CLASSIFICATION

2. The permanent positions created under the provisions of the Public Service Act, 1904-56, and the officers occupying these positions fall into one or the other of two main sections, *viz.* :—

- (a) Those outside the jurisdiction of the Court of Arbitration of Western Australia.
- (b) Those within the jurisdiction of the Court of Arbitration of Western Australia.

3. For the purpose of classification, those positions and officers outside the jurisdiction of the Court of Arbitration of Western Australia have been further divided into two sections, *viz.* :—

- (a) Higher Administrative and Professional officers who have been placed in Special Classes, shown as A-S and P-S respectively, with fixed salary rates.
- (b) Positions and officers classified in classes between the Special Classes and the Arbitration section—shown as Group I.

4. Positions and officers within the jurisdiction of the Court of Arbitration of Western Australia are subdivided into eleven groups to correspond with the provisions of the Agreement completed with the Civil Service Association. These are shown, progressively, as Group II to Group XII.

Special Classes

5. The salary rates of officers classified in Special Classes were, at the 1st January, 1963, fixed within the limits of £3,800-£5,050 and are subject to adjustment by way of a " basic wage and marginal allowance " in multiples of £20 as basic wage and marginal allowance adjustments to the salary rates of officers in the lower categories on and after the 1st January, 1963 aggregate that amount.

The salary range of £3,800-£5,050 is however, subject to a review which will be effective from 3rd May, 1963.

For Directors and Superintendents of Education, other than the Director-General and Deputy Director-General, this system has been varied (refer paragraph 6).
