WHEREAS it is enacted, *inter alia*, by section 13 of the Workers' Compensation Act, 1912-1961, that it shall be obligatory for every employer to obtain from an incorporated insurance office, approved by the Minister, a policy of insurance for the full amount of the liability to pay compensation under the said Act to all workers employed by him, but that if an employer proves to the satisfaction of the Minister that such employer has established a fund for insurance against such liability and has deposited at the Treasury securities charged with all payments to become due under such liability, the Governor may, by Order in Council, exempt such employer from the operation of that section; and whereas Whittakers Building Supply Company, of Hay Street, Subiaco, being an employer within the meaning of the section has duly, in accordance with the Act and the regulations made thereunder, made application for exemption from the operation of the section, and has satisfied the Minister that it has established a fund for insurance against the said liability, and has deposited at the Treasury a security, to wit, a bond for ten thousand pounds (£10,000) charged with all payments to become due under the said liability: Now, therefore, His Excellency the Governor, acting with the advice and consent of the Executive Council and in exercise of the powers conferred by the Act, doth hereby exempt Whittakers Building Supply Company from the operation of section 13 of the Workers' Compensation Act, 1912-1961, for a period expiring on the 11th day of March, 1964.

Ltd.) is already registered under the said Act, as to be calculated to deceive; and whereas His Excellency the Governor is satisfied that it would be inequitable or unreasonable to require Australian Oil Corporation to change its name before complying with the requirements of Part XI of the Act and is of the opinion that the circumstances of the case render it expedient: Now, therefore, His Excellency the Governor, acting with the advice and consent of the Executive Council and in exercise of the powers conferred upon him by proviso (a) to subsection (7) of section 28 of the Companies Act, 1943-1961, doth hereby authorise the Registrar of Companies to accept for filing from Australian Oil Corporation the documents and particulars specified in subsection (1) of section 329 of the Act.

Petition.

IN THE COURT OF DISPUTED RETURNS.

In the matter of the election of a Member of the Legislative Assembly for the Darling Range District held on the 31st day of March, 1962.

To the Court of Disputed Returns:

THE PETITION of RAYMOND CECIL OWEN of Pickering Brook in the State of Western Australia Orchardist whose name is subscribed

1. Your Petitioner was a candidate at the election of a Member of the Legislative Assembly for the Darling Range District which was held on the 31st day of March 1962

2. At the said election KENNETH WATHEN DUNN and JACK JEROME METCALFE were candidates in addition to your Petitioner

3. On the 9th day of April 1962 the Returning Officer for the Darling Range district declared that of the valid primary votes cast 1969 were recorded in favour of the said Jack Jerome Metcalfe 1890 votes were recorded in favour of the said Kenneth Wathen Dunn and 1839 votes were recorded in favour of your Petitioner

4. On the same date the Returning Officer declared your Petitioner to be the defeated candidate and proceeded to distribute among the other candidates the votes recorded in favour of your Petitioner in the order of the electors' preference

5. After such distributions aforesaid the votes recorded in favour of the said Kenneth Wathen Dunn numbered 3367 and the votes recorded in favour of the said Jack Jerome Metcalfe numbered 2381

6. On the 11th day of April 1962 the Returning Officer declared the said Kenneth Wathen Dunn to be the duly elected candidate

7. If upon completion of the count of the primary votes cast at the said election the number of the primary votes recorded in favour of your Petitioner had been equal to or greater than the number of primary votes recorded in favour of the said KENNETH WATHEN DUNN and the said KENNETH WATHEN DUNN had been declared to be the defeated candidate then upon distribution of the votes recorded in favour of the said KENNETH WATHEN DUNN your Petitioner would have been elected as the candidate for the district by a substantial majority.

8. Your Petitioner says that in allocating the primary votes the Returning Officer:—

- (a) Wrongly admitted as a valid vote in favour of the said KENNETH WATHEN DUNN a ballot paper which the elector had marked with nine numerals. Your Petitioner says that such vote was invalid by reason of section 139 (d) of the said Act.
- (b) Wrongly rejected as informal a ballot paper in favour of your Petitioner on the ground that such ballot paper had on it a mark or writing not authorised by the Act and which in the opinion of the Returning Officer would enable any person to identify the elector. Your Petitioner says that this vote was a formal and valid vote and that as a fact it did not have upon it any mark or writing not authorised by the Act which would enable the Returning Officer to form or to hold the necessary opinion.
- (c) Wrongly rejected a ballot paper completed by one EDNA MARY GOODWIN of Darlington in the said State which vote had been validly cast pursuant to section 122A of the said Act.
- (d) Wrongly rejected six postal votes which had been validly cast by electors enrolled in the said District and otherwise in accordance with the provisions contained in the Act relative to voting by means of postal ballot. The said votes were rejected on the ground that each such elector when he made application for a postal ballot paper was not then within the State of Western Australia and that accordingly his application for a postal ballot paper was not in order. Your Petitioner does not admit that any such elector was outside the State of Western Australia when he or she made application for such postal ballot paper and further he says that if it be found that any such elector was outside the State when such application was made then this circumstance does not render invalid the vote as cast by means of the postal ballot paper issued on such application and otherwise in accordance with the provisions of the Act. Each vote so cast was a valid vote.

9. If contrary to paragraph 8 (d) hereof it be held that the votes therein mentioned were properly rejected from the count and for the reason assigned then your Petitioner says that the provisions

of section 90 (7) of the Act by which it is provided that if the application for a postal ballot paper is not in order (as on such finding would be the fact) the Issuing Officer shall forthwith post to the applicant a notice in the form prescribed by the Regulations made under the Act were not observed and each of the six electors was thereby deprived of the opportunity of casting a valid vote at the said election,

WHEREUPON your Petitioner prays that it may be determined and declared—

- (a) That the said KENNETH WATHEN DUNN was not duly elected
- (b) That your Petitioner was duly elected, or, alternatively
- (c) That the said election was void, and
- (d) That your Petitioner's costs may be provided for.
