Harbour and Light Department,
Fremantle, 27th November, 1963.

HIS Excellency the Governor in Executive Council, acting pursuant to The Shipping and Pilotage Consolidation Ordinance, 1855 (Act 37 Vict. No. 14), the Jetties Act, 1926, and the Western Australian Marine Act, 1948-1962, and all other Acts amending or affecting those Acts or any of them or otherwise enabling, has been pleased to make the regulations set out in the schedule hereto.

(Sgd.) K. G. FORSYTH,
Manager, Harbour and Light Department.

Schedule.

Regulations.

1. In these regulations the Navigable Waters Regulations, published in the *Government Gazette* on the 2nd April, 1958, and amended from time to time by regulations amending the same and published in the *Government Gazette*, are referred to as the principal regulations.

2. The principal regulations are amended by substituting for regulation 47 the following regulation:—

47. (1) A person shall not have, or use, a motor boat in any navigable waters, unless the boat is registered with the Department.

(2) Application for registration of a motor boat shall be made to the Department in writing; and the Department shall issue a certificate of registration for the boat in the form set out in the schedule to these regulations.

(3) Registration pursuant to this regulation is valid for the period from the date of registration until the thirty-first day of December next following that date and shall at the end of that period be renewed and thereafter be renewed annually, by the owner.

(4) A renewal of registration may be in the form set out in the schedule to these regulations.

(5) A fee of ten shillings shall be paid to the Department on the registration, and on the renewal of registration, of a motor boat.

(6) The person registered as the owner of a motor boat shall advise the Department of the change of ownership of the boat, within fifteen days after that event, and shall advise the Department of the loss of the boat, however occasioned, within fifteen days after his learning of that event.

3. Regulation 48A of the principal regulations is amended by substituting for subregulation (3) thereof, the following subregulation:—

(3) Where, under the provisions of this regulation, the Department defines and sets aside any area of navigable waters for a specified purpose, it may, at the same, or any other, time, order that those waters be not used for any but the specified purpose; and a person shall not, thereupon, use those waters for any but the specified purpose.

4. Regulation 49F of the principal regulations is amended by substituting for the words, "any area set aside for other water ski-ing" in line three, the words, "any landing or take-off area."

5. The principal regulations are amended by substituting for regulation 49G the following regulation:—

49G. Except as otherwise provided by any notice published under the provisions of regulation 48A of these regulations, a person shall not drive a speed boat towing water skiers within 100 feet of the shore of any landing or take-off area, except for the purpose of landing or taking off water skiers.

6. Regulation 49H of the principal regulations is amended by substituting for the passage, "pull in the tow rope and quit the area as quickly as possible, unless coming to shore, in which case" in lines two and three the passage, "quit the area as quickly as possible, pull in the tow rope, and, if coming to the shore."

7. Regulation 50 of the principal regulations is amended by substituting for the passage, "7 p.m., on a Sunday or holiday" in lines one and two the word, "sundown."

8. The principal regulations are amended by substituting for regulation 52A the following regulation:—

52A. Every vessel, when proceeding outside protected waters, shall be equipped with life jackets, of a type approved by the Department, sufficient for each person on board.

9. The schedule to the principal regulations is amended—

- (a) by deleting from the Certificate of Registration of Motor Boat therein, the representation of the counterfoil to that certificate; and
- (b) by adding after the Certificate of Registration of Motor Boat, the following certificate:—

FREMANTLE HARBOUR TRUST ACT, 1902-1960.

THE Fremantle Harbour Trust Commissioners, acting pursuant to the provisions of the Fremantle Harbour Trust Act, 1902-1960, hereby make the regulations set forth in the schedule hereunder.

Schedule.

Regulations.

1. In these regulations the regulations made by the Fremantle Harbour Trust Commissioners under the provisions of the Fremantle Harbour Trust Act, 1902 (as amended), as reprinted pursuant to the Reprinting of Regulations Act, 1954, and published in the *Government Gazette* of the 27th August, 1963, with all amendments to and including those published in the *Government Gazette* on the 29th December, 1961, and as amended thereafter by regulations so made and published in the *Government Gazette* on the 27th February, 1963, and the 20th March, 1963, are referred to as the principal regulations.

2. The principal regulations are amended by adding after Part VIII the following Part:—

PART IX.**BATHING, BEACH, BOATING AND WATER SKI-ING REGULATIONS.****Section I.****Bathing and Beach Regulations.**

No. 391.

Interpretations.—In this part of these regulations unless the context requires otherwise—

- “authorised person” means a beach Patrol Officer or Beach Inspector or any person appointed as such by the Commissioners or any member of a life saving patrol who is in charge of that patrol;
- “bathing”—includes entry into the sea and emerging therefrom; it also includes the use of bathing appliances;
- “bathing appliance” means a float of any material, surf ski, surf board, kick board, malibu board, boat, or any other device of any description used or for use in bathing or surf riding;
- “bathing area” means that area which is from time to time set aside for bathing in accordance with the provisions of Regulation No. 392 of these regulations;
- “beach inspector” means a person appointed as such under these regulations;
- “boat” includes any craft, structure or vessel whether propelled manually or by wind or power, made or used to float upon or travel under the sea;
- “landing and take off points” means the areas delineated by local governing authority on shore for the purpose of landing and taking off of speed boats and water skiers and includes the waters immediately seaward of those areas;
- “motor boat” means a vessel propelled by any means other than oars or sail and includes a speed boat, but does not include any sailing vessel equipped with an auxiliary motor the horse power of which expressed as a number, does not exceed one-twentieth of the number of square feet of sail for which the vessel is fitted;
- “speed boat” means a motor boat designed for or capable of a speed in excess of twelve knots.

No. 392.

Areas may be Set Aside.—For the purpose of ensuring the safety, comfort and convenience of bathers and to regulate the conduct of bathers and others, the Commissioners may set aside within the boundaries of the Port, and designate by exhibiting appropriate signs—

- (a) areas in which bathing is permitted at all times and areas in which bathing may be restricted, or prohibited;

- (b) areas or sites from which boats may be launched or taken up from the sea;
- (c) areas which may be designated as roads and turning areas in connection with launching sites;
- (d) areas within which the playing of games on the beach is prohibited and areas within which the playing of games is permitted;
- (e) areas within which the sale of goods and services is permitted and areas within which such sale is prohibited;
- (f) areas within which fishing is permitted and areas within which fishing is prohibited, or is restricted to fishing in a particular manner;
- (g) areas in which fires may be lighted for barbecues;
- (h) areas within which bathing appliances, either generally or of a particular class, may be used.

