### ROYAL COMMISSION

WESTERN AUSTRALIA, }  
TO WIT, }  
DOUGLAS ANTHONY }  
KENDREW, }  
Governor, }  
[L.S.] }  
By His Excellency Major-General Sir Douglas Anthony Kendrew, Knight Commander of the Most Distinguished Order of Saint Michael and Saint George, Companion of the Most Honourable Order of the Bath, Commander of the Most Excellent Order of the British Empire, Companion of the Distinguished Service Order, Governor in and over the State of Western Australia and its Dependencies in the Commonwealth of Australia.

To William John Wallwork, Esquire, of 15 Birdwood Parade, Nedlands, in the State of Western Australia, Stipendiary Magistrate:

I, the said Governor, acting with the advice and consent of the Executive Council do hereby appoint you William John Wallwork to be a Royal Commission to enquire into and report upon the following matters, in relation to ships to which the Western Australian Marine Act, 1948-1962, applies and which proceed outside inland waters, that is to say—

- (a) the adequacy of the present legislation (including regulations thereunder) concerning seaworthiness of and lifesaving

equipment to be carried on the ships and any improvements considered to be desirable;

- (b) the ability of the Harbour and Light Department effectively to administer such legislation and improvements thereto, and to take Court action thereunder, having regard to present staff and legal requirements and what further staff and facilities (if any) should be made available to the Department for such purposes;
- (c) the requirements and standards of qualifications for masters, mates, engineers, marine motor engine drivers and coxswains' certificates, respectively, and any improvements considered to be desirable;
- (d) the adequacy of the present organisation and facilities for the search and rescue of persons missing at sea from such ships and any improvements considered to be desirable;
- (e) the attitude to, and views on, the foregoing matters of those affected by such legislation and its enforcement; and
- (f) generally the safety of such ships and those aboard them while at sea, and recommendations for or in regard to legislation, organisation, control, facilities, education or other matters to provide or improve measures for such safety;

and I hereby declare that by virtue of this Commission you may in the execution hereof do all such acts, matters and things and exercise all

such powers as a Royal Commission or the Chairman or members of a Royal Commission may lawfully do and exercise whether under or pursuant to the Royal Commissioners' Powers Act, 1902-1956, or otherwise.

Given under my hand and the Public Seal of the said State, at Perth, this 18th day of March, 1964.

By His Excellency's Command,

(Sgd.) DAVID BRAND,  
Premier.

## SPECIAL SETTLEMENT LANDS.

Ord River Project Special Settlement Area.

Department of Lands and Surveys,  
Perth, 20th March, 1964.

Corres. 574/64.

HIS Excellency the Governor in Executive Council has been pleased to approve, under section 84 of the Land Act, 1933-1963, of King Locations 254 to 260 inclusive being set apart as Special Settlement Lands as an addition to the "Ord River Project Special Settlement Area" and of these locations being made available for selection under Part V, Divisions 1 and 4, of the said Act and regulations thereunder, as modified by special conditions set out hereunder, each priced at £1 per acre exclusive of survey fees and subject to mining conditions, payment for improvements, survey and provision of any necessary roads; and to suspend so much of section 84 of the said Act as requires the land to be surveyed before it is declared open for selection.

Applications must be lodged at the Department of Lands and Surveys, Perth, on or before Wednesday, 6th May, 1964, accompanied by a deposit of £10.

All applications received on or before that date will be treated as having been received on the closing date and, in the event of more applications than one being received for any one location, the application to be granted will be decided by the Land Board.

## Special Conditions.

- (1) Applicants may be allotted one farm only. The maximum area allowed to be selected by any one applicant or joint applicants is limited to a nominal 600 acres or such excess as is contained by survey.
- (2) The lessee or his nominee must take up residence within working distance of his farm not later than 15th September, 1964, and make it his usual residence for the following five years.
- (3) The lessee will be expected to—
  - (a) cultivate, land plane, pre-irrigate and plant at least 100 acres to an oilseed crop during the winter dry season of 1964 and at least 100 acres of an approved crop in the wet season 1964-65.
  - (b) in subsequent years cultivate and plant a minimum of 200 acres. Crops to be oilseeds, cotton, rice or such other crops as may be acceptable to the Director of Agriculture or his nominee.
  - (c) For the first five years of the lease, accept guidance in his farming operations from the Director of Agriculture or his nominee in relation to—
    - (i) crop to be grown;
    - (ii) area to be fallowed;
    - (iii) time of planting;
    - (iv) variety, source and rate of seed;
    - (v) rate and type of fertiliser;
    - (vi) methods of cultivation, seeding and fertiliser application;

