Department of Agriculture,
South Perth, 24th October, 1963.

HIS Excellency the Lieutenant-Governor and Administrator in Executive Council, acting pursuant to the powers conferred by the Interpretation Act, 1918-1962, and by the Alsatian Dog Act, 1962, has been pleased—

- (a) to revoke the regulations made under the Alsatian Dog Act, 1929-1952, and published in the *Government Gazette* on the 22nd May, 1953; and
- (b) to make the regulations set out in the schedule hereto.

T. C. DUNNE,
Director of Agriculture.

Schedule.

Regulations.

1. These regulations may be cited as the Alsatian Dog Regulations, 1963. Citation.
2. In these regulations, unless the context otherwise requires— Interpre-
tation.
 - “Act” means the Alsatian Dog Act, 1962;
 - “certificate of sterilisation” means a certificate given by a registered veterinary surgeon that the dog therein referred to has been sterilised by a registered veterinary surgeon;
 - “dealer’s permit” means a permit held pursuant to regulation 21;
 - “declaration of identity” means a Statutory Declaration, made pursuant to these regulations, verifying that a certificate or other writing therein referred to or thereto annexed relates to an Alsatian dog identified in the declaration and to none other;
 - “permit in the first instance” means a permit to keep an Alsatian dog in respect of which no such permit has previously been issued, or if issued has not been renewed in accordance with these regulations;
 - “regulation” means one of these regulations; and words and expressions used have the same respective meanings as are given them in, and for the purposes of, the Act.
3. (1) The Protection Board shall cause a register of permits to be kept and the particulars of every permit issued pursuant to the Act and under these regulations shall be set out in that register. Register of
permits to
be kept.
 - (2) An entry in the register of permits is *prima facie* evidence of the facts therein contained and, where the issue of a permit is not recorded in the register, there is a presumption that the permit has not been issued.

Applications for permits under s. 6 in first instance.

4. (1) Every application for a permit, in the first instance, pursuant to section 6 of the Act, shall be made to the Chief Vermin Control Officer in writing, signed by the applicant, and shall set out—

- (a) the full name, address and description of the applicant;
- (b) the name, description, sex and age of the dog in respect of which the permit is sought; and
- (c) the place at which the dog is being, or is to be, kept;

and shall be accompanied by a certificate of sterilisation, a declaration of identity made by the applicant and, subject to regulation 20, an amount of five pounds.

(2) Every declaration of identity shall be in the form set out in the schedule to these regulations.

Issue of permits under s. 6 in the first instance.

5. (1) If the Protection Board is satisfied by the production of a certificate of sterilisation and a declaration of identity that a dog, the subject of an application under regulation 4, is sterilised then, but not otherwise, it shall direct the applicant to have the dog marked for identification, pursuant to the Act, under the provisions of regulation 6; and, upon the dog being marked for identification, the Protection Board shall cause the permit to be issued and the identity marking to be indorsed on the permit, on the certificate of sterilisation and on the declaration of identity and shall forward the permit and the certificate of sterilization to the applicant, together with an identification tag.

(2) Where the Protection Board does not issue a permit under this regulation, it shall cause the amount tendered with the application to be refunded to the applicant.

Marking of dogs for identification.

6. (1) Every applicant for a permit under regulation 4 shall, when so directed by the Protection Board, at his own expense, produce the dog that is the subject of the application to such person and place, and within such time, as the Protection Board may stipulate, for examination, marking for identification pursuant to the Act or both.

(2) A person producing a dog pursuant to this regulation shall ensure that it is so secured, restrained, muzzled or treated (including, where necessary, treated by a veterinary surgeon at that person's expense) as to be capable of being examined or marked without danger or risk being occasioned to any person or property, by the behaviour of the dog.

(3) Where practicable, a dog shall be marked for identification within the right ear or, where that is not practicable, within the left ear and, failing that, at such other place as the Chief Vermin Control Officer may, from time to time, direct.

(4) The Protection Board is not liable for any damage to, or disfigurement of, a dog occurring during examination or as a result of marking for identification, unless that damage or disfigurement is occasioned without reasonable and probable cause.

(5) Every person who obliterates, alters or obscures any identification marking made pursuant to this regulation or who makes any mark on a dog that resembles, or is intended to resemble, an identification marking made pursuant to this regulation commits an offence.

Identification tags.

7. The Protection Board shall make provision, from year to year, for the issue of identification tags, of such material, design and colour, and bearing such inscription, as it sees fit, to the holders of a permit to keep an Alsatian dog.

Identification tags to be attached.

8. (1) A person keeping an Alsatian dog in respect of which a tag has been issued shall ensure that the tag is secured to a collar or chain about its neck.

(2) Without mitigating any penalty to which he may be liable under subregulation (1) of this regulation, where the keeper of an Alsatian dog permits or suffers it, in contravention of that sub-

regulation, to be without a tag as therein prescribed, the dog may be taken and dealt with as provided by subsections (3) and (4) of section 10 of the Act.