No. 393.

Prohibited Activities.—A person shall not—

- (a) bathe in any part of the Inner Harbour or in an area in which bathing is prohibited;
- (b) bathe within any authorised boat launching area or authorised water ski take off and landing area;
- (c) launch a boat from a site or area other than a site or area set aside for that purpose;
- (d) play games in an area in which the playing of games is prohibited;
- (e) sell goods or services in an area in which their sale is prohibited;
- (f) fish in an area in which fishing is prohibited.

No. 394.

Conduct Generally.—A person shall not within the boundaries of the Port—

- (a) create or commit any nuisance or behave in a disorderly or offensive manner or use indecent or improper language;
- (b) enter, pry or look into or loiter outside any lavatory, dressing shed or other building or portion of a building expressly reserved for the use of the opposite sex;
- (c) dress or undress or remove or disarrange any part of his or her bathing costume or clothing in any place open to public view or in any building save those specifically set aside by the Commissioners for the purpose; but the provisions of this paragraph shall not prevent any person already clad in proper bathing costume from doffing or donning another garment or garments worn over such bathing costume;
- (d) unless he be a member of a life saving club acting in the course of his duty, climb on or over any building or structure;
- (e) enter any portion of land or place that is fenced off or otherwise closed to the public;
- (f) alter, cut, mutilate, deface or disfigure or otherwise damage any building or structure or expectorate or throw lighted matches thereon;
- (g) break or permit to be broken any glass, metal, bottle or utensil or deposit or leave any rubbish, refuse, bottles, paper, tins, jars, broken glass, china or litter of any kind except in receptacles provided for that purpose;
- (h) injure, cut, break, deface, pull up, pick, remove or destroy any tree, shrub, flowers, grass or plant of any kind or description or, without the consent of the Commissioners, plant any such or sow any seed;

- (i) without the written consent of the Commissioners, cut, collect or remove any timber, firewood, stone, sand or other material except seaweed;
- (j) unless he be a servant of the Commissioners or a member of a life saving club acting in the course of his duty as such, carry or discharge any firearm, air gun or other missile discharging device (other than a speargun), or throw or discharge any firework, stone, spear or other missile;
- (k) load or discharge any speargun except when such gun is under water and fifty yards or more from any swimmer other than a companion spear fisherman;
- (l) drive any mechanically propelled vehicle except upon a road-way, turning place or parking place constructed for that purpose;
- (m) light any fire, except in an area set aside for barbecues;
- (n) drive or propel a boat into an area where bathing is taking place in such a way as to cause annoyance or injury to any person bathing or about to bathe;
- (o) ski or surf with the aid of a bathing appliance in any area where bathers are congregated together to the danger or annoyance of those bathers;
- (p) play games in such a way as to cause inconvenience and annoyance to persons bathing or using the beach;
- (q) enter or remain within those boundaries when under the influence of intoxicating liquor and any person who in the opinion of an authorised person is under the influence of intoxicating liquor shall immediately leave the port area when ordered or requested by the authorised person to do so.

No. 395.

Public Activities.—A person shall not, within the boundaries of the Port, unless he shall first have obtained the consent of the Commissioners in writing—

- (a) bet or offer to bet publicly or conduct or take part in any gambling game or contest;
- (b) engage in any public speaking or conduct any meeting, entertainment or competition of an athletic or natatorial nature, but this paragraph shall not apply to the normal competitive or training activities of a life saving club or to meetings of such a club convened and held in accordance with its constitution;
- (c) sell or hire, or offer for sale or hire, any equipment, goods, produce or merchandise;
- (d) operate any broadcasting or public address system or apparatus other than those employed or used by a life saving club in the performance of its functions as such;
- (e) advertise by any means anything whatsoever, or display or distribute any notice, pamphlet or document;
- (f) solicit, purchase or offer to purchase bottles;
- (g) operate any radio, record player or radiogram at such volume as to cause annoyance to other persons in the vicinity.

No. 396.

Animals and Birds Prohibited.—

- (a) A person shall not allow any animal or bird under his control to enter upon any beach under the control of the Commissioners.
- (b) Any animal found on any beach in contravention of this regulation may be removed and dealt with in accordance with the provisions of the Dog Act, 1903, or as the case may require, any existing law relating to the impounding of animals and any bird found on any beach in contravention of this regulation may be destroyed.

No. 397.

Fishing.—

- (a) Where the Commissioners set aside areas in which fishing is prohibited, they shall exhibit signs indicating that fishing is prohibited between the signs.

(b) A person shall not at any place within the boundaries of the Port, whether that place is one in which fishing is permitted or not—

- (i) clean fish or cut bait on any seat, handrail or stairway;
- (ii) leave or deposit any fish, fish offal, burley or bait anywhere on land at any time or in the sea within 200 yards of any portion of the beach at which people are swimming or are likely to swim within twelve hours after such disposal;
- (iii) without written permission of the Commissioners fish for sharks by use of set or buoyed lines or use blood or any other lure for the purpose of attracting sharks.

No. 398.

Boats.—

(a) Where the Commissioners set aside areas or sites for the launching and beaching of boats at any place within the boundaries of the Port, they shall exhibit signs indicating that the area is one in which that action may be taken.

(b) The Commissioners may, by the erection of notices, prohibit the launching and beaching of boats elsewhere within the boundaries of the Port.

(c) The Commissioners may set aside areas in which boats may be left or parked when out of the water and no boat shall be left on the beach other than in an area so set aside.

(d) A person using a car or other vehicle to tow a boat to a launching site shall use the road set aside for that purpose, and after launching he shall withdraw the vehicle from that road to an area set aside for parking, or if there is no such area set aside, he shall remove the vehicle to the public road or to a public parking area.

No. 399.

Camps or Camping.—Unless written permission of the Commissioners to do so has been obtained at least twenty-hours in advance, a person shall not within the boundaries of the Port—

- (a) camp or lodge at night in, or occupy as sleeping quarters, any stall, building, tent or structure of any kind;
- (b) erect any tent, camp, hut or other structure except a beach shade or windbreak for use during daylight and erected, dismantled and removed during the hours of daylight on the day of use.

No. 400.

