applicable under this guarantee shall be the rate for the respective task allotted.

(b) Every worker shall be engaged on the express condition that he will perform at least fourteen (14) weeks' work from such date of commencement and at the rates for the respective tasks allotted to him and will continue to work for such additional period as in the opinion of the Management is necessary to fulfil the season's operations.

(c) This clause shall be deemed to have been complied with if the worker has continued to work for a period of not less than four (4) weeks after the last day of killing.

19.—Waiting Time.

(a) The date of commencement of slaughtering shall be determined by the Management, but one clear day (not including the day of arrival) shall elapse between the date of arrival of seasonal operatives and the date of commencement of slaughtering operations.

(b) Waiting time allowance as defined in Clause 20 (a) shall be paid for the day after the day of the arrival of seasonal operatives.