- (vii) plant and equipment to be used for agricultural operations;
- (viii) materials, equipment and methods used for protection against insect pests, with particular reference to aerial spraying;
- (ix) time and method of harvesting;
- (x) rate and method of watering.
- (d) Fence in at least one-half of the land within the first five years and the whole of the land within ten years. Fences along Government supply channels and drains, plus boundary fences, shall be completed before stock are introduced.
- (e) Erect an approved type of machinery store shed on the property during the first year of the lease.
- (4) The term of the lease shall be 30 years. At the expiration of the lease or at any time after five years from its commencement, if the conditions have been complied with, the fencing and improvements maintained, and the price of the land fully paid, a Crown Grant of the land shall be issued upon payment of a Crown Grant Fee of £2.
- (5) Interest only at the rate of 5 per cent. per annum on the survey fee and the value of improvements as enumerated in paragraph (6) shall be paid during the first five years. Thereafter during the currency of the lease, interest

as above, plus the value of improvements, the survey fee and price of the land, shall be paid in equal half-yearly instalments.

- (6) Improvements inside the farm boundaries will be assessed as follows:—

If requested, one unit of each farm will be prepared by the Government during 1964 for subsequent seeding at a total cost of £20 per acre. If requested, a further unit will be prepared by the Government during 1965 at an additional total cost of £20 per acre. These improvements include felling, burning, ploughing, rooting, cultivating, grading, internal channels and ditches. The lessee must carry out cultivation necessary for weed control and seed bed preparation, land planing, check banking or furrowing, fertilising and seeding to a standard approved by the Department of Agriculture. The lessee will have a choice as to when and how he develops the final unit provided it is sown with an irrigated cash crop within five years.

- (7) All leases shall be subject to the Ord River Area By-Laws published in accordance with the Rights in Water and Irrigation Act, 1914-1954.

(Plan 142/300.)

Shire of Perth Town Planning Scheme No. 15  
(North Scarborough Scheme).

T.P.B. 853/2/20/15.

IT is hereby notified for public information, in accordance with section 7 of the Town Planning and Development Act, 1928 (as amended), that the Hon. the Minister for Town Planning approved the Shire of Perth Town Planning Scheme No. 15, published hereunder, on the 9th day of March, 1964.

J. E. LLOYD,  
Chairman, Town Planning Board.

SHIRE OF PERTH.

Town Planning Scheme No. 15  
(North Scarborough Scheme).

Resolved that the Shire of Perth, in pursuance of section 7 of the Town Planning and Development Act, 1928-1961, prepare the above Town Planning Scheme with reference to the area situated wholly within the Shire of Perth and now enclosed within the inner edge of a blue border on the plans now produced to the Perth Shire Council and marked and certified by the Perth Shire Clerk under his hand the 16th day of July, 1963, as Plan No. 1 and Plan No. 2.

Details of Scheme No. 15.

1. Responsible authority: The Council of the Shire of Perth (hereinafter called "the Council") shall be the authority responsible for the carrying out of this Scheme.

2. Areas: The Scheme shall apply to the land contained within a blue border on Plan No. 1 and to the land contained within a blue border on Plan No. 2 and to such other land as may be made available by the Crown for the purpose of this Scheme. The said land contained within a blue border on Plan No. 1 is hereinafter referred to as "the resumed area" and the land contained within the blue border on Plan No. 2 is hereinafter referred to as "the subdivisional area." The term "subdivisional area" shall also include such other land as may be made available by the Crown as aforesaid.

3. General Objects: The general objects of the Scheme are—

- (a) to improve and develop the areas to the best possible advantage;
- (b) to make the resumed area available to the Crown for regional roads, public recreation, for public open space and such other uses as may be determined when it has become Crown land;
- (c) to replace to the extent hereinafter mentioned the unsatisfactory subdivision of the resumed area with satisfactory subdivision in the subdivisional area;
- (d) to develop the subdivisional area for residential purposes;
- (e) to develop the areas in accordance with the Interim Development Order No. 1 (amending Order No. 6) made by the Metropolitan Region Planning Authority in pursuance of the provisions of the Town Planning and Development Act, 1928-1961, and the Metropolitan Region Planning Scheme Act, 1959-1960.

4. Acquisition of Land: The resumed area shall be resumed or otherwise acquired by the Council.

5. Works to be Carried Out: The following works shall be carried out within the areas:—

- (a) The subdivisional area shown on Plan No. 2 will be re-surveyed and subdivided into conformity with the design shown on Plan No. 2 or as near thereto as circumstances permit. Any further land made available by the Crown may be surveyed and subdivided.
- (b) The roads coloured brown in the subdivisional area shall be constructed and drained.
- (c) The roads within the resumed area shall be closed.