Bathing.—

(a) Within the portions of the boundaries of the Port where life saving services are provided, the authorised person who first commences duty each morning during the patrol season approved by the Western Australian State Centre of the Surf Life Saving Association of Australia, and during any additional period for which the Commissioners may maintain their paid Beach Inspector on duty, he shall, immediately upon commencing duty, select what in his opinion is the safest and most suitable part of the patrolled area to be set aside as a bathing area and shall thereupon define the limits of such bathing area by erecting at each extremity thereof either or both a red and yellow flag at least thirty inches square and a sign in the following form:—

The upper half of each sign shall be painted yellow and the lower half red with lettering in black and such lettering shall be at least three inches high.

The sign shall have a minimum diameter of twenty-four inches and the lowest point thereof shall be not less than seven feet and not more than ten feet above the immediate ground level.

(b) The erection of such patrol flags or signs, or their re-erection as hereinafter provided, shall set aside and define the bathing area for the time being and denote that an officer of the Commissioners appointed as a permanent beach patrol or, as the case may be, a surf life saving club, is providing life saving services in that area.

(c) If at any time, having regard to prevailing conditions, an authorised person is of the opinion that the limits of the bathing area should be altered, he may remove such red and yellow patrol flags or signs and re-erect them in another position within the patrolled area.

(d) If at any time having regard to prevailing conditions, an authorised person is of the opinion that conditions within the bathing area are so dangerous as to warrant that action, he may close the beach by removing such patrol flags or signs and erecting in a central position within the bathing area a sign in the following form:—

The sign shall be painted white with red lettering at least three inches high and shall be at least three feet in length by two feet in width and the lowest point thereof shall be not less than seven feet and not more than ten feet above the immediate ground level.

(e) During any time life saving services are not provided in the bathing area, an authorised person shall remove the patrol flags and signs referred to in this regulation.

(f) An authorised person may—

- (i) place any life saving gear or appliance in a position considered by him to be the most suitable;
- (ii) set aside a roped enclosure not greater than twelve feet square for the exclusive use of members of a life saving patrol;
- (iii) order the discontinuance of use within a bathing area of bathing appliances (either generally or a particular class) which, in his opinion, could cause inconvenience or danger to bathers;
- (iv) require any or all persons to leave the water within the bathing area or any part thereof during the course of any rescue.

(g) During the presence in or near the bathing area of a shark or other danger, an authorised person may cause a shark alarm to be given. The signal for the shark alarm shall be the prolonged ringing of a shark alarm bell or a long blast on a shark alarm siren and the erection of a red and white quartered flag upon the lookout tower or some prominent position, or the holding of a red and white quartered flag stationary above the head. When he is of the opinion that the danger has passed, such authorised person shall cause the signal of "all-clear" to be given by a short ringing of the shark alarm bell or a short blast on the shark alarm siren followed by the taking down of the red and white quartered flag.

(h) The Commissioners may set aside and designate by signs a part of the patrolled area (other than the bathing area) for use by persons using bathing appliances, either generally or of the particular class concerned, at any time during which the discontinuance of use of bathing appliances (either generally or of a particular class) is ordered pursuant to subparagraph (iii) of paragraph (f) of this regulation, and the part so set aside may be defined by notice, flag or such other means as the Commissioners may deem necessary.

(i) Each member of a life saving patrol shall wear a red and yellow quartered swimming cap whilst engaged on patrol.

No. 401.

Areas for Life Saving Competitions.—

- (1) The Commissioners may, from time to time, authorise a life saving club to—
- (a) temporarily set apart any part of the beach area for the holding of a life saving competition;
 - (b) enclose a competition area with rope, hessian, wire or other means;
 - (c) divide a competition area into sections, some of which may be set aside for use by the public and some of which may be set aside for competition use only, in which case such areas shall be clearly defined as to the nature of their respective uses;
 - (d) prescribe the terms and conditions of entry of the public into such competition area, in which case the terms and conditions of such entry shall be clearly defined by notice erected at each end and every entrance to such competition area.
- (2) During the period of such authorisation, a person shall not—
- (a) enter into or remain within such competition area except upon compliance with the conditions of admission indicated by notice at the entrance or entrances to such areas;
 - (b) if he is a member of the public, enter upon any part of the competition area set aside for competition use; or
 - (c) do any act or thing to create, or which may be likely to create, any interruption or interference to the smooth running of the competition.

No. 402.

Persons Bathing or Sun-bathing to be Adequately Clad.—

(1) Any person bathing in water exposed to the public view or using the beach for sun-bathing in the public view, shall in order to secure the observance of decency, be properly and adequately clad.

(2) If a Beach Patrol Officer or inspector appointed by the Commissioners considers that the costume or other clothing of any person using any area within the boundaries of the Port is not proper and adequate to secure decency, he may order that person to don adequate clothing, and if that person refuses to do so, he may be removed from such area by that officer or inspector.

No. 403.

*Conduct of Persons Bathing.—*A person shall not—

- (a) swim out to sea to such a distance that, in the event of such person becoming in danger or difficulty, the life of anyone attempting to rescue such person may be endangered;
- (b) bathe in any place that has, by notice erected by the Commissioners or by an authorised person, been declared as—
 - (i) closed to bathing;
 - (ii) dangerous; or
 - (iii) reserved for the launching and beaching of surf boats operated by a life saving club;
- (c) use a bathing appliance (either generally or of a particular class in a bathing area where the use of such appliance has been prohibited, either by notice or the verbal order of an authorised person pursuant to regulation 400 of these regulations or use a bathing appliance in such a way as to cause danger, injury or annoyance to any other person;
- (d) fail to leave the water during the course of a rescue when required to do so by an authorised person;
- (e) fail to leave the water within the bathing area after a shark alarm has been given pursuant to paragraph (g) of regulation 400 of these regulations;

- (f) bathe within a bathing area after a shark alarm has been given and before the signal of "all-clear" has been given;
- (g) assist or attempt to assist in the use of any life saving gear or appliance or in any way interfere with its use unless requested or authorised so to do by any authorised person or a member of a life saving patrol;
- (h) interfere with, damage, or destroy any notices, life saving gear or appliance;
- (i) place any clothing, towel or any other object, matter or thing on any notice, life saving gear or appliance;
- (j) encroach upon any area in which any life saving gear or appliance is located or is being used or in which life saving or first aid treatment is being administered to any person;
- (k) obstruct any authorised person or member of a life saving patrol providing life saving services;
- (l) enter upon or loiter in any roped enclosure set aside for the exclusive use of members of a life saving patrol pursuant to paragraph (f) of regulation 400 of these regulations;
- (m) refuse to remove any beach umbrella, sunshade, beach coat or any other thing in his control that may impair the view of the bathing area from the roped enclosure set aside for the exclusive use of members of a life saving patrol pursuant to paragraph (f) of regulation 400 of these regulations;
- (n) unless he is a member of a life saving patrol on duty, wear a red and yellow quartered swimming cap in or upon any bathing area;

- (p) interfere in any way with any other person in the defined area.