(3) Every person who—

- (a) attaches an identity tag to a dog other than that for which it was issued;
- (b) defaces, alters, mutilates, obscures or marks, or otherwise interferes with, an identification tag;
- (c) falsely makes or counterfeits, or, knowing it to be false or counterfeit, purchases, uses or has in his possession, any tag resembling, or intended to resemble, or pass for, a tag issued under these regulations; or
- (d) not being the keeper of the dog, removes an identity tag from its place of attachment thereon;

commits an offence.

(4) Without mitigating any penalty to which he may be liable under the provisions of subregulation (3) of this regulation, a person, who, not being the keeper of a dog, removes a tag from its point of attachment thereon, is liable to the owner for any loss thereby occasioned.

9. (1) The keeper of an Alsatian dog of which the identification tag has been lost or so impaired as to render the inscription thereon illegible shall, forthwith after learning of that occurrence, make application to the Chief Vermin Control Officer for the issue of a substitute identification tag; and the Protection Board, on being satisfied as to the *bona fides* of the application, shall, on payment of a fee of one pound, in the case of a lost tag, or of ten shillings, in the case of an impaired tag, cause a substitute to be issued, subject to any conditions it may see fit to impose.

Lost
identifica-
tion tags.

(2) A person who falsely represents to the Protection Board, to any of its officers or to an authorised person that an identification tag is lost commits an offence.

10. (1) Every permit issued pursuant to section 6 of the Act expires (as therein provided) on the 30th day of June next following the day of issue and shall, so long as the holder is keeping the dog to which the permit relates, thereafter be renewed and be renewed annually.

Permits to be
renewed.

(2) An application for the renewal of a permit under this regulation may be made at any time during the period commencing the 1st day of June immediately preceding its expiry and ending on the 15th day of July immediately after its expiry; and, where the renewal is granted, it is deemed to be a continuation of the permit and to have effect on, and from, the day next succeeding that of its expiry.

(3) Where an application for the renewal of a permit is not made within the period prescribed by this regulation, the Protection Board may, in its discretion, require the person keeping the dog to make an application as for a permit in the first instance; and, without mitigating any penalty to which he may be liable for contravention of section 6 of the Act, the person keeping the dog shall thereupon pay the fee prescribed by regulation 4.

11. Every application for the renewal of a permit pursuant to section 6 of the Act shall be made to the Chief Vermin Control Officer in writing, signed by the applicant, and shall be accompanied by the permit that is to be renewed and an amount of two pounds.

Applications
for renewal
of permits.

12. (1) The Protection Board shall make such inquiry as it considers necessary to satisfy itself that an application for the renewal of a permit, made under regulation 11, relates to the dog for which the permit was issued in the first instance and, on being so satisfied, shall renew the permit and forward the renewed permit to the applicant, together with a current identification tag.

Issue of
renewal
permit.

- (2) A person who renews, or attempts to renew, a permit to keep an Alsatian dog that is not then kept by him commits an offence.
- Expired tags to be replaced. 13. (1) Upon the renewal of a permit pursuant to regulation 12, the person keeping the dog to which the permit relates shall substitute the current identification tag for that previously attached to the dog.
- (2) A person keeping an Alsatian dog shall not suffer or permit an identity tag that is not current to be attached to a dog, after fifteen days from the expiry of the permit with which the tag was issued.
- Possession of Alsatian dogs not to be given or taken, without transfer of permit. 14. - (2) Where a person acquires an Alsatian dog from one who has a permit to keep it, he shall not take possession of the dog until such time as the Protection Board has transferred the permit to him.
- Applications for transfer of permits. 15. Every application for the transfer of a permit to keep an Alsatian dog shall be made to the Chief Vermin Control Officer in writing, signed by the applicant, and shall set out—
- (a) the full name, address and description of the applicant; and
- (b) the place at which it is proposed to keep the dog;
- and shall be accompanied by the permit to be transferred, indorsed with the consent of the holder to its transfer, and an amount of five pounds.
- Transfer of permits. 16. The Protection Board shall make such inquiry as it considers necessary to satisfy itself as to the *bona fides* of an application for the transfer of a permit and as to the existence of the dog to which the permit relates and, on being so satisfied, shall issue a permit to the applicant and shall cancel the permit transferred.
- Permits in respect of Alsatian dogs acquired from dealers. 17. A person acquiring an Alsatian dog from the holder of a dealer's permit shall not take possession of the dog, until such time as he has obtained a permit, issued under regulation 5, or, where the holder of the dealer's permit has already obtained such a permit in respect of the acquired dog, until that permit is transferred, under regulation 16, to the person acquiring the dog.
- Introduction of Alsatian dogs into State. 18. (1) A person shall not introduce an Alsatian dog into the State, unless the dog is sterilised and, then only, pursuant to a permit issued by the Protection Board for that purpose.

- and shall be accompanied by a certificate of sterilisation, a declaration of identity made by the person from whom the dog has been, or is to be, acquired and, except in the case of an application by the holder of a dealer's permit, an amount of one pound.

(3) Where, by reason of a variation of arrangements, the particulars set out pursuant to paragraphs (c) and (d) of subregulation (2) of this regulation are not to be followed, the Chief Vermin Control Officer shall be advised, by the applicant, of the varied arrangements.