6. Allocation of Lots in Subdivisional Area: New lots created by the re-survey of the subdivisional area shall be provisionally allocated to owners as follows:—

- (a) Each of the owners of the lots in that portion of the resumed area which is coloured red on Plan No. 1 shall have the right to have allocated to him for each of such lots owned by him on the 16th day of October, 1962, one lot in the subdivisional area subject to the terms of this Scheme.
- (b) Each person who is at the 16th day of October, 1962, registered at the Land Titles Office, Perth, as the proprietor of an estate in fee simple in three or more lots in resumed area (with the exception of the portion thereof coloured red on Plan No. 1) shall have the right to have allocated to him for each group of three lots of which he is the registered proprietor as aforesaid one lot in the subdivisional area, subject to the terms of this Scheme, except that this right shall not apply to lots 67, 68 and 69 in Block 4 of the resumed area.

7. The Council shall set aside in the subdivisional area lots of a number sufficient for the allocation of lots in accordance with clause 6, provided that lots 133, 134, 135 and such lots as may be required for drainage purposes, shall not be available for allocation. The Council shall, on a date and time to be notified to the persons mentioned in clause 6, conduct a ballot for the allocation of the lots in the subdivisional area. Such persons may, if they so desire, be present when the ballot is conducted.

8. The Council shall cause the lots in the resumed area and the lots in the subdivisional area to be valued as at the date on which the lots in the resumed area shall be resumed. The valuation of the lots in the subdivisional area shall be made on the basis that all works and improvements to be done in the subdivisional area have been completed.

9. Upon the lots in the subdivisional area having been allocated by ballot in accordance with clause 7, and the difference in the respective values of the lots allocated and the lot or lots for which they were allocated ascertained, each owner or person mentioned in clause 6 shall be offered the lot or lots so allocated to him subject to the payment by him to the Council or the payment to him by the Council, as the case may be, of the difference in the value of the lot or lots which gave him the right of allocation of a new lot under clause 6 and the lot allocated to him.

10. The offer shall be made in writing to each of the said owners or registered proprietors and served by certified post on him at his address as appearing in the rate book of the Council and shall specify the number of the lot offered, the lot or lots on Plan No. 1 in respect of which the offer of replacement land is made and the amount to be paid by or to him as the case may be.

11. The offer shall specify a date not being less than twenty-eight days after the date of posting of the said offers before which the offer may be accepted.

12. The offer may be accepted by notice in writing to the Council at any time before the date specified in the said offer and, if not accepted within such time shall, subject to clause 25 hereof, be deemed to have been rejected. No acceptance of the offer shall be deemed a valid acceptance unless all rates and taxes owing by the owner in respect of land within the resumed area have been paid.

13. The offer shall be made on the condition that, if accepted, the owner or registered proprietor as the case may be will, subject to the payment as aforesaid, accept the new lot within the subdivisional area specified in the offer chosen in the manner hereinbefore provided in full settlement of all claims for compensation or otherwise in respect of the resumption of the lots coloured red on Plan No. 1 or the groups of three lots in respect of which the offer was made as aforesaid and will indemnify the Council against any claims which may be made by any other person who has or claims to have any estate or interest in the lots in the resumed area in respect of which the offer was made.

14. Transfer of Lots in Subdivisional Area: In accordance with an arrangement already entered into between the Crown and the Council, the Crown shall re-survey the subdivisional area in accordance with Plan No. 2 and such other land as may be made available by the Crown for the purpose of this Scheme and transfer lots in the subdivisional area except lot 215 to the Council.

15. The Council shall, subject to clause 29, transfer lots in the subdivisional area to the various persons who have accepted the said offers made the payments (if any) payable by them and otherwise complied with the terms of the offers.

16. Compensation: Claims may be made to the Council for compensation for the resumption of the land in the resumed area in respect of which an offer of replacement land has not been made and in respect of which an offer if made has been rejected or not been accepted or rescinded under clause 29.

17. Settlement of Compensation: The Council may enter into agreements with claimants as to the amount of compensation payable and may settle claims for compensation.

18. Estimate of Compensation: In the event of any claims for compensation not having been settled when the Council is ready to complete this Scheme, the Council, with the agreement of the Metropolitan Region Planning Authority, may estimate the amount of compensation payable and the costs relating thereto and debit the Scheme with the amount so estimated. In the event of the Council so doing, the difference between the estimated and the actual compensation payable shall be received or paid by the Council as the case may be.