No. 404.

Appointment and Power of Beach Inspector.—

(a) The Commissioners may appoint any of their members or employees to be a Beach Inspector under these regulations.

(b) The Commissioners may also appoint any member of a life saving club as a Beach Inspector under these regulations, provided that a member so appointed shall not prosecute any person for a breach of any provisions of these regulations but shall report such breach to the Commissioners for action by them.

(c) Any person appointed a Beach Inspector pursuant to paragraphs (a) or (b) of this regulation, shall be given a certificate of his appointment and shall have issued to him a badge bearing the words "Beach Inspector". The wearing of such badge or the production of it or of the certificate of his appointment when exercising his authority under these regulations, shall be *prima facie* evidence of the appointment and authority of the person producing the same.

(d) Every member of the Western Australian Police Force shall have the powers of a Beach Inspector under these regulations.

(e) Any Beach Inspector or authorised person who finds any person committing or attempting to commit a breach of any of the provisions of these regulations may demand from such person his name and current place of abode and usual place of abode, and shall report the fact of such breach and the name and place or places of abode of such person as soon as conveniently may be, to the Commissioners.

(f) Any person who refuses to state his name and place or places of abode to any Beach Inspector or any authorised person commits an offence against these regulations.

Section II.**Boating and Water Ski-ing Regulations.**

No. 405.

Registration of Boats.—All speed boats and motor boats that are within the boundaries of the Port shall be registered with the Harbour and Light Department in accordance with the provisions of the Navigable Waters regulations.

No. 406.

Identification of Boats.—All speed boats and motor boats that are within the boundaries of the Port shall exhibit the identification number allotted to them in accordance with the provisions of the Navigable Waters Regulations.

No. 407.

Safety Measures.—

(a) A person shall not drive a speed boat towing a water skier, on a Saturday, Sunday or public holiday unless that person is at least 17 years of age and is accompanied in the boat by a person of at least 14 years of age.

(b) A person driving a speed boat towing a water skier shall maintain a constant lookout ahead and the person accompanying the driver shall maintain a constant watch over the skier or skiers being towed by that boat.

(c) A person shall not drive or operate a speed boat—

(i) if under the age of 14 years; or

(ii) if under the age of 17 years unless accompanied in the boat by a person of at least 21 years of age and a person being the owner of or having the control of a speed boat shall not permit or suffer the speed boat to be driven or operated in contravention of this paragraph.

(d) A person shall not drive a speed boat directly, or closely behind a water skier.

(e) A person driving a boat about to take off shall yield right of way to a speed boat coming into land a water skier.

(f) A person shall not permit a ski rope to trail within 100 feet of the shore of any area set aside for water ski-ing, unless the rope handles are held by a skier.

(g) A person shall not drive a speed boat towing a person or persons engaged in the exercise of trick water ski-ing so as to approach within 300 feet of any take-off area.

(h) Except for the purpose of landing or taking off water skiers a person shall not drive a speed boat towing water skiers within 300 feet of the shore of any area set aside for water ski-ing.

(i) After landing a water skier, the driver of a speed boat that towed the skier shall quit the area and pull in the tow rope as quickly as possible. When returning to shore, the driver shall drive the boat at a speed not exceeding eight knots and in such a manner as not to interfere with, or obstruct, any other boat towing a water skier.

(j) The driver of a speed boat landing a water skier shall not approach within 50 feet of the shore where the skier is to be landed, until the skier has landed.

(k) A person shall not drive or operate a motor boat or carry out any water ski-ing in a dangerous or negligent manner.

(l) A person shall not drive a motor boat at such a speed or in such a manner as to cause nuisance or damage to any person or any other vessel, whether moored or not, or to cause damage or erosion to any bank, shore or property.

(m) A person shall not drive a motor boat towing a water skier, or carry out any water ski-ing, within the boundaries of the Port except in conformity with the rules for the time being in force of the body known as the West Australian Water Ski Association.

No. 408.

Areas for Speed Boats and Water Ski-ing.—

(1) The Commissioners may by notice in the *Government Gazette* define or set aside any area for the purposes of water ski-ing or by like notice may define or set aside any area in which water ski-ing is prohibited.

(2) A person shall not drive a motor boat towing a water skier or carry out any water ski-ing, in any area that the Commissioners have in pursuance of subregulation (1) of this regulation defined or set aside as being an area in which water ski-ing is prohibited.

(3) A person shall not drive a motor boat towing a water skier or carry out any water ski-ing within the boundaries of the Port—

- (a) in any water of a depth of less than 10 feet;
- (b) within 300 feet of the shoreline except at recognised landing and take-off points;
- (c) within 150 feet of any moored vessel, jetty or wharf;
- (d) within 300 feet of any vessel or buoy exhibiting the international flag signal "HD";
- (e) within one-half mile radius of the oil refinery jetties at Kwinana; or
- (f) in any navigational channel or within 150 feet of any buoy or beacon marking any such channel.

No. 409.

Limitation of Speed.—A person shall not drive a motor boat at a speed exceeding eight knots within the boundaries of the Port—

- (a) in any water of a depth of less than 10 feet;
- (b) within 300 feet of the shoreline or low water mark in any navigable waters;
- (c) within the Inner Harbour or within that part of the Outer Harbour eastward of an imaginary line extending from the north mole lighthouse to a point where the northern boundary of the Outer Harbour meets the shore of the mainland;
- (d) through or in any mooring area or within 150 feet of any moored vessel, jetty or wharf;
- (e) within 300 feet of any vessel or buoy exhibiting the international flag signal "HD";
- (f) within one-half mile radius of the oil refinery jetties at Kwinana; or
- (g) in any navigational channel or within 150 feet of any buoy or beacon marking any such channel.

No. 410.

Organised Races, Displays, Regattas and Aquatic Sports.—A person shall not organise, promote or conduct a race, display or regatta for vessels of any description or an exhibition of any form of aquatic sport, including water ski-ing on any of the waters within the boundaries of the Port unless written permission to do so has first been granted by the Commissioners, but this regulation shall not apply to any carnival organised by a surf life saving club as approved by the Western Australian State Centre of the Surf Living Saving Association of Australia.