19. (1) The Protection Board shall make such inquiry as it considers necessary to satisfy itself as to the *bona fides* of an application made under regulation 18 and, on being so satisfied, shall issue the required permit to the applicant, subject, however, to such conditions as it may see fit to impose.

(4) Where the Protection Board refuses an application for the issue of a permit under this regulation, it shall cause the amount paid under regulation 18 to be refunded to the applicant.

20. (1) The holder of a permit issued under regulation 19 shall, unless he is the holder of a dealer's permit, within forty-eight hours after the introduction into the State of the dog to which the permit relates, make an application for a permit to keep the dog, as prescribed by regulation 4.

Permit to keep an Alsatian dog introduced into the State to be obtained.

(2) For the purposes of an application made pursuant to this regulation, the amount of one pound paid to the Protection Board under regulation 18 is deemed to be a prepayment made in part satisfaction of the amount payable under regulation 4.

21. (1) A person shall not engage in the business of procuring, buying, selling or exchanging Alsatian dogs or hold himself out as doing, or as being capable of doing, any of those things, unless he has first obtained from the Protection Board a dealer's permit and continues to hold that or a current permit.

Restriction on dealing in Alsatian dogs.

Duties of holders of dealers' permits.

25. (1) Except as otherwise therein prescribed, regulations 14 and 18 apply to the holder of a dealer's permit in a like manner as to other persons.

(2) Where the holder of a dealer's permit acquires an Alsatian dog that has not been marked for identification as by these regulations prescribed, he shall, forthwith after its coming into his possession, apply to the Chief Vermin Control Officer for a direction as to the marking of the dog for identification, under regulation 6, and shall produce the certificate of sterilisation and the declaration of identity to that officer, for indorsement, as prescribed by sub-regulation (1) of regulation 5.

(3) The holder of a dealer's permit who keeps any Alsatian dog for a period of one month shall, forthwith after the conclusion of that period, apply for a permit to keep that dog, where the dog has not been the subject of a permit in the first instance, under regulation 4 and in any other case under regulation 15.

26. (1) Every person introducing an Alsatian dog into the State shall, forthwith after the arrival of the dog therein, produce it to the Chief Vermin Control Officer or other officer of the Protection Board at the office, depot or inspection point of the Protection Board that is nearest to the dog's place of entry into, or landing in, the State.

Lodging Alsatian dogs with kennel owners.

27. (1) A person requiring to lodge an Alsatian dog with a kennel owner shall obtain a permit in writing from the Protection Board for that purpose.

- (c) the date on which, and the period for which, it is proposed to lodge the dog;

and shall be accompanied by an amount of ten shillings.

Issue of permits to lodge Alsatian dogs.

28. If the Protection Board is satisfied that the kennel owner named in an application for a permit to lodge an Alsatian dog is the holder of a license or other authority from the municipality

of his district to board dogs, it may, in its discretion, issue a permit for the dog to be lodged with that kennel owner, for the period stipulated in the permit.

29. A kennel owner shall not board, or take possession of, an Alsatian dog, unless the person keeping it first hands to him—

- (a) a permit issued under regulation 28; and
- (b) a permit issued under regulation 5 or renewed under regulation 10,

relating to that dog; and shall hold those documents so long as the dog is lodged with him.

30. Every person keeping an Alsatian dog shall keep the dog at the address noted on the permit issued for that purpose and at no other place; and, where the holder of the permit proposes to change his place of abode or the place at which the dog is to be kept, he shall produce the permit to the Chief Vermin Control Officer for notation accordingly.

32. (1) A person shall not permit an Alsatian dog to cross breed with, or to be cross bred by, another dog of any breed, whether directly or by artificial insemination.

(2) A person shall not bring, or cause to be brought, into the State or procure, buy, sell, acquire or have in his possession, in the State, semen of an Alsatian dog; and where a person brings, or causes to be brought, into the State the semen of any other breed, it shall be accompanied by the certificate of a registered veterinary surgeon verifying that it is not that of an Alsatian dog.

33. The clerk of every municipality shall, forthwith after the commencement of these regulations, send forward to the Chief Vermin Control Officer the registered particulars of every Alsatian dog, and of every dog believed to be an Alsatian dog, then, or previously, registered with the municipality pursuant to the Dog Act, 1903.

34. Every veterinary surgeon to whom an Alsatian dog is brought for sterilisation shall forthwith notify the Chief Vermin Control Officer of the particulars of ownership of the dog.

35. Where, under these regulations, any application is required to be accompanied by an amount of money, that amount is the fee payable for the permit in respect of which the application is made.

36. The several forms set out in the Schedule to these regulations may be used for the purpose therein indicated.

37. (1) Every person who furnishes any false information to the Protection Board or to any of its officers commits an offence.

(3) A person committing an offence against these regulations is liable to such penalties as are provided by the Act; and without mitigating any such penalty, the Protection Board may cancel any permit issued to a person committing any offence against the Act or these regulations.
