IN THE COURT OF ARBITRATION OF
WESTERN AUSTRALIA.

(No. 161 of 1962.)

Between Printing Industry Employees' Union of Australia, Western Australian Branch, Industrial Union of Workers, Perth, Applicant, and West Australian Newspapers Limited, Respondent.

THE Court having heard Mr. J. L. Toohy of Counsel for the applicant and Mr. J. C. Martin of Counsel for the respondent and having read the Statutory Declarations of Leslie Ernest Hearle and Glen Herford Dunstan filed herein and having heard the evidence adduced before it and being of the opinion that the rostering by the respondent by a notice posted on a notice board at its premises of the shifts proposed to be worked on and after the 15th day of July, 1962, was a circumstance the result of which would cause a contravention of clause 6 (h) of Award No. 13 of 1957 and would cause or contribute to the occurrence of a strike

hereby orders that such roster of shifts be cancelled and that in lieu thereof the respondent shall roster all workers employed under the terms of Award No. 13 of 1957 (with the exception of apprentices and those workers employed in the categories set out in Schedule "A" hereunder and such other workers as the parties may from time to time agree) in such a manner that each worker rotates over the shifts from time to time applicable to the department in which he may from time to time be working (such shifts as at present arranged appearing in Schedule "B" hereunder) so that every worker will in the course of the total shift cycle applicable to him work as nearly as possible an equal number of shifts of each type and doth further order that Award No. 13 of 1957 be and is hereby amended by providing that subclause (h) of clause 6 shall not apply to West Australian Newspapers Limited and that liberty be granted to either party to apply at any time to amend the Award by varying the said subclause.

12.—Long Service Leave.

1. All employees covered by this Agreement shall become entitled to thirteen (13) weeks' long service leave—

Any such officer who fails to do so shall be treated as absent without leave.

(b) An officer so incapacitated for duty shall also notify his superior officer in sufficient time of the date on which he will resume duty, to enable any necessary arrangements to be made.

(c) No sick leave with pay shall be granted without an adequate medical certificate, provided that if for any cause it is inconvenient for an officer to obtain a medical certificate which would allow him to be granted sick leave, such officer may have short leave granted to him by the employer, such period to be deducted from the three (3) days per annum which may be granted under clause 15 of this Award or from his annual leave.

(d) An officer who finds that he is unable to resume duty on the expiration of the period shown on the first certificate shall thereupon furnish a further certificate and shall continue to do so upon the expiration of the period respectively covered by such certificates.

(e) The employer, on receipt of an application for leave of absence on account of illness and supported by a certificate of a registered medical practitioner, may require a further certificate from a Government Medical Officer. (f) The basis of determining the leave which may be granted shall be ascertained by crediting officers with the following periods, such leave to be cumulative:—

	Working Days' Leave.

(h) The maximum period allowable with pay in respect of any continuous absence shall not exceed nine (9) months on full pay and five (5) months on half pay.

(i) Indisposition not necessitating confinement to the house shall not be regarded as illness in respect of which leave of absence may be granted under this clause, except under such special circumstances as may be approved by the employer.

(j) No leave on account of illness or injury shall be granted with pay if the illness or injury has been caused by misconduct of the officer or by circumstances within his control.

(k) The employer, in order to satisfy himself in any case, may send a registered medical practitioner to attend on and examine the officer at his residence and if the report of the practitioner is, in the opinion of the employer, not favourable to the application of the officer concerned, the fee payable to the practitioner shall be deducted from any money which is or becomes payable to the said officer by the employer.

(l) Where in the discharge of his duties, an officer sustains injuries which would be compensative in accordance with the provisions of the Workers' Compensation Act and which necessitates the granting of leave under this Award, half the period only of such leave on full pay and/or half pay respectively shall be charged against his sick leave entitlements or sick leave credits as the case may be.

15.—Short Leave.

(a) The employer may, on sufficient cause being shown, grant an officer leave of absence not exceeding two (2) days, but all such periods of leave shall be properly recorded and, at the discretion of the employer, shall or shall not be deducted from the officer's next annual leave or accumulated leave.

(b) Provided that if the leave granted under subclause (a) hereof exceeds three (3) days in any one (1) year, the excess shall be deducted from the officer's next annual leave or accumulated leave.

16.—Termination of Service.

Except in the case of summary dismissal for misconduct, one (1) month's written notice shall be given by the Director to any officer whose services are no longer required and no officer shall leave the service of the Director without giving one (1) month's previous notice of his intention so to do, without the approval of the Director: Provided that the Director or the employee may pay one (1) month's pay in lieu of such notice.

17.—Maintenance of Salaries.

Nothing in this Agreement shall lower the rate of salary any officer was receiving at the coming into operation of this Agreement.

18.—Term of Agreement.

This Agreement shall operate on and from the 1st day of February, 1962, and shall remain in force thereafter for a period of three (3) years: Provided that either party to this Agreement may after the twelve (12) months negotiate with the other party to amend or add to this Agreement or approach the Court of Arbitration for an amendment to this Agreement.