No. 411.

Failure to Comply with Regulations.—Any person who fails to do anything required to be done or who does or attempts to do anything prohibited under this part of these regulations commits an offence.

3. The principal regulations are amended by substituting for the headings, "Part IX" and "Part X" (*Government Gazette*, 5/9/58) the headings, "Part X" and "Part XI" respectively.

4. The principal regulations are amended by substituting for regulation number "No. 391" and "No. 392" (*Government Gazette*, 5/9/58) the regulation numbers, "No. 412" and "No. 413" respectively.

BEEKEEPERS ACT, 1963.

Department of Agriculture,
South Perth, 27th November, 1963.

HIS Excellency the Governor in Executive Council, acting pursuant to the provisions of section 26 of the Beekeepers Act, 1963, and of section 11 of the Interpretation Act, 1918-1962, has been pleased to make the regulations set forth in the schedule to the attached notice.

T. C. DUNNE,
Director of Agriculture.

Schedule.

Regulations.

Citation.

1. These regulations may be cited as the Beekeepers Regulations, 1963.

Revocation.

2. The Bees Act Regulations published in the *Government Gazette* on the 23rd February, 1951, and from time to time amended by regulations published in the *Government Gazette* are, as from the commencement of these regulations, revoked.

Interpretation.

3. In these regulations, unless the context requires otherwise—
“colony of bees” means a nest of bees whether in a full sized or a nucleus hive;
“disease” includes any disease mentioned in the First Schedule;
“schedule” means a schedule to these regulations;
“the Act” means the Beekeepers Act, 1963;
words and expressions used in these regulations have the same respective meanings as are given them in, and for the purposes of, the Act.

Registration of Beekeepers.

4. Application for registration or renewal of registration as a beekeeper shall be made in the form of Form No. 1 in the Second Schedule.
5. Every application for registration or renewal of registration shall be accompanied by the fee prescribed in the Third Schedule.
6. (1) The certificate of registration shall be in the form of Form No. 2 in the Second Schedule.
(2) Every certificate of registration is valid until and including the thirty-first day of December next following the date of issue and registration shall be renewed within 14 days after the date of expiry.

Hive Brands.

7. Application for the issue of a registered brand shall be made in the form of Form No. 3 in the Second Schedule.
8. Every application for a registered brand shall be accompanied by the fee prescribed in the Third Schedule.
9. The Registrar shall issue a distinctive brand to each applicant in the form of Form No. 4 in the Second Schedule, and shall record such brand in a register maintained for that purpose.
10. A person shall, on ceasing to be a beekeeper, forfeit the brand issued to him.
11. A brand shall consist of a combination of one or more letters and one or more numerals, each of at least one half inch in height, set in alignment but not conjoined.
12. The brand may be burnt in, stamped, carved or scored, so that the brand is distinctly impressed below the level of the surface branded.
13. A beekeeper shall brand each brood box and each honey super of every hive, on one exterior surface, and may also brand the floorboard, inner and outer covers, frame top bars and other of his beekeeping appliances.

14. Hives shall be so branded that successive owners' brands shall appear immediately below the former or last preceding owner's brand and preceding owners' brands shall be cancelled by a straight line drawn through the letters and figures.

15. Every person who—

- (a) brands a hive with the registered brand of another person without the authority of that other person; or
- (b) alters, defaces or otherwise renders indistinguishable a registered brand on a hive,

commits an offence.

Imports from other States.

16. (1) A person shall not introduce into the State any bees, combs, used hives, honey or used beekeeping appliances from any other State or any Territory of the Commonwealth except upon the production of a certificate in the form of Form No. 5 in the Second Schedule, and a person shall not introduce or attempt to introduce into this State any bees, combs, used hives, honey or used beekeeping appliances, except as provided by these regulations.

(2) Nothing in this regulation affects any conditions prescribed by any other of these regulations.

(3) This regulation does not apply to honey in quantities of 12 pounds or less, introduced into the State for consumption, exhibition, scientific purposes, or as trade samples, and not for resale or export.

17. (1) A person shall not introduce any bees, combs, used hives, honey or used beekeeping appliances into the State whether by land, sea or air from any other State or any Territory of the Commonwealth without the authority in writing of an inspector given in the form of Form No. 6 in the Second Schedule; and, except in accordance with these regulations, an inspector shall not grant any such authority, until he is satisfied that all the provisions of every law, regulation or order of the Governor at the time being in force with respect to the introduction of such bees, combs, used hives, honey or used beekeeping appliances have been complied with.

(2) Any inspector may detain, and prevent the movement of, bees, combs, used hives, honey or beekeeping appliances newly introduced into the State, until the provisions of these regulations have been complied with.

(3) A person receiving bees, combs, used hives, honey or used beekeeping appliances in the course of their consignment to this State from some other State or a Territory of the Commonwealth shall not deliver them or any of them up to the consignee until an authority in writing such as is mentioned in subregulation (1) of this regulation is presented by the consignee.

(4) The Senior Apiculturist may in any case order an inspector to withhold the issue of the authority referred to in subregulation (1) of this regulation, for such time as the Senior Apiculturist thinks expedient, and the inspector shall comply with any such order.

Eradication of Brood Diseases.

18. Every beekeeper in whose apiary any disease of the brood appears shall—

- (a) send to the Senior Apiculturist or nearest inspector a specimen of infected comb, being not less than three inches square and securely packed, together with a written report of the occurrence and the location of the apiary;
- (b) kill the bees in every infected hive in the apiary forthwith after flying has ceased at night, by closing the entrance of each infected hive, pouring petrol into the top of the hive, and thereafter closing the top immediately;
- (c) burn the dead bees, all combs and frames, mats and scrapings of propolis and wax from the inside of the hive parts of each infected hive in a pit in the ground;
- (d) bury the burnt remains under at least one foot of earth; and
- (e) char with a flame, all the interior surfaces of brood boxes, honey supers, floor boards, inner covers, and roofs and apply similar heat to queen excluders; but any such item may be burnt and buried with the bees and combs.

Eradication of Pests.

19. Every beekeeper in whose apiary or in whose comb, cappings, or beeswax, pests appear, shall—

- (a) give any lightly infested combs to strong colonies of bees; or
- (b) melt and strain those combs, cappings, or that beeswax in hot water or steam, and destroy, by burning, the material separated from the wax; or
- (c) burn the infested material;

and shall destroy all larvae, cocoons and adult pests present in his apiary, beekeeping appliances and premises.