19. Time Limit of Claims for Compensation: Claims for compensation by reason of the operation of this Scheme shall be made within six (6) months of this Scheme coming into operation or of the issue of a notice of resumption or the issue of a notice of rescission under clause 29 whichever is the later.

20. Costs of Scheme: The Scheme shall be debited with—

- (a) all compensation payable and all costs and expenses incurred by the Council in determining and settling compensation;
- (b) the estimated compensation and costs payable under clause 18 hereof;
- (c) the cost of acquisition of any land within the resumed area in the event of such land being acquired by the Council other than by resumption;
- (d) the cost of the transfer of replacement lots in the subdivisional area in accordance with the Scheme;
- (e) the cost of any road construction carried out in the subdivisional area;
- (f) interest and any other charges in respect of any moneys borrowed for the purposes of the Scheme;

- (g) payments made under clause 27 hereof, subject to any arrangement for the subsequent reimbursement thereof;
- (h) all administrative and any other costs incurred by the Council in carrying out the Scheme.

21. All moneys payable by and to the Council by way of equality under clause 9 shall be debited and credited to the Scheme.

22. Sale of Surplus Lots: The Council may sell any surplus lots at such prices and upon such terms and conditions as the Council shall think fit. In the event of a sale by private contract, the price shall not be less than the price recommended by the Chief Valuer of the Taxation Department of Western Australia unless after submitting the land for sale by public auction or tender, that price has not been obtained. The net proceeds from the sale of surplus lots shall be credited to the Scheme.

23. Costs of Scheme: Subject to any agreement which may be made with the Metropolitan Region Planning Authority, the Council shall pay the costs of the Scheme. If the Metropolitan Region Planning Authority shall have paid any moneys on account of the costs of the Scheme, the Council shall, so far as the profits of the Scheme permit, repay such moneys to the Metropolitan Region Planning Authority. Subject as aforesaid the Council shall retain the net profits if any of the Scheme.

24. Transfer of Resumed Area: The Council shall transfer the resumed area to the Crown.

25. Powers of Council: The Council shall have the following powers:—

- (a) To enter into agreements and arrangements with the Crown and the Metropolitan Region Planning Authority for the carrying out of this Scheme.
- (b) Sell any surplus lots in the subdivisional area and credit the proceeds of sale to the costs of the Scheme.
- (c) Postpone the operation of the Scheme until satisfactory arrangements have been made with the Crown, the Metropolitan Region Planning Authority, the Metropolitan Water Supply, Sewerage and Drainage Department or other authority on any matters pertaining to the Scheme.
- (d) Extend the time within which any offer or replacement land may be accepted.
- (e) Determine the method of the conduct of the ballot for replacement lots and settle any disputes relating thereto.
- (f) Acquire by purchase or otherwise any land in the Scheme area.
- (g) Enter into agreements with owners of land within the resumed area.

26. The Council may, subject to the written consent of the Minister and to the approval of the Governor, obtain advances from a bank on overdraft in pursuance of section 600 of the Local Government Act, 1961-1962, for the purpose of carrying out the Scheme and the payment of any moneys or expenses payable by the Council in accordance with this Scheme.

27. The Council may enter into arrangements with the Metropolitan Water Supply, Sewerage and Drainage Department for the extension of water mains and pipes to the subdivisional area and make such payments to the Department for that purpose as it considers reasonable.

28. Encumbrances on Title: In the event of any land in the resumed area being subject to a registered mortgage, charge or lease or to a caveat to protect the interest of any third party, the Council shall not authorise a transfer of a replacement lot in the subdivisional area to the owner unless subject to a similar encumbrance or unless with the written consent of all persons entitled to the benefit of the encumbrances.

29. Registration of Transfers: The Council shall cause to be prepared and sent to those owners entitled transfers of lots in the subdivisional area in accordance with the provisions of this Scheme. If an owner shall fail to complete the transfer in accordance with the Transfer of Land Act, 1893-1957, and return it to the Council for registration

or fail to make the payment (if any) to be made by him within twenty-eight days after having been called upon to do so by notice served by certified post on the owner at his address last known to the Council (which notice may be served with the transfer) the Council may rescind any provision or agreement whereby such owner is entitled to have the land the subject of the transfer transferred to him and thereupon such owner shall have a claim against the Council only for compensation for the resumption of the land in respect of which the offer of the replacement lot or lots was made.

I certify that the foregoing is a copy of minute of ordinary meeting of the Council of the Shire of Perth held on the 16th day of July, 1963.

H. R. ROBINSON,  
President.  
LLOYD KNUCKEY,  
Shire Clerk.
