- (b) The new lots that is to say Lot Nos. 203, 208, 209, 210, 211, 212, 213 (House) 218, 219, 226, (hereinafter referred to as surplus lots) may be dealt with by the Council as hereinafter appears.

(c) The costs of acquisition of any land for the purposes of the Scheme other than by resumption.

12. The Scheme shall be credited with the net amount received by the Council on the sale of surplus lots and rejected lots or the valuations thereof made under clause 9.

13. Apportionment of Costs: In the event of the amounts received or credited by the Council under clause 12 being insufficient to meet the costs of the Scheme the net costs of the Scheme shall be divided by the number of new lots accepted by the owners as aforesaid and each such owner shall pay to the Council that proportion of the net total costs of the Scheme which the number of new lots accepted by him bears to the total of the new lots accepted by the owners as aforesaid.

15. Encumbrances on Titles: In the event of any land in the area being subject to a registered mortgage charge or lease or to a caveat to protect the interest of the purchaser, mortgagee, chargee or lessee, the Council shall not transfer a new lot to the owner unless subject to similar encumbrances or with the consent of all persons entitled to the benefit of the encumbrances.