Duties of Inspectors.

20. An inspector, on finding disease present in a hive, shall mark the parts of the diseased hive in a distinctive manner.

21. (1) An inspector to whom the occurrence of disease or pests in an apiary has been reported, or who finds disease or pests in an apiary, shall forthwith direct the beekeeper to carry out such measures as are necessary to eradicate the disease or pests.

(2) Directions given under this regulation shall be in the form of Form No. 7 in the Second Schedule.

Quarantine.

22. An inspector on finding, or suspecting, disease to be present in an apiary, shall issue a quarantine order in the form of Form No. 8 in the Second Schedule.

23. An inspector shall make an inspection of an apiary for disease six weeks after a quarantine order has been issued in respect of that apiary or as soon as possible thereafter.

24. If the inspector is satisfied that—

- (a) the quarantine order has been obeyed; and
- (b) there has been no removal or interchange of any parts from any hives since the quarantine order was issued; and
- (c) the course of the disease is normal; and
- (d) all diseased hives have been treated as required; and
- (e) there are no bees, combs, or apiary equipment likely to carry disease organisms,

he shall issue a release from quarantine in the form of Form No. 9 in the Second Schedule.

25. (1) An inspector may authorise the removal of an apiary to which a quarantine order applies, from an apiary site to a site approved by the inspector, but—

- (a) the quarantine order shall continue to apply to that apiary while in transit and on the new site; and
- (b) there shall be no interchange of hive parts between hives; and
- (c) where any part of any hive is removed for the purpose of transport it shall be replaced on the same hive on the new site.

(2) An inspector may authorise the extraction and removal of honey from an apiary that is in quarantine, but any part of a hive removed for the purpose of extracting the honey, shall be returned forthwith to the same hive.

(3) Any authorisation given under this regulation shall be in writing appropriate.

Hives.

26. (1) Bees shall be kept in hives of which the combs are built in removable frames, but nothing in this regulation precludes the use of cages or ventilated boxes without frames, for the purpose of transporting bees from place to place.

(2) Every hive shall be of sound construction and of approved design.

Abandoned or Neglected Hives.

27. (1) Prior to taking possession of abandoned or neglected bees or hives, an inspector shall obtain from the owner or occupier of the land upon which the bees or hives are situated, authority to remove, and dispose of, the bees or hives and any other abandoned or neglected beekeeping equipment.

(2) An authority required under this regulation shall be in the form of Form No. 12 in the Second Schedule.

(3) This regulation does not apply to bees or hives that are abandoned or neglected and which are infected with disease or harbour pests.

MARKETING OF ONIONS ACT, 1938-1960.

THE Western Australian Onion Marketing Board, acting pursuant to the powers conferred by section 19 of the Marketing of Onions Act, 1938-1960, doth make the regulations set out in the schedule hereto.

Schedule.

Regulations.

1. In these regulations the Marketing of Onions (Management of Board) Regulations, published in the *Government Gazette* on the 18th July, 1941, and amended from time to time thereafter by regulations amending the same and published in the *Government Gazette*, are referred to as the principal regulations.

2. Regulation 23 of the principal regulations is amended—

(a) by substituting for subregulation (2), the following subregulation:—

(2) The return referred to in subregulation (1) of this regulation shall be posted or delivered to the secretary of the Board not later than the 31st day of December following every Proclamation issued under section 4 of the Act up to and including (except in the case of late brown onions) the 31st day of December, 1963, but after that date such return shall be so posted or delivered—

- (a) in the case of early white onions and early brown onions, not later than the 1st day of November in each and every year;
- (b) in the case of mid brown onions and late white globe onions, not later than the 31st day of December in each and every year; and
- (c) in the case of late brown onions, not later than the 1st day of February in the year 1964 and in each and every year thereafter. ; and

(b) by adding after subregulations (3), the following subregulation:—

(4) A grower who commits a breach of the provisions of this regulation commits an offence and on conviction is liable to a penalty of twenty pounds.

Passed by a resolution of The Western Australian Onion Marketing Board this 4th day of December, 1963.

The Common Seal of The Western Australian Onion Marketing Board was hereunto affixed by the authority of a resolution of the Board in the presence of—

MINES REGULATION ACT, 1946-1961.

Mines Department,
Perth, 27th November, 1963.

HIS Excellency the Governor in Executive Council, acting pursuant to the provisions of the Mines Regulation Act, 1946-1961, has been pleased to make the regulations set forth in the schedule hereunder.

A. H. TELFER,
Under Secretary for Mines.

Schedule.

Regulations.

- Principal regulations. 1. In these regulations the Mines Regulation Act Regulations made under the Mines Regulation Act, 1946 (as amended), reprinted pursuant to the Reprinting of Regulations Act, 1954, in the *Government Gazette* on the 1st March, 1961, with all amendments up to and including the 1st August, 1960, and amended from time to time thereafter by notices published in the *Government Gazette*, are referred to as the principal regulations.
- Reg. 177 amended. 2. Regulation 177 of the principal regulations is amended by deleting paragraph (b) thereof.
- Reg. 178 amended. 3. Regulation 178 of the principal regulations is amended by substituting for the passage, "twenty-four hours" in line one, the word, "week", and the heading preceding that regulation is amended by substituting for the word, "Daily" the word, "Weekly".
- Reg. 180 substituted. 4. The principal regulations are amended by substituting for regulation 180 the following regulation:—
180. A report of each examination made under regulation 178 of these regulations shall forthwith be recorded in a book by the person making the examination together with particulars of any defects found on such examination and the action taken to remedy the same, and such book shall be kept at the mine and be available for inspection by an inspector when he so requires.
- Reg. 246 substituted. 5. The principal regulations are amended by substituting for regulation 246 and the heading thereto the following regulation and heading:—

Diesel Engines.

246. (1) An internal combustion engine shall not be taken, installed or used underground in a mine unless and until the permission in writing of the State Mining Engineer to do so is first obtained.

(2) For the purposes of this regulation internal combustion engine" includes a diesel-engined vehicle.

- Regs. 246A to 246P added. 6. The principal regulations are amended by adding after regulation 246 the following regulations:—

246A. No internal combustion engine other than a compression-ignition diesel engine that uses low volatile fuel shall be operated or used underground in a mine.

246B. (1) The State Mining Engineer shall, before issuing a permit under regulation 246 of these regulations, direct that tests be made to determine whether a diesel engine or a diesel-engined vehicle, or any class of diesel engine or diesel-engined vehicle, is safe for underground use.

(2) The State Mining Engineer shall determine the manner and place of such tests, the cost of which shall be borne by the applicant.

(3) Each permit issued shall specify therein the roads and ventilating districts of a mine, or either of them, in which, and the distances from the working face within which, a diesel engine or diesel-engined vehicle may be used, and the matters so specified may be varied or withdrawn at any time.

(4) Every diesel engine or diesel-engined vehicle for which a permit has been issued shall be clearly stamped by the Senior Inspector of Mines or a person authorised by him in that behalf with the number assigned to it and shall be registered by that inspector in the register of engines maintained by him.

246C. A person shall not operate or allow to be operated underground a diesel engine or diesel-engined vehicle that is unsafe or apparently unsafe.

246D. (1) A person shall not operate underground in a mine a diesel engine or a diesel-engined vehicle unless authorised in writing by the manager of that mine and a copy of the authorisation shall be forwarded to the District Inspector of Mines who shall maintain a register of persons so authorised.

(2) A person who is under the age of 18 years shall not be authorised to operate underground in a mine a diesel engine or a diesel-engined vehicle.

246E. A diesel-engined vehicle, when used underground, shall, if required by the State Mining Engineer, be fitted with—

- (a) brakes that are effective;
- (b) a speed indicator so placed as to be readily seen by the driver;
- (c) effective lights that enable travelling in forward and reverse directions;
- (d) a means of giving an audible warning signal; and
- (e) a suitable portable fire extinguisher of a type approved by the District Inspector and so placed as to be within easy reach of the driver.

246F. (1) Every diesel engine used underground shall be fitted with an exhaust gas cooling device capable of reducing the temperature of the undiluted exhaust under any condition of operation to less than 170 deg. Fahrenheit at the point of discharge from the device which device is of a type approved by the State Mining Engineer.

(2) Cooling of the exhaust gas shall be effected by passing it through water and the water shall be completely drained and replenished with clean, fresh water at the beginning of each shift, but when so required by the Senior Inspector of Mines, chemicals as specified by him, shall be added to the water.

246G. (1) The undiluted exhaust gas produced by a diesel engine intended for use underground shall contain not more than 0.25 per cent. by volume of carbon monoxide or 0.20 per cent. by volume of oxides of nitrogen under any condition of engine operation.

(2) A device that is capable of diluting with air the exhaust gas of a diesel engine and being of a type approved by the State Mining Engineer shall be fitted to every diesel engine that is taken or used underground, and the final diluted exhaust mixture, of which the oxygen content shall be not less than 20 per cent. by volume, shall be directed away from the operator and assistants.

246H. (1) No diesel engine or diesel-engined vehicle shall be taken or used underground in any part of a mine in which through ventilation is not provided.

(2) The quantity of fresh air supplied by through ventilation to any part of a mine in which any diesel engine or diesel-engined vehicle is taken or used shall be sufficient to dilute the final exhaust gases so that the concentration of any of the following constituents in the diluted mixture shall not exceed—

- (a) 0.25 per cent. by volume of carbon dioxide;
- (b) 0.01 per cent. by volume of carbon monoxide;
- (c) 0.0025 per cent. by volume of oxides of nitrogen,

and at no time shall the volume of air supplied be less than 5,000 cubic feet per minute.

(3) The oxygen content of the diluted mixture shall be not less than 20 per cent. by volume.

246I. (1) The mine manager shall cause to be taken, in all places where diesel engines are used underground, and at intervals of not more than four weeks or at such lesser intervals as the Inspector may require, a sample of air for analysis, which sample shall be taken on the exhaust side of the air current.

(2) The undiluted exhaust gas produced by a diesel engine underground shall be sampled and analysed daily, and the mode of analysing and the method of taking of samples under this regulation shall be approved by the State Mining Engineer.

(3) The mine manager shall be responsible for the cost of sampling and of analysing under this regulation.

(4) The original certificate relative to each laboratory test shall be filed in a book kept at the mine for the purpose and the book shall be open to the inspection of an inspector when he so requires.

246J. A diesel engine fitted to a vehicle that is underground shall not be operated while the vehicle is stationary, except for engine testing and for short periods when necessary.

246K. The mine manager or owner shall, with respect to diesel-engined vehicles to be used underground—

- (a) determine by notice the maximum load to be hauled by each vehicle and the conditions of operation;
- (b) cause cautionary notices to be posted in any roadway in which special precautions are necessary for their safe running; and
- (c) give to each driver directions, in writing, as to loads, speed and such other matters as are necessary to ensure safe operation.

246L. (1) The mine manager shall appoint, in writing, a competent person who once at least in every week shall examine every diesel engine and diesel-engined vehicle used underground in the mine to ensure that it is in proper working order and that inlet and exhaust valves are cleaned as often as is found necessary.

(2) Maintenance procedures and the manner of making inspection may be specified by the Senior Inspector of Mines and any defects found, together with the action taken to remedy them, shall forthwith be recorded by the examiner in a book kept at the mine for the purpose, which book shall be open to the inspection of an inspector when he so requires.

246M. (1) Diesel engine fuel for use underground shall have a flash point of not less than 150 degrees Fahrenheit as determined in the manner indicated in the British Standard Specifications as at the commencement of this regulation, and shall not contain more than 0.5 per cent. sulphur by weight.

(2) Oil fuel, when taken underground, shall be in strong containers that do not leak.

(3) Oil fuel and lubricants for use underground shall be stored in such places as may, together with their method of construction and means of ventilation, be approved by the Inspector, and the quantity of oil fuel stored on a level shall not exceed the quantity required for one week's work thereon.

246N. (1) Diesel engines shall not be fuelled or serviced at an underground fuel storage place and diesel-engined vehicles shall be fuelled or serviced at a service station if a station is required by the Senior Inspector of Mines.

(2) The location, method of construction and means of ventilation of a service station shall be approved by the Inspector.

(3) Fuelling underground shall be by means of pump and hose or other method approved by the Inspector.

246O. No naked light shall be used and no person shall smoke in or within ten yards of any service station or fuel storage place that is underground in a mine and the mine manager shall cause signs to that effect to be erected in conspicuous places.

246P. Fire extinguishers of a type and capacity approved by the Senior Inspector of Mines shall be installed on each diesel engine and at fuel storage places and service stations underground in a mine.

TOTALISATOR AGENCY BOARD BETTING ACT, 1960-1963.

Totalisator Agency Board,
Perth, 11th December, 1963.

HIS Excellency the Governor in Executive Council has been pleased to approve of the regulations set forth in the schedule hereunder, made by the Totalisator Agency Board pursuant to the provisions of section 57 of the Totalisator Agency Board Betting Act, 1960-1963.

J. P. MAHER,
Chairman, Totalisator Agency Board.

Schedule.

Regulations.

Principal regulations. 1. In these regulations the Totalisator Agency Board Betting Regulations, 1961, published in the *Government Gazette* on the 8th February, 1961, and amended from time to time thereafter by notices published in the *Government Gazette*, are referred to as the principal regulations.

Reg. 32 and heading substituted. 2. The principal regulations are amended by substituting for regulation 32 and the heading thereto the following regulation and heading:—

Special Provisions Relating to Bets Known as Double Event Bets and Quinella Bets on Horse Races
Within the State.

32. (1) The Board may make and receive bets known as double event bets and quinella bets in respect of horse races conducted on race courses within the State.

(2) The Board may from time to time establish at all or any of its totalisator agencies, totalisator pools and place in one such pool the bets known as double event bets and in another such pool the bets known as quinella bets.

(3) The Board may establish separate totalisator pools for bets known as double event bets and bets known as quinella bets, in respect of a group of totalisator agencies, each totalisator agency region, or establish one totalisator pool in respect of all totalisator agencies for each such bet.

(4) Subject to these regulations, a totalisator pool conducted by the Board shall be operated in accordance with such of the rules governing the operation of the totalisator on the race course on which the race or races on which the bets known as double event bets or quinella bets are made, as relate to bets of such a kind.

(5) (a) The dividend for a bet of five shillings (5s.) shall be as declared by the totalisator pool except that fractions of one shilling shall not be paid unless the fraction exceeds sixpence, in which case sixpence shall be paid.

(b) The dividend for a bet of two shillings and sixpence (2s. 6d.) shall be at the rate of half of the dividend declared by the totalisator pool for a bet of five shillings.

(c) Notwithstanding the provisions of paragraph (a) of this subregulation, the dividend declared for a bet of five shillings (5s.) shall not in any case be of a lesser amount than five shillings (5s.).

(6) Before any dividend is calculated and declared on a totalisator pool the Board shall deduct a totalisator commission of fifteen per centum of the gross takings of the totalisator pool and pay the amount of the resulting balance by way of dividend to the holder of the winning ticket or, if there is more than one such ticket, then the amount of the balance shall be divided by the number of the winning tickets and the amount derived therefrom shall be paid by the Board in respect of each winning ticket to the holder thereof.

(7) Where details of a bet otherwise properly received by the Board to be recorded in a totalisator pool have not been so recorded owing to a failure in the means of or error in transmission or to other circumstances beyond the control of the Board, if a dividend would have been payable in respect of that bet had it been so recorded, the Board shall pay in respect of the bet the same dividend as would have been payable had the bet been duly recorded in the totalisator pool.

(8) Where the Board conducts a totalisator pool for bets known as double event bets or bets known as quinella bets, if no bet placed in the pool is made on the winning combination, the Board, after deduction of the fifteen per centum totalisator commission pursuant to these regulations, shall carry forward the balance of the gross takings and add that balance to the amount invested in a subsequent pool conducted for the same kind of bet in respect of which no bet on the winning combination was made, whether on the same day or another day as the Board determines.

Reg. 33
substituted
and heading
added.

3. The principal regulations are amended by adding immediately before regulation 33, the heading, "Special Provisions Relating to Bets Known as Double Event Bets on Horse Races Within the State", and by substituting for that regulation the following regulation:—

33. (1) Where the horse, or one of the horses, the subject of a double event bet with the Board fails to start in one of the races in respect of which the bet was made, if the horse or the other horse starts in one of the races comprising the double event, the bet shall be received by

the Board on the condition that it will be a straight out bet in respect of the horse for the race in which the horse so starts and if that horse wins that race, the bet shall be subject to the payment of a straight out dividend as declared by the totalisator for that race on the race course in respect of which the race was run.

(2) Where the horse or horses named in a double event bet fail to start in both races in respect of which the bet was made the Board shall refund to the person making the bet a refund of the amount of the bet together with the amount of any investment tax paid in respect thereof.

Reg. 34
amended.

4. Regulation 34 of the principal regulations is amended by substituting for the words, "referred to in this regulation" in lines two and three of subregulation (1) the passage, "specified in regulation 35 of these regulations".

FACTORIES AND SHOPS ACT, 1963.

Department of Labour,
Perth, 11th December, 1963.

F. & S. 693/60.

HIS Excellency the Governor in Executive Council, acting pursuant to the provisions of the Factories and Shops Act, 1963, and the Interpretation Act, 1911-1962, has been pleased to make the regulations set out in the schedule hereunder, to take effect on and after the 1st day of January, 1964.

C. A. REEVE,
Secretary for Labour.

Schedule.

Regulations.

1. These regulations may be cited as the Factories and Shops (Registration Fees) Regulations, 1964.

2. In these regulations, "the Act" means the Factories and Shops Act, 1963, and words and expressions used in these regulations have the same respective meanings as are given them under, and for the purposes of, the Act.

3. (1) Subject to the succeeding provisions of this regulation, the fee payable upon the registration, or the renewal of the registration, of a factory, shop or warehouse is based on the number of persons employed in the factory, shop or warehouse, in accordance with the following scale:—

	£	s.	d.
1— 2 persons employed	1	0	0
3— 5 persons employed	2	0	0
6— 10 persons employed	5	0	0
11— 20 persons employed	8	0	0
21— 30 persons employed	10	0	0
31— 50 persons employed	15	0	0
51—100 persons employed	30	0	0

(2) Where more than one hundred persons are employed in a factory, shop or warehouse, the fee payable upon registration, or the renewal of the registration, thereof is an amount of thirty pounds, plus an additional amount of fifteen pounds, in respect of every fifty persons, or part of that number, in excess of one hundred, employed in the factory, shop or warehouse.

(3) In calculating the number of persons employed, for the purposes of this regulation, the number shall include the occupier or occupiers of the factory, shop or warehouse, except that, where a husband and wife are occupiers, they shall be reckoned as one person.

4. Every application for the issue of a permit for a privileged shop, under the provisions of section 87 of the Act, shall be accompanied by a fee of five pounds, repayable where the permit is not issued.
